Investor Update

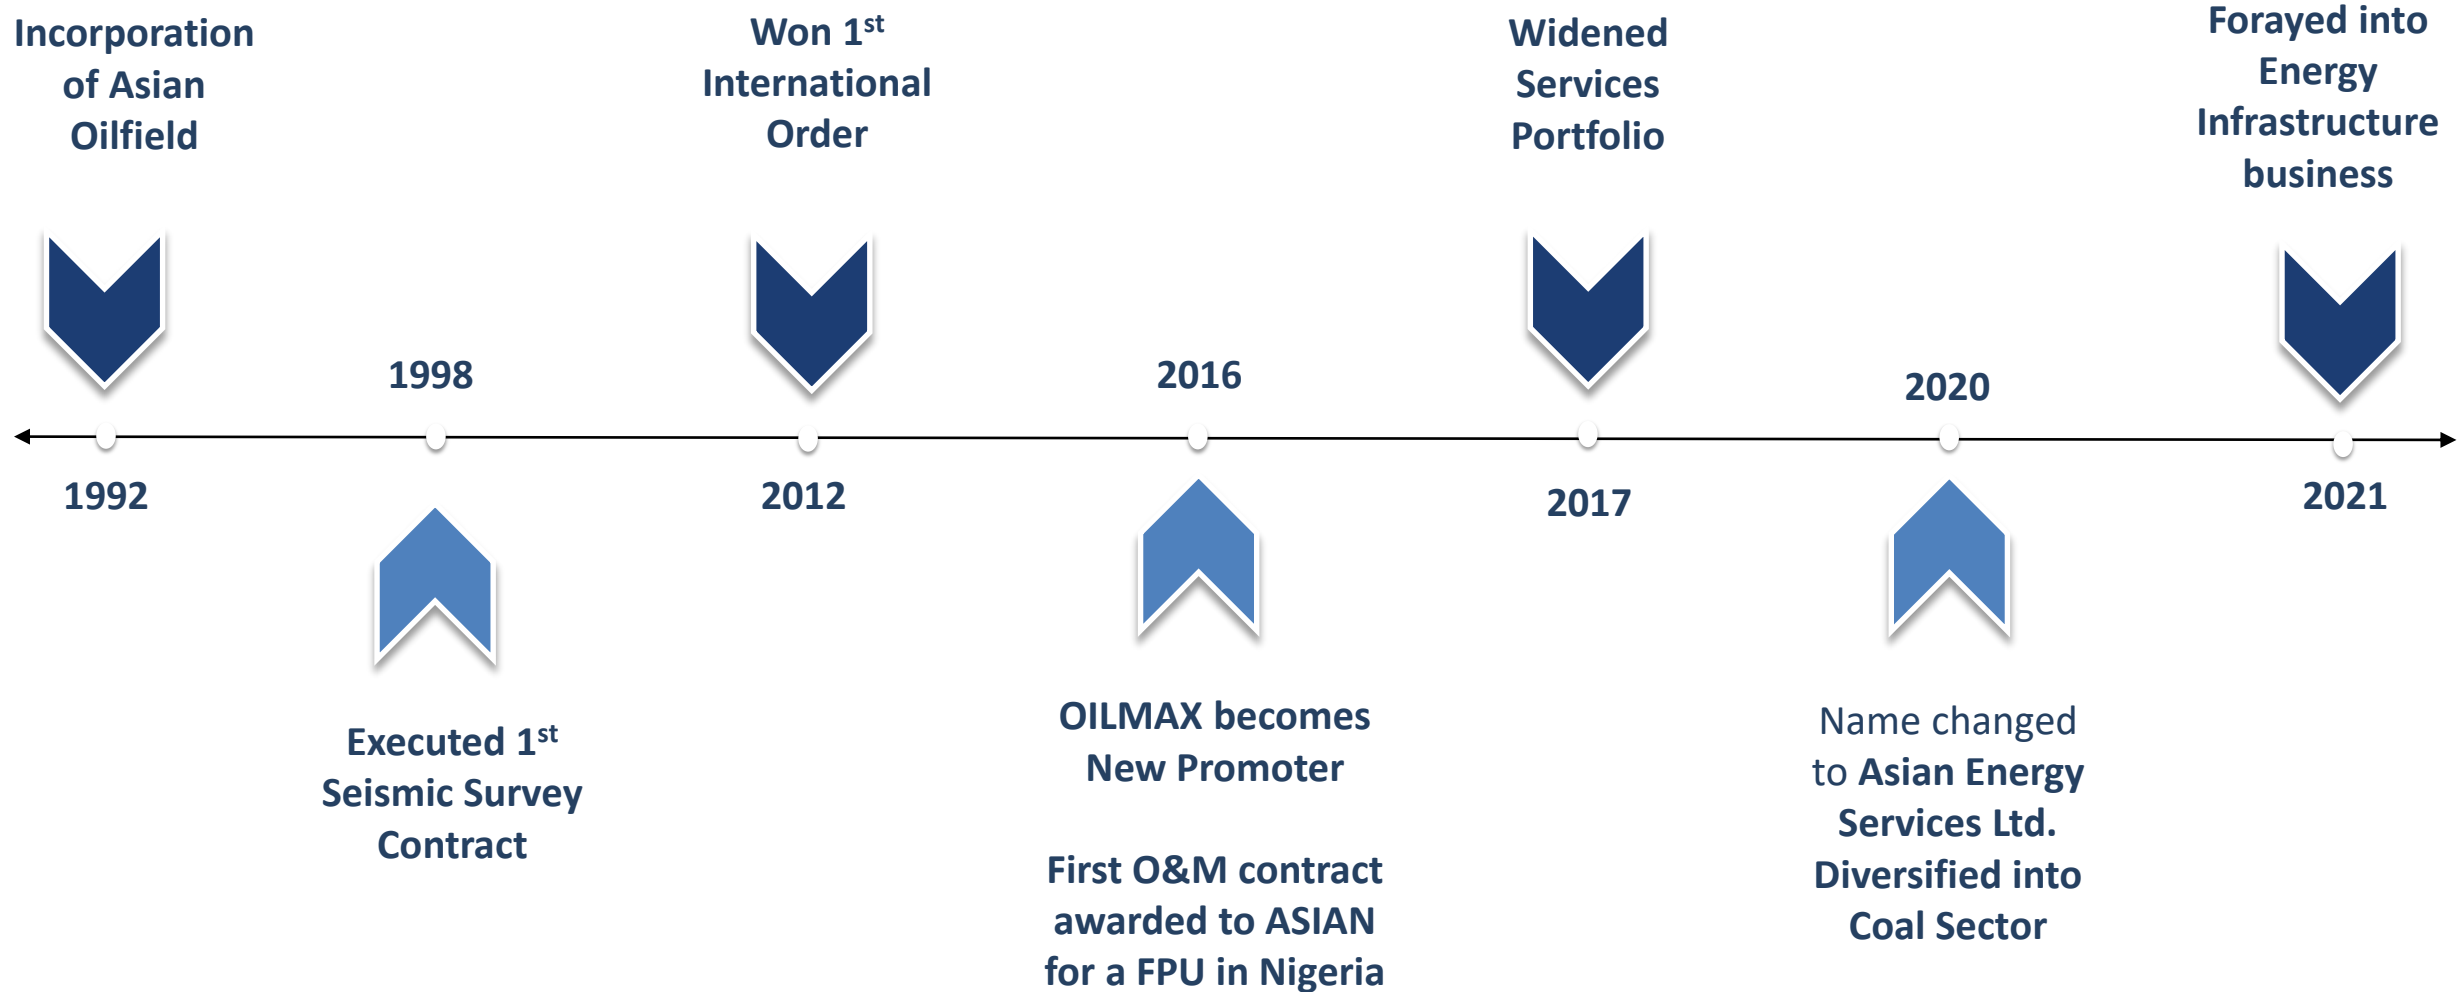

June 2021

This presentation and the accompanying slides (the “Presentation”), which have been prepared by Asian Energy Services Ltd. (the “Company”), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

This presentation contains certain forward looking statements concerning the Company’s future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, competition (both domestic and international), economic growth in India and abroad, ability to attract and retain highly skilled professionals, time and cost over runs on contracts, our ability to manage our international operations, government policies and actions regulations, interest and other fiscal costs generally prevailing in the economy. The Company does not undertake to make any announcement in case any of these forward looking statements become materially incorrect in future or update any forward looking statements made from time to time by or on behalf of the Company.

Our Journey – Evolving from Seismic Services Provider to Energy Specialist

Seismic Services

AESL is a leading service provider of 2D and 3D Seismic Services with extensive industry experience of over 25 years

Production Facility Construction

AESL has significant expertise and financial capability to create low cost, high quality onshore and offshore production facilities

Production Facility Operations & Maintenance

AESL has extensive experience and expertise in turnkey Operation & Maintenance (O&M) of onshore and offshore oil and gas facilities

Energy Infrastructure

AESL has forayed into energy infrastructure segment like rapid loading and handling system of Coal & minerals

Advantage ASIAN

Strong Balance Sheet & Asset Base

Debt free Balance Sheet with healthy cash & bank balance

Strong asset base of Seismic equipment

Experience Across Challenging Terrains

Extensive work experience across challenging terrains and International geographies

Experienced Management Team

Highly experienced Promoter Group & Professional Management

Technology Driven Solutions

Focus on bringing new technology to work

Only Indian company to offer 3D wireless seismic technology

Diverse Services

Seismic, Production Facility Construction, Production Facility Operation and Maintenance (O&M)

Energy Infrastructure like rapid loading and materials handling system

Diverse Geography & Strong Customer Base

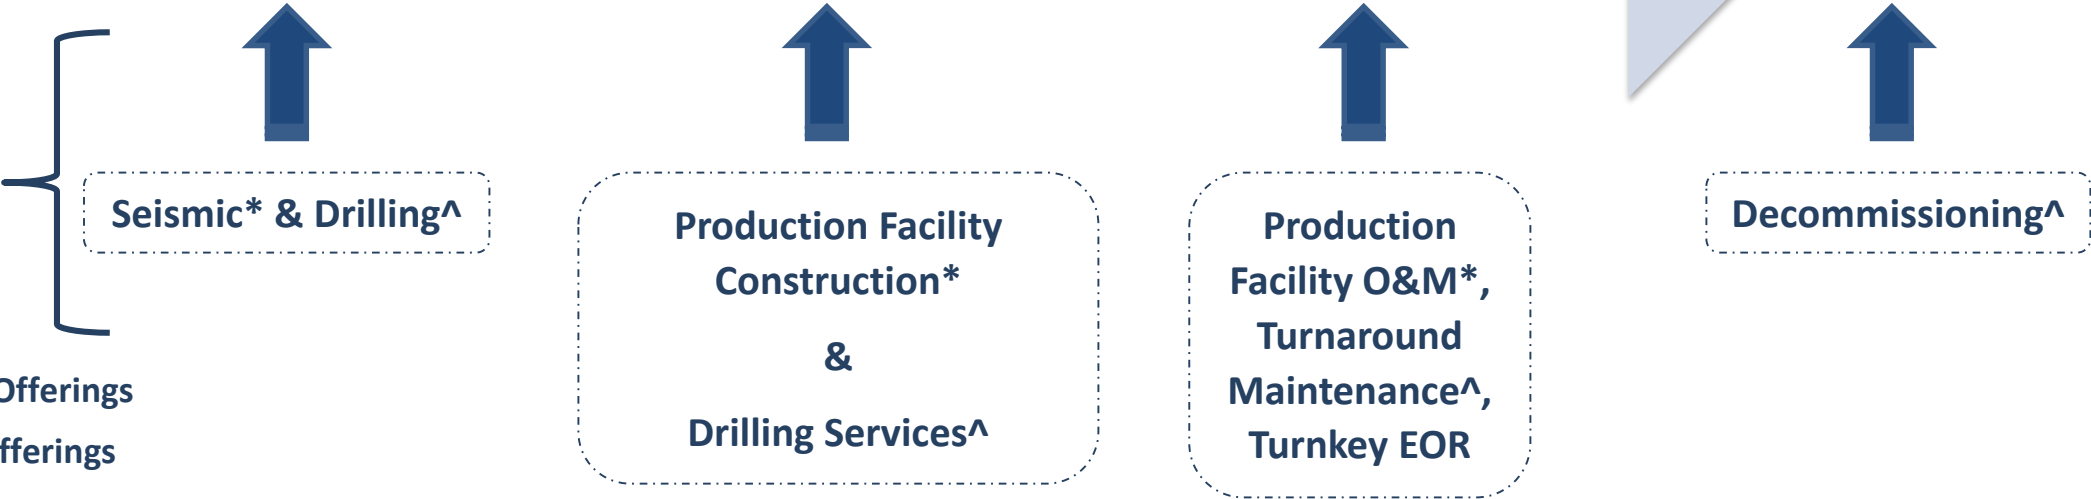

Operating in Domestic as well as International Markets

Strong reputation with marquee client list

The E&P Lifecycle

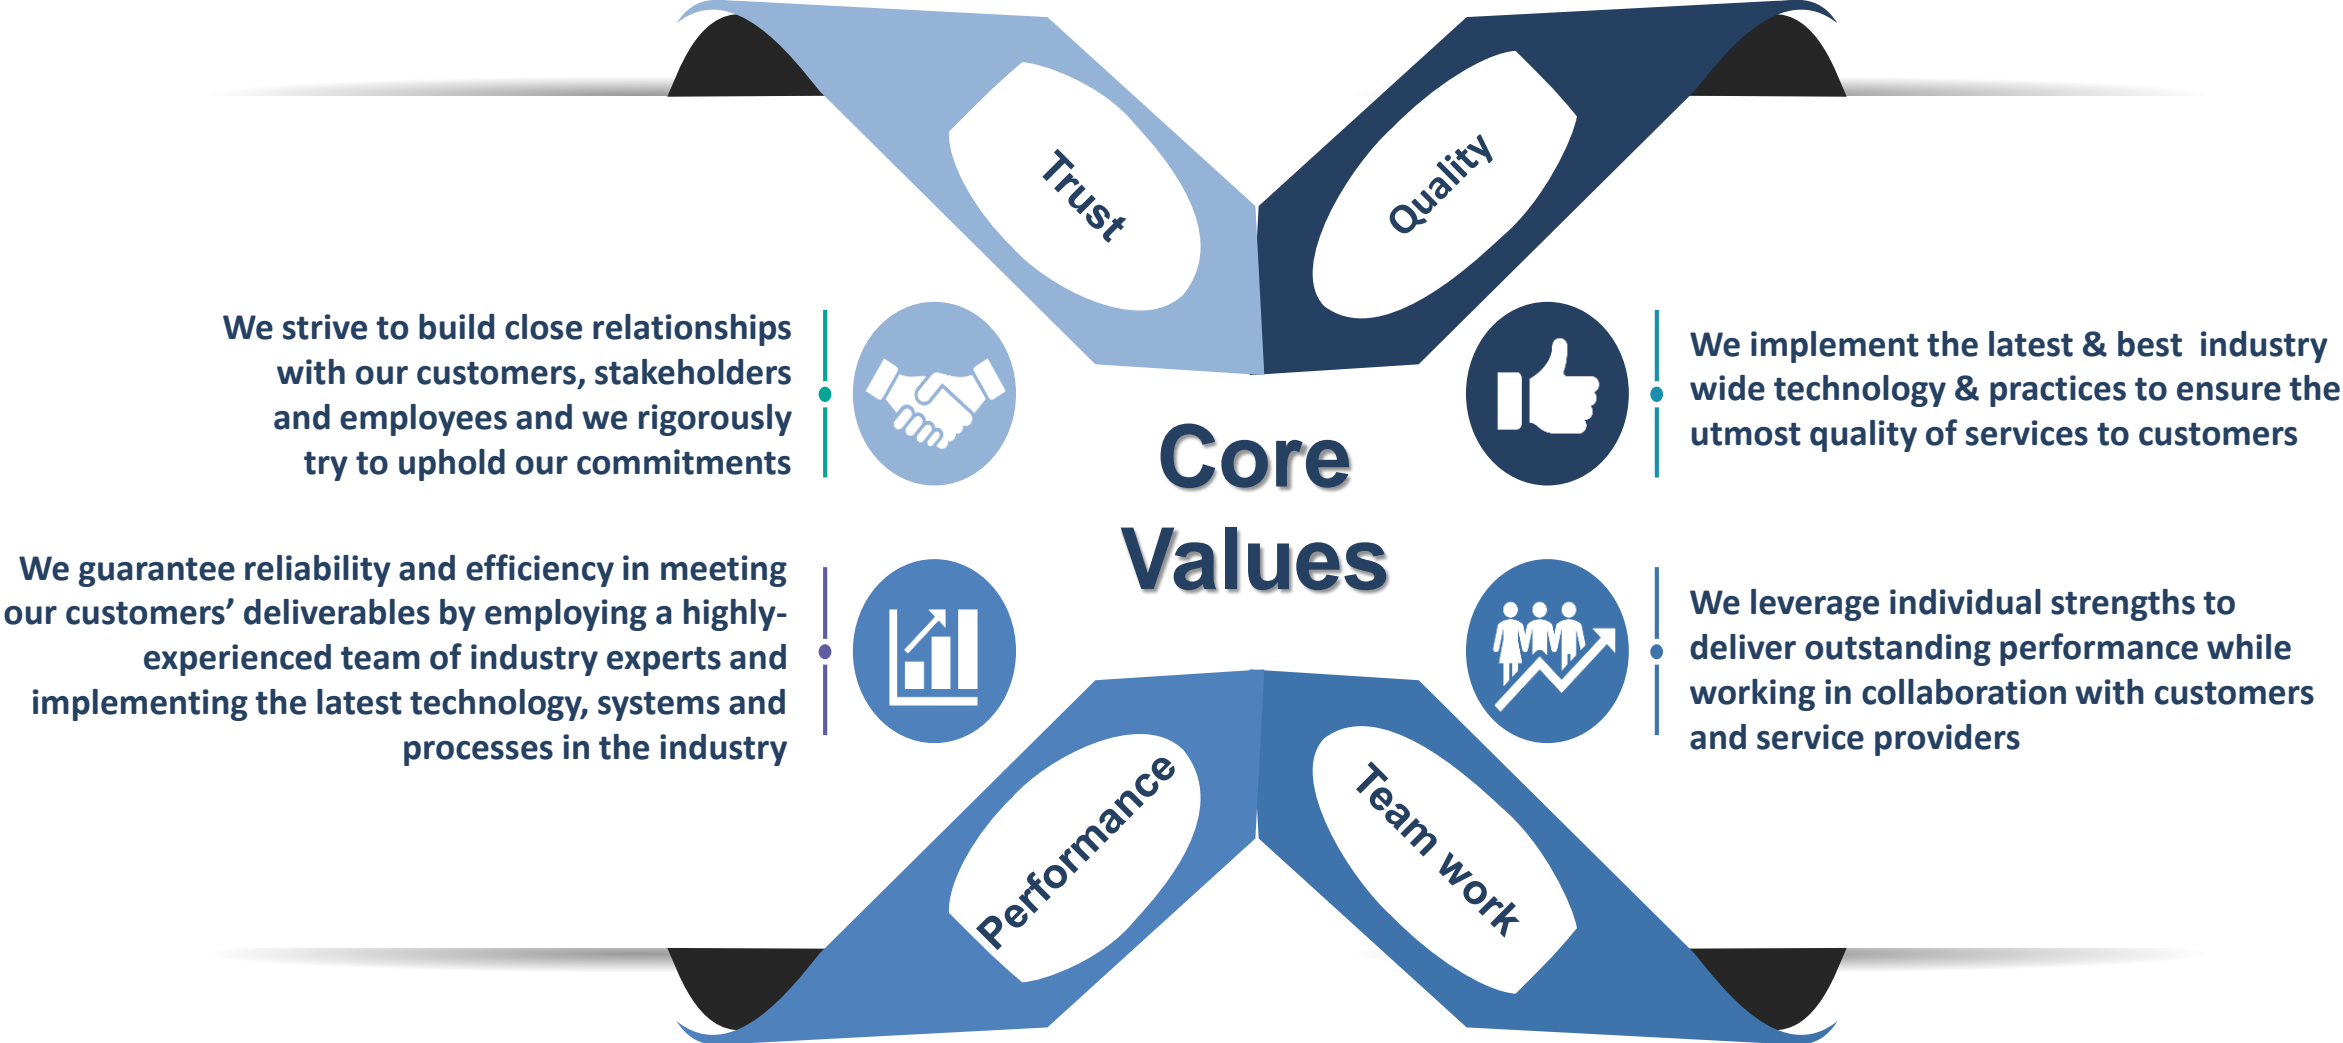

Services offered by ASIAN

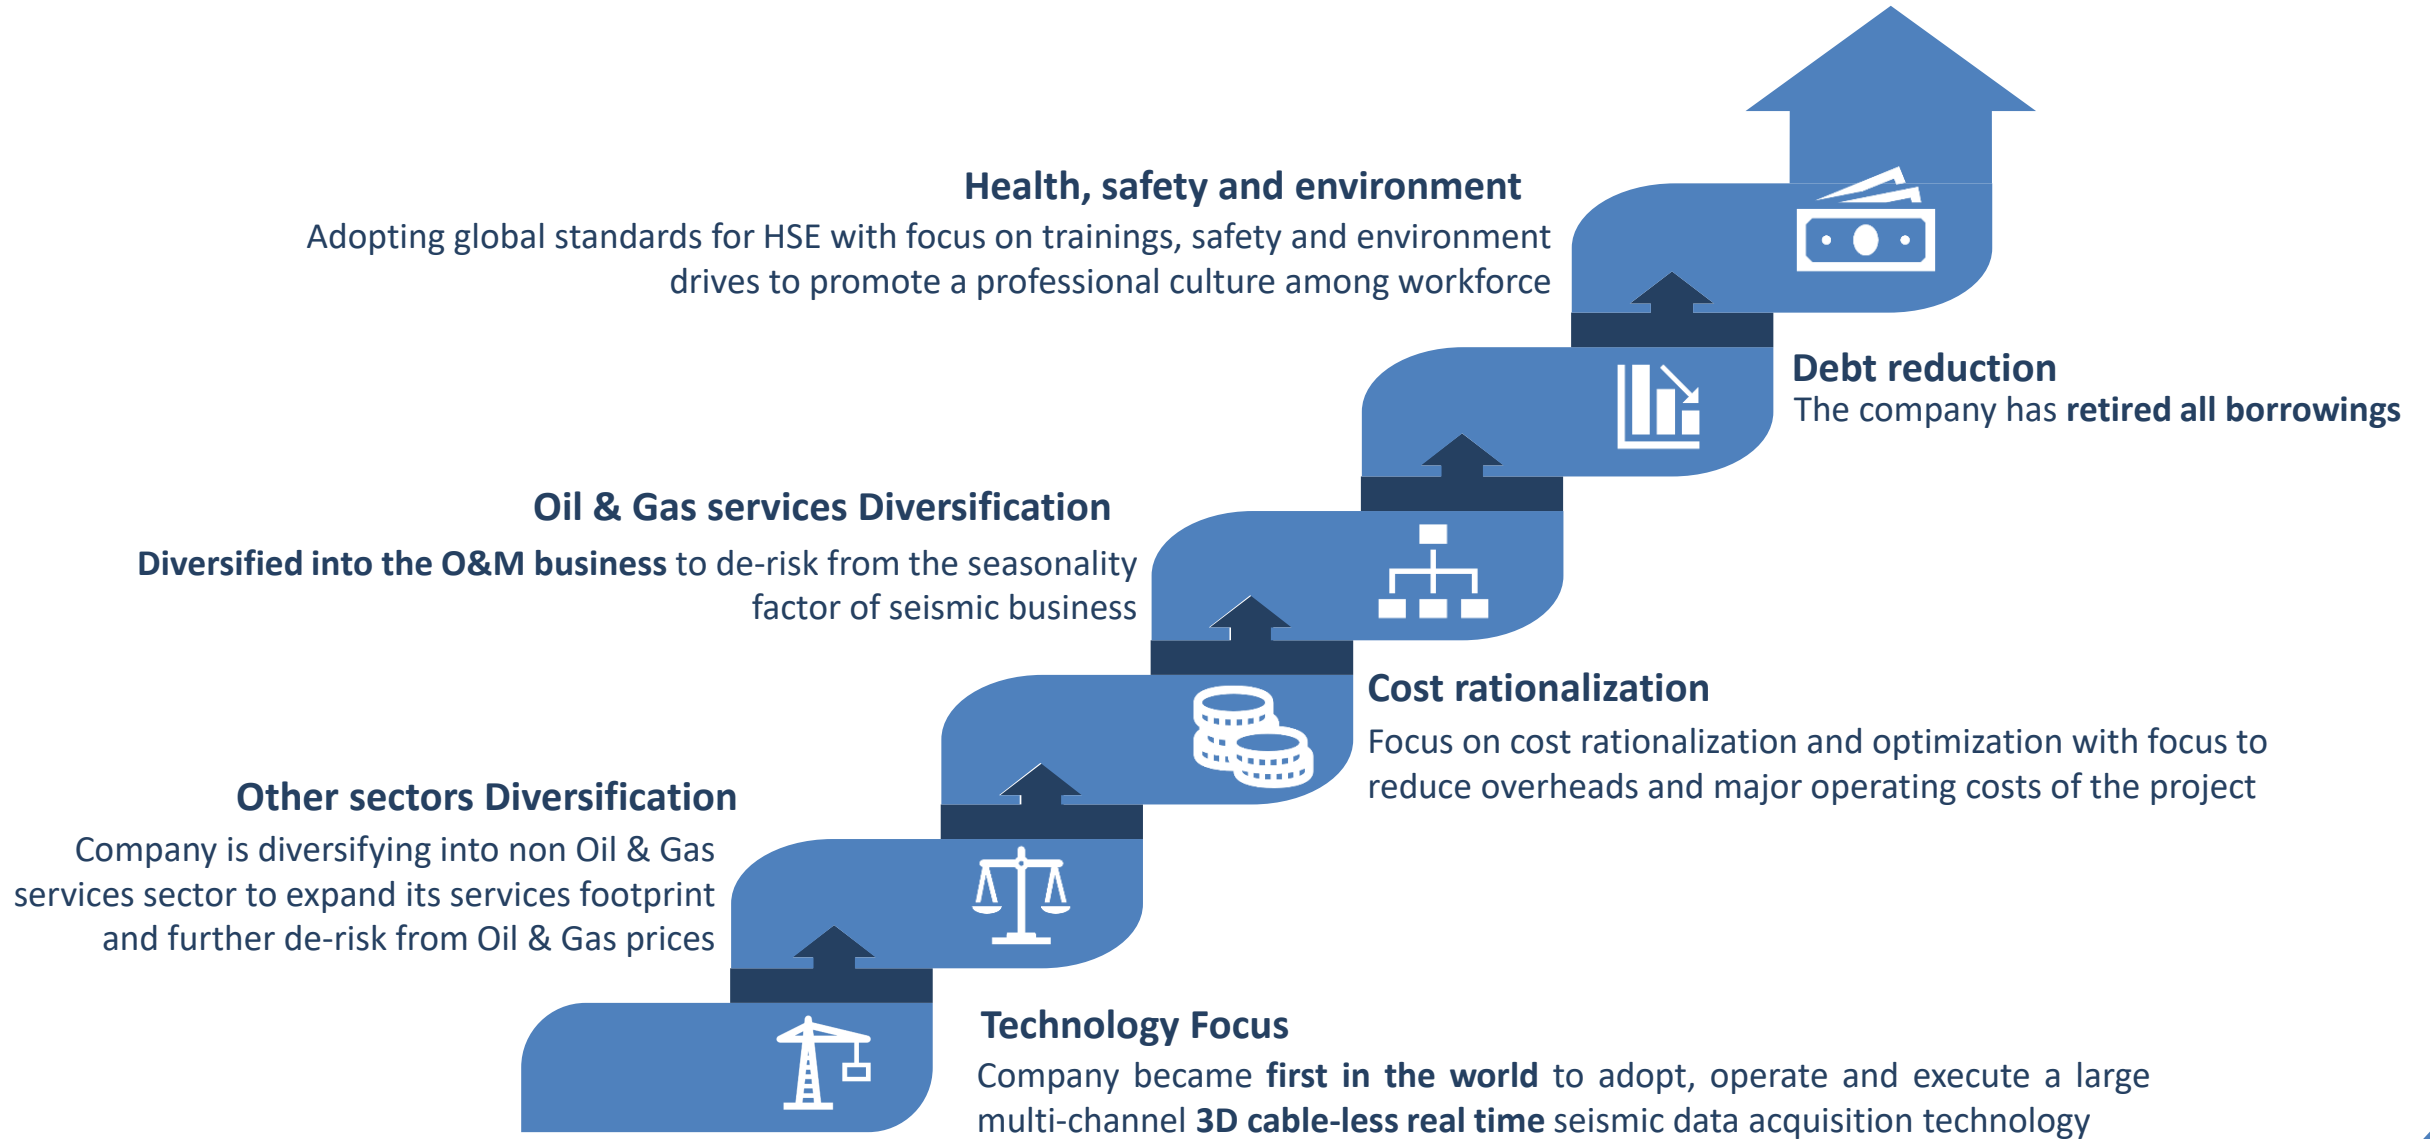

* Existing Service Offerings

^ Future Service Offerings

ASIAN Building capabilities and credentials across E&P services value chain

AESL moving in the right direction post Management change

Continuous Innovation to Improve Efficacy

Usage of Drone Technology to transport materials to improve productivity by reducing time and logistical support

Improvising with Rope-throwers to save significant labor hours in logistics (materials transport)

Ariel Drone Survey of Lines for superior operational planning

World environment day celebrated with plants sapling

50th national safety day / week campaign

“Green Initiative”
Trial and adoption of electrical vehicles at site to reduce dependency on fuel

Preventive Testing & Vaccination Drive at project sites

Daily sanitization of Campsite, Office-space and vehicles at project sites

Covid-19 Committee Meeting

Daily Briefing

HSE Weekly meetings

HSE Appreciation Awards

CSR Campaigns - A conscious effort to contribute to the communities we work in

Sharing Smiles Campaign in partnership with renowned NGO Sewa Bharti "Matri Chaya", Chhattisgarh

Medical Camps organized in villages of Chattisgarh & Himachal Pradesh

Strong Seismic Services Execution Capabilities

Comprehensive Equipment Base with latest technology:

- State of art Wireless and Cabled ground electronics with geophones and recording system
- Vibroseis trucks with latest technology of Intelligent Power Management for fuel efficiency
- Mechanical & rotary drilling Rigs with compressors and engines

Strong Human Capital:

- Team of ~100 experts in Project Management, Geosciences, HSE, Seismology, QC, Surveying
- Team of public relation officers for on ground support and liasioning

ASIAN is the first Indian company to adopt wireless technology in seismic data acquisition

Capabilities to EXECUTE in Difficult Terrains

Kurdistan & Rajasthan
Rough terrain challenges

Indonesia
Thick Vegetation

Nigeria
(Upgrade existing offshore MOPU)

North & North East India
Slope challenges

A Glimpse into Ongoing Operations

Business and Operation Update

Seismic Services

- **Client:** Vedanta Limited, ONGC Ltd, Oil India Ltd, Coal India Ltd
- **Scope of work:** Acquisition of 2D and 3D seismic data (both Vibrs and explosive)
- **Area:** Rajasthan, Gujarat, Himachal Pradesh, Assam, Tripura, Chattisgarh, Bihar
- **Status:** ongoing projects running as per schedule
- **Pipeline:** Robust pipeline with bids submitted for over Rs 500 crs work and further new tenders expected

Energy Infrastructure

- **Client:** Coal India Ltd
- **Scope of work:** Construction of Rapid Loading and Material handling system with O&M for 5 years
- **Status:** Project awarded by client and intimation letter for the same has been received , awaiting for contract award letter to commence work

Oil & Gas EPC and O&M

- **Client:** Amni International (Nigeria)
- **Scope of work:** Upgradation of an existing Mobile Offshore Production Unit (MOPU) in Nigeria
- **Order worth:** ~ US \$65 Million. Have booked approx. 75 % of revenue till March 2021
- **Status:** Currently work suspended by AMNI, however discussions to resume project are close to finalization, and we estimate to complete work in FY22

- **Client:** Oilmax Energy Pvt Ltd
- **Scope of work:** Refurbishment of onshore facilities followed by O&M in Amguri field, Assam
- **Status:** First phase of work related to EWT and facility assessment has commenced

▪ Seismic Services:

- With oil prices strengthening , we are witnessing an increase in global demand for seismic activities
- Good visibility of seismic work in the next 3-4 years in India from Oil & Gas and Coal sector
- Seismic data acquisition in Minerals Exploration expected in subsequent years on a large scale
- Submitted bids for seismic contracts over Rs 500 crs , currently targeting several more in the year

▪ Oil & Gas – EPC and O&M:

- Demand for this segment has picked up significantly in last 6 months
- Participated in the bidding process for two major O&M projects in India, awaiting outcome
- Major operators are now moving towards outsourcing model of O&M

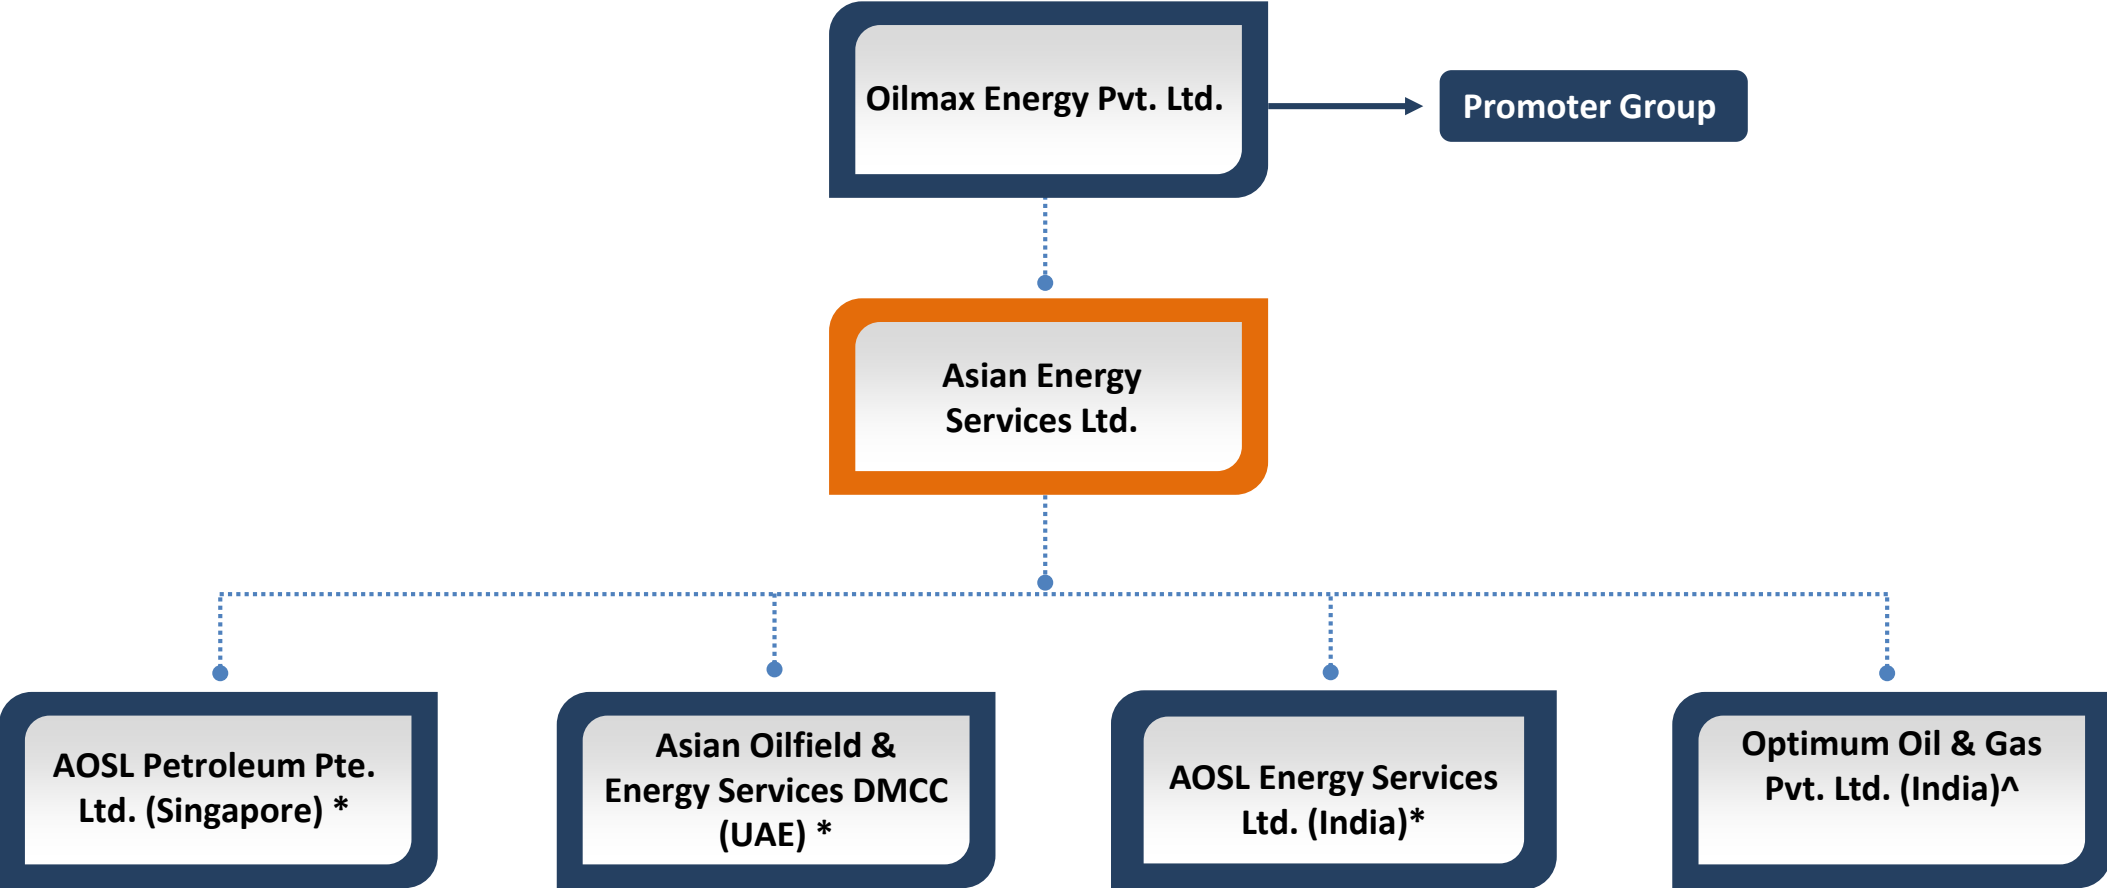

▪ Energy Infrastructure:

- Govt focus on modernization of existing infrastructure and creation of new infrastructure
- Very promising opportunities in Rapid Loading and Material Handling system space in India
- Working on few opportunities in this space and hopeful to secure more contracts in coming year

• Offshore Support Vessels

- Visibility of opportunities in charter hire of MSV and other vessels, due to recently instated vintage criteria

Group Structure

* 100% subsidiary

^ 74% Joint Venture
