## **MANAGEMENT DISCUSSION & ANALYSIS REPORT**

### **I. OVERVIEW**

The objective of this report is to convey the Management's perspective on the external environment and steel industry, as well as strategy, operating and financial performance, material developments in human resources and industrial relations, risks and opportunities, and internal control systems and their adequacy in the Company during the financial year 2021-22. This report should be read in conjunction with the Company's financial statements, the schedules and notes thereto and other information included elsewhere in the Annual Report. The Company's financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') complying with the requirements of the Companies Act, 2013, ('Act') and regulations issued by the Securities and Exchange Board of India ('SEBI'), each as amended from time to time.

### **II. STEEL INDUSTRY 2022**

#### **1. Global Scenario**

Steel demand rose 2.7% in 2021 to 1.83 billion as recovery from the pandemic was stronger than expected in a number of regions, although there had been a sharper-than-anticipated deceleration in China, world steel Economics Committee Chairman Maximo Vadoya said in a statement. For 2022 and 2023, the outlook is highly uncertain. The expectation of a continued and stable recovery from the pandemic has been shaken by the war in Ukraine and rising inflation. It was expected reduced demand growth in 2022 due to impacts from the war in Ukraine, with further downside risks from the continued pandemic, especially in China, and rising interest rates. It is expected the growth to start coming in 2023 and this is on the presumption that the war in Ukraine will come to a conclusion sometime in this year and at least the end of this year we will begin to see a recovery in the steel use in those markets.

The war was most likely to impact Europe due to its reliance on Russian energy and its geographic proximity, but other regions would see less of an impact depending on their direct trade and financial exposures to Russia and Ukraine. In the EU and the UK, steel demand was expected to fall 1.3% in 2022 to 161.5 million mt due the region's high dependence on Russian energy and refugee inflows, although demand was expected to grow 4% in 2023. In the developed world, steel demand was expected to increase by a lower 1.1% in 2022 and 2.4% in 2023, after rising 16.5% in 2021.

There was expected to be a global impact from the war causing continued supply chain disruptions, higher energy and commodity prices, especially for steel raw materials, and financial market volatility and uncertainty undermining investment. The world Steel had said that the geopolitical situation surrounding Ukraine poses significant long-term implications for the global steel industry. Among them are a possible readjustment in global trade flows, a shift in energy trade and its impact on energy transitions, and continued reconfiguration of global supply chains.

It said emerging economies outside of China would face challenges from the worsening external environment, the war, and US monetary tightening, leading to low growth of 0.5% in 2022 to 484.4 million mt and 4.5% in 2023, down from a growth of 10.7% in 2021.

#### **2. Indian Scenario**

In India, the demand for steel is expected to grow by around 10% through 2022 amid the government's continued focus on the construction of roads, railways, ports and airports, according to Moody's Investors Service. On the trade front, India's steel exports will continue to remain strong in the coming months as higher prices and regional demand motivate steel makers to divert part of their production to exports.

Input costs have been on an upswing owing to the Russia-Ukraine war & companies have been wary of the higher raw material costs gnawing into their margins. Steel prices have been no stranger to this phenomenon. The prices of iron ore and coking coal, two key components of producing steel in the commonly-used basic oxygen furnace (BOF) method, have surged recently and are expected to stay elevated as the conflict further tightens supply. Although, the steel makers with higher self-sufficiency in raw Materials are currently better positioned.

### III. INDIAN IRON & STEEL INDUSTRY OVERVIEW

#### Industry Profitability Outlook

Steel continues to be the essential material for newer urban constructions, mobility, and renewable energy infrastructure. Key players in the Indian and global steel industry are today focused on producing value-added steel products, made in the most efficient and responsible ways. The steel industry is poised to benefit from the global spending on infrastructure and the energy transition. The World Steel Association is making notable strides in providing global leadership on all major strategic issues impacting the industry, particularly focusing on economic, environmental, and social sustainability. The future of the Indian steel industry is exciting with a steadily expanding domestic market. During FY 2021-22, Indian steel consumption grew to 106 MnT from the prepandemic level of 100 MnT. Demand is expected to grow at a healthy rate through the current decade. We view the export duties imposed on steel in May 2022 as a short-term headwind, since they have been imposed with the objective of controlling inflation. The Indian government continues to encourage manufacturing-led growth and merchandise exports from India.

The key opportunities for boosting the steel Industry are as follows:

- In January 2021, the Ministry of Steel, Government of India, signed a Memorandum of Cooperation (MoC) with the Ministry of Economy, Trade, and Industry, Government of Japan, to boost the steel sector through joint activities under the framework of India–Japan Steel Dialogue.
- In June 2021, Mr. T.V. Narendran, CII president and MD of Tata Steel, in an interview with The Telegraph, stated that steel companies have firmed their plans to invest ~Rs. 60,000 crore (US\$ 8.09 billion) over the next three years—this was the biggest private sector investment plan announced in recent times.
- In July 2021, the Union Cabinet approved the production-linked incentive (PLI) scheme for specialty steel. The scheme is expected to attract investment worth ~Rs. 400 billion (US\$ 5.37 billion) and expand specialty steel capacity by 25 million tonnes (MT), to 42 MT in FY27, from 18 MT in FY21.
- In October 2021, the government announced guidelines for the approved specialty steel production-linked incentive (PLI) scheme.
- In October 2021, India and Russia signed an MoU to carry out R&D in the steel sector and produce coking coal (used in steel making).

### IV. OPPORTUNITIES AND CHALLENGES

#### Opportunities:

According to CARE Ratings, crude steel production is expected to reach 112-114 MT, an increase of 8-9% YoY, in FY22. This demand will be supported by economic recovery, government spending and enhanced liquidity. The Union Budget 2021-22 has a 34.5% YoY increase in allocation for capex at 5.54 lakh crore (US\$ 74.60 billion). The budget's focus is on creating infrastructure and manufacturing to propel the economy. In addition, enhanced outlays for key sectors such as defense services, railways, and roads, transport, and highways would provide impetus to steel consumption.

The broad contours of the policy are as follows:

- Steel-making capacity is expected to reach 300 million tonnes per annum by 2030–31.
- Crude steel production is expected to reach 255 million tonnes by 2030–31, at 85% capacity utilization.
- Production of finished steel to reach 230 million tonnes, assuming a yield loss of 10% for Conversion of crude steel to finished steel – that is, a conversion ratio of 90%.

- With 24 million tonnes of net exports, consumption is expected to reach 206 million tonnes by 2030–31.
- As a result, per capita steel consumption is anticipated to rise to 160 kg.
- An additional investment of INR 10 lakh crore is envisaged.

While the National Steel Policy, 2017, is a vision document of the Indian government, it nevertheless emphasises the growth potential of the Indian steel industry.

### **Challenges:**

The growth trajectory of the steel industry has its own set of challenges and few challenges faced by the steel industry in India are as follows:

- **Shortage of metallurgical coal:** Although India has huge deposits of high grade iron ore, her coal reserves, especially high-grade coking coal for smelting iron are limited. Many steel plants are forced to import metallurgical coal.
- **Power problems:** The cost of electricity in India is among the highest in the world and on top of that the supply and quality remain uncertain. This has slowed down the progress of steel making in the country.
- **GHG emissions:** The steel industry contributes to roughly 9 percent of the country's total GHG emissions, which is set to increase manifold as the government plans to double India's steel manufacturing capacity to 300 million tonnes per annum (mtpa) by 2030.
- **Low potential utilization:** The potential utilization in iron and steel is very low. Rarely the potential utilisation exceeds 80%. This is caused by several factors, like strikes, lockouts, scarcity of raw materials, energy crisis, inefficient administration, etc.

### **Way forward:**

**Green steel:** It refers to a steelmaking process that lowers greenhouse gas emissions, cuts costs and improves the quality of steel. This can be done through usage of gas in place of coal, recycling steel etc. To move towards 'Green Steel', the Petroleum and Natural Gas Ministry has launched Pradhan Mantri Urja Ganga project in the Eastern India, which can provide gas to all the Steel plants, located in the area.

**Digital disruption:** By leveraging the emerging technologies of fourth industrial revolution, overall efficiency of steel plants can drastically be improved, which will help in reducing costs and increasing profitability across the industry. However, the introduction of new technologies will entail the development of a new talent pool with the requisite skills and the up skilling of the existing workforce.

However, Steel is going to play a stronger role into the future than in the past.

## **V. INITIATIVES TAKEN BY THE COMPANY**

The Company is in continuous pursuit of creating more value for all its stakeholders. The Company's various functional teams have taken some initiatives to not only strengthen its profitability in near future but also gain medium to long-term competitive advantage over its peers. Moreover, the group has taken distributorship for the entire West Bengal to trade Rungta Steel TMT Bars manufactured by Rungta Mines Ltd.

## **SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE**

The Company has no other segments apart from the steel business, details of which have been included in the financial performance. Hence, no separate details on segment-wise or product-wise performance are being reported.

## **RISKS & CONCERNS**

**Here are some of the key risks which could emerge and the corresponding mitigation measures:**

**For the Financial Year ended 31<sup>st</sup> March, 2022**

To,  
The Members,  
**AANCHAL ISPAT LIMITED**  
Mouza- Chamarail National Highway 6  
Liluah, Howrah-711114  
West Bengal

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Aanchal Ispat Limited** (hereinafter called '**the company**'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the company's books, papers, minute books, registers, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31<sup>st</sup> March, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:-

I have examined the books, papers, minute books, registers, forms and returns filed and other records maintained by Aanchal Ispat Limited ("the Company") as given in **Annexure I**, for the financial year ended on 31<sup>st</sup> March, 2022 according to the provisions of: -

- (i) The Companies Act, 2013 ("the Act") and the rules made thereunder including statutory amendments made thereto and modifications thereof for the time being in force;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (**Not Applicable to the company during the audit period**);
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'), to the extent applicable: -
  - (a) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - (b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

- (c) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; **(Not Applicable to the company during the audit period);**
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not Applicable to the company during the audit period);**
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not Applicable to the company during the audit period);**
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not Applicable to the company during the audit period);** and
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018. **(Not Applicable to the company during the audit period);**

I have relied on the representation made by the Company and its Officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company. The sector specific and other list of head/groups of general Acts, Laws, and Regulations as applicable to the Company is given in **Annexure II**.

I have also examined compliance with the applicable clauses of the following:

- (a) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (b) The Listing Agreements entered into by the Company with Bombay Stock Exchange.

I further report that the compliance by the Company of applicable financial laws such as direct and indirect tax laws and maintenance of financial records and books of accounts have not been reviewed in this audit since the same have been subject to review by the statutory financial auditors, tax auditors and other designated professionals.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except to the extent mentioned below: -

Sr. No.	Compliance Requirement	Deviations	Observations/Remarks

## **Independent Auditor's Report**

To the Members of  
**AANCHAL ISPAT LIMITED**

### **Report on the Audit of the Standalone Financial Statements**

We have audited the accompanying standalone financial statement of **AANCHAL ISPAT LIMITED** ("The Company"), which comprises the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss and the statement of cash flows for the year ended on that date, and a summary of significant accounting policies and other explanatory information.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements, give the information required by the Company Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2022; and of the **loss**, its cash flows for the year ended on that date;

### **Basis for opinion**

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Act (SAs). Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the Standalone financial statement section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statement under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements except below:

### **Basis for Qualified opinion**

In the Financial Statements where in management has considered outstanding trade receivables and advance to suppliers of Rs 76,83,60,847/- and Rs 6,23,30,508/- as good and fully recoverable as at the balance sheet date. Out of them Rs 47,16,93,343/- and Rs 3,83,23,665/- respectively for period more than one year. Due to confirmations being not available and pending reconciliation adjustments we are unable to comment on their recoverability of these receivable advance and its consequential effect on these financial statements.

This Matter was also qualified in report on the financial statements for the year ended March 2021.

Management has also provided interest on some debtors amount for Rs 3,97,61,375/- for delayed payment and booked the profit in the financial. But this is not surety to recoverability of amount in the absence of any legal notice and without any written contractual agreement with the respective party and its consequential effect on these financial statement.

However Management have sent account ledger to all debtors and creditor through speed post and mail for confirmation. Various confirmations are yet too received by the management.

### Emphasis of Matter

We draw your attention to Ind AS financial statements that company having relationship with Following Company. Due to confirmations being not available and pending reconciliation adjustments we are unable to comment on their recoverability of these receivable advance and its consequential effect on these financial statements.

Name of the Company	Amount	Remarks
Jagdamba Industries Limited	10,34,914.89 (Receivable)	Non Compliance since 2018
Sri Badrinarain Alloys & Steel Ltd	18,51,91,836.85 (Receivable)	Company in Liquidation.

### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

### Revenue Recognition

See note 1. (V), note 18 to the standalone financial statements

The key audit matter	How the matter was addressed in our audit
We identified revenue recognition as a key audit matter because the Company and its external stakeholders focus on revenue as a key performance indicator..	<p>Our audit procedures in this area included the following :</p> <ol style="list-style-type: none"> <li>1. We assessed the appropriateness of the revenue recognition accounting policies by comparing with applicable accounting standards.</li> <li>2. We evaluated the design of key controls and operating effectiveness of the relevant key controls with respect to revenue recognition on selected transactions.</li> <li>3. We performed substantive testing by selecting samples of revenue transactions,</li> <li>4. We carried out analytical procedures on revenue recognised during the year to identify unusual variances.</li> <li>5. We tested, on a sample basis, specific revenue transactions recorded before and after the financial year end date to determine whether the revenue had been recognised in the appropriate financial period.</li> </ol>

**Related party transactions**

See note 26 to the standalone financial statements

The key audit matter	How the matter was addressed in our audit
<p>We identified the accuracy and completeness of disclosure of related party transactions as set out in respective notes to the standalone Ind AS financial statements as a key audit matter due to:</p> <p>The significance of transactions with related parties during the year ended March 31, 2022. Related party transactions are subject to the compliance requirement under the Companies Act 2013 and SEBI (LODR) 2015..</p>	<p>Our procedures in relation to the disclosure of related party transactions included:</p> <ol style="list-style-type: none"> <li>1. Obtaining an understanding of the Company's policies and procedures in respect of the capturing of related party transactions and how management ensures all transactions and balances with related parties have been disclosed in the standalone Ind AS financial statements.</li> <li>2. Obtaining an understanding of the Company's policies and procedures in respect of evaluating arms-length pricing and approval process by the audit committee and the board of directors.</li> <li>3. Agreeing the amounts disclosed to underlying documentation and reading relevant agreements, evaluation of arms –length, on as ample basis, as part of our evaluation of the disclosure.</li> <li>4. Assessing management evaluation of compliance with the provisions of Section 177 and Section 188 of the companies Act 2013 and SEBI (LODR) 2015.</li> </ol>

**Tax litigations – provisions and contingencies**

See note 27 to the standalone financial statements

The key audit matter	How the matter was addressed in our audit
<p>The Company is involved in several ongoing direct and indirect tax litigations</p> <p>A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.</p> <p>We have identified tax litigations, provisions and contingencies as a key audit matter because it requires the management to make judgements and estimates in relation to the exposure arising out of litigations. The key judgement lies in the estimation of provisions where they may differ from the future obligations. The Company operates under several tax laws and some of these have a significant impact on the financial statements of the Company.</p>	<p>We have applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:</p> <ol style="list-style-type: none"> <li>1. We tested the effectiveness of key controls around the recording and assessment of tax provisions and contingent liabilities.</li> <li>2. We assessed the value of the provisions and contingent liabilities in light of the nature of the exposures, applicable regulations and related correspondences with the authorities.</li> <li>3. We assessed the relevant historical and recent judgments passed by the court authorities.</li> <li>4. Obtained Management's assessment of the open cases and compared to assess the reasonableness of the provision or contingency.</li> <li>5. Considered the adequacy of the Company's disclosures made in relation to taxation related provisions and contingencies in the financial statements.</li> </ol>

**Information other than the financial statements and auditors' report thereon**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the IND AS financial statements and our auditor's report thereon.

Our opinion on the IND AS financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the IND AS financial statement, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Directors report including the annexure to Director's report, Corporate Governance and management Discussion and analysis, If we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA720 The Auditor's responsibility relating to other information.

***Management's Responsibility and Those charged with Governance for the Financial Statement***

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and

prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the IND AS financial statement, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the IND AS financial statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these IND AS financial statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the IND AS financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the IND AS financial statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the IND AS financial statement, including the disclosures, and whether the IND AS financial statement represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the IND AS financial statement of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on the other Legal and regulatory Requirements

**“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of M/s AANCHAL ISPAT LIMITED**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of AANCHAL ISPAT LIMITED (“the Company”) as of March 31, 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

**We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting except note given in Audit Report in opinion paragraph for Sundry debtors and advance.**

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately

and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Basis for Opinion**

According to information and explanation given to us and based on our audit, the following material weakness have been identified in the effectiveness of the Company's internal financial controls over financing reporting as at March 31, 2022:

a) Refer to Note 5 and 9 of the financial statements, in respect of long outstanding overdue trade receivables and advance, whereby evidences of control over monitoring / assessing recoverability of such over dues, including assessment of provision of provision for doubtful trade receivables and advances were not operation effectively. This could potentially result in the company not recognizing a provision for doubtful / old overdue trade receivables.

b) The Company's internal controls over updating the customers/ vendors master data with present addresses wire not operating effectively.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India"

## 1. NOTES AND SIGNIFICANT ACCOUNTING POLICIES

### (I) General Corporate Information

M/s AANCHAL ISPAT LIMITED (the company) is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The shares of the company are listed on Bombay Stock Exchange. The company caters to domestic markets only. The company has been incorporated with the object of manufacturing of Mild Steel TMT Re-bars, Structural Re-bars, Round and other Sectional products.

The Company also engages in trading of Mild Steel Billets, Cement and Clinker and TMT and Structural Re-Bars

### (II) Statement of compliance

Standalone financial statements have been prepared in accordance with accounting principles generally accepted in India including Indian Accounting Standard (Ind AS) prescribed under the section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirement of Division II of Schedule III of the Companies Act 2013, as applicable to standalone financial statement.

### (III) Basis of preparation and presentation

These financial statements of the Company are prepared under the historical cost except for certain financial instruments that are measured at fair value at end of each reporting period. Historical cost is generally based on fair value of the consideration given in exchange for goods and services

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised in to Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability

The Financial Statements is presented in INR and all values are rounded to the nearest lakhs (upto two decimal) except when otherwise stated.

### (IV) Use of Estimates

The preparation of separate financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the separate financial statements and the reported amounts of income and expense for the periods presented. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected. Future results could defer due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

**(V) Revenue Recognition****(i) Sale of goods**

Revenue from the sale of goods is recognised when the goods are delivered and titles have been passed, at which time all the following conditions are satisfied:

- The Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- The Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- The amount of revenue can be measured reliably;
- It is probable that the economic benefits associated with the transaction will flow to the Company; and
- The costs incurred or to be incurred in respect of the transaction can be measured reliably.

**(ii) Dividend and Interest income**

Dividend income is recognised when the company's right to receive dividend is established. Interest income is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate applicable.

**(VI) Foreign currencies**

Transactions in currencies other than entity's functional currency (foreign currency) are recorded at the rates of exchange prevailing on the date of the transaction. Monetary assets and liabilities denominated in foreign currencies remaining unsettled at the end of the each reporting period are re-measured at the rates of exchange prevailing at that date.

**(VII) Employee Benefits**

i) Short-term benefits Short term employee benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.

ii) Defined contribution retirement benefits Payments to defined contribution retirement benefits are recognised as an expense when employees have rendered services entitling them to the contributions. Defined contribution plans are those plans where the Company pays fixed contributions to funds/schemes. Contributions are paid in return for services rendered by the employees during the year. The contributions are expensed as they are incurred in line with the treatment of wages and salaries. The liability as on the balance sheet is ascertained by an independent actuarial valuation.

iii) Defined benefit retirement benefits the cost of providing defined benefit retirement benefits are determined & recognised as per independent actuarial valuations report carried out at the end of each reporting period. The Company provides gratuity to its employees. All actuarial gains or losses are recognised in the statement of profit and loss in the period in which they occur.

**(VIII) Taxation****i) Current tax**

Current tax is payable based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The current tax is calculated using tax rates in accordance with the provisions of the Income Tax Act, 1961.

**ii) Deferred tax**

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right to such set off. Deferred tax assets are reviewed at each Balance Sheet date for their reliability.

### **iii) Minimum alternate tax**

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is recognised as an asset in the balance sheet. When there is convincing evidence that the Company will pay normal income tax during the specified period and it is probable that future economic benefit associated with it will flow to the Company.

### **iii) Current and deferred tax for the year**

Current and deferred tax are recognised in profit or loss, except when they are relating to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

## **(IX) Property, Plant and equipment**

a) Buildings and Roads, Plant and Equipment, Furniture and Fixtures and Vehicles held for use in the production or supply of goods or services, or for administrative purposes are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes purchase cost of materials, including import duties and non-refundable taxes, any directly attributable costs of bringing an asset to the location and condition of its intended use and borrowing costs capitalised in accordance with the Company's accounting policy.

Depreciation is recognised so as to write off the cost of assets (other than properties under construction) less their residual values over the useful lives, using the straight-line method. Depreciation of assets commences when the assets are ready for their intended use. The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any changes is accounted as change in estimate on a prospective basis.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is recognised in the statement of profit and loss.

The Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as of April 1, 2016 measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

## **(X) Intangible assets**

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment (if any) losses. Amortisation is recognised over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate

being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses. Estimated useful lives of the intangible assets are as follows:

An intangible asset is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of intangible assets is recognised in the statement of profit and loss.

The Company has elected to continue with the carrying value of all of its intangible assets recognised as of April 1, 2015 measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

#### **(XI) Impairment of assets**

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased such reversal of impairment loss is recognised in the Statement of Profit and Loss.

#### **(XII) Inventories**

Raw materials, work-in-progress and finished products are valued at lower of cost and net realisable value after providing for obsolescence and other losses, where considered necessary and stores and Spares are valued at cost less write off for obsolescence. Cost includes purchase price, non refundable taxes and duties and other directly attributable costs incurred in bringing the goods to the point of sale. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty. Net realisable value is the price at which the inventories can be realised in the normal course of business after allowing for the cost of conversion from their existing state to a finished condition and for the cost of marketing, selling and distribution.

Stores and spares are valued at cost comprising of purchase price, non refundable taxes and duties and other directly attributable costs after providing for obsolescence and other losses, where considered necessary.

#### **(XIII) Provisions, Contingent liabilities and Contingent assets**

##### **(i) Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. Provisions are not recognised for future operating losses. Provisions are not discounted to their present value are measured at the management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

##### **(ii) Contingent liabilities and assets**

Contingent liability is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or is a present obligation that arises from past events but is not recognised because either it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, or a reliable estimate of the amount of the obligation cannot be made. Contingent liabilities are disclosed and not recognised. In the normal course of business, contingent liabilities may arise from litigation and other claims against the company. There are certain obligations which management has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult

to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings in which the company is involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

#### **(XIV) Foreign exchange gain and losses**

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

#### **(XV) Cash and cash equivalents**

For the purpose of presentation in the statement of cash flows, Cash and cash equivalents includes cash on hand and short term deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

#### **(XVI) Trade and other payables**

These amounts represent liabilities for goods and services received by the Company prior to the end of reporting period which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost.

#### **(XVII) Borrowing costs**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss account.

#### **(XVIII) Earnings per share**

Basic earnings per share are computed by dividing the profit after tax before other comprehensive income by the weighted average number of equity shares outstanding during the financial year. Diluted earnings per share are computed by dividing the profit after tax by the weighted average number of equity and dilutive equity equivalent shares outstanding during the year.

#### **(XIX) Impact of Covid-19(Global Pandemic) on Going Concern**

The company has considered the possible effects that may results from the pandemic relating to Covid-19 in the preparation of these standalone financial statements including the recoverability of carrying amounts of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the company has, at the date of approval of these financial statements, used internal and external sources of information including credit reports and related informations and economic forecasts and expects that the carrying amounts of these assets will be recovered. The impact of Covid-19 on the company financial statements may differ from that estimated as at the date of approval of these standalone financial statements.

#### **(XX) Financial risk management**

##### **i) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The borrowings of the Company are principally denominated in rupees with a mix affixed and floating rates of interest. The Company has exposure to interest rate risk, arising principally on changes in MCLR rate and LIBOR rates. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings.

**If interest rates had been 100 basis points higher / lower and all other variables were held constant, the Company's profit for the year ended 31<sup>st</sup> March 2022 would decrease / increase by Rs 77.91 lakhs ( for the year ended 31<sup>st</sup> March 2021: decrease / increase by Rs 70.81 lakhs). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowings.**

## **ii) Credit risk**

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. The Company has adopted a policy of only dealing with Creditworthy counterparties. Customer credit risk is managed centrally by the Company and subject to established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits defined in accordance with the assessment. Trade receivables consist of a large number of customers spread across diverse industries and geographical areas with no significant concentration of credit risk.

## **iii) Commodity Price risk**

The Company's revenue is exposed to the market risk of price fluctuations related to the sale of its products. Market forces generally determine prices for the Product sold by the Company. These prices may be influenced by factors such as demand and supply, production costs (including the costs of raw material inputs) and global and regional economic conditions and growth. Adverse changes in any of these factors may reduce the revenue that the Company earns from the sale of its products

Members who have not registered their email address are requested to register their e-mail address for receiving all communication including Annual Report, Notices, Circulars, etc. from the Company electronically.
4. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. As this AGM is being held through VC / OAVM, physical attendance of Members has been dispensed with and they can attend the meeting through login credentials provided to them. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form, Attendance Slip and, route map of AGM are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting.
5. Institutional / Corporate shareholders (i.e. other than individuals, HUF, NRI, etc.) are required to send a scanned copy (PDF / JPG Format) of their respective Board or governing body Resolution /Authorization etc., authorizing their representative to attend the AGM through VC / OAVM on their behalf and to vote through remote e-Voting. The said Resolution / Authorization shall be sent to the Scrutinizer by e-mail on its registered e-mail address to [cs@aanchalispac.com](mailto:cs@aanchalispac.com) with a copy marked to [evoting@nsdl.co.in](mailto:evoting@nsdl.co.in).
6. In the case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote during the AGM.
7. Members seeking any information with regard to the financial statements or any matter to be placed at the AGM are requested to write to the Company on or before September 26, 2022, through email at [cs@aanchalispac.com](mailto:cs@aanchalispac.com). The same will be replied to by the Company suitably.

8. The Register of members and the Share Transfer Books of the Company will remain closed from Saturday, September 24, 2022, to Friday, September 30, 2022 (both days inclusive).
9. Members attending the meeting through VC/OAVM shall be counted for the purpose of determining the quorum under Section 103 of the Act.
10. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on a first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
11. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
12. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.

In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at [www.aanchalisapat.com](http://www.aanchalisapat.com).
