Notes:

1. The Ministry of Corporate Affairs, (“MCA”) vide its General Circular Nos. 20/2020 dated 05th May, 2020, 02/2021 dated 13th January, 2021, 19/2021 dated 08th December, 2021, 21/2021 dated 14th December, 2021, 02/2022 dated 05th May, 2022 and 10/2022 dated 28th December, 2022 and all other relevant circulars issued from time to time, issue by MCA and Circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 and SEBI/HO/CFD/CMD2/CIR/P/2021/11 and all other relevant circulars from time to time issued by the SEBI (hereinafter collectively referred to as “the Circulars”), has permitted Companies to hold AGM through VC/ AOVM facility, without the physical presence of members at a common venue, on or before 30th September, 2023. Hence, in compliance with applicable provisions of the Companies Act, 2013 read with the aforesaid MCA Circulars and SEBI Listing Regulations, the AGM of the Company is being held through VC/AOVM facility only.

2. Pursuant to the provisions of the Companies Act, 2013, a Member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the Annual General Meeting and hence the Proxy Form are not annexed to the Notice.

3. Institutional/Corporate Shareholders (i.e. other than individuals/HUF, NRI, etc) are required to send a scanned copy (PDF/JPEG Format) of its Board Resolution or governing body Resolution/ Authorization etc., authorizing its representative to attend the Annual General Meeting through VC/OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Company by email through its registered email address, to roc.shubhra@gmail.com with a copy marked to helpdesk.evoting@cdslindia.com

4. Members holding shares in electronic form are requested to intimate immediately any change in their address or Bank Mandates to their Depository Participants with whom they are maintaining their Demat Accounts. Members holding shares in physical form are requested to advise any change in their address or Bank Mandate immediately to the Company/ Purva Sharegistry (India) Limited.

5. For registration of email id for obtaining Annual Report and User ID/ password for e-voting use the link <http://www.purvashare.com/email-and-phone-updation/>.

6. The Notice of the Annual General Meeting along with the Annual Report for the financial year 2022-23 is being sent only by electronic mode to those Members whose email addresses are registered with the Company/Depositories in accordance with the aforesaid MCA Circulars and circular issued by SEBI. Members may note that the Notice of Annual General Meeting and Annual Report for the financial year 2022-23 will also be available on the Company's website www.vistaramar.com; websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com Members can attend and participate in the Annual General Meeting through VC/OAVM facility only.

7. The business set out in the Notice will be transacted through electronic voting system and the Company is providing facility for voting by electronic means. Instructions and other information relating to e-voting are given in this Notice under Note No.20.

8. Members attending the meeting through VC/OAVM shall be counted for the purposes of reckoning the quorum under Section 103 of the Companies Act, 2013.

9. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, draft copy of amended Memorandum of Association of the Company will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee by the members between 11:00 A.M. (IST) to 1:00 P.M. (IST) on any working day, from the date of circulation of this Notice up to the date of AGM, i.e. 01st August, 2023. Members seeking to inspect such documents can send an email to roc.shubhra@gmail.com.

10. Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("Act") setting out material facts concerning the business under Item Nos. 4 of the accompanying Notice, is annexed hereto.

11. SEBI vide its Circular dated March 16, 2023 has mandated furnishing of PAN, KYC details (i.e. postal address with pin code, email address, mobile number, bank account details) and nomination details by all shareholders holding shares in physical form. In accordance with the SEBI circular, the folios wherein any one of the cited details / documents are not available, on or after 1st October 2023, shall be frozen.

It may be noted that any service request or complaint can be processed only after the folio is KYC compliant.

Further, Shareholders holding shares in physical form are requested to ensure that their PAN is linked to Aadhaar to avoid freezing of folios. Such frozen folios shall be referred by RTA/ Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and or Prevention of Money Laundering Act, 2002, after December 31, 2025.

In view of the above, we urge the shareholders to submit the Investor Service Request form along with the supporting documents at the earliest. Shareholders who hold shares in dematerialized form and wish to update their PAN, KYC and nomination details are requested to contact their respective Depository Participants.

12. To prevent fraudulent transactions, members are advised to exercise due diligence and notify any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.

13. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the Securities Market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their Demat accounts. Members holding shares in physical form can submit their PAN to the Company/ Purva Sharegistry (India) Limited.

14. As mandated by SEBI, effective April 01, 2019 except in case of transmission or transposition of securities, requests for effecting transfer of securities shall not be processed unless the securities are held in dematerialized mode with a depository. Accordingly, the Members of the Company were requested to open a demat account and submit physical securities to their DPs.

15. As required under Regulation 36 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations) the relevant details of Directors retiring by rotation and/ or seeking appointment / re-appointment at the ensuing Annual General Meeting are given in the annexure to the notice of the Annual General Meeting.

16. The Company has notified closure of Register of Members and Share Transfer Books from Wednesday 26th July, 2023 to Tuesday 01st August, 2023 (both days inclusive).

17. As per the provisions of Section 72 of the Act and Rule 19(1) of the Companies (Share Capital and Debentures) Rules, 2014, Members holding shares in physical form may file nomination in the prescribed Form SH-13 with the Company's Registrar and Share Transfer Agents. In respect of shares held in Demat form, the nomination form may be filed with the respective DP. Further, Members desirous of cancelling/ varying nomination pursuant to the Rule 19(9) of the Companies (Share Capital and Debentures) Rules, 2014, are requested to send their request in Form No. SH-14, to Purva Sharegistry. These forms will be made available on request.

18. Members seeking any information/ desirous of asking any questions at the Meeting with regard to the accounts or any matter to be placed at the Meeting are requested to send email to the Company at roc.shubhra@gmail.com at least 7 days before the Meeting i.e. upto 25th July, 2023 (05:00 p.m. IST) mentioning their name, demat account number/folio number, email id, mobile number. The same will be replied by the Company suitably.

19. Non-Resident Indian Members are requested to inform M/s. Purva Sharegistry (India) Limited immediately of:

(a) Change in their residential status on return to India for permanent settlement.

(b) Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.

A person who is not a member as on the cut-off date should treat this Notice for information purposes only.

e) A person, whose name is recorded in the Register of Members or in the register of beneficial owners maintained by the depositories as on the cut-off date i.e. 25th July, 2023, only shall be entitled to avail the facility of e-voting.

f) Members who are holding shares in physical form or who have not registered their email address with the Company/ RTA or any person who acquires shares of the Company and become member of the Company after the notice has been sent electronically by the Company, and hold shares as of the cut-off date i.e. 25th July, 2023, such Member may obtain the User ID and password by sending a request at support@purvashare.com

g) Shareholders who have voted through Remote e-Voting will be eligible to attend the meeting. However, they will not be eligible to vote at the AGM.

h) Members who would like to express their views/ask questions during the meeting may register themselves as a speaker by sending their request in advance at least **7 days prior to Meeting** i.e. upto 25th July, 2023 (05:00 p.m. IST) mentioning their name, demat account number/folio number, email id, mobile number at roc.shubhra@gmail.com Those Shareholders who have registered themselves as a speaker will only be allowed to express their views/ask questions during the Meeting.

i) Only those shareholders, who are present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system available during the AGM.

j) If any Votes are cast by the shareholders through the e-voting available during the AGM and if the same shareholders have not participated in the meeting through VC/OAVM facility, then the votes cast by such shareholders shall be considered invalid as the facility of e-voting during the meeting is available only to the shareholders attending the meeting.

k) The Shareholders who have not registered themselves can put the question on the chat box available on the screen at the time of the Meeting.

l) The Board of Directors of the Company has appointed Ms. Isha Sumit Gupta, Proprietor of M/s. I S Gupta & Co., Practicing Company Secretary (M. N. 7605 and C.P.No.8160) of Mumbai as scrutinizer to scrutinize the remote e-voting as well as the e-voting process at the AGM, in a fair and transparent manner.

m) The Scrutiniser, after scrutinizing the votes, will, not later than forty-eight hours from the conclusion of the Meeting; make a consolidated scrutinizer's report which shall be placed on the website of the Company, i.e. www.vistamar.com. The results shall simultaneously be communicated to the Stock Exchanges.

n) Subject to receipt of requisite number of votes, the resolutions shall be deemed to be passed on the date of the Meeting, i.e. 01st August, 2023.

o) Information and other instructions relating to remote e-voting, e-voting during AGM and joining Meeting through VC/ OAVM are as under:

i. The remote e-voting facility will be available during the following period:

Commencement of e-voting: 29th July, 2023 (Saturday) at 10:00 a.m.

End of e-voting: 31st July, 2023 (Monday) at 05:00 pm.

During this period shareholder's of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 25th July, 2023 may cast their vote electronically.

The remote e-voting will not be allowed beyond the aforesaid date and time and the e-voting module shall be disabled by CDSL upon expiry of the aforesaid period.

ii. The Members who have cast their vote by remote e-voting prior to the Meeting may also attend/participate in the Meeting through VC / OAVM but shall not be entitled to cast their vote again.

iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

iv. In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

v. Login method for e-Voting and joining virtual meeting for Physical Shareholders and shareholders other than individual holding in Demat form.

1) The shareholders should log on to the e-voting website www.evotingindia.com

2) Click on “Shareholders” module.

3) Now Enter your User ID

a. For CDSL: 16 digits beneficiary ID,

b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,

c. Members holding shares in Physical Form should enter Folio Number registered with the Company.

4) Next enter the Image Verification as displayed and Click on Login.

5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.

6) If you are a first time user follow the steps given below:

	For Physical shareholders and other than individual shareholders holding shares in Demat.
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) • Members who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).

vi. After entering these details appropriately, click on “SUBMIT” tab.

vii. Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

viii. For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

ix. Click on the EVSN for the relevant <Company Name> on which you choose to vote.

x. On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

Explanatory Statement Pursuant To Section 102 (1) of the Companies Act, 2013

The following Explanatory Statements, as required under Section 102 of the Companies Act, 2013, set out all material facts relating to the business under Item No. 4 of the accompanying Notice.

ITEM NO. 4

Presently, the Company's registered office is situated at Plot-A4 APMC-MAFCO Yard, Sector 18, Vashi, Navi Mumbai-400703. The Board of Directors in its meeting held on 28st June, 2023 has decided to shift the registered office of the Company from Plot-A4 APMC-MAFCO Yard, Sector 18, Vashi, Navi Mumbai- 400703 (Maharashtra) to Survey No. 1943, "Mangalkung", Railway Station Road, Opp. Balashram, Porbandar – 360575 (Gujarat) to carry on the business of the Company more economically and efficiently and with better operational convenience. As major operations of the company are conducted from Gujarat and the team of executive directors are also based from Gujarat, it is advisable to shift the Registered Office which shall facilitate better coordination and functioning of the Company leading to growth of the Company.

Further, the proposed shifting will enable the Company to optimally utilize the resources of the Company. This will result in efficient management and will open new horizons for its growth.

As per the provisions of Section 12 and other applicable provisions, if any, of the Companies Act, 2013 and rules made thereunder, Approval of the Members of the Company, by way of Special Resolution, is required to give effect to the proposed shifting of the Registered Office. The proposal will be effective only on the confirmation/approval by the Central Government through the office of the Learned Regional Director, Ministry of Corporate Affairs. The Company will file the necessary application/petition for such confirmation/approval after passing of the proposed Special Resolution by the Members.

The Board recommends the proposed resolution for the approval of the Members. A draft copy of the amended MOA is available for inspection electronically between 11:00 A.M. (IST) to 1:00 P.M. (IST) on any working day, from the date of circulation of this Notice up to the date of AGM, i.e. 01st August, 2023.

None of the Directors, Key Managerial Personnel of the Company including their relatives are interested or concerned in the resolution.

In view of the aforementioned purpose, you are requested to accord your approval by way of Special Resolution as set out at item no. 4 of the accompanying Notice.

Management Discussion and Analysis Report for the year ended 31st March, 2023

The Management of VISTAR AMAR LIMITED presents its Analysis report covering performance and outlook of the Company. The Management accepts responsibility for the integrity and objectivity of the financial statements. However, investors and readers are cautioned that this discussion contains certain forward looking Statements that involve risk and uncertainties.

Economic Review

1.1 Global Economy

Throughout the fiscal year 2022-23, the global economic situation remained challenging. The rise in inflation, which began in early 2021, accelerated significantly throughout 2022. In response to the spike in inflation, which reached between two and seven decade highs in the majority of developed nations in 2022, there has been a rapid global increase in policy interest rates. While inflation reached its peak in most countries during the last fiscal year and has declined significantly since then, current inflation rates in the majority of nations remain well above the average for the decade preceding the pandemic. As a result, monetary policy tightening continues in most countries. In addition, the majority of central banks have begun withdrawing the liquidity that was injected during the pandemic, resulting in a tightening of the financial markets. Despite the fact that actual growth in many countries in 2022 was higher than had been anticipated, with aggressive policy tightening, geopolitical uncertainties, rising protectionism, and deteriorating business and consumer sentiments, the global growth outlook for the current and the subsequent year remains subdued.

The most recent projections from the World Economic Outlook of the International Monetary Fund indicate that the global economy is not likely to enter a recession in the current or the following year. However, with two consecutive quarters of negative GDP growth, there could be a technical recession in Europe and possibly even in the United States. However, according to the IMF's projections, the US economy is unlikely to experience a GDP contraction in the current or following year.

1.2 Indian Economy

India's economy has now become the fifth-largest in the world on nominal GDP (US dollars) and is set to become the second fastest growing economy in FY 2023, despite the slower global demand and tightening of monetary policy to manage inflationary pressures.

The Indian economy is projected to record a relatively healthy Gross Domestic Product (GDP) growth of 6.1% (Source: IMF) in FY 2023 and is showing signs of moderation.

GDP growth is expected to decline to 5.7% in FY 2024, as exports and domestic demand growth moderate. Inflation will slow private consumption but moderate along with improved global conditions, to accelerate growth to 6.9% in FY 2025. The key drivers for medium-term growth are increasing public sector expenditure on infrastructure, supply-side and financial reforms (GST and better tax compliance, bankruptcy court, bad bank, etc.), India's digital architecture that includes the universal payment systems, nationwide identification framework, distribution of welfare schemes, healthcare official data stack intended to solve social inclusion needs, and logistics and favourable demographics are expected to set the economy on the path of recovery.

Retail inflation prints peaked in September 2022 and have since begun to ease, helped by favourable base effects. Inflation is expected to remain sticky in the coming months before gradually rolling off in 2023-24 as growth slows and input price pressure abates. The USD/Rs expected to consolidate between 80 and 84 over the next two years.

Industry structure and developments

The India fish market is driven by the huge export potential it offers. The market accounts for about 6% of the global production. Currently, the country represents one of the largest producers of fish in the world. In recent years, India has witnessed a huge growth both in domestic consumption, as well as the export of fishes, consequently enhancing the India fish market. Also, the per capita consumption of fish has increased over the past several years.

At present, the consumption of the product in India is being driven by a number of factors. These include lifestyle changes, the rising cost of meat, and the rising awareness of fish as a healthy food containing high levels of digestible protein, cholesterol-lowering capability, and PUFA.

Fish is a limless cold-blooded vertebrate animal, which has gills and fins. It is enriched with calcium and phosphorus and are a good source of minerals, like iron, iodine, magnesium zinc, and potassium. It is a low-fat high-quality protein and is filled with omega-3 fatty acids and vitamins, including D and B2 (riboflavin).

The global fish meal market is expected to exhibit a growth rate (CAGR) of 7.2% during 2023-2028. Fish meal refers to a feed ingredient that is primarily manufactured by cooking, pressing, drying, and milling raw fish or fish trimmings.

Growing demand for naturally sourced protein additives in animal feed, rising consumption of fish as a main food in different regions and increasing number of individuals inclined towards non-vegetarian dishes are some of the key driving factors for the market growth. However, high cost fluctuations and rising substitutes of fishmeal products are some of the factors hindering the market growth. Moreover, the market players have enough opportunity to come up with new and improved products which is going to boost the share of fishmeal in the global market.

Our Company, "Vistar Amar Limited" is engaged in processing of fish and fish related activities and is continued to progress in utilizing all the opportunities during 2022-2023.

Independent Auditor's Report

To the Members of
VISTAR AMAR LTD.

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of VISTAR AMAR LTD. ("the Company"), which comprises the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit and cash flows for the year ended on that date

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial statements and auditor's report thereon

The Company's management & board of directors are responsible for the preparation of the other information. The other information comprises of the information included in the Company's Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the act and the Rules made there under, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

Annexure A to the Independent Auditor's Report – 31 March 2023

With reference to the Annexure A referred to in the Independent Auditor's Report to the members of the Company on the financial statements for the year ended 31 March 2023, we report the following:

i. According to the information and explanations given to us, the Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.

As explained to us, physical verification of fixed assets has been conducted by the management during the year, which, in our opinion is reasonable having regard to the size of the Company and nature of its assets. As explained to us, no material discrepancies were noticed on such verification.

According to the information and explanations given to us, and on the basis of our examination of the records of the Company, the title deeds of immovable properties as disclosed in financial statements are held in the name of the Company.

ii. The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. According to the information and explanations given to us and as examined by us, no material discrepancies were noticed on such verification.

iii. According to information and explanation given to us, the company has not granted any loan, secured or unsecured to companies, firms, limited liability partnership or other parties covered in the register required under section 189 of the Companies Act, 2013. Accordingly, paragraph 3(iii) of the order is not applicable and hence not commented upon.

iv. In our opinion and according to the information and explanations given to us, the Company has not granted any loan, given any guarantee or provided any security for loans taken by others or made any investments covered under Section 185 and 186 of the Act, as applicable. Accordingly, paragraph 3 (iv) of the Order is not applicable to the Company.

v. In our opinion, and according to the information and explanations given to us, the Company has not accepted deposits in terms of the directives issued by the Reserve Bank of India or under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.

vi. The Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for any of the products manufactured/ services rendered by the Company. Accordingly, paragraph 3(vi) of the Order is not applicable to the Company.

vii (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Income Tax, Duty of customs, Goods and Service tax and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of Cess.

Annexure B to the Independent Auditors' Report of even date on the Financial statements of Vistar Amar Ltd. – 31 March 2023

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of VISTAR AMAR LTD. (“the Company”) as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2023**Note 1 Corporate Information**

Vistar Amar Limited (the "Company") was incorporated on 07 October 1983, under the Companies Act, 1956. The Company's principal activity is manufacturing of fishmeal. The registered office of the Company is located at Plot A4, APMC - MAFCO yard, sector 18, Vashi, Navi Mumbai - 400703. The Manufacturing facility of the company is at Plot/Phase No.45/2, At Bhalpara GIDC, Tal. Veraval, Dist. Gir Somnath, Gujarat - 362266

The financial statements of the Company for the year ended 31 March 2023 were authorised for issue in accordance with resolution of the Board of Directors on 30/05/2023

Note 2 Significant Accounting Policies**i Statement of Compliance**

The Financial statement of the company have been prepared in accordance with Indian Accounting Standards(IND AS) notified under the Companies (Indian Accounting Standards) (Amended) Rules, 2016. The Company have adopted Ind AS with effect from 1 April 2017 in accordance with the notification issued by the Ministry of Corporate Affairs.

ii Basis of Preparation

The financial statements of the Company have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") notified under the Companies (Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) amendment Rules, 2016.

The financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities which have been measured at fair value, on an accrual basis of accounting.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Act.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, except when otherwise indicated.

iii Accounting Estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

iv Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

v Property Plant and Equipment

All Property, Plant and Equipment (PPE) are stated at cost of acquisition or construction less accumulated depreciation and impairment losses, if any. Cost comprises purchase price (Net of Goods and service tax credit wherever applicable), import duty and other non refundable taxes and levies and any directly attributable cost of bringing the asset to its working condition for the intended use. Subsequent expenditure related to an item of assets are capitalise to the asset only if it increases the future economic benefits from the existing asset beyond its previously assessed standard of performance. Borrowing costs attributable to acquisition, construction of qualifying assets are capitalized until such time as the assets are substantially ready for the intended use. Other pre-operative expenses for major projects are also capitalised, where appropriate.

The Company identifies cost of each component has cost which is significant to the total cost of the assets, has useful life that is materially different from that of remaining asset.

The PPE which are not ready for the intended use before reporting date are disclosed under Capital work-in-progress.

Depreciation on Property Plant and Equipment is calculated on written down value (WDV) method using the rate arrived at based on the useful life as specified in Schedule II of the Companies Act, 2013.

vi Intangible Assets

Intangible assets acquired separately are measured on initial recognition cost. Intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses. Intangible assets are amortised using written down method.

vii Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

viii Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

ix Inventories

Inventories are valued as follows:

i Finished goods:

Lower of cost and net realisable value. Cost of inventories includes cost incurred on acquisition of material, cost of conversion and other costs. i.e. cost incurred to bring the material to its present location and condition.

ii Stores Spares, Chemicals, Packing material and fuels:

At lower of cost or net realisable value. Cost is determined on first-in-first-out basis. In case of stores & spares, chemicals, packing material and fuel, net realisable value is estimated current procurement price in the ordinary course of the business.

x Deferred tax assets

In assessing the realizability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

xi Financial Instruments

a Financial Assets

Initial Recognition

In the case of financial assets not recorded at fair value through profit or loss (FVPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial Assets Measured at Fair Value

Financial assets are measured at fair value through other comprehensive income ("OCI") if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVPL.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

For recognition of impairment loss on financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

b Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

Financial Liabilities**Initial Recognition**

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as

appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. However, the company has borrowings at floating rates. Considering that the impact of restatement of effective interest rate, year on year due to reset of interest rate, is not material and hence the company is amortising the transaction cost in straight line basis over the tenure of the loan. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the transaction cost amortisation process. This category generally applies to borrowings.

Financial liabilities at FVPL

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Where the Company issues compulsorily convertible debenture, the fair value of the liability portion of such debentures is determined using a market interest rate. This value is recorded as a liability on an amortised cost basis until extinguished on conversion of the debentures. The remainder of the proceeds is attributable to the equity portion of the instrument. This is recognised and included in shareholders' equity (net of income tax) and are not subsequently re-measured.

Where the terms of a financial liability is re-negotiated and the Company issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognised in the Statement of Profit and Loss; measured as a difference between the carrying amount of the financial liability and the fair value of equity instrument issued.

De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

c Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

xii Cash and Cash Equivalent

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand and short-term deposits with an original maturity of three month or less, which are subject to an insignificant risk of changes in value.

xiii Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs.

xiv Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognised.

a Sale of Goods

Revenue from sale of goods is recognised when significant risk and reward of ownership of goods are transferred to customer. Revenue is measured at fair value of consideration, net of returns, trade discount, rebates and taxes collected on behalf of the government.

b Other Income

Other income is recognised when there is no uncertainty as to measurement and when it is reasonably certain that the ultimate collection will be made.

c Interest income

Interest is recognised on a time proportion basis taking into account outstanding and the rate applicable.

xv Employee Benefits

Employee benefits of short term nature are recognized as expense as and when these accrue. Long term employee benefits and post employment benefits, are recognized based on actuarial valuation at year end using the projected unit credit method. Re-measurements, comprising of actuarial gain and losses, the effect of the asset ceiling(excluding net interest) and return on plan assets (excluding net interest), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods. Net interest is calculated by applying discount rate to the net balance of defined benefit liability or asset.

xvi Income Tax

Income tax comprises of current and deferred income tax. Income tax is recognised as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognised in equity or in OCI.

a Current Income Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

b Deferred Income Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax basis. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

xvii Earnings Per Share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity| shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

xviii Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

Contingent assets are neither recognised nor disclosed in the financial statements.

xix Segment information

The Company is engaged in "Fish and Fish related activities" which in the context of Ind AS 108 "Operating Segment" notified under section 133 of the Act is considered as the only segment.

B Fair value hierarchy

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)
