(DIN: 01045817) Chairperson

Place : Noida

Date: December 05, 2020

Notes:

- An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 in respect of Items nos. 4 to 7 under Special Business of this Notice is annexed hereto.
- 2. A MEMBER ENTITLED TO ATTEND AND VOTE IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON HIS / HER BEHALF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. Pursuant to the provisions of Section 105 of the Companies Act, 2013 and rules made there under, a person can act as a proxy on behalf of not more than fifty members and holding in aggregate not more than ten percent of the total Share Capital of the Company. Members holding more than ten percent of the total Share Capital of the Company may appoint a single person as proxy, who shall not act as a proxy for any other Member. The instrument of Proxy, in order to be effective, should be deposited at the Registered Office of the Company, duly completed and signed, not later than 48 hours before the commencement of the meeting. A Proxy Form is annexed to this Report. Proxies submitted on behalf of limited companies, societies etc. must be supported by an appropriate resolution / authority, as applicable.
- 3. The Register of Members and Share Transfer Books of the Company shall remain closed from Thursday, December 24, 2020 to Wednesday, December 30, 2020 (both days inclusive).
 - i) those members whose name appear on the Register of Members of the Company on December 23, 2020; and
 - ii) those members whose name appear as beneficial owners as at the close of business on December 23, 2020, as per details to be furnished by the National Securities Depository Limited and Central Depository Services (India) Limited.
- 4. Members are requested to bring their copy of Annual Report.
- Members who are holding Company's shares in dematerialized form are requested to bring details of their Depository Account Number for identification.

- 8. The members intending to seek any information on Annual Accounts at the meeting are requested to kindly inform the Company at least 7 days before the date of the meeting.
- 9. For convenience of the members and proper conduct of the meeting, entry to the meeting venue will be regulated by Attendance Slip. Members are requested to sign at the place provided on the Attendance Slip and hand it over at the registration counter.
- 10. In terms of SEBI notification, the shares of the Company are subject to compulsory trading only in dematerialized form on the stock exchanges, hence members are requested to convert their physical share certificates into electronic form.
- 11. The Securities and Exchange Board of India has mandated submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in demat form are, therefore, requested to submit PAN details to the Depository Participants with whom they have demat accounts. Members holding shares in physical form can submit their PAN details to the Company / Registrar and Share Transfer Agents, M/s Beetal Financial and Computer Services (P) Ltd.
- 12. Pursuant to Section 101 and Section 136 of the Companies Act, 2013 read with relevant Rules made there under, Companies can serve Annual Reports and other communications through electronic mode to those members who have registered their e-mail address either with the Company or with the Depository. Members who have not registered their e-mail address with the Company can now register the same by submitting a request letter in this respect to the Company / Registrar and Share Transfer Agents, M/s Beetal Financial and Computer Services (P) Ltd. Members holding shares in demat form are requested to register their e-mail address with their Depository Participant(s) only.
- 13. The Annual Report including Notice of AGM and Attendance Slip is being sent in electronic mode to members whose e-mail IDs are registered with the Company or the Depository Participant(s) unless the members have registered their request for a hard copy of the same. However, physical copy of the Annual Report including Notice of AGM and Attendance Slip is being sent to all members.
- 14. Relevant documents referred to in the accompanying Notice and the Statement are open for inspection by the members at the Registered Office of the Company on all working days, except Saturdays and Sunday, during business hours up to the date of the Meeting.
- 15. In compliance with the provisions of Section 108 of the Companies Act, 2013 and the Rules made there under and Regulation 44 of the SEBI (LODR) Regulation 2015, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by CDSL, on all the resolutions set forth in this Notice. The members may cast their votes on electronic voting system from place other than the venue of the meeting (remote e-voting).
- 16. Mr. Upender Jajoo, Company Secretary in whole-time practice has been appointed as the Scrutinizer to scrutinize the remote e-voting process and the voting at AGM in a fair and transparent manner.
- 17. The facility for voting through polling paper shall also be made available at the Annual General Meeting and Members attending the Annual General Meeting who have not already cast their vote by remote e-voting shall be able to vote at the Annual General Meeting.
- 18. The Members who have casted their vote by remote e-voting prior to the Annual General Meeting may also attend the Annual General Meeting but shall not be entitled to cast their vote again.
- 19. The instructions for shareholders voting electronically are as under:
 - (i) The voting period begins on Sunday, 27th December, 2020 at 09:00 am and ends on Tuesday, 29th December, 2020 at 05:00 pm. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Wednesday, 23rd December, 2020 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

The shareholders should log on to the e-voting website www.evotingindia.com.

Click on Shareholders.

Now Enter your User ID

- a. For CDSL: 16 digits beneficiary ID,
- b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,

- c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (iii) Next enter the Image Verification as displayed and Click on Login.

If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.

If you are a first time user follow the steps given below:

	For Members holding shares in Demat Form and Physical Form					
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders)					
	Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and the 8 digits of the sequence number in the PAN field. Sequence number is printed on Attendance Slip					
	In case the sequence number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with sequence number 1 then enter RA00000001 in the PAN field					
Dividend Bank Details	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login.					
OR Date of Birth (DOB)	If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).					

- (iv) After entering these details appropriately, click on "SUBMIT" tab.
- (v) Members holding shares in physical form will then directly reach the Company selection screen.
- (vi) However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (vii) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (viii) Click on the EVSN for the relevant Innovative Tech Pack Limited on which you choose to vote.
- (ix) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (x) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xi) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xii) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xiii) You can also take out print of the voting done by you by clicking on "Click here to print" option on the Voting page.
- (xiv) If Demat account holder has forgotten the changed password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xv) Note for Non Individual Shareholders and Custodians
 - Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.

A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.

After receiving the login details a compliance user should be created using the admin login and password. The Compliance user would be able to link the account(s) for which they wish to vote on.

The list of accounts should be mailed to helpdesk.evoting@cdslindia.com and on approval f the accounts they would be able to cast their vote.

A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.

(i) Any person, who acquires shares of the Company and become Member of the Company after dispatch of the Notice and holding shares as on the cut-off date i.e. Wednesday, 23rd December, 2020 may follow the same instructions as mentioned above for e-Voting.

In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com

EXPLANATORY STATEMENT PURSUANT TO PROVISIONS OF SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 3

The Members of the Company at the 26th Annual General Meeting ('AGM') approved the appointment of Messrs. KRA & Associates, Chartered Accountants ('KRA'), as the Auditors of the Company for a period of five years from the conclusion of the said AGM. KRA will complete their present term on conclusion of this AGM in terms of the said approval and Section 139 of the Companies Act, 2013 ('the Act') read with the Companies (Audit and Auditors) Rules, 2014.

The Board of Directors of the Company ('the Board'), on the recommendation of the Audit Committee('the Committee'), recommended for the approval of the Members, the appointment of Messrs. Prashant Aggarwal & Co, Chartered Accountants ('PAC'), as the Auditors of the Company for a period of one years from the conclusion of this AGM till the conclusion of the 32th AGM. On the recommendation of the Committee, the Board also recommended for the approval

INNOVATIVE TECH PACK LIMITED

of the Members, the remuneration of PAC for the financial year as set out in the Resolution relating to their appointment.

The Committee considered various parameters like capability to serve a diverse and complex business landscape as that of the Company, audit experience in the Company's operating segments, market standing of the firm, clientele served, technical knowledge etc., and found PAC to be best suited to handle the scale, diversity and complexity associated with the audit of the financial statements of the Company.

PAC have given their consent to act as the Auditors of the Company and have confirmed that the said appointment, if made, will be in accordance with the conditions prescribed under Sections 139 and 141 of the Companies Act 2013.

None of the Directors and Key Managerial Personnel of the Company, or their relatives, is interested in this Resolution. The Board recommends this Resolution for your approval.

ITEM NO.4

The Nomination & Remuneration Committee and Board of Directors in its respective meetings held on 14th February, 2020, after considering vast experience of Mr. Ketineni Sayaji Rao in the fields of finance, project financing, Manufacturing of Plastic Bottles, Jars and Caps, Banking Matters, general management and operational aspects of the company, has decided to avail the expertise of Mr. Ketineni Sayaji Rao on regular basis. Hence, the committee & the Board has proposed to appoint him as Executive Director cum Chairman of the company on such terms and conditions approved by the members in the AGM held on 28th September, 2018.

as well as the payment of salary, commission and perquisites (hereinafter referred to as "remuneration") of Rs. 325000 (Rupee Three Lac Twenty Five Thousands only) per month and on the same term and condition as approved by the members in the AGM held on 30th September, 2019

The appointment of Mr. Ketineni Sayaji Rao as such shall take effect from 14th February, 2020 and requires the approval of the Shareholders of the Company by way of Special Resolution passed in the General Meeting as per provisions of section 152, 196, 197 and other applicable provisions, if any, of the Companies Act, 2013.

Based on the recommendation of the Nomination & Remuneration Committee & the Board, the matter is recommended to the shareholders for their approval for change in designation of Mr. Ketineni Sayaji Rao from Managing Director to Executive Director cum Chairman of the company on such terms and conditions approved by the members in the AGM held on 28th September, 2018.

None of the Directors and/or Key Managerial personnel of the company and their relatives, except Mr. Ketineni Satish Rao, Ketineni Pratibha Rao and their relatives, are in any way concerned or interested in the proposed appointment of Mr. Ketineni Savaii Rao as Executive Director cum Chairman of the company.

The Directors recommend the aforesaid resolution for the approval by the member as **Special Resolution**.

ITEM NO.5

The Nomination & Remuneration Committee and Board of Directors in its respective meetings held on 14th February, 2020, after considering vast experience of Mr. Ketineni Satish Rao in the fields of finance, project financing, Manufacturing of Plastic Bottles, Jars and Caps, Banking Matters, general management and operational aspects of the company, has decided to avail the expertise of Mr. Ketineni Satish Rao on regular basis. Hence, the committee & the Board has proposed to appoint him as Managing Director of the company as well as the payment of salary, commission and perquisites (hereinafter referred to as "remuneration") of Rs. 325000 (Rupee Three Lac Twenty Five Thousands only) per month and on the same term and condition as approved by the members in the AGM held on 30th September, 2019

The appointment of Mr. Ketineni Satish Rao as such shall take effect from 14th February, 2020 and requires the approval of the Shareholders of the Company by way of Special Resolution passed in the General Meeting as per provisions of section 152, 196, 197 and other applicable provisions, if any, of the Companies Act, 2013.

Based on the recommendation of the Nomination & Remuneration Committee & the Board, the matter is recommended to the shareholders for their approval for change in designation of Mr. Ketineni Satish Rao from Whole Time Director to Managing Director of the company as well as the payment of salary, commission and perquisites (hereinafter referred to as "remuneration") of Rs. 325000 (Rupee Three Lac Twenty Five Thousands only) per month and on the same term and condition as approved by the members in the AGM held on 30th September, 2019

None of the Directors and/or Key Managerial personnel of the company and their relatives, except Mr. Ketineni Sayaji Rao, Ketineni Pratibha Rao and their relatives, are in any way concerned or interested in the proposed appointment of Mr. Ketineni Satish Rao as Managing Director of the company.

The Directors recommend the aforesaid resolution for the approval by the member as **Special Resolution**.

ITEM NO. 6

In terms of Section 149 (10), (11), (13) and Section 152 (6), (7) of the Companies Act, 2013 read with schedule IV of the said Act, an Independent Director shall hold office for not more than two consecutive terms of five years and the tenure of an independent Director on the date of commencement of this Act shall not be counted as a term under above mentioned sub sections. Furthermore the provisions relation to retirement by rotation shall not applicable to Independent Directors.

So to comply with relevant provision of Companies Act, 2013, all Independent Directors needs to be reappointed on non rotational basis and upto five year at a time.

In the opinion of the Board, Independent Directors of the Company fulfill the conditions for their appointment as an Independent Director as specified in the Act and the Listing Regulation. The Board also opined that they all possess appropriate skill, experience and Knowledge as required to occupy the position of an Independent Director.

The Board has also received declaration from the Independent Directors that he meets the Criteria of Independence as prescribed under section 149(6) read with schedule IV of the Companies Act, 2013 and as per applicable provisions of SEBI(Listing Obligations and Disclosure Requirements) Regulation, 2015.

The Board has also received declaration from the Independent Directors that he meets the Criteria of Independence as prescribed under Section 149(6) read with Schedule IV of the Companies Act, 2013 and as per applicable provisions of SEBI(Listing Obligations and Disclosure Requirements) Regulation, 2015.

The Board recommends the appointment of Independent Director Mr. Pratik Ajay Autade (DIN 07159762) from 30th December, 2020 To 29th September, 2025.

ITEM NO. 7

In terms of Section 149 (10), (11), (13) and Section 152 (6), (7) of the Companies Act, 2013 read with schedule IV of the said Act, an Independent Director shall hold office for not more than two consecutive terms of five years and the tenure of an independent Director on the date of commencement of this Act shall not be counted as a term under above mentioned sub sections. Furthermore the provisions relation to retirement by rotation shall not applicable to Independent Directors.

So to comply with relevant provision of Companies Act, 2013, all Independent Directors needs to be reappointed on non rotational basis and upto five year at a time.

In the opinion of the Board, Independent Directors of the Company fulfill the conditions for their appointment as an Independent Director as specified in the Act and the Listing Regulation. The Board also opined that they all possess appropriate skill, experience and Knowledge as required to occupy the position of an Independent Director.

Ketineni Sayaji Rao Chairman (DIN.: 01045817) Ketineni Satish Rao Managing Director DIN: 02435513

ANNEXURE A

Information regarding Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo pursuant to Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988 and forming part of Directors' Report.

A. CONSERVATION OF ENERGY

Energy conservation is a very important part of energy planning and its management. This not only saves energy resources for future but also avoids wasteful utilization of energy. Energy conservation initiatives provide solution to the energy crisis, environmental degradation and pollution.

New energy initiatives give greater reliance on non-exhaustible and non-conventional resources of energy in order to conserve exhaustible & conventional resources like coal, petroleum, natural gas etc. Another aspect of energy conservation is to give greater importance on reduction in consumption of energy.

This can be achieved by inculcating change in the individual habits and adoption of latest technology available in vogue. There is a growing gap between supply and demand of electrical power. Needless to say the use of fossil fuels is accompanied with severe and several environmental damages. Due to the liberalization measures of the Government of India, the industrial sector is rapidly growing, thus increasing the energy demand enormously.

In the short run, the only solution to the growing energy deficit is to facilitate good energy saving measures through conservation of power, fuel and water. As industries are the major gutters/ consumers of these resources, the onus should lie on the industrial sector to limit & minimize its demand for energy. The need of the hour is to conserve and preserve the energy resources for future of the mankind.

Your Company is not covered in the Schedule of Industries under rule 2 of the Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988, requiring furnishing of information relating to conservation of energy. However realizing its importance, the Company has launched a concerted drive for conserving energy. Replacement of worn out wires, control of idle running of engines, and plugging of leakage were some of the measures taken. Besides the measures already taken, efforts are continuing to examine and implement fresh proposals for further conservation of energy. Positive impact of measures already taken has been observed on the costs.

B. TECHNOLOGY ABSORPTION

- a) Company has indigenously developed moulds thereby saving precious foreign exchange.
- b) The technology imported from Japanese and French Collaborators has been well absorbed by the Company and is being updated on a regular basis by keeping abreast of the latest developments in the field.

C. FOREIGN EXCHANGE EARNINGS AND OUTGO

The Company has not earned any income in foreign exchange nor incurred any expenditure in foreign currency during the year under review.

ANNEXURE - E

Form No. MR-3 Secretarial Audit Report

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

FOR THE FINANCIAL YEAR ENDED31st March, 2020

To, The Members, INNOVATIVE TECH PACK LIMITED PLOT N0-51, ROZKA MEO INDUSTRIAL ESTATE, SOHNA GURGAON, HARYANA-122103

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **INNOVATIVE TECH PACK LIMITED** (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Opinion

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on March 31, 2020 and made available to me, according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the Rules made thereunder, as applicable;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment and External Commercial Borrowing.
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (SEBI Act):-
 - The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011:
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014
 - e. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

I have also examined compliance with the applicable clauses of the following:

- i. The Secretarial Standards issued by the Institute of Company Secretaries of India.
- ii. Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

I report that, during the period under audit and review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above.

I further report that, there were no events / actions in pursuance of:

- a) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- b) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- c) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998, requiring compliance thereof by the Company during the financial year.

I further report that, based on the information provided and the representation made by the Company and also on the review of the compliance reports of Company Secretary / Chief Executive Officer taken on record by the Board of Directors of the Company, in my opinion, adequate systems and processes exist in the Company to monitor and ensure compliance with provisions of applicable general laws like Labour laws and Environmental laws.

I further report that;

- The compliance by the Company of applicable financial laws like direct and indirect tax laws and maintenance of
 financial records and books of accounts has not been reviewed in this Audit since the same have been subject to
 review by statutory financial audit and other designated professionals.
- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- 3. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent with in prescribed limit, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the company has not made any major changes in the following events/actions in pursuance of the below law, rules, regulations and guidelines.

- i. Public/Right/Preferential issue of shares / debentures/sweat equity, etc.
- ii. Redemption / buy-back of securities
- iii. Merger / amalgamation / reconstruction, etc.
- iv. Foreign technical collaborations

REMUNERATION POLICY

1. PREAMBLE

This Policy is in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and Regulation 19 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015. This Policy has been approved by the Board of Directors on the recommendation of Nomination and Remuneration Committee of the Company.

2. OBJECTIVE

The Policy relates to designing the remuneration for the Directors, Key Managerial Personnel (KMP), Senior Management Personnel (SMP) and other employees of the Company.

3. **DEFINITIONS**

- a) "Board":-Board means Board of Directors of the Company.
- b) "Director":-Directors means Directors of the Company.
- "Committee":-Committee means Nomination and Remuneration Committee of the Company as constituted or reconstituted by the Board, from time to time.
- d) "Company":- Company means Innovative Tech Pack Limited.
- e) "Independent Director":- As provided under Regulation 16 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 and/or under the Companies Act, 2013 and relevant rules thereto.
- f) "Key Managerial Personnel":- Key Managerial Personnel (KMP) means-
 - (i) the Chairman and Managing Director;
 - (ii) the Company Secretary;
 - (iii) the Chief Financial Officer; and
 - (iv) such other officer as may be prescribed under the applicable statutory provisions / regulations and / or approved by Board from time to time.
- g) "Senior Management Personnel":- shall mean the personnel of the Company who are members of its Core Management team, excluding the Board of Directors, comprising all members of management that are one level below the Executive Directors, including the functional heads.

Unless the context otherwise requires, words and expressions used in this policy and not defined herein but defined in the Companies Act, 2013 as may be amended from time to shall have the meaning respectively assigned to them therein.

4. KEY PRINCIPLES

The following principles guide the design of remuneration under this Policy:

- Attract, retain and motivate the right talent, including the directors, KMP and employees, required to meet the goals of the Company.
- (ii) Remuneration to the Directors, KMPs, and SMPs is aligned with the short term and long term goals and performance of the Company.

- (iii) Promote the culture of meritocracy, performance and accountability. Give appropriate weightage to individual and overall Company's performance.
- (iv) Reflect market trends and practices, competitive positions to attract the required talent.

5 APPOINTMENT CRITERIA AND QUALIFICATIONS

- (i) The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend to the Board his / her appointment.
- (ii) A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment.

The Committee has discretion to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory for the concerned position.

6. REMUNERATION PAID TO MANAGING DIRECTOR(S) / WHOLE-TIME DIRECTOR(S)

- (i) The Remuneration to Executive Directors will be approved by the Board of Directors based on the recommendations of the Committee, subject to the approval of shareholders and such other authorities as may be applicable. The concerned Executive Director will not participate in such discussions of the Board/ Committee.
- (ii) The compliance of the relevant provisions of the Companies Act, 2013 and Listing Agreement with Stock Exchanges regarding the limits of remuneration will be ensured.
- (iii) The remuneration will include the following components:

a) Basic Salary

- Provides for a fixed, per month, base level remuneration to reflect the scale and dynamics of business to be competitive in the external market.
- subject to such annual increment as per the recommendations of the Committee and the approval of the Board of Directors.

b) Commission / Variable Component

Commission/Variable Component, if any, as per the recommendations of the Committee and the approval
of the Board of Directors in addition to the Basic Salary, Perquisites and any other Allowances, benefits
and amenities.

c) Perquisites and Allowances

- Perquisites and Allowances commensurate to the position of Executive Directors, as per the recommendations of the Committee and the approval of the Board of Directors.
- d) Contribution to Provident, Superannuation fund and Gratuity payments. In the event, the remuneration and commission/variable component, if any, payable to Managing Director/ Whole- Time Director exceed the limits laid down under Section 197 and 198 read with Schedule V of the Companies Act, 2013, the same shall be subject to approval of Central Govt. & other statutory authorities as prescribed under Companies Act, 2013.

7. REMUNERATION PAID TO NON-EXECUTIVE AND INDEPENDENT DIRECTORS

The Non-Executive and Independent Directors would be paid remuneration by way of sitting fees for attending meetings of Board or Committee thereof and profit related commission as may be recommended by the Committee and approved by the Board of Directors and Shareholders of the Company. The amount of such fees and commissions shall be subject to ceiling/ limits as provided under the Companies Act, 2013 and rules made there under or any other enactment for the time being in force.

8. KEY MANAGERIAL PERSONNEL (KMP) / SENIOR MANAGEMENT PERSONNEL /OTHER OFFICERS & STAFF

The Remuneration to be paid to KMP's/ Senior Management Personnel /other of officers & staff is based on the role and responsibilities in the Company, the experience, qualification, skills and competencies of the related personnel / employees, the market trends, practices and benchmarks. The positioning strategy is to see that the compensation provides adequate opportunity to attract the required talent and retain the same to be able to meet the requirements of the job and business.

The remuneration is subject to review on the basis of individual & business performance and inflation/market trends. The performance of employees is reviewed based on competency assessment and key results delivered. The performance assessment, more specifically, is used as an input to determine merit/special increments, performance bonus, rewards, incentives (short term and long term) and other recognitions/ promotions. The objective is to ensure that the compensation engage the employees to give their best performance.

9. EVALUATION

The Committee shall carry out evaluation of performance of every Director, KMP and Senior Management Personnel at regular interval.

10. RETIREMENT

The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Companies Act, 2013 and the prevailing policy of the Company. The Board and / or Committee will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position / remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

11. WORKMEN COMPENSATION

Workmen are paid wages in accordance to the settlement with the recognized union of the workers, as applicable. Where there is no union, workmen wages are as per the best industry practice and applicable law. All remuneration components will be in accordance with applicable statutory compliances.

12. DIRECTORS' AND OFFICERS' INSURANCE

Where any insurance is taken by the Company on behalf of its Directors, KMPs/ Senior Management Personnel etc. for indemnifying them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel.

13. AMENDMENTS

Notwithstanding the above, the applicable provisions and amendments, if any, under the Companies Act, 2013 and/ or SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 in respect of this Policy and related matters shall be implemented by the Company. The Committee may recommend amendments to this Policy from time to time as it deems appropriate.

14. DISCLOSURE

The Policy shall be disclosed as required by the Companies Act, 2013 read along with the applicable rules thereto and SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS

(Pursuant to Regulation 34(3) and Schedule V Para C clause (10) (i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

To, The Members of Innovative Tech Pack Limited, Plot No-51, ROZKA MCO Industrial Estate, Sohna,Gurgaon-122103, Haryana

We have examined the relevant registers, records, forms, returns and disclosures received from the Directors of Innovative Tech Park Limited having CIN:L74999HR1989PLC032412and having registered office at Plot No-51, ROZKA MCO Industrial Estate, Sohna, Gurgaon-122103, Haryana(hereinafter referred to as 'the Company'), produced before us by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub clause 10 (i) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

CORPORATE GOVERNANCE REPORT

1. CORPORATE GOVERNANCE PHILOSOPHY

Corporate Governance is about credibility, transparency and accountability of the Board and Management towards shareholders and other investors of the Company. We believe in a Board of appropriate size, composition and commitment to adequately discharge its responsibilities and duties. We consistently review on a periodical basis all systems, policies and delegations so as to establish adequate and sound systems of risk management and internal control.

Corporate Governance is founded upon a rich legacy of fair, ethical and transparent governance practices, many of which were practiced by the ITPL Group as a whole. Our Corporate Governance Policy has been based on professionalism, honesty, integrity and ethical behavior.

Through the Governance mechanism in the Company, the Board along with its Committees undertake its fiduciary responsibilities to all its stakeholders by ensuring transparency, fairplay and independence in its decision making.

The Corporate Governance philosophy is further strengthened with the adherence to Total Quality Management as a mean to drive excellence and articulating the Company's values and ethics with a Code of Conduct. Given below is a brief report for the year April 01, 2019 to March 31, 2020 on the practices followed at Innovative Tech Pack Limited towards achievement of good Corporate Governance:

2. BOARD OF DIRECTORS

(A) Composition of the Board

As on March 31, 2020, the Board comprised of Seven (7) directors, namely, Mr. Ketineni Sayaji Rao, Chairman cum Director, Ketineni Satish Rao, Managing Director, Mr. Pradeep Kumar Jain, Ms. Ketineni Pratibha Rao, Mr. Pratik Ajay Autade, Ms. Nidhi Dwarakanath and Mr. Damodar Bhanwarilal Chhaparwal. The Board of Directors of the Company consists of appropriate number of Non-Executive Directors, Independent Directors and Executive Director(s) in conformity with the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

3	Mr. Pradeep Kumar Jain	10	10
4	Ms. Rekha Jain*	10	7
5	Mr. Akshay Jain**	10	7
6	Ms. Pratibha Rao Ketineni	10	10
7	Mr. Ketineni Chandra Shekar Rao	10	7
8	Mr. Damodar Bhanwarilal Chhaparwal	10	10
9	Ms. Nidhi Dwarakanath***	10	1
10	Mr. Pratik Ajay Autade****	10	1

^{*}Resigned on 14.02.2020

(C) Code of Conduct

The Company's Board has laid down a code of conduct for all the Board Members and Senior Management of the Company, which has been provided, to all concerned executives. The Code of Conduct is available on the website of the Company. All Board members and designated Senior Management Personnel have affirmed compliance with the Code of Conduct. A declaration signed by the Managing Director to this effect is enclosed as Annexure G and forms part of this report.

(D) Important items discussed at the Board Meetings

The Board of the Company is provided with detailed notes along with the agenda papers in advance in respect of various items discussed in the Board meetings including:

- 1. Annual Business Plan including financial and operational plan.
- 2. Capital budgets and updates
- 3. Quarterly financial results/Annual financial statements.
- 4. Review of operation of units.
- 5. Investment proposals.
- 6. Quarterly statutory compliance report.
- 7. Minutes of meetings of audit committee and other committees of the board.
- 8. Investor Complaints on the quarterly basis.
- 9. Show cause, demand, prosecution notices and penalty notices, which are materially important.

3. AUDIT COMMITTEE

The Audit Committee of the Company consists of Mr. Pradeep Kumar Jain, Chairman, Mr. Pratik Ajay Autade and Mr. Ketineni Satish Rao as members. The Board of Directors of your Company has revised its terms of reference to make it in line with the requirements of Section 177 of the Companies Act, 2013 and as per Regulation 18 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.

All the members of Audit Committee are independent directors except Mr. Ketineni Satish Rao, who is Whole Time

^{**}Resigned on 14.02.2020

^{***}Appointment on 14.02.2020

^{****}Appointment on 14.02.2020

Director of the Company.

The terms of reference of the Audit Committee cover all areas mentioned under regulation 18 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 and Section 177 of the Companies Act, 2013. The broad terms of reference of the Audit Committee, as on March 31, 2020, include, inter-alia, systematic review of accounting policies & practices, financial reporting process, adequacy of internal control systems and internal audit function, quarterly/half-yearly financial statements. It also recommends appointment of Statutory Auditors, Internal Auditors, Secretarial Auditors and fixation of their audit fees.

Representatives of Statutory Auditors attend the Audit Committee Meetings on invitation.

During the year April 01, 2019 to March 31, 2020, Four (4) Audit Committee meetings have taken place on May 30, 2019, August 14, 2019, November 14, 2019, and February 14, 2020.

The attendance of each director at these meetings was as under:

S.No.	Name	No. of meeting during the year	No. of meeting attended
1	Pradeep Kumar Jain	4	4
2	Rekha Jain*	4	4
3	Ketineni Satish Rao	4	4
4	Pratik Ajay Autade**	4	0

^{*}Resignation on 14.02.2020

The composition and terms of reference of the Audit Committee are inconformity with the Listing Agreement and the Companies Act, 2013.

The minutes of the meetings of the Audit Committee are placed before the Board for its information.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The global PET bottle market reached a volume of more than 17 Million Tons in 2020, registering a CAGR of more than 2.3% during 2013-2020. The market is further projected to reach a volume of nearly 19 Million Tons by 2024, at a CAGR of nearly 2.1% during 2019-2024. Polyethylene terephthalate (PET) refers to a thermoplastic polymer resin of the polyester family which is widely used for manufacturing plastic bottles. In comparison with PP, HDPE and PVC bottles, PET bottles are more durable, transparent, lightweight, non-reactive, cost-effective and thermally stable. Moreover, they are environment-friendly and can be recycled repeatedly which further reduces their manufacturing cost. Primarily used in the packaging of drinking water and beverages, PET bottles are also gaining prominence as a packaging solution for salad dressings, household cleaners, medicines, dish detergents and mouthwashes

Plastic is used heavily for packaging owing to its innovative visual appeal for customer attraction and convenience. The growth in lifestyle and consumption patterns has increased the demand for the packaged products resulting in growth packaging industry.

Future Outlook and Strategies

The beauty of our country lies in its democracy and the tremendous opportunities that it brings. Your Company has a very clear vision and strategic plan to capture the latest happenings and trends in the industry and align with them to gain maximum advantage from it. On one hand where democracy brings opportunities, it also induces fiercely heavy competition, and your Company is not exclusion of it. The very unstable economy brings huge amount of foreign exchange fluctuation and volatility in Raw Material Prices, which are capable of eroding away the major stack of profits of the Company. Add to this is the extreme misery of having un-skilled manpower. These threats are being carefully examined and solutions are being derived thereof. Centralized operations, implementation of ERP systems and training and development of personnel are being continuously undertaken to make sure that your company stays ahead of the curve and is able to wad of such threats

Threats

- 1. Competition resulting in price cutting and consequently reduction of margins.
- 2. Hike in US \$ rate and prices of petroleum products has resulted in upsurge in prices of PET/PP.

Hence PET bottles/Jars companies have to focus on cost reduction strategies/ economic of scale and bring efficacies so that in manufacturer of PET bottles/Jars continues to remain as best option.

Human Resource Development/Industrial Relations:

Human Resources are considered to be a form of capital and wealth of the Company. The growth of the Company and improvement in the systems has been sustained by the active involvement of the employees with the Management. It has been the focus of the management to improve and expand the contribution of its human resources towards attainment of organizational goals and values. The technical expertise of the Management has been shared with the employees at the works, which keeps them motivated to meet and surpass the set targets.

CERTIFICATE OF CHIEF FINANCIAL OFFICER

To, The Board of Directors, Innovative Tech Pack Limited.

I, Sanjay Saigal, Chief Financial Officer of Innovative Tech Pack Limited, on the basis of the review of the financial statements and cash flow statement for the year ended 31st March 2020 and to the best of my knowledge and belief, hereby certify that:

These statements do not contain any materially untrue statements or omits any material fact or contain statements that might be misleading.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MEMBERS OF INNOVATIVE TECH PACK LIMITED

Report on the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying Standalone Ind AS Financial Statements of Innovative Tech Pack Limited ("the Company") which comprises the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Ind AS Financial Statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the **Profit**(financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Auditfor the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Ind AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate toprovide a basis for ouropinion.

Emphasis of Matter

a) With respect to Trade Receivables:

We draw attention to **Note 9(i)(a)** and **Note10(b)**of standalone financial statements which describes that, the Company has Debtors outstanding amounting Rs. 2109.15 Lakhs, out of which debtors amounting Rs. 141.20 lakhs are under litigation in NCLT. Further, out of Advances amounting Rs. 816.86 Lakhs, Advances amounting Rs. 651.47 lakhs are under litigation in NCLT. The Management is confident to recover all balances based on legal opinion. Accordingly, no provision has been made.

b) With respect to statutory dues:

We draw attention to **Note 21(a)** and **Note 10(b)** of standalone financial statements which describes that, the Company has **not** provided Goods & Services Tax liability for **Discount received from Supplier amounting to Rs 2,34,56,532**as per Industry Practices.

c) With respect to Employees Benefits:

We draw attention to **Note 14(a)**of standalone financial statements which describes that, the company has not provided any additional liability for Gratuity & Leave Encashment as applicable financial reporting framework suggests Actuarial valuation at regular intervals which is taken as 3 years by the management.

d) Discontinuance off Business Unit:

We draw attention to **Note 39**of standalone financial statements which describes that, *Impact of Discontinued Operations as per IND AS 105 has not been assessed and accounted for in current financial year.*

e) We draw attention to **Note 48** of standalone financial statements which describes that, *due to pending Balance confirmations, the balances of certain parties of trade receivables and trade payables are subject to reconciliation and review.*

- f) We draw attention to Note 23(a)of standalone financial statements which describes that, the individual wage payment of Contract Workers made by the company is above the limits specified in the respective laws governing Provident Fund (PF) and Employee State Insurance (ESI) and accordingly, no prima facie liability to pay PF & ESI arises on the company. Further on workers requests, the company pays wages in cash. All relevant process for due control has been exercised.
- g) We draw attention to Note 16(iii) and Note 26 of standalone financial statements which describes that, the Company has written back the unsecured Loan of Rs 133.62 Lakhs and Creditors of Rs. 56.08 Lakhs, after due approval of the audit committee and Board of directors. These payables are barred by limitation of time; hence no confirmation or response is required.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financials statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

Kev	Διι	dit	Ma	tter

Taxation matters (GST)

The company operates across a large number of GST jurisdictions and has multiple GST registrations. The company has decentralized accounting across the plants in the normal course of business.

The volume of transactions is very huge and significant. This together with multiple tax rates and exemptions make the process of reconciliation of data as per GST Returns with financial records very complex.

Proper accounting of GST is significant as it's the statutory reporting obligation of the Company.

Accounting, presentation, and disclosure of Leases as per Ind AS 116:

Leases (Refer to the accompanying Note 3(a)(vi) and Note 35 forming integral part of the standalone financial statements)

The Company has adopted the Ind AS 116-"Leases" effective from April 1, 2019. The application and transition to this accounting standard is complex and is an area of focus in our audit since the Company has a large number of leases with different contractual terms.

Ind AS 116 introduces a new lease accounting model, wherein lessees are required to recognize in the balance sheet a right-of-use (ROU) asset and a lease liability arising from a lease.

The lease liabilities are initially measured by discounting future lease payments during the lease term as per the contract/ arrangement. Adoption of the standard involves significant judgements and estimates including, determination of the discount rates and the lease term. Additionally, the standard mandates detailed disclosures in respect of such transition.

Auditor Response

Our audit procedures include the following substantive procedures:

- Evaluated the design and implementation of controls in respect of recording of proper GST input & liabilities in the books of accounts on the test check basis.
- Reviewed the reconciliations of financial statements and returns filed by the Company as required by GST Act at the Plant level as well as the Company as a whole.
- Assessed the appropriateness of recording of Input tax credit as well as output liability by verification of different transactions on test check basis.

Our procedure in relation to appropriateness of judgements, accounting, presentation, and disclosure of leases on adoption of Ind AS 116 include:

a) Substantive testing:

- Assessed the Company's evaluation on the identification of leases based on its contractual agreement with the lessor(s);
- Evaluated the reasonableness of the discount rates applied in determining the lease liabilities;
- Upon transition as at 1 April 2019:
 - Evaluated the method of transition and related adjustments;
 - Tested completeness of the lease data by reconciling the Company's operating lease commitments to data used in computing ROU asset and the lease liabilities.
- On a statistical sample, we performed the following procedures:

Key Audit Matter	Auditor Response				
	 assessed the key terms and conditions of each lease with the underlying lease contracts; and 				
	 evaluated computation of lease liabilities and challenged the key estimates such as, discount rates and the lease term. 				
	 Assessed and tested the presentation a disclosures relating to Ind AS 116 includi disclosures relating to transition. 				
	b) Controls testing: Wherever appropriate, our substantive work was supplemented by controls testing work which encompassed understanding, evaluating, and testing key controls in respect of lease agreements including its terms and conditions.				
	Our procedures as mentioned above did not identify any findings that are significant for the financial statements as whole in respect of accounting, presentation, and disclosure of Leases on adoption of Ind AS 116.				

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Board Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind As financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) and accounting principles generally accepted in India, specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so

Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Standalone Ind AS Financial Statement

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
 is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement
 resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional
 omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for
 expressing our opinion on whether the company has adequate internal financial controls system in place and the
 operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including
 the disclosures, and whether the Standalone Ind AS Financial Statements represent the underlying transactions and
 events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

Due to the outbreak of COVID-19 pandemic, the consequent nationwide lockdown commencing from March 23, 2020 onwards, we could not visit and carry out the audit processes physically at the Company's premises. Further, the advisory on "Specific Considerations while conducting Distance Audit/ Remote Audit under current Covid-19 situation" issued by the Auditing and Assurance Standards Board of ICAI, give guidelines for the statutory audit via making arrangements to provide requisite documents/information through electronic medium and minimal physical movement. The entire audit has been carried considering these guidelines and alternative audit procedures as per SAs prescribed by the ICAI. Moreover, our attendance at the physical verification of inventory done by the management was impracticable under these lockdown restrictions imposed by the government and we have therefore, relied on the related alternate audit procedures to obtain comfort over the existence and condition of inventory at year end. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report that:
 - a) Except for the matters described in the Basis for Qualified Opinion paragraphs above, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of ouraudit.
 - Except for the matters described in the Basis for Qualified Opinion paragraphs above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The standalone balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraphs above, in our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of theAct.
 - e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of theAct.
 - f) With respect to the adequacy of the Internal Financial Control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given tous:
 - i) The Company does not have any pending litigations which would impact its financial position except for those disclosed under Note No.9(i)(a) and Note 10(b)of the accompanying Financial Statements.
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company
- 3. With respect to the other matters to be included in the Auditor's report in accordance with the requirements of section 197 (16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.

TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Innovative Tech Pack Limited on the standalone financial statements for the year ended March 31st, 2020]

- (i) (a) The Company has not maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) During the year, fixed assets have not been physically verified by the management. Hence, discrepancies if any cannot be ascertained.
 - (c) The title deeds of immovable properties recorded in the books of account of the Company are held in the name of the Company.
- (ii) The inventory for Guwahati & Rudrpur has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. As informed, material discrepancies noticed in F.Y 2019-20 on physical verification carried out during the year haves been properly dealt with in the books of account. In addition, physical verification of other units could not be undertaken due to widespread of pandemic COVID-19.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraph 3 (iii)(a), 3 (iii)(b) and 3 (iii)(c) of the Order are not applicable to the Company.
- (iv) According to the information and explanation given to us in respect of loans, investments, guarantees and securities, the Company has complied with the provisions of Section 185 and 186 of the Act.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the provisions of Sections 73 to 76 of the Act and the rules framed there under whereas, Advances amounting to Rs 266.180 are standing for more than 365 days.
- (vi) We have broadly reviewed the books of account maintained by the Company in respect of products where the maintenance of cost records has been specified by the Central Government under sub-section (1) of Section 148 of the Act and the rules framed there under and we are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- (vii) (a) The Company is generally regular in depositing with appropriate authorities, undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, value added tax, customs duty, excise duty, cess and any other material statutory dues applicable to it, however, there have been slight delay in few cases / delays in deposit have not been serious.

According to the information and explanations given to us, undisputed dues in respect of provident fund, employees' state insurance, income tax, sales tax, service tax, value added tax, customs duty, excise duty, cess and any other material statutory dues applicable to it, which were outstanding, at the year-end for a period of more than six months from the date they became payable are as follows:

Name of the statute	Nature of the dues	Amount	Pertains to Period
Income Tax Act TDS Demand		4,34,944	F.Y 2007-08 to 2012-13
Income Tax Act	TDS Demand	9,880	F.Y 2016-17
Income Tax Act	TDS Demand	1,404	F.Y 2017-18
Income Tax Act TDS Demand		9881	F.Y 2018-19
Income Tax Act	TDS Demand	17,257	F.Y 2019-20
Income Tax Act	Income Tax	6,520	A.Y 2018-19
Income Tax Act	TCS	100	F.Y 2018-19
GST Act, 2017	GST	109,281	F.Y 2018-19
Professional Tax	Professional Tax	43,688	F.Y 2019-20

- (b) According to the information and explanation given to us, there are no dues with respect to income tax, sales tax, service tax, value added tax, customs duty, excise duty, which have not been deposited on account of any dispute.
- (viii) According to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to financial institution(s), bank(s), government(s).
- (ix) In our opinion and according to the information and explanations given to us, the Company has utilized the money raised by way of initial public issue offer / further public offer (including debt instruments) and the term loans during the year for the purposes for which they were raised.
- (x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or any fraud on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such instance by the management.
- (xi) According to the information and explanations given to us, managerial remuneration has been paid / provided in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.
- (xiii) According to the information and explanation given to us, all transactions entered into by the Company with the related parties are in compliance with Sections 177 and 188 of Act, where applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards.
- (xiv) The Company has not made any preferential allotment or private placement of shares or partly convertible debentures during the year. Hence, provisions of Section 42 of the Act are not applicable.
- (xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him.
- (xvi) According to the information and explanation given to us the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Place: New Delhi

INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Innovative Tech Pack Limited on the financial statements for the year ended 31st March, 2020)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub Section 3 of Section 143 of the Companies Act, 2013 ("the Act") to the members of Innovative Tech Pack Limited

We have audited the internal financial controls over financial reporting of Innovative Tech Pack Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by

the Institute of Chartered Accountants of India("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under section 143(10) of the Actto the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financialreporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provideReasonableassurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;(2)provide reasonable assurance that transactions are recorded as necessary to permit preparationof financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Due to inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financialcontrols system over financial reporting and such internal financial controls over financialreporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH. 2020

Overview and Significant Accounting Policies

1. CORPORATE OVERVIEW

Innovative Tech Pack Limed (referred to as "ITPL", "The company hereinafter") is a listed entity incorporated in India. The registered office of the company is located at Plot No. 51, Roz-Ka-Meo, Industrial Area Sohna, Mewat, Haryana - 122103.

The Company is engaged in the business of Manufacturing & Reselling of Plastic Bottles, Jars, Containers, and Pre-forms & its Caps.

2. SIGNIFICANT ACCOUNTING POLICIES

Statement of compliance

Standalone Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013.

Accordingly, the Company has prepared these Standalone Financial Statements which comprise the Balance Sheet as at 31 March, 2020, the Statement of Profit and Loss for the year ended 31 March 2020, the Statement of Cash Flows for the year ended 31 March 2020 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'Standalone Financial Statements' or 'financial statements').

These financial statements are approved for issue by the Board of Directors on 31.07.2020.

a) Basis of preparation of financial statements

The financial statements are prepared in accordance with Indian Accounting Standards (IND AS), including the rules on going concern basis using historical cost convention on the accrual basis as per provisions of Companies Act, 2013 ("the Act"), except for certain items that are measured at fair values, as explained in the accounting policies.

Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle
- It is held primarily for the purpose of being traded;
- It is expected to be realised within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- · All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- It is expected to be settled in the Company's normal operating cycle;
- It is held primarily for the purpose of being traded
- It is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.
- All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current only

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) Use of Estimates & Judgements

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

c) Fair Value Measurement

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102 – Share-based Payment, leasing transactions that are within the scope of Ind AS 116 – Leases, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 – Inventories or value in use in Ind AS 36 – Impairment of Assets.

d) Functional and Presentation Currency

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency. All financial information presented in Rupees has been rounded to the nearest lakhs with two decimals.

e). Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

3. ACCOUNTING POLICIES

The Company has applied following accounting policies to all periods presented in the Ind AS Financial statement.

a) Revenue Recognition

Effective April 1, 2018, the Company has applied Ind AS 115: Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised.

Revenue from sale of goods is recognised when control of the products being sold is transferred to our customer and when there are no longer any unfulfilled obligations.

The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Accumulated experience is used to estimate the provision for such discounts and rebates. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.

Our customers have the contractual right to return goods only when authorised by the company. An estimate is made of goods that will be returned and a liability is recognised for this amount using a best estimate based on accumulated experience.

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

b Property, Plant and Equipment – Tangible Assets

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognised as at 1st April, 2016 measured as per the previous GAAP.

Cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalised.

Expenses capitalised also include applicable borrowing costs for qualifying assets, if any in accordance with Ind AS - 23 Borrowing Costs. All upgradation/enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits. An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of asset.

Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

Company has adpoted the policy of maintaining 5% of cost of asset as residual value.

c) Capital work in progress

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed. Revenue generated from production during the trial period is credited to capital work in progress.

d) Intangible Assets

Intangible Assets that the Company controls and from which it expects future economic benefits are capitalised upon acquisition and measured initially.

For separately acquired assets, at cost comprising the purchase price (including import duties and nonrefundable taxes) and directly attributable costs to prepare the asset for its intended use.

Internally generated assets for which the cost is clearly identifiable are capitalised at cost. Research expenditure is recognised as an expense when it is incurred. Development costs are capitalised only after the technical and commercial feasibility of the asset for sale or use has been established.

Thereafter, all directly attributable expenditure incurred to prepare the asset for its intended use are recognised as the cost of such assets. Internally generated brands, websites and customer lists are not recognised as intangible assets.

The carrying value of intangible assets includes deemed cost which represents the carrying value of intangible assets recognised as at 1st April, 2016 measured as per the Previous GAAP.

The useful life of an intangible asset is considered finite where the rights to such assets are limited to a specified period of time by contract or law (e.g., patents, licenses, trademarks, franchise and servicing rights) or the likelihood of technical, technological obsolescence (e.g., computer software, design, prototypes) or commercial obsolescence (e.g., lesser known brands are those to which adequate marketing support may not be provided). If, there are no such limitations, the useful life is taken to be indefinite.

Intangible assets that have finite lives are amortized over their estimated useful lives by the written down value method unless it is practical to reliably determine the pattern of benefits arising from the asset. An intangible asset with an indefinite useful life is not amortized.

All intangible assets are tested for impairment. Amortization expenses and impairment losses and reversal of impairment losses are taken to the Statement of Profit and Loss. Thus, after initial recognition, an intangible asset is carried at its cost less accumulated amortization and / or impairment losses.

The useful lives of intangible assets are reviewed annually to determine if a reset of such useful life is required for assets with finite lives and to confirm that business circumstances continue to support an indefinite useful life assessment for assets so classified. Based on such review, the useful life may change or the useful life assessment may change from indefinite to finite. The impact of such changes is accounted for as a change in accounting estimate.

e). Impairment of Non-Financial Assets

Impairment loss, if any, is provided to the extent, the carrying amount of assets or cash generating units exceed their recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life.

Impairment losses recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. Such reversals are recognised as an increase in carrying amounts of assets to the extent that it does not exceed the carrying amounts that would have been determined (net of amortization or depreciation) had no impairment loss been recognised in previous year.

f) Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Assets in the course of development or construction and freehold land are not depreciated.

Depreciation is provided on pro-rata basis on written down value method over the estimated useful life of the assets as provided in schedule II of the Companies Act 2013, except for following assets where useful taken is different from schedule II based on internal assessment and technical evaluations, nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Head	Life (In Years)
Factory Buildings	29 Years
Plant, Machinery & Moulds	18 Years
Intangibles including Softwares	3 Years

Leasehold Improvements are depreciated on straight line basis over the period of 10 years without maintaining any residual value.

Company is operating its plant on 3 shifts basis whereas assets are depreciated on single shift basis.

g) Inventories

	Classifications	Valuation method and Cost formula
A.	Finished Products	Lower of cost or net realizable value
B.	Raw material	At cost
		Cost is ascertained on FIFO basis.
C.	Stores and spare parts	At cost. Cost is ascertained on FIFO basis
D.	Recyclable waste	Lower of cost (after recycling) or net realizable value.
		Cost is ascertained on FIFO basis.
E.	Packing material and fuel	At cost. Cost is ascertained on FIFO basis.
F.	Goods in transit	Finished Goods – Lower of cost or net realizable value.
		Raw material spares – At cost. Cost is ascertained on FIFO basis.

Cost includes purchase cost, cost of conversion and other cost incurred in bringing the inventories to their present location and conditions (Inclusive of VAT/ Excise/ GST and other taxes, wherever not recoverable). Net realizable value is the estimated selling price less the estimated costs necessary to make the sale.

h). Investment in Subsidiaries, Associates and Joint Ventures

The investments in subsidiaries, associates and joint ventures are carried in these financial statements at historical 'cost', except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for as Non-current assets held for sale and discontinued operations. Where the carrying amount of an investment in greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

i) Financial Instruments, Financial Assets and Financial Liabilities

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through Statement of Profit and Loss (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognised immediately in Statement of Profit and Loss.

Financial Assets

Recognition: Financial assets include Investments, Trade receivables, Advances, Security Deposits, Cash and cash equivalents. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

Classification: Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

- (a) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- (b) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- (c) fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Trade receivables, Advances, Security Deposits, Cash and cash equivalents etc. are classified for measurement at amortised cost while investments may fall under any of the aforesaid classes. However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

Impairment: The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognized if the credit quality of the financial asset has deteriorated significantly since initial recognition.

The company uses simplified approach to determine impairment loss or allowance on portfolio of its trade receivables. Application of simplified approach does not require the company to track changes in credit risk rather it recognize impairment loss based on life time ECL at each reporting date right from its initial recognition. ECL is based on historically observe default rate over the expected life of the trade receivable and is adjusted for forward looking estimates.

Reclassification: When and only when the business model is changed, the Company shall reclassify all affected financial assets prospectively from the reclassification date as subsequently measured at amortised cost, fair value through other comprehensive income, fair value through profit or loss without restating the previously recognised gains, losses or interest and in terms of the reclassification principles laid down in the Ind AS relating to Financial Instruments.

Equity Investments: All equity investment in scope of Ind AS 109 is measured at fair value. Equity instruments which are held for trading and contingent recognized by an acquirer combination to which Ind AS103 applies are reclassified as at FVTPL. There are no such investments in the company.

De-recognition: Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership.

Concomitantly, if the asset is one that is measured at:

- (a) amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;
- (b) fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

Income Recognition:

Interest income is recognised in the Statement of Profit and Loss using the effective interest method. Dividend income is recognised in the Statement of Profit and Loss when the right to receive dividend is established.

Financial Liabilities and Equity Instruments

Classification as Debt or Equity

Debt and equity instruments issued by a company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of directly attributable transaction costs.

Financial Liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption / settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

i). Dividend Distribution

Dividends paid (including income tax thereon) is recognized in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders.

k) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

I) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

m) Taxation

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid

to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Unrecognized deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

n) Employee Benefits

Employee benefits include salaries, wages, contribution to provident fund, gratuity, leave encashment towards un-availed leave, compensated absences, post-retirement medical benefits and other terminal benefits.

Short Term Employee Benefits

All employee benefits payable wholly within twelve months of rendering services are classified as short term employee benefits. Benefits such as salaries, wages, expected cost of bonus, ex-gratia, leave travel allowance, medical reimbursement, etc. are recognised in the period in which the employee renders the related services.

Post Employment Benefits

Defined Contribution Plans

Employee Benefit under defined contribution plans comprises of Contributory provident fund, Post Retirement benefit scheme, Employee pension scheme, composite social security scheme etc. is recognized based on the undiscounted amount of obligations of the Company to contribute to the plan. The same is paid to a fund administered through a separate trust.

Defined Benefit Plan

Defined benefit plans comprising of gratuity, post-retirement medical benefits and other terminal benefits, are

recognized based on the present value of defined benefit obligations which is computed using the projected unit credit method, with actuarial valuations being carried out at regular intervals of 3 years. These are accounted either as current employee cost or included in cost of assets as permitted.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Measurement of Other Long Term Employee Benefits & Short Term Employee Benefits

Other long-term employee benefit comprises of leave encashment towards unavailed leave and compensated absences, these are recognized based on the present value of defined obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at regular intervals. These are accounted either as current employee cost or included in cost of assets as permitted.

Remeasurements of leave encashment towards unavailed leave and compensated absences are recognized in the Statement of Profit and Loss except those included in cost of assets as permitted in the period in which they occur.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Voluntary Retirement Scheme - Termination Benefits

Termination benefits are payable when employment is terminated by the Company before the normal retirement date, or when an employee accepts voluntary retirement scheme in exchange for these benefits. Expenditure on Voluntary Retirement Scheme (VRS) is charged to the Statement of Profit and Loss when incurred.

o) Provision for Liabilities and charges, Contingent Liabilities and Contingent Assets

The assessments undertaken in recognising provisions and contingencies have been made in accordance with the applicable Ind AS.

Provisions represent liabilities to the Company for which the amount or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in the statement of profit and loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Guarantees are also provided in the normal course of business. There are certain obligations which management has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Although, there can be no assurance regarding the final outcome of the legal proceedings in which the Company involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

p) Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

q) Corporate social reposnsibility expenditure

Pursuant to the requirement of section 135 of the Act and rules thereon and guidance note on "Accounting for expenditure on Corporate Social Responsibility activities" issued by the ICAI, with effect from 01st April, 2015, CSR expenditure is recognized as an expense in the statement of Profit & Loss in the period in which it is incurred, if any. During the Year, company has not incurred any CSR expenditure.

r) Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

s) Leases

The company has applied Ind AS 116 using the modified retrospective approach and therefore the comparative information has not been restated and continues to be reported under Ind AS 17.

As a Lessee

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate. Generally, the company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the following:

- Fixed payments, including in-substance fixed payments;
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under a residual value guarantee; and
- The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The company presents right-of-use assets that do not meet the definition of investment property in 'property, plant and equipment' and lease liabilities in 'loans and borrowings' in the statement of financial position.

Short-term leases and leases of low-value assets

The company has elected not to recognise right-of-use assets and lease liabilities for short term leases of real estate properties that have a lease term of 12 months. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Under Ind AS 17

In the comparative period, a lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards incidental to the ownership of an asset to the Company. All other leases are classified as operating leases.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

Operating lease payments are recognised as an expense in the statement of profit and loss on a straight line basis over the lease term.

As a Lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Arrangements in the Nature of Lease

The Company enters into agreements, comprising a transaction or series of related transactions that does not take the legal form of a lease but conveys the right to use the asset in return for a payment or series of payments. In case of such arrangements, the Company applies the requirements of Ind AS 116 – Leases to the lease element of the arrangement. For the purpose of applying the requirements under Ind AS 116 – Leases, payments and other consideration required by the arrangement are separated at the inception of the arrangement into those for lease and those for other elements. During the year, no arrangement is treated in nature of Lease.

t) Non-Current assets or disposal held for sale and discontinued operations

Non-current assets or disposal held for sale

Non-current assets or disposal groups are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use.

Such assets or disposal groups are classified only when both the conditions are satisfied -

- The sale is highly probable, and
- 2. The asset or disposal group is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such assets.

Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification as held for sale, and actions required to complete the plan of sale should indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Noncurrent assets or disposal group are presented separately from the other assets in the balance sheet. The liabilities of a disposal group classified as held for sale are presented separately from other liabilities in the balance sheet.

Upon classification, non-current assets or disposal group held for sale are measured at the lower of carrying amount and fair value less costs to sell. Non-current assets which are subject to depreciation are not depreciated or amortized once those classified as held for sale.

Discontinued Operation

A discontinued operation is a component of the entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single coordinated plan to dispose of such a line of business or area of operations, or is a subsidiary acquired exclusively with a view to resale. The results of discontinued operations are presented separately in the statement of profit and loss.

v. Actuarial Assumptions

1. Financial Assumptions

The principal financial assumptions used in the valuation are shown in the table below:

Particulars	Gratuity (₹ In Lakhs)		Gratuity (₹ In Lakhs)		Earned Leave	e (₹ In Lakhs)
	31-03-2020	31-03-2019	31-03-2020	31-03-2019		
Discount rate (per annum)		7.65%		7.65%		
Salary growth rate (per annum)		6.00%		6.00%		

2. Demographic assumptions

Particulars	Gratuity (₹ In Lakhs)		Earned Leave (₹ In Lakhs)	
	31-03-2020	31-03-2019	31-03-2020	31-03-2019
Mortality rate (% of IALM 06-08)	100%	100%	100%	100%
Normal retirement age	58 Years	58 Years	58 Years	58 Years
Withdrawal rates, based on age: (per annum)				
Up to 30 years	3%	3%	3%	3%
31 - 44 years	2%	2%	2%	2%
Above 44 years	1%	1%	1%	1%

vi. Sensitivity analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The result of sensitivity analysis is given below:

Particulars	Gratuity(₹ In Lakhs)		Earned Leav	e(₹ In Lakhs)
	31-03-2020	31-03-2019	31-03-2020	31-03-2019
Defined Benefit Obligation (Base)	25.96	25.96	11.95	11.95

Particulars	Gratuity (₹ In Lakhs)			
	31-03-2020		31-03	-2019
	Decrease	Increase	Decrease	Increase
Discount Rate (- / + 0.50%)	2.5	-2.82	2.50	-2.82
Salary Growth Rate (- / + 0.50%) -2.9 2.56 -2.90 2.56				
Sensitivities due to mortality & withdrawals are insignificant & hence ignored by actuary.				

Particulars		Earned Leave (₹ In Lakhs)			
	31-03	31-03-2020		-2019	
	Decrease	Increase	Decrease	Increase	
Discount Rate (- / + 0.50%)	1.35	-1.01	1.35	-1.01	
Salary Growth Rate (- / + 0.50%)	1.4	-1.04	1.4	-1.04	
Sensitivities due to mortality & withdrawals are insignificant & hence ignored by actuary.					

vii. Maturity Profile of defined benefit obligation

Particulars	Gratuity	Earned Leave
Weighted average duration (based on discounted cashflows)	10 years	10 years

Expected cash flows over the next (valued on undiscounted basis):	Gratuity (₹ In Lakhs)	Earned Leave (₹ In Lakhs)
1 year	0.44	0.26
2 to 5 years	0.38	0.04
More than 6 years	32.18	14.86

viii. Employee benefit expenses

37. Balance of Trade Receivable / Payable Loans / Advances are subject to confirmation.

38. Financial Risk Management Objective And Policies

The company is exposed to market risk, credit risk and liquidity risk. The Group's senior management oversees the management of these risks. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings. The company is exposed to interest rate risk on variable rate long term borrowings.

The company has elaborate risk management systems to inform Board members about risk management and minimization procedures.

The sensitivity analyses in the following sections relate to the position as at 31-03-20 and 31-03-19.

i. Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company is exposed to foreign currency risk as there are few transactions in foreign currency. Particulars of un-hedged foreign currency exposures as at the Balance Sheet date are NIL (previous year NIL). Hence, no further disclosure is required under this section.

ii. Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Any changes in the interest rates environment may impact future rates of borrowing. The Company mitigates this risk by maintaining a proper blend of Fixed & Floating Rate Borrowings. The following Table shows the blend of Company's Fixed & Floating Rate Borrowings in Indian Rupee:

Particulars	As at March 31, 2020 (₹ In Lakhs)	As at March 31, 2019 (₹ In Lakhs)
-Fixed Rate	2847.95	2847.95
-Floating Rate	1874.85	1874.85
Total	4722.8	4722.8

The Company regularly scans the Market & Interest Rate Scenario to find appropriate Financial Instruments & negotiates with the Lenders in order to reduce the effect Cost of Funding.

Interest Rate Sensitivity: The following table demonstrates the sensitivity to a reasonably possible change in interest rates on financial assets affected. With all other variables held constant, the Company's profit / (Loss) before tax is affected through the impact on finance cost with respect to our borrowing, as follows:

Particulars	As at March 31, 2020 (₹ In Lakhs)	As at March 31, 2019 (₹ In Lakhs)
Change(+) in basis points	25	25
Effect on profit before tax	-4.69	-4.69
Change(-) in basis points	25	25
Effect on profit before tax	4.69	4.69

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment.

iii. Price Risk

Commodity price fluctuation can have an impact on the demand of Plastic Pet Jars, Containers, Creates, bottles and capsfor particular product therefore, company continuously keep on track the commodity price movement very closely and take advance production decision accordingly.

In addition to the above company also maintain a strategic buffer inventory to ensure that such disruptions do not impact the business significantly.

b) Credit risk

Credit risk arises from the possibility that the counterparty will default on its contractual obligations resulting in financial loss to the company. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

To manage this, the Company periodically assesses the financial reliability & credibility of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable.

The Company has well defined sales policy to minimize its risk of credit defaults. Outstanding customer receivables are regularly monitored and assessed. Impairment analysis is performed based on historical data at each reporting date on an individual basis. However a large number of minor receivables are regularly monitored and assessed.

i. Expected Credit Loss for Financial Assets (Except trade receivable)

Particular	As on 31-03-20 (In Lakhs)		As on 31-03-	19 (In Lakhs)

Trade Receivables- Gross Carrying amount	2,065.38	95.94	21.65	-	2,182.97
Expected Credit Losses	-	-	5.41	-	5.41
Carrying amount of Trade receivables	2,065.38	95.94	16.24	-	2,177.56

c) Liquidity Risk

Liquidity risk is defined as the risk that company will not be able to settle or meet its obligation on time or at a reasonable price. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by senior management. Management monitors the company's net liquidity position through rolling, forecast on the basis of expected cash flows.

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date basedon contractual undiscounted payments:

(₹ In Lakhs)

As at 31-03-2020	0-12 Months	12 Months to 3 Years	More than 3 Years	Total
Trade payables	2019.18	-	-	2019.18
Borrowings	1523.95	1250.92	632.44	3407.31
Other Financial Liabilities	1408.21	0.17	10.64	1419.02

(Rs. In Lakhs)

As at 31-03-2019	0-12 Months	12 Months to 3 Years	More than 3 Years	Total
Trade payable	2019.18	-	-	2019.18
Borrowings	1523.95	1250.92	632.44	3407.31

Fair value hierarchy

The fair value of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Company uses the following hierarchy for determining and disclosing the fair value of the financial instruments by valuation techniques,

Level 1: Quoted prices (unadjusted) in the active markets for identical assets or liabilities.

Level 2: Other techniques for which all the inputs which have a significant effect on the recorded fair values are observable, either directly or indirectly

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data

Total	6,845.52	-	-	6845.52

Assumptions and valuation technique used to determine fair value

The following methods and assumptions were used to estimate the fair values

- i. Fair value of cash and deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- ii. Long-term variable-rate borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values.
- 43. Company is in process of reconciling the GST Input credit taken in Books with GSTR-2A.
- 44. Due Date of Last Quarter of TDS return submission is 31st July 2020 due to which TDS receivable pertaining to last quarter are not appearing in the Form 26AS due to which TDS receivable reconciliation as on 31st March'2020 has not been done.
- 45. Standard Issued But yet not effective (based on Exposure drafts available as on date)

IND AS 117 Insurance Contracts

Ind AS 117 supersedes Ind AS 104 Insurance contracts. It establishes the principles for the recognition, measurement, presentation and disclosure of insurance contracts within the scope of the standard. Under the Ind AS 117 model, insurance contract liabilities will be calculated as the present value of future insurance cash flows with a provision for risk.

Application of this standard is not expected to have any significant impact on the Company's financial statements.

Amendments to Existing Standards

Ministry of Corporate Affairs has carried out amendments of the following accounting standards:

- 1. Ind AS 103 "Business Combination"
- 2. Ind AS 1 "Presentation of Financial Statements"
- 3. Ind AS 40 "Investment Property"
- 4. Ind AS 8- "Accounting Policies, Changes in Accounting Estimates and Errors"

Effective date for application of this amendment is annual period beginning on or after April 1, 2020.

The company is evaluating the impact of the new amendments issued but not yet effective and its effect on the financial statements of the company.

46. Subsequent Event Disclosure

In March 2020, the World Health Organisation declared COVID 19 to be a pandemic. Consequent to this, Government of India declared a national lockdown on 25 March 2020, which has impacted the business activities of the Industry and accordingly the Company has also assessed the impact that may result from this pandemic on its liquidity position, carrying amounts of receivables, tangible and intangible assets and other assets / liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has considered internal and external information available till the date of approval these financial statements and has assessed its situation.

In that context and based on the current estimates, the Company believes that COVID 19 is not likely to have any material impact on its financial statements, liquidity or ability to service its debt or other obligations. However, the overall economic environment, being uncertain due to COVID 19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at the date of approval of these financial statements. The Company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant periods.

47. Previous year's figures

These have been regrouped / reclassified where necessary, to confirm to current year's classification.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF INNOVATIVE TECH PACK LIMITED

Report on the Audit of Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying Consolidated Ind AS Financial Statements of Innovative Tech Pack Limited ("the Company") which comprises the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Ind AS Financial Statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31,2020, the **Profit**(financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

a) With respect to Trade Receivables:

We draw attention to Note 9(i)(a) and Note 10(b) of Consolidated financial statements which describes that, the Company has Debtors outstanding amounting Rs. 2109.15 Lakhs, out of which debtors amounting Rs. 141.20 lakhs are under litigation in NCLT. Further, out of Advances amounting Rs. 816.86 Lakhs, Advances amounting Rs. 651.47 lakhs are under litigation in NCLT. The Management is confident to recover all balances based on legal opinion. Accordingly, no provision has been made.

b) With respect to statutory dues:

We draw attention to Note 21(a) and Note 10(b) of Consolidated financial statements which describes that, the Company has not provided Goods & Services Tax liability for Discount received from Supplier amounting to Rs 2,34,56,532 as per Industry Practices.

c) With respect to Employees Benefits:

We draw attention to**Note 14(a)** of Consolidated financial statements which describes that, the company has not provided any additional liability for Gratuity & Leave Encashment as applicable financial reporting framework suggests Actuarial valuation at regular intervals which is taken as 3 years by the management.

d) Discontinuance off Business Unit:

We draw attention to**Note 39** of consolidated financial statements which describes that, *Impact of Discontinued Operations as per IND AS 105 has not been assessed and accounted for in current financial year.*

e) We draw attention to**Note 48** of consolidated financial statements which describes that, *due to pending Balance confirmations, the balances of certain parties of trade receivables and trade payables are subject to reconciliation and review.*

- We draw attention to Note 23 of consolidated financial statements which describes that, the individual wage payment of Contract Workers made by the company is above the limits specified in the respective laws governing Provident Fund (PF) and Employee State Insurance (ESI) and accordingly, no prima facie liability to pay PF & ESI arises on the company. Further on workers requests, the company pays wages in cash. All relevant process for due control has been exercised.
- We draw attention to Note 16(iii) and Note 26 of consolidated financial statements which describes that, the Company has written back the unsecured Loan of Rs 133.62 Lakhs and Creditors of Rs. 56.08 Lakhs, after due approval of the audit committee and Board of directors. These payables are barred by limitation of time; hence no confirmation or response is required.

Our opinion is not modified in respect of these matters.

Key Audit Matters

the normal course of business.

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financials statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matter described below to be the key audit matter to be communicated in our report. **Key Audit Matter Auditor Response** Taxation matters (GST) The company operates across a large number of GST Our audit procedures include the following substantive jurisdictions and has multiple GST registrations. The procedures: company has decentralized accounting across the plants in |

The volume of transactions is very huge and significant. This together with multiple tax rates and exemptions make the process of reconciliation of data as per GST Returns | • with financial records very complex.

Proper accounting of GST is significant as it's the statutory reporting obligation of the Company.

- Evaluated the design and implementation of controls in respect of recording of proper GST input & liabilities in the books of accounts on the test check basis.
- Reviewed the reconciliations of financial statements and returns filed by the Company as required by GST Act at the Plant level as well as the Company as a whole.
- Assessed the appropriateness of recording of Input tax credit as well as output liability by verification of different transactions on test check basis.

Accounting, presentation, and disclosure of Leases as per Ind AS 116:

Leases (Refer to the accompanying Note 3(a)(vi) and Note 35 forming integral part of the consolidated financial statements)

The Company has adopted the Ind AS 116-"Leases" effective from April 1, 2019. The application and transition to this accounting standard is complex and is an area of focus in our audit since the Company has a large number of leases with different contractual terms.

Ind AS 116 introduces a new lease accounting model, wherein lessees are required to recognize in the balance sheet a right-of-use (ROU) asset and a lease liability arising from a lease.

The lease liabilities are initially measured by discounting future lease payments during the lease term as per the contract/ arrangement. Adoption of the standard involves significant judgements and estimates including, determination of the discount rates and the lease term. Additionally, the standard mandates detailed disclosures in respect of such transition.

Our procedure in relation to appropriateness of judgements, accounting, presentation, and disclosure of leases on adoption of Ind AS 116 include:

a) Substantive testing:

- Assessed the Company's evaluation on the identification of leases based on its contractual agreement with the lessor(s);
- Evaluated the reasonableness of the discount rates applied in determining the lease liabilities:
- Upon transition as at 1 April 2019:
 - Evaluated the method of transition and related adjustments;
 - Tested completeness of the lease data by reconciling the Company's operating lease commitments to data used in computing ROU asset and the lease liabilities.
- On a statistical sample, we performed the following procedures:
 - assessed the key terms and conditions of each lease with the underlying lease contracts: and

Key Audit Matter	Auditor Response
	 evaluated computation of lease liabilities and challenged the key estimates such as, discount rates and the lease term.
	 Assessed and tested the presentation and disclosures relating to Ind AS 116 including, disclosures relating to transition.
	b) Controls testing: Wherever appropriate, our substantive work was supplemented by controls testing work which encompassed understanding, evaluating, and testing key controls in respect of lease agreements including its terms and conditions.
	Our procedures as mentioned above did not identify any findings that are significant for the financial statements as whole in respect of accounting, presentation, and disclosure of Leases on adoption of Ind AS 116.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Board Report, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidatedIndAs financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Consolidated Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) and accounting principles generally accepted in India, specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Consolidated Ind AS Financial Statement

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are

considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether
 due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
 is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement
 resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional
 omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including
 the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions
 and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Parent and its Associate Companies to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the consolidated financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the entities consolidated in the consolidated financial statements, which have been audited by other auditors, such other auditors are responsible for the direction, supervision and performance of the audits carried out by them. We remainsolely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The consolidated financial statements include the Parent's share of net profit of ₹ 0.83 lakh for the year ended March31, 2020, as considered in the consolidated financial statements, in respect of an associate companies,whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us bythe management and our opinion on the consolidated financial results, in so far as it relates to the amountsand disclosures included in respect of these associate companies, and our report in terms of sub-section (3)of Section 143 of the Act, in so far as it relates to theaforesaid associate companies, is based solely on there ports of the other auditors.

Our opinion on the consolidated financial statements, andour report on Other Legal and Regulatory Requirementsbelow, is not modified in respect of the above matter withrespect to our reliance on the work done and the reports of the other auditors.

Due to the outbreak of COVID-19 pandemic, the consequent nationwide lockdown commencing from March 23, 2020 onwards, we could not visit and carry out the audit processes physically at the Company's premises. Further, the advisory on "Specific Considerations while conducting Distance Audit/ Remote Audit under current Covid-19 situation" issued by the Auditing and Assurance Standards Board of ICAI, give guidelines for the statutory audit via making arrangements to provide requisite documents/information through electronic medium and minimal physical movement. The entire audit has been carried considering these guidelines and alternative audit procedures as per SAs prescribed by the ICAI. Moreover, our attendance at the physical verification of inventory done by the management was impracticable under these lockdown restrictions imposed by the government and we have therefore, relied on the related alternate audit procedures to obtain comfort over the existence and condition of inventory at year end. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

- **1.** As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and reports of the other auditors;
 - c) The consolidated balance Sheet, the Consolidated Statement of Profit and Loss (including Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated financial statements.
 - d) In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- a) On the basis of the written representations received from the directors of the Parent as on 31st March, 2020 taken on record by the Board of Directors of the Parent and the reports of the statutory auditors of the associate companies incorporated in India, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - b) With respect to the adequacy of the Internal Financial Control over financial reporting of the Parent and its associate companies and the operating effectiveness of such controls, refer to our separate Report in "Annexure-A"
 - c) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given tous:
 - i) The Company does not have any pending litigations which would impact its financialpositionexcept for those disclosed under Note No. 9(i)(a) and Note 10(b) of the accompanying Financial Statements.
 - ii) The Parent and its associatecompanies did not have any long-term contracts including derivative contracts for which there were any material foreseeablelosses.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent and its associate companies incorporated in India.
- 3) With respect to the other matters to be included in the Auditor's report in accordance with the requirements of section 197 (16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V of the Act.

ANNEXURE A

TOTHE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section in the Independent Auditor's Report of even date to the Member of Innovative Tech Pack Limited ('the company') on the Consolidated financial statements for the year ended 31st March'2020)

Reporton the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')to the members of Innovative Tech Pack Limited

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of Innovative Tech Pack Limited ("the holding Company") and its associate company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its associate company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the respective internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the companybased on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under section 143(10) of the Actto the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit toobtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and audit evidence obtained by the other auditor in terms of their reports referred to in the other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide Reason able assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;(2)provide reasonable assurance that transactions are recorded as necessary to permit preparationof financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In Our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors, as referred to in 'Other Matters' paragraph below, the holding companyand its associate company incorporated in India, have in all material respects, an adequate internal financialcontrols system over financial reporting and such internal financial controls over financialreporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our report under Section 143(3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements of the Parent, insofar as it relates to 1 associate company, which are incorporated in India, is based on the corresponding reports of the auditor of such associate company incorporated in India.

NOTES TO CONSOLIDATION FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH. 2020

1. CORPORATE OVERVIEW

Innovative Tech Pack Limed (referred to as "ITPL", "The company hereinafter") is a listed entity incorporated in India. The registered office of the company is located at Plot No. 51, Roz-Ka-Meo, Industrial Area Sohna, Mewat, Haryana - 122103.

The Company is engaged in the business of Manufacturing & Reselling of Plastic Bottles, Jars, Containers, and Pre-forms & its Caps.

2. SIGNIFICANT ACCOUNTING POLICIES

Statement of compliance

Consolidated Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013.

Accordingly, the Company has prepared these Consolidated Financial Statements which comprise the Consolidated Balance Sheet as at 31 March, 2020, the Consolidated Statement of Profit and Loss for the year ended 31 March 2020, the Consolidated Statement of Cash Flows for the year ended 31 March 2020 and the Consolidated Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'Consolidated Financial Statements' or 'financial statements').

These Consolidated financial statements are approved for issue by the Board of Directors on 31.07.2020.

a) Basis of preparation of Consolidated financial statements

The Consolidated financial statements are prepared in accordance with Indian Accounting Standards (IND AS), including the rules on going concern basis using historical cost convention on the accrual basis as per provisions of Companies Act, 2013 ("the Act"), except for certain items that are measured at fair values, as explained in the accounting policies.

Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating
 cycle
- It is held primarily for the purpose of being traded;
- It is expected to be realised within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- · All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- It is expected to be settled in the Company's normal operating cycle;
- It is held primarily for the purpose of being traded
- It is due to be settled within 12 months after the reporting date; or the Company does not have an
 unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms
 of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity
 instruments do not affect its classification.
- · All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current only

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) Use of Estimates & Judgements

The preparation of the Consolidated financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

c) Fair Value Measurement

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102 – Share-based Payment, leasing transactions that are within the scope of Ind AS 116 – Leases, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 – Inventories or value in use in Ind

AS 36 - Impairment of Assets.

d). Functional and Presentation Currency

These Ind AS Consolidated Financial Statements are prepared in Indian Rupee which is the Company's functional currency. All financial information presented in Rupees has been rounded to the nearest lakhs with two decimals.

e). Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

f). Principles of consolidation

The Consolidated Financial statements relate to Innovative Tech Pack Limited ('the Company') and its associate company. The Consolidated Financial statements have been prepared on the following basis:

- (a) Investment in Associate has been accounted under the equity method as per Ind AS 28 Investment in Associate.
- (b) The Company account for its share of post acquisition changes in net assets of associate, after eliminating unrealised profits and losses resulting from transactions between the Company and its associate to the extent of its share, through its Consolidated Statement of Profit and Loss, to the extent such change is attributable to the associate' Statement of Profit and Loss and through its reserves for the balance based on available information.

3. ACCOUNTING POLICIES

The Company has applied following accounting policies to all periods presented in the Ind AS Consolidated financial statement.

a). Revenue Recognition

Effective April 1, 2018, the Company has applied Ind AS 115: Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised.

Revenue from sale of goods is recognised when control of the products being sold is transferred to our customer and when there are no longer any unfulfilled obligations.

The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Accumulated experience is used to estimate the provision for such discounts and rebates. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.

Our customers have the contractual right to return goods only when authorised by the company. An estimate is made of goods that will be returned and a liability is recognised for this amount using a best estimate based on accumulated experience.

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

b). Property, Plant and Equipment - Tangible Assets

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognised as at 1st April, 2016 measured as per the previous GAAP.

Cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalised.

Expenses capitalised also include applicable borrowing costs for qualifying assets, if any in accordance with Ind AS - 23 Borrowing Costs. All upgradation/enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits. An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of asset.

Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

Company has adpoted the policy of maintaining 5% of cost of asset as residual value.

c). Capital work in progress

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed. Revenue generated from production during the trial period is credited to capital work in progress.

d). Intangible Assets

Intangible Assets that the Company controls and from which it expects future economic benefits are capitalised upon acquisition and measured initially.

For separately acquired assets, at cost comprising the purchase price (including import duties and nonrefundable taxes) and directly attributable costs to prepare the asset for its intended use.

Internally generated assets for which the cost is clearly identifiable are capitalised at cost. Research expenditure is recognised as an expense when it is incurred. Development costs are capitalised only after the technical and commercial feasibility of the asset for sale or use has been established.

Thereafter, all directly attributable expenditure incurred to prepare the asset for its intended use are recognised as the cost of such assets. Internally generated brands, websites and customer lists are not recognised as intangible assets.

The carrying value of intangible assets includes deemed cost which represents the carrying value of intangible assets recognised as at 1st April, 2016 measured as per the Previous GAAP.

The useful life of an intangible asset is considered finite where the rights to such assets are limited to a specified period of time by contract or law (e.g., patents, licenses, trademarks, franchise and servicing rights)

or the likelihood of technical, technological obsolescence (e.g., computer software, design, prototypes) or commercial obsolescence (e.g., lesser known brands are those to which adequate marketing support may not be provided). If, there are no such limitations, the useful life is taken to be indefinite.

Intangible assets that have finite lives are amortized over their estimated useful lives by the written down value method unless it is practical to reliably determine the pattern of benefits arising from the asset. An intangible asset with an indefinite useful life is not amortized.

All intangible assets are tested for impairment. Amortization expenses and impairment losses and reversal of impairment losses are taken to the Statement of Profit and Loss. Thus, after initial recognition, an intangible asset is carried at its cost less accumulated amortization and / or impairment losses.

The useful lives of intangible assets are reviewed annually to determine if a reset of such useful life is required for assets with finite lives and to confirm that business circumstances continue to support an indefinite useful life assessment for assets so classified. Based on such review, the useful life may change or the useful life assessment may change from indefinite to finite. The impact of such changes is accounted for as a change in accounting estimate.

e). Impairment of Non-Financial Assets

Impairment loss, if any, is provided to the extent, the carrying amount of assets or cash generating units exceed their recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life.

Impairment losses recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. Such reversals are recognised as an increase in carrying amounts of assets to the extent that it does not exceed the carrying amounts that would have been determined (net of amortization or depreciation) had no impairment loss been recognised in previous year.

f). Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Assets in the course of development or construction and freehold land are not depreciated.

Depreciation is provided on pro-rata basis on written down value method over the estimated useful life of the assets as provided in schedule II of the Companies Act 2013, except for following assets where useful taken is different from schedule II based on internal assessment and technical evaluations, nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

HeadLife (In Years)Factory Buildings29 YearsPlant, Machinery & Moulds18 YearsIntangibles including Softwares3 Years

Leasehold Improvements are depreciated on straight line basis over the period of 10 years without maintaining any residual value.

Company is operating its plant on 3 shifts basis whereas assets are depreciated on single shift basis.

g). Inventories

	Classifications	Valuation method and Cost formula
A.	Finished Products	Lower of cost or net realizable value
B.	Raw material	At cost Cost is ascertained on FIFO basis.
C.	Stores and spare parts	At cost. Cost is ascertained on FIFO basis
D.	Recyclable waste	Lower of cost (after recycling) or net realizable value. Cost is ascertained on FIFO basis.
E.	Packing material and fuel	At cost. Cost is ascertained on FIFO basis.
F.	Goods in transit	Finished Goods – Lower of cost or net realizable value. Raw material spares – At cost. Cost is ascertained on FIFO basis.

Cost includes purchase cost, cost of conversion and other cost incurred in bringing the inventories to their present location and conditions (Inclusive of VAT/ Excise/ GST and other taxes, wherever not recoverable). Net realizable value is the estimated selling price less the estimated costs necessary to make the sale.

h). Investment in Subsidiaries, Associates and Joint Ventures

The investments in subsidiaries, associates and joint ventures are carried in these Consolidated financial statements at historical 'cost', except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for as Non-current assets held for sale and discontinued operations. Where the carrying amount of an investment in greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

i). Financial Instruments, Financial Assets and Financial Liabilities

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through Statement of Profit and Loss (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognised immediately in Statement of Profit and Loss.

Financial Assets

Recognition: Financial assets include Investments, Trade receivables, Advances, Security Deposits, Cash and cash equivalents. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

Classification: Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

- (a) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- (b) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- (c) fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Trade receivables, Advances, Security Deposits, Cash and cash equivalents etc. are classified for measurement at amortised cost while investments may fall under any of the aforesaid classes. However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

Impairment: The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognized if the credit quality of the financial asset has deteriorated significantly since initial recognition.

The company uses simplified approach to determine impairment loss or allowance on portfolio of its trade receivables. Application of simplified approach does not require the company to track changes in credit risk rather it recognize impairment loss based on life time ECL at each reporting date right from its initial recognition. ECL is based on historically observe default rate over the expected life of the trade receivable and is adjusted for forward looking estimates.

Reclassification: When and only when the business model is changed, the Company shall reclassify all affected financial assets prospectively from the reclassification date as subsequently measured at amortised cost, fair value through other comprehensive income, fair value through profit or loss without restating the previously recognised gains, losses or interest and in terms of the reclassification principles laid down in the Ind AS relating to Financial Instruments.

Equity Investments: All equity investment in scope of Ind AS 109 is measured at fair value. Equity instruments which are held for trading and contingent recognized by an acquirer combination to which Ind AS103 applies are reclassified as at FVTPL. There are no such investments in the company.

De-recognition: Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership.

Concomitantly, if the asset is one that is measured at:

- (a) amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;
- (b) fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

Income Recognition:

Interest income is recognised in the Statement of Profit and Loss using the effective interest method. Dividend income is recognised in the Statement of Profit and Loss when the right to receive dividend is established.

Financial Liabilities and Equity Instruments

Classification as Debt or Equity

Debt and equity instruments issued by a company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of directly attributable transaction costs.

Financial Liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption / settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

i). Dividend Distribution

Dividends paid (including income tax thereon) is recognized in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders.

k). Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

I). Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

m). Taxation

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Unrecognized deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

n). Employee Benefits

Employee benefits include salaries, wages, contribution to provident fund, gratuity, leave encashment towards un-availed leave, compensated absences, post-retirement medical benefits and other terminal benefits.

Short Term Employee Benefits

All employee benefits payable wholly within twelve months of rendering services are classified as short term employee benefits. Benefits such as salaries, wages, expected cost of bonus, ex-gratia, leave travel allowance, medical reimbursement, etc. are recognised in the period in which the employee renders the related services.

Post Employment Benefits

Defined Contribution Plans

Employee Benefit under defined contribution plans comprises of Contributory provident fund, Post Retirement benefit scheme, Employee pension scheme, composite social security scheme etc. is recognized based on the undiscounted amount of obligations of the Company to contribute to the plan. The same is paid to a fund administered through a separate trust.

Defined Benefit Plan

Defined benefit plans comprising of gratuity, post-retirement medical benefits and other terminal benefits, are recognized based on the present value of defined benefit obligations which is computed using the projected unit credit method, with actuarial valuations being carried out at regular intervals of 3 years. These are accounted either as current employee cost or included in cost of assets as permitted.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Measurement of Other Long Term Employee Benefits & Short Term Employee Benefits

Other long-term employee benefit comprises of leave encashment towards unavailed leave and compensated absences, these are recognized based on the present value of defined obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at regular intervals. These are accounted either as current employee cost or included in cost of assets as permitted.

Remeasurements of leave encashment towards unavailed leave and compensated absences are recognized in the Statement of Profit and Loss except those included in cost of assets as permitted in the period in which they occur.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Voluntary Retirement Scheme - Termination Benefits

Termination benefits are payable when employment is terminated by the Company before the normal retirement date, or when an employee accepts voluntary retirement scheme in exchange for these benefits. Expenditure on Voluntary Retirement Scheme (VRS) is charged to the Statement of Profit and Loss when incurred.

o). Provision for Liabilities and charges, Contingent Liabilities and Contingent Assets

The assessments undertaken in recognising provisions and contingencies have been made in accordance with the applicable Ind AS.

Provisions represent liabilities to the Company for which the amount or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in the statement of profit and loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Guarantees are also provided in the normal course of business. There are certain obligations which management has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the Consolidated financial statements. Although, there can be no assurance regarding the final outcome of the legal proceedings in which the Company involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

Contingent assets are not recognised but disclosed in the Consolidated financial statements when an inflow of economic benefits is probable.

p). Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

q). Corporate social reposnsibility expenditure

Pursuant to the requirement of section 135 of the Act and rules thereon and guidance note on "Accounting for expenditure on Corporate Social Responsibility activities" issued by the ICAI, with effect from 01st April, 2015, CSR expenditure is recognized as an expense in the statement of Profit & Loss in the period in which it is incurred, if any. During the Year, company has not incurred any CSR expenditure.

r). Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

s). Leases

The company has applied Ind AS 116 using the modified retrospective approach and therefore the comparative information has not been restated and continues to be reported under Ind AS 17.

As a Lessee

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate. Generally, the company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the following:

- Fixed payments, including in-substance fixed payments;
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date:
- Amounts expected to be payable under a residual value guarantee; and
- The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The company presents right-of-use assets that do not meet the definition of investment property in 'property, plant and equipment' and lease liabilities in 'loans and borrowings' in the statement of financial position.

Short-term leases and leases of low-value assets

The company has elected not to recognise right-of-use assets and lease liabilities for short term leases of real estate properties that have a lease term of 12 months. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Under Ind AS 17

In the comparative period, a lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards incidental to the ownership of an asset to the Company. All other leases are classified as operating leases.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

Operating lease payments are recognised as an expense in the statement of profit and loss on a straight line basis over the lease term.

As a Lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Arrangements in the Nature of Lease

The Company enters into agreements, comprising a transaction or series of related transactions that does not take the legal form of a lease but conveys the right to use the asset in return for a payment or series of payments. In case of such arrangements, the Company applies the requirements of Ind AS 116 – Leases to the lease element of the arrangement. For the purpose of applying the requirements under Ind AS 116 – Leases, payments and other consideration required by the arrangement are separated at the inception of the arrangement into those for lease and those for other elements. During the year, no arrangement is treated in nature of Lease.

t). Non-Current assets or disposal held for sale and discontinued operations

Non-current assets or disposal held for sale

Non-current assets or disposal groups are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use.

Such assets or disposal groups are classified only when both the conditions are satisfied –

- 1. The sale is highly probable, and
- The asset or disposal group is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such assets.

Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification as held for sale, and actions required to complete the plan of sale should indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Noncurrent assets or disposal group are presented separately from the other assets in the balance sheet. The liabilities of a disposal group classified as held for sale are presented separately from other liabilities in the balance sheet.

Upon classification, non-current assets or disposal group held for sale are measured at the lower of carrying amount and fair value less costs to sell. Non-current assets which are subject to depreciation are not depreciated or amortized once those classified as held for sale.

Discontinued Operation

A discontinued operation is a component of the entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single co-ordinated plan to dispose of such a line of business or area of operations, or is a subsidiary acquired exclusively with a view to resale. The results of discontinued operations are presented separately in the statement of profit and loss.

The Company off sets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

33. CORPORATE SOCIAL RESPONSIBILITY (CSR)

CSR amount required to be spent as per section 135 of the Companies Act, 2013 read with schedule is NIL, thereof by the company during the year is ₹ NIL (Previous Year ₹ 15 Lakhs).

34. SEGMENT REPORTING

The Company is engaged in manufacturing of Plastic Pet Jars, Containers, Creates, bottles and caps. Considering the nature of Company's business and operations, there are no separate reportable segments (business or geographical) in accordance with the requirements of Indian Accounting Standard 108 'Segment Reporting'. The Chief Operational Decision Maker(CODM) monitors the operating results as one single segment for the purpose of making decisions about resource allocation and performance assessment and hence, there are no additional disclosures to be provided other than those already provided in the financial statements.

- 35. In the opinion of the Management and to the best of their knowledge and believe, the value on realization of current assets, Loan & Advances in the ordinary course of business would not be less than the amount at which they are stated in the Balance Sheet.
- 36. The Company has purchased the business of Its Subsidiary 'Juniper Polymers Industries LLP' on 1st October'2018. The acquisition accounting has been done as per pooling of Interest method as prescribed for Business Combination under Common Control in Appendix C of IND AS 103.

The company has derecognized Juniper Polymers Industries LLP from its Consolidated financials as at March 31, 2019 as it was consolidated with the company in FY 2017-18 as per IND AS 103 & 110.

37. Balance of Trade Receivable / Payable Loans / Advances are subject to confirmation.

38. FINANCIAL RISK MANAGEMENT OBJECTIVE AND POLICIES

The company is exposed to market risk, credit risk and liquidity risk. The Group's senior management oversees the management of these risks. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings. The company is exposed to interest rate risk on variable rate long term borrowings.

The company has elaborate risk management systems to inform Board members about risk management and minimization procedures.

The sensitivity analyses in the following sections relate to the position as at 31-03-20 and 31-03-19.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company is exposed to foreign currency risk as there

are few transactions in foreign currency. Particulars of un-hedged foreign currency exposures as at the Balance Sheet date are NIL (previous year NIL). Hence, no further disclosure is required under this section.

ii. Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Any changes in the interest rates environment may impact future rates of borrowing. The Company mitigates this risk by maintaining a proper blend of Fixed & Floating Rate Borrowings. The following Table shows the blend of Company's Fixed & Floating Rate Borrowings in Indian Rupee:

Particulars	As at March 31, 2020 (₹ In Lakhs)	As at March 31, 2019 (₹ In Lakhs)
-Fixed Rate	3,281.61	2847.95
-Floating Rate	435.08	1874.85
Total	3716.69	4,722.80

The Company regularly scans the Market & Interest Rate Scenario to find appropriate Financial Instruments & negotiates with the Lenders in order to reduce the effect Cost of Funding.

Interest Rate Sensitivity: The following table demonstrates the sensitivity to a reasonably possible change in interest rates on financial assets affected. With all other variables held constant, the Company's profit / (Loss) before tax is affected through the impact on finance cost with respect to our borrowing, as follows:

Particulars	As at March 31, 2020 (₹ In Lakhs)	As at March 31, 2019 (₹ In Lakhs)
Change(+) in basis points	25	25
Effect on profit before tax	-1.09	-4.69
Change(-) in basis points	25	25
Effect on profit before tax	1.09	4.69

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable

iii. Price Risk

Commodity price fluctuation can have an impact on the demand of Plastic Pet Jars, Containers, Creates, bottles and capsfor particular product therefore, company continuously keep on track the commodity price movement very closely and take advance production decision accordingly.

In addition to the above company also maintain a strategic buffer inventory to ensure that such disruptions do not impact the business significantly.

b) Credit risk

Credit risk arises from the possibility that the counterparty will default on its contractual obligations resulting in financial loss to the company. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

To manage this, the Company periodically assesses the financial reliability & credibility of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable.

The Company has well defined sales policy to minimize its risk of credit defaults. Outstanding customer receivables are regularly monitored and assessed. Impairment analysis is performed based on historical data at each reporting date on an individual basis. However a large number of minor receivables are regularly monitored and assessed.

i. Expected Credit Loss for Financial Assets (Except trade receivable)

Expense	448.56
Profit / (Loss) Before Income tax	-248.30
Tax Expense	-22.06
Profit / (Loss) After Tax	-226.24

Expense includes Loss on Sale of Assets amounting to ₹ 165.39 Lakhs. Further, standing Inventory amounting ₹ 99.16 Lakhs pertains Vadodara unit.

40. INFORMATION ON LEASE TRANSACTIONS PURSUANT TO IND AS 116 - LEASES

Until March 31, 2019, the Company recognized leases in accordance with Ind AS 17. A lease was defined as an agreement whereby the lessor conveys to the lessee in return for a series of payments the right to use an asset

for an agreed period of time. The lessor and lessee accounted for the lease on the basis of the distribution of the risks and rewards associated with the leased asset.

In so far as all the substantial risks and rewards were transferred to the Company as lessee, the respective leased assets were capitalized at fair value or the lower present value of the minimum lease payments and depreciated using the straight-line method on the basis of the useful life of the underlying asset or the lease term, if this was shorter. The payment obligations resulting from future lease payments were discounted and recognized as a liability.

Where the Company was the lessee in operating leases, in other words, if not all material risks and rewards were transferred, the lease or rental payments were recognized directly as expenses in the statement of Profit and Loss.

Since April 1, 2019, the Company has recognized leases in accordance with Ind AS 116. This defines a lease as a contract, or part of a contract, whereby the lessor conveys to the lessee the right to use an asset for an agreed period of time in exchange for consideration.

On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the right-of-use asset, and finance cost for interest accrued on lease liability. Some practical expedients permitted by the standard are used, notably:

- To not reassess upon transition whether an existing contract contains a lease. The definition of a lease under Ind AS 116 has been applied only to contracts entered into or changed on or after April 01, 2019.
- For transition, the Company has elected not to apply the requirements of Ind AS 116 to leases which are expiring within 12 months from the date of transition by class of asset
- The recognition exemptions for short-term leases and leases of low-value assets.
- To apply Ind AS 37 for onerous leases instead of performing an impairment review.

The Company Has Applied Ind As 116, Details Of Which Are As Under:

Particulars	As at March 31, 2020
Lease commitments as at March 31, 2019	-
Add/(less): contracts reassessed as lease contracts	179.44
Add/(less): adjustments on account of extension/termination	14.51
Total Lease liabilities	193.95
Repayment of lease liability	48.79
Balance lease liability	145.16

Carrying Value of Right To Use Assets at the end of the Reporting Period

Particulars	As at March 31, 2020
Balance as at April 1, 2019	-
Add: adjustments on account of extension	179.44
Less: Amortisation during the year	42.34
Balance lease liability	137.10

Maturity Analysis Of Right To Use

Particulars	As at March 31, 2020
Less than one year	54.07
One to five years	83.03
More than five years	-
Total Right To Use	137.10

	March 31, 2020			
Interest on lease liabilities	14.51			
Variable lease payments not included in the measurement of lease liabilities	-			
Expenses relating to short-term leases & low-value assets	188.66			
Amortisation of right of use assets	42.34			
Balance lease liability	245.51			

Amounts Recognised In Statement Of Cash Flow

Particulars	As at March 31, 2020
Total cash outflow for leases	237.45

Company as a Lessor

The Company is not required to make any adjustments on transition to Ind AS 116 for leases in which it acts as a lessor. The Company accounted for its leases in accordance with Ind AS 116 from the date of initial application. The Company does not have any significant impact on account of sub-lease on the application of this standard.

The Company has given its building space, lying under property, plant and equipments, on operating lease through operating lease arrangements. Income from operating leases is recognised as revenue on a straight-line basis over the lease term.

Lease income of ₹ 63.37 Lakhs (March 31, 2019: ₹ 68.12 Lakhs) has been recognised and included under revenue from operations.

41. CAPITAL MANAGEMENT

a. Risk Management

The group's objectives when managing capital are:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- ii) maintain an optimal capital structure to reduce the cost of capital

In order to maintain or adjust the capital structure, the group may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares.

Fair value hierarchy

The fair value of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Company uses the following hierarchy for determining and disclosing the fair value of the financial instruments by valuation techniques,

Level 1: Quoted prices (unadjusted) in the active markets for identical assets or liabilities.

Level 2: Other techniques for which all the inputs which have a significant effect on the recorded fair values are observable, either directly or indirectly

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data

Assumptions and valuation technique used to determine fair value

The following methods and assumptions were used to estimate the fair values

- Fair value of cash and deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- ii. Long-term variable-rate borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values.
- 43. Company is in process of reconciling the GST Input credit taken in Books with GSTR-2A.
- 44. Due Date of Last Quarter of TDS return submission is 31st July 2020 due to which TDS receivable pertaining to last quarter are not appearing in the Form 26AS due to which TDS receivable reconciliation as on 31st March'2020 has not been done.
- **45**. **Standard Issued But yet not effective** (based on Exposure drafts available as on date)

IND AS 117 Insurance Contracts

Ind AS 117 supersedes Ind AS 104 Insurance contracts. It establishes the principles for the recognition, measurement, presentation and disclosure of insurance contracts within the scope of the standard. Under the Ind AS 117 model, insurance contract liabilities will be calculated as the present value of future insurance cash flows with a provision for risk.

Application of this standard is not expected to have any significant impact on the Company's financial statements.

Amendments to Existing Standards

Ministry of Corporate Affairs has carried out amendments of the following accounting standards:

- 1. Ind AS 103 "Business Combination"
- 2. Ind AS 1 "Presentation of Financial Statements"
- 3. Ind AS 40 "Investment Property"
- 4. Ind AS 8- "Accounting Policies, Changes in Accounting Estimates and Errors"

Effective date for application of this amendment is annual period beginning on or after April 1, 2020.

The company is evaluating the impact of the new amendments issued but not yet effective and its effect on the financial statements of the company.

46. Subsequent Event Disclosure

In March 2020, the World Health Organisation declared COVID 19 to be a pandemic. Consequent to this, Government of India declared a national lockdown on 25 March 2020, which has impacted the business activities of the Industry and accordingly the Company has also assessed the impact that may result from this pandemic on its liquidity position, carrying amounts of receivables, tangible and intangible assets and other assets / liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has considered internal and external information available till the date of approval these financial statements and has assessed its situation.

In that context and based on the current estimates, the Company believes that COVID 19 is not likely to have any material impact on its financial statements, liquidity or ability to service its debt or other obligations. However, the overall economic environment, being uncertain due to COVID 19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at the date of approval of these financial statements. The Company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant periods.

47. Internal Controls

Company does not have any mechanism to close year wise books in its reporting software SAP. Further, management do not possess internal audit report for the period October, 2020 - March, 2020 due to COVID 19.

48. Balance Confirmations

In the process of obtaining balance confirmation and periodic account reconciliation with trade receivables and trade payables as at March 31, 2020, the balances of certain parties under aforesaid heads are subject to reconciliation and review. The impact, if any that may result on reconciliation and review of the balances could not be ascertained.

49. Previous year's figures

These have been regrouped / reclassified where necessary, to confirm to current year's classification.
