FLEXIBLE PACKAGING

Sustainable Packaging – Renewable, Recyclable and Compostable

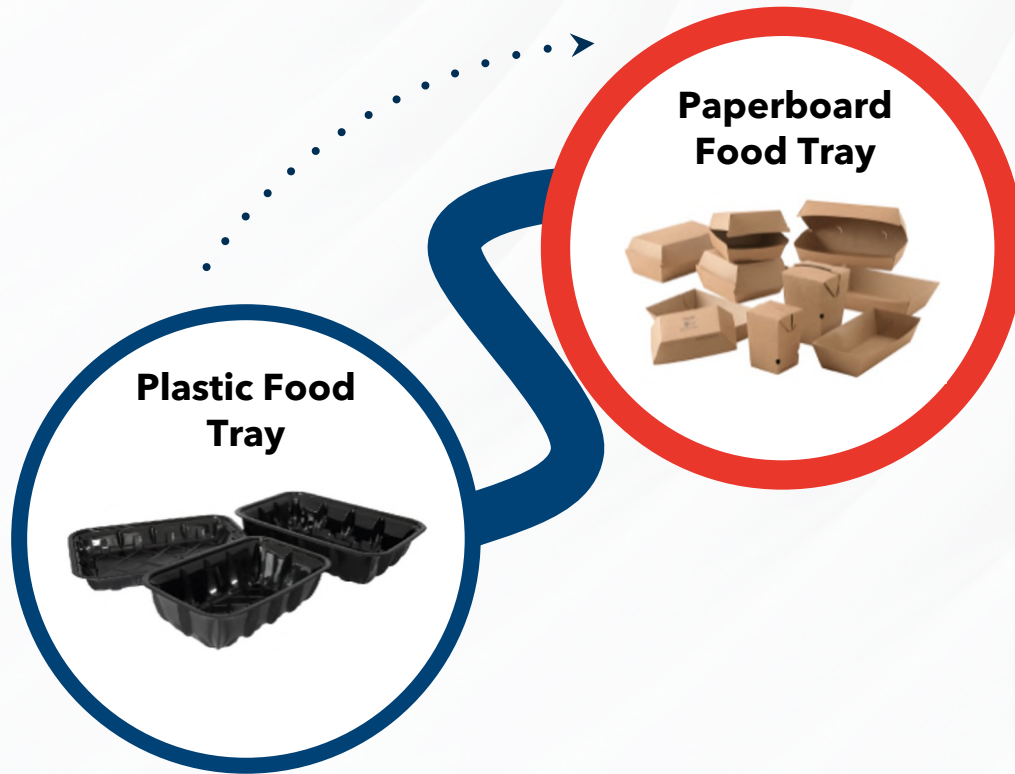

- Growing global trend towards eco-friendly packaging solutions fueled considerable growth over the last decade
 - Ever increasing end-consumer awareness and demand for eco-friendly & recyclable offerings
- Paperboard is a naturally Renewable, Recyclable and Compostable material
 - TCPL utilizes a mix of virgin (renewable) & recycled paperboard as raw material
- TCPL is continuously working with potential and existing clients to transition from plastic to paper-based packaging
 - Most of the Company's packaging solutions are 100% Renewable, Recyclable and Compostable

Sustainability Initiatives – Paperboard

Replacement of plastic in food packaging - Working on replacement of non-sustainable materials like plastic food trays with biodegradable and environmentally friendly alternatives.

Replacement of plastic in e-commerce - Working on solutions to cut down on plastics in e-commerce and online delivery platforms

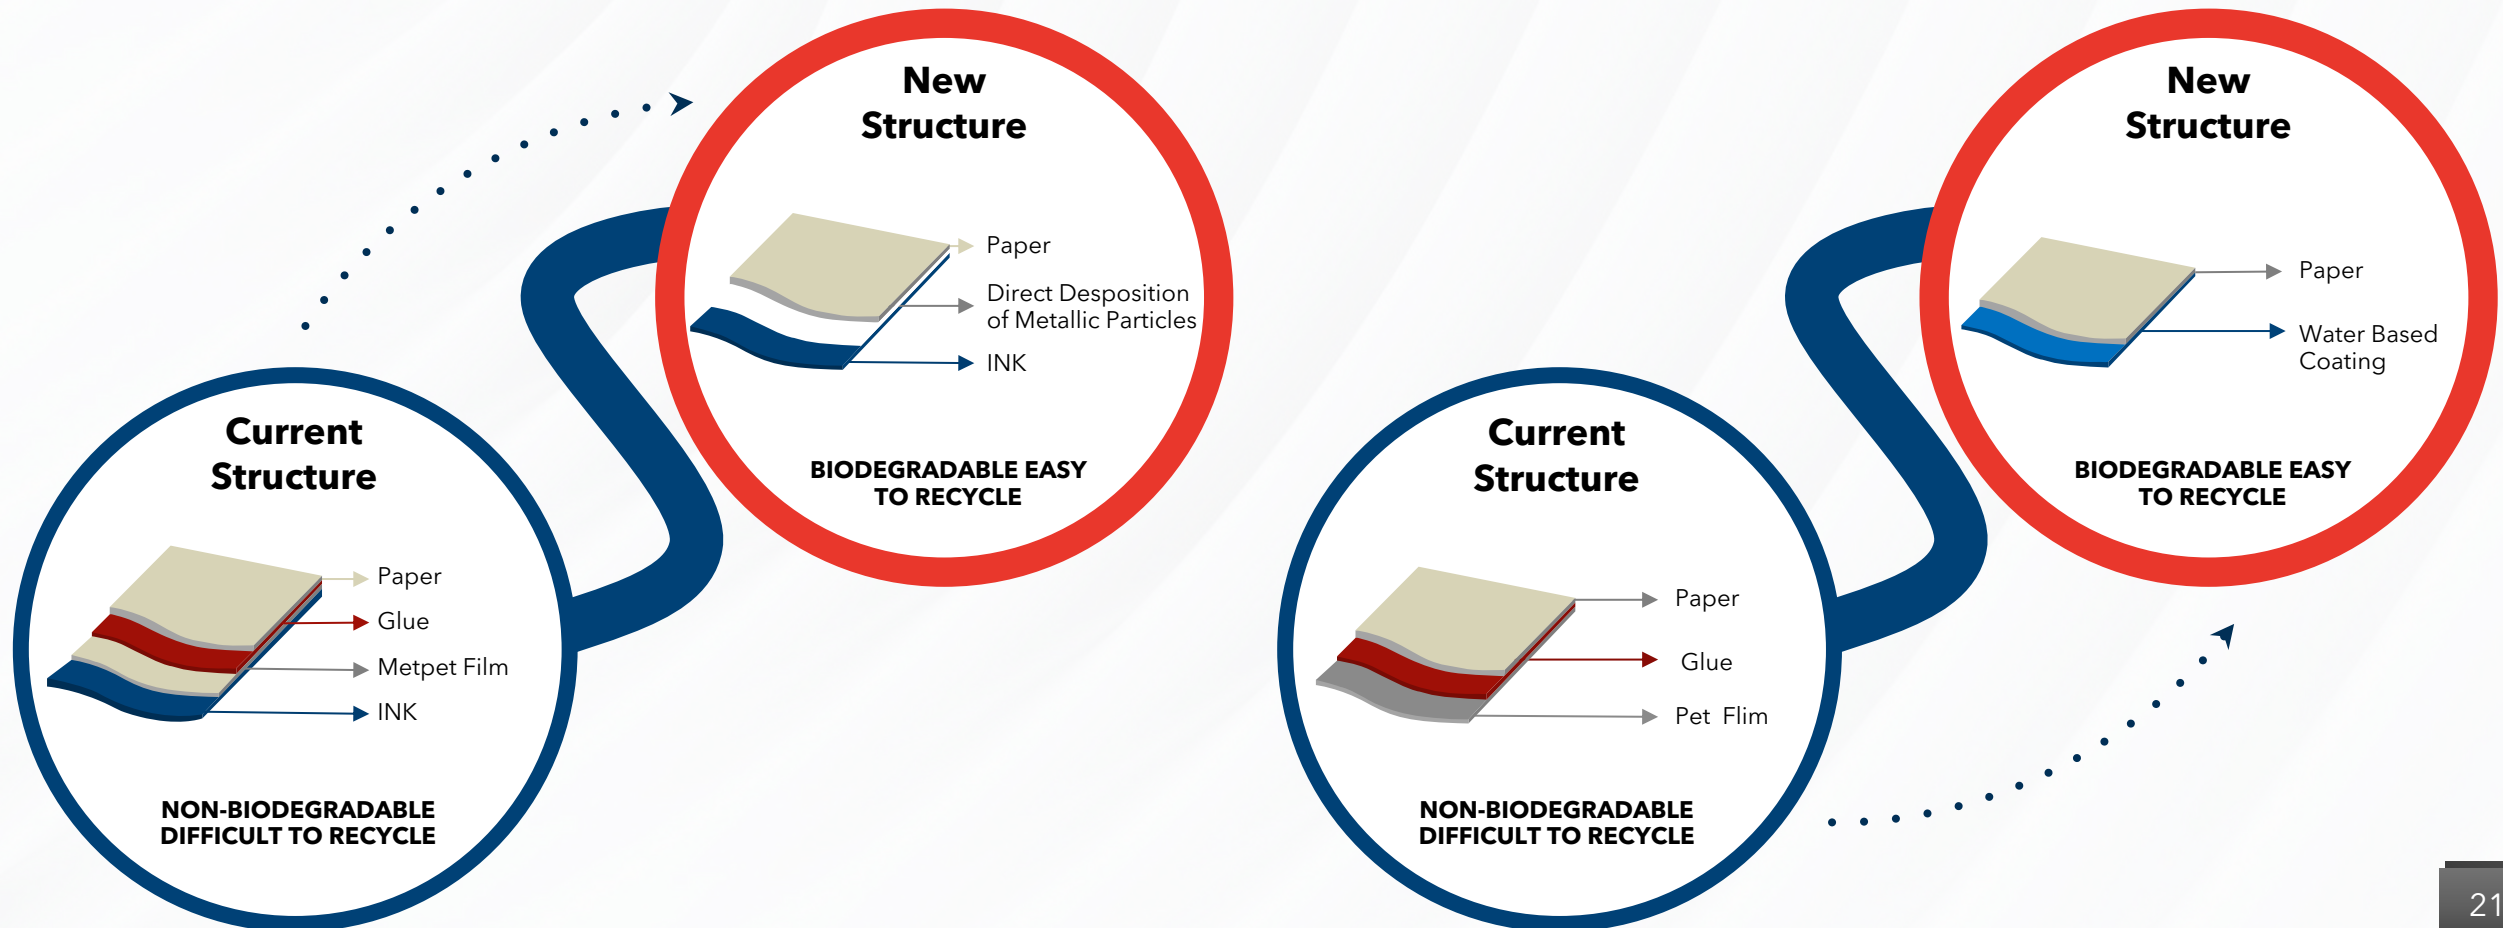

Sustainability Initiatives – Paperboard

Metallised Board - developed in-house facility to transfer metallised effects on paperboard, giving the same quality and finish as metallised plastic film widely used in the industry

Replacement of plastic film lamination and plastic extrusion for food and other barrier packaging

We are also working on alternative water-based coatings to replace plastic film lamination or plastic extrusion coating, for example plastic-lined cups and food packaging, with sustainable solutions

Investments towards driving higher sustainability in Flexible packaging

TCPL Innofilms specializes in the manufacturing of blown polyethylene (PE) film and **sustainable packaging films**, enabling customers to adopt fully recyclable and sustainable packaging structures

TCPL is in the process of merging TCPL Innofilms, a wholly owned subsidiary to achieve **Cost Efficiency and Synergies**

TCPL INNOFILMS SPECIALTY

CURRENT STRUCTURE

(Above is an example of a common structure in the market)

NEW STRUCTURE

(Above is an example of the use of our specialty PE Film)

- The unique technology being employed by Innofilms offers **pecially oriented PE films** to replace typically stiffer films like Polyester (PET)
- Such specially oriented PE films, once laminated with another layer of sealant PE film, will result in a **mono-polymer packaging product**
- This development will help replace **current multi-polymer, non-recyclable products** prevalent in the market
- **One of the few companies** in India to be equipped with such capability

Environment

- TCPL has framed a policy on Business Responsibility aimed to fulfil its Social, Environmental and Economical responsibilities. It covers procedures relating to environment protection in detail and is available on TCPL's website: [TCPL - Business Responsibility Policy](#)
- Invested in roof top solar at two of its facilities at Silvassa - plans to take up similar projects at all units in the future
- Majority of the Company's products are renewable, recyclable, and compostable in nature - limiting the overall carbon footprint
 - In addition, TCPL is in the process of establishing its own PE film line, which will aid its flexible packaging division manufacture fully recyclable solutions

Social

- Established "TCPL Foundation" to facilitate implementation of CSR activities. A detailed note on the Company's CSR policy is available on its website: [TCPL - CSR Policy](#)
- Kanoria Seva Kendra, a charitable trust managed by Chairman K K Kanoria runs Schools & colleges in Rajasthan and also supports Kanoria Centre for Arts & Kanoria Hospital, Research Centre and Centre for Medical Education in Gujarat

Governance

- TCPL has laid strong emphasis on ethical corporate citizenship and establishment of good corporate culture. The Company has always believed in adhering to the best governance practices to ensure protection of interests of all stakeholders of TCPL in tandem with healthy growth of the business
 - The Business Responsibility Policy covers the key principals in detail and is available on the Company's website: [TCPL - Business Responsibility Policy](#)

COPPL Acquisition – Enters high potential rigid boxes segment

Update on Creative Offset Printer Private Limited (COPPL)

- TCPL has recently increased its stake in COPPL to ~95%
- TCPL further strengthened its equity stake in Creative Offset Printers Private Limited (COPPL), based in Greater Noida. COPPL specializes in the manufacture of packaging for the consumer electronics industry, as well as premium rigid box packaging. This acquisition offers several strategic advantages:
 - Acquisition enables TCPL to tap into the high-potential rigid boxes segment, which is focused on one of the fastest-growing smartphone markets in the world
 - COPPL's production facility is strategically located in Noida, allowing it to target India's largest electronics manufacturing hub
 - Strategically diversifies TCPL's product offering and strengthens its position as a leading producer of sustainable packaging solutions for customers across various industries

Since both companies have production facilities in close proximity, TCPL aims to capitalize from key synergies, like cost rationalization & optimization

Financial Highlights

Robust Financial Trend – Revenue

Revenue (Rs. crore)

- From 2008 to 2023, TCPL has reported a robust 15-year CAGR of 18%
- The Company has delivered healthy revenue growth in the previous few years, despite a challenging external environment
- Normalizing macro-economic environment combined with optimal utilization of capacities should enable the Company to register healthy revenue growth going forward

“TCPL is one of the few listed Companies in India to have grown every year for the past 30 years and aspires to continue this trajectory

Robust Financial Trend – EBITDA & Cash Profit

- Historically, the Company's EBITDA and Cash Profit margins have remained in a steady range
- Tough macro environment along with venture into Flexible packaging category significantly impacted TCPL's profitability in FY18 and FY19
- In FY23, the Company delivered robust margin performance by successfully mitigating the effects of increased raw material costs and leveraging operational efficiencies

Note - Calculation for Cash Profit - PBT + Depreciation

Robust Financial Trend – Net Debt:Equity & Capital Expenditure

Net Debt to Equity

- Investments over the years have enabled TCPL to emerge as one of India's leading packaging manufacturers
- Comfortable Net-Debt position - cash flows prudently utilized towards capacity expansion and reduction in Debt
- Continues to explore various other strategic initiatives to promote sustainable packaging solutions

Key Financial Ratios

- TCPL achieved impressive return ratios in FY23, with consolidated ROCE and ROE reaching 20% and 28% respectively, reflecting strong financial performance and effective capital utilization
- In the past few years, return ratios have been below internal expectations due to lower utilization of newly commissioned capacities
- The Company remains focused on maintaining its strategic priority of generating healthy return ratios while prudently making future investments

Note - Calculation for ROCE = EBIT / Avg. CE and RONW = PAT / Avg. Net Worth
