NOTES:

1. The Company's Statutory Auditors, M/s. B. J. Trivedi & Associates, Chartered Accountants, Ahmedabad, were appointed as Statutory Auditors of the Company for a period of five consecutive years at the Annual General Meeting ("AGM") of the Members held on August 31, 2016, on a remuneration mutually agreed upon by the Board of Directors and the Statutory Auditors.

Their appointment was subject to ratification by the Members at every subsequent AGM held after the AGM held on August 31, 2016. Pursuant to the amendments made to Section 139 of the Companies Act, 2013 by the Companies (Amendment) Act, 2017 effective from May 7, 2018, the requirement of seeking ratification of the Members for the appointment of the Statutory Auditors has been withdrawn from the Statute.

In view of the above, ratification by the Members for continuance of their appointment at this AGM is not being sought. The Statutory Auditors have given a confirmation to the effect that they are eligible to continue with their appointment and that they have not been disqualified in any manner from continuing as Statutory Auditors. The remuneration payable to the Statutory Auditors shall be determined by the Board of Directors based on the recommendation of the Audit Committee.

2. In view of the continuing Covid-19 pandemic in the country, social distancing norms to be followed and continuing restriction on movement of persons at several places, the Ministry of Corporate Affairs ("MCA") has, vide its circular dated May 5, 2020 read with circulars dated April 8, 2020 and April 13, 2020 (collectively referred to as "MCA Circulars"), directed that companies shall hold the Annual General Meeting through Video Conferencing ("VC") / Other Audio Visual Means ("OAVM") and accordingly, in compliance with the provisions of the Companies Act, 2013 (the "Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars, Annual General Meeting of the members of the Company (AGM) will be held at the registered office of the company and also through VC/OAVM (hereinafter referred to as "AGM").

3. Further, in compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2019-20 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS OVERVIEW

Shukra Pharmaceuticals Limited is a public limited company with a global perspective. Manufacturing, exporting and marketing in both domestic and international markets. Buyers in Australia, Uganda, Kenya, United Kingdom, Sri Lanka, Mauritius and the Republic of Yemen depend upon Shukra Pharmaceuticals Ltd. for quality qualification.

In the vast Indian Pharmaceutical market comprising over 20,000 manufacturing units, Shukra has earned itself a formidable reputation. Expertise in Research and Development, Formulation manufacturing, latest quality movements and in-depth insight into the Indian and international Pharmaceutical markets, Shukra has made unrivaled progress.

Shukra Pharmaceuticals has assisted in the development and manufacture of a wide variety of drugs and dosage forms and potency variations for many prestigious pharmaceutical Companies around the world.

Shukra rely on quality, efficiency, expertise in research & development and in-depth insight into the Indian & international pharmaceutical market.

INDUSTRY STRUCTURE AND DEVELOPMENT

The Indian pharmaceutical industry's success has been built on the foundations of its distinctive capabilities in key areas of the value chain, such as manufacturing, product development and process innovation. Recently, the industry has been facing headwinds both domestically, and in key global markets (like the US) which have subdued its growth to the existing Compound Annual Growth Rate (CAGR) of seven to eight percent. Nonetheless, many opportunities still exist across new geographies and product classes for Indian pharmaceutical players to chart an accelerated growth path.

OPPORTUNITIES:

Supporting state-sponsored health coverage programs and a focus on chronic healthcare could enable universal drug access. The Ayushman Bharat Yojana (a centrally sponsored National Health Protection programme) is estimated to benefit 10 crore vulnerable families (about 50 crore beneficiaries or about 40 percent of India's population). It will provide poorer households with affordable access to healthcare facilities, while also improving health insurance penetration. This is an opportunity for the industry to help India's underserved masses with affordable drugs. Additionally, with the disease burden in India now transitioning towards chronic diseases, there is an increased demand for specialised drugs which are currently more expensive than acute drugs. The industry is well placed to address this need through affordable, high quality drugs for chronic diseases. Pursuing opportunities in newer product classes such as bio-similars, gene therapy and specialty drugs. Until now, the Indian pharmaceutical industry's

SHUKRA PHARMACEUTICALS LIMITED

(Formerly known as Relish Pharmaceuticals Limited)

success has largely been due to production of generics drugs. While the industry was one of the first to initiate biosimilar development and launch in the Indian market (e.g., the first bio-similar to Rituximab, Reditux, was launched by India's Dr. Reddy's in 2007), successes in the developments at scale of next-generation product classes such as gene therapy and specialty drugs have been limited. The enabling environment on supporting development, i.e. Department of biotechnology and regulatory could have played a more facilitating role but are possibly constrained. Spurring innovation in these product classes can usher-in the next leg of growth for Indian pharma industry. For example, the biosimilars market could exceed USD 60 billion by 2030. If Indian Pharma industry is able to capture even 10 percent of this market, it could grow by 13 percent. Pharmaceutical companies however, will have to take a long-term view, about 8 to 10 years, to capture these opportunities, since investments in these technologies have high gestation periods. It may also need conducive investment environment in the domestic market to be able to do so.

As the industry aspires to become the world's largest supplier by volume, the next wave of growth could come from increasing exports to large and traditionally underpenetrated markets such as Japan, China, Africa, Indonesia and Latin America. For example, the Japanese pharma market was worth over USD 85 billion in 2018, with Indian pharmaceutical companies having a share of less than one percent²⁸. Penetration in these markets may require a new business model (e.g., partnerships with local manufacturers, distributors, etc.) to adapt to local market requirements. Government interventions and trade-relations support will help in enabling market access for Indian pharmaceutical companies in these markets

CHALLENGES:

India is yet to achieve universal healthcare access to healthcare in India is inadequate in comparison to the size of the population. About 29 skilled health workers are available for every 10,000 people in India compared to about 41 in China, and about 111 in the United States. While India meets WHO's critical threshold of about 23 skilled professionals for every 10,000 people, it would need to add 1.5 million healthcare professionals (as compared to China), a 42 percent increase to meet the needs of population. This is extremely critical for a 'healthy' India and a thriving healthcare ecosystem. The inability to pay for healthcare bills is another challenge that Indians face. Indian government's expenditure on healthcare is low (about 1 percent of GDP) compared to 2.5 to 3 percent of GDP of other developing economies such as China, Malaysia and Thailand. With less than a third of Indians having health insurance, the rest of the population pays medical bills from their own pockets. As a result, they must make tough trade-offs between their healthcare needs, and other necessities. Such challenges need innovative digital interventions to mitigate accessibility shortcomings at optimal costs.

Lack of a stable pricing and policy environment favourable for long-term investment decisions Frequent and unexpected changes to the domestic pricing policy have created an uncertain environment for investments and innovation. The government and stakeholders would need to constructively engage to develop a framework that ensures availability and accessibility of affordable drugs for citizens, while ensuring a workable pricing structure for pharmaceutical companies.

SHUKRA PHARMACEUTICALS LIMITED

(Formerly known as Relish Pharmaceuticals Limited)

The financial year 2019-20 marked resurgence in growth post the financial crisis. Higher investment spending, especially in the emerging markets, is pushing growth in the global economy. As a result, several countries are gradually returning to normal macroeconomic policies. However, the economic health in parts of Europe and the fiscal trends in some other countries is cause for concern and continue to impact the world economy.

The forecast for the Indian economy is positive with growth expected to touch 7.4 per cent in the current fiscal year. Yet, constant inflation in the country is taking its toll and rising global commodity prices is only compounding the problem.

By 2020, India is likely to be among the top three pharmaceutical markets by incremental growth and 6th largest market globally in absolute size.

A growing trend was that more Indian pharmaceutical companies focused on semi-urban and rural markets for incremental growth opportunities. During the year, the industry also witnessed Indian Pharma companies selling out to the multinationals.

OPPORTUNITIES, THREAT, RISKS AND CONCERNS

The Indian pharmaceutical industry is growing consistently and is expected to do so also in future. Quality of products will improve, as is evident from the recent publication of the new Indian Pharmacopeias and the activities of the Drugs Controller of India against “irrational combinations” and “counterfeits”. We wish that these initiatives, which will lead to a safer healthcare environment for patients, will be followed up in a transparent and rational way.

Over the past decade, pharmaceutical companies have entered a difficult period where shareholders, the market and regulators have created significant pressures for change within the industry. The core issues for most of drug companies are declining productivity of in-house R & D, patent expiration of number of block buster drugs, increasing legal and regulatory concern, and pricing issue. As a result larger pharmaceutical companies are shifting to new business model with greater outsourcing of discovery services, clinical research and manufacturing.

Today Indian pharmaceutical Industry can look forward to the years to come, with great expectations. There are opportunities in expanding the range of generic products as more molecule come off patent, outsourcing, and above all, in focusing into drug discovery as more profits come from traditional plays. At the same time, the Indian Pharma Industry would have to contend with several challenges particularly the

- Effects of new product patent
- Drug price control
- Regulatory reforms
- Infrastructure development
- Quality management and
- Conformance to global standards.

Independent Auditors' Report

To,
The Members of
Shukra Pharmaceuticals Limited

Opinion

We have audited the accompanying standalone financial statements of Shukra Pharmaceuticals Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss, the statement of change in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the Basis for Qualified Opinion section of our report the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the company as at March 31st, 2020 and its profit, change in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Basis for Qualified Opinion

1. The company had made interest free loans and advances to related parties. In our opinion and according to the information and explanations provided to us, the terms and conditions of the grant of such loans are prima facie prejudicial to the Company's interest.
2. The company had repaid the loans and liabilities to the tune of Rs 1100000/- by sale of property. While contrary to this, sales deed for the said property produced before us which reflects payment of sales consideration by bank cheque to the company for which no accounting is done in the books of accounts.
3. The company has not complied with the mandatory requirement of section 203 of the Companies Act, 2013 regarding appointment of Chief Financial Officer.
4. The company had not paid the dividend distribution tax for the dividend declared during the last year and for the payment of dividend, the financial instrument has been issued but the same has not been presented to bank for the clearance.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, where of most significance in

our audit of the standalone financial statements of the current year. These matters, where addressed in the contacts of our audit of the stand alone statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matters.

Sr No	Key Audit Matters	Auditor's response
1	<p>The company has availed interest free loans payable on demand from its director compliance with the provisions of the Companies Act and also confirmation of the said balances outstanding as at the year end.</p> <p>The above loans were taken to meet the business needs of the company.</p>	<p>The compliance with the provisions of the Companies Act were verified by us. The company has complied with the relevant statutory requirements provided for the acceptance of loans from directors.</p> <p>- The company has not obtained confirmation of balances and declaration from the said directors.</p>

Responsibility of Management for the standalone Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial

statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of

such communication.

Other Information

The Company's Board of directors is responsible for the other information. The other information comprises the information in the integrated report, Board's report along with its Annexures and financial highlights included in the company's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion with our audit of the standalone financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Report on other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in term of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure B statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.

As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.
- c) The Balance Sheet, the Statement of Profit and Loss, the statement of change in equity and Cash Flow Statement dealt with by this Report are in agreement with the books of accounts and the returns received from the branches not visited by us.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of written representations received from the directors as on 31 March, 2020, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2020, from being appointed as a director in terms of Section 164(2) of the Act. However, company failed to pay dividend within prescribed time limit under the Company Act, 2013 which will attract provisions of company act with respect of disqualification of director.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report expresses an unmodified opinion on the adequacy and operating

effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to our best of our information and according to the explanations given to us :

i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 26 to the financial statements ;

ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;

iii. There were no amounts which required to be transferred to the Investor Education and Protection Fund;

The Annexure A referred to in our Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31 March 2020, we report that:

REPORT ON INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SHUKRA PHARMACEUTICALS LIMITED ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

SHUKRA PHARMACEUTICALS LIMITED

FY 2019-20

Corporate Information

Shukra Pharmaceuticals Limited (the "Company") is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. It has been engaged primarily in the business of manufacture and marketing of pharmaceutical products. The company has its manufacturing facilities in India and sells both in India and across the globe. The Company's registered office is at 3rd Floor, Dev House, Opp. WIAA Office, Judges Bungalows Road, Bodakdev, Ahmedabad, Gujarat - 380003.

The financial statements for the year ended 31 March, 2020 were approved by the board of directors and authorised for issue.

Significant accounting policies:

a) Basis of Preparation of Financial Statements:

These financial statements have been prepared to comply with the generally accepted accounting principles in India (Indian GAAP), including the Accounting standards notified under the relevant provisions of the Companies Act, 2013. The company has prepared these financial statements to company in all material respects with the Accounting standards, notified under Section 133 of the Companies Act, 2013 ("the Act") read together with paragraph 7 of the Companies (Accounts) Rules 2014 to reflect the financial position and the results of operations of Shukra Pharmaceuticals Limited.

The financial statements are prepared on accrual basis under the historical cost convention. The financial statements are presented in Indian rupees rounded off to the nearest rupees.

b) Use of Estimates:

The preparation of financial statements in conformity with Indian GAAP required judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

c) Fixed assets:

Property, plant & equipments:

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets. In case of land the Company has availed fair value as deemed cost on the date of transition to Ind AS. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future

economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately.

Other Indirect Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work - in - Progress.

Intangible Assets:

There is no assets in the books of company which can be accounted as intangible assets.

d) Depreciation, Amortization and Depletion:

Property, Plant and Equipment / Intangible Assets are depreciated / amortized over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortization to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortization for future periods is revised if there are significant changes from previous estimates.

e) Investments:

Current investments are carried at lower of cost and quoted / fair value, computed category wise. Noncurrent investments are stated at cost. Provision for diminution in the value of noncurrent investments is made only if such a decline is other than temporary.

f) Foreign Currency transactions:

- Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.
- Any income or expense on account of exchange difference either on settlement or on translation is recognized in the profit and loss statement, except in case of long term liabilities, where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

g) Current assets:

Inventories:

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any, except in case of by-products which are valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition.

Cost of raw materials, process items, stores and spares, packing materials, trading and other products are determined on weighted average basis.

Sundry debtors:

Sundry debtors are stated at realisable value. Other loans and advances are stated at realisable value.

h) Prior period and non-recurring items

Prior period and non-recurring and extra ordinary items are disclosed separately if material.

i) Income Taxes:

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates. Deferred income tax reflect the current period timing difference between taxable income and accounting income for the period and reversal of timing differences of earlier year / period. Deferred tax assets are recognised only to the extent that there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, in case there are unabsorbed depreciation or losses, are recognised if there is virtual certainty that sufficient future taxable income will be available to realise the same.

Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

j) Provisions, Contingent liabilities and contingent assets:

Provision is recognized in the accounts when there is a present obligation as a result of part event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are neither recognized nor disclosed in the financial statements.

k) Revenue Recognition:

Revenue is recognized only when risks and rewards incidental to ownership are transferred to the customer, it can be reliably measured and it is reasonable to expect ultimate collection. Revenue from operations includes sale of goods, services, service tax, excise duty and sales during trial run period, adjusted for discounts (net), and gain / loss on corresponding hedge contracts.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

Goods and Service Tax:

Goods and service tax is accounted on the basis of both, payments made in respect of goods cleared / services provided and provisions made for goods lying in bonded warehouses.

l) Employees Benefits:

Company's contribution to provident fund are charged to profit & loss account. Gratuity provision is made on the basis of actuarial valuation and leave encashment expenses are accounted for on payment basis.

m) Impairment of Asset :

At each balance sheet date the carrying amount of the asset is tested for impairment. If there is an indication of impairment, the company estimates the recoverable amount of assets. If such recoverable amount of the asset or the recoverable amount of cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is tested as an impairment loss and is recognized in the profit and loss account. If at the balance sheet date there is an indication that the previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

n) Borrowing cost:

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the profit and loss statement in the period in which they are incurred.

o) Earnings per Share (EPS):

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issue, bonus elements in right issue to existing shareholders, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

p) Segment reporting:

The company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements of the company.

q) Cash and cash equivalents:

Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand and short term investments with an original maturity of three months or

less.

r) Dividend to equity shareholders:

Dividend to equity shareholders is recognised as a liability and deducted from shareholders' equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.
