THE EXPLANATORY STATEMENT, PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 (THE ACT, 2013) IN RESPECT OF THE SPECIAL BUSINESS TO BE TRANSACTED AT THE ANNUAL GENERAL MEETING:

Item No:3

It is proposed to lease 2.05 acres of land (37.15 grounds, equivalent 89160 Sq.ft) of land owned by the Company, situated in Muthialpet revenue district, at Armenian Street, George Town, Chennai 600001 for a period of 5 years to M/s Artha Trading Company Private Limited, Chennai, **a Company under the Promoters' Group** for a consideration of Rs.10 Lakhs per month (with a Lease Rent Advance of Rs.50 Lakhs repayable on the termination of lease without interest).

The guideline sale value of the said property is Rs.89 Crores and the value of lease fixed of Rs.10 Lakhs per month is at arm length based on the prevalent market rate at the said area and the granting of lease is in the ordinary course of business.

The valuation certificate given by the Registered Valuer for the lease of the said property is available for inspection in the website of the Company at **www.svgml.com.**

The value of lease of Rs.1.2 Crores per annum exceeds 10% of the total turnover of the Company, hence it is a material contract. The proposal was approved by the Audit Committee and the Board of Directors with non-interested directors' presence in their respective meetings held on 11.06.2020.

Pursuant to the provisions Section 188 of the Companies Act, 2013 to read with Rule 15 of Companies (Meeting of Board and its Powers) Rules 2014 and Regulation 23 of SEBI (Listing Obligations & Disclosure Requirement) Regulations, 2015, the transaction comes under the purview of Related Party Transactions, as Sri. M. Ethiraj and Sri. E. Shanmugam are the common directors in S V Global Mill Limited and Artha Trading Private Limited and the said Directors of Artha Trading Private Limited are holding more than 20% of the shareholding in S V Global Mill Limited.

Hence this material related party transaction requires the approval of the shareholders

and related parties will abstain from voting on the resolution.

None of the Directors, Key Managerial Personnel or their relatives are concerned or interested in this resolution except Sri. E. Shanmugam, Sri. M. Ethiraj and Smt. S. Valli.

The non- interested Directors recommend the aforesaid Resolution for the approval by the Members as Ordinary Resolution.

Place: Chennai By Order of The Board Date: 11.06.2020 For S V GLOBAL MILL LIMITED

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ECONOMIC REVIEW

The Indian economy is in limbo due to COVID 19. The ongoing Covid19 pandemic is expected to keep Indian real estate subdued over the next 6-12 months forcing sector entities to contract operations, revisit planned developments, expansions, and investments.

The companies likely to come up with counter strategies to mitigate the impact focusing on cost optimization, liquidity improvement, space design, layout efficiency maximization, re-negotiations of contracts, and calibration of business operating models across the board.

As the situation moves closer to normalization with lockdown easements across India and globally in the medium term, recovery process, according to the firm, will see rapid traction, bringing new opportunities within specific real estate segments.

However, it believes, with staggered revival, the long-term outlook for real estate sector in the coming 18–24 months may likely emerge positive. Albeit social distancing norms and workplace health safety regulations affecting contraction, the the real estate industry's structural transformations will bring forth latent opportunities within untapped real estate segments such as data centers, integrated supply chains, warehousing, self-sustaining industrial parks, design efficiency processes.

"With this recent pandemic outbreak, the real estate sector is likely to be handicapped in the short term, impacting over 250 related industries and economic sectors. Ongoing financial woes as well as an unprecedented global crisis of the pandemic have unsettled the investment climate and almost no industry is insulated from its impact,

In addition to capitalizing on the intervention proposed by the government, the industry should resume operations post lockdown by leveraging technology innovations for enabling employee and consumer health safety standards, design flexibility, cost optimization and consumer engagement, focused localization of supply chains, reorganization of business models, which is likely to revive activity, accelerating Indian real estate's turnaround over the coming 12–18 months.

Pre-Covid19 challenges related to subdued demand and liquidity pressures to continue creating slowdown in sales in the short and medium term. Also, credit crunch is expected to create residential sales contraction; bringing down sales from 4 lakh units in 2019-20 to 2.8 lakh-3 lakh units in 2020-21 across in top 7 cities.

Regulatory support in the form of reducing the number of approvals, reducing the timelines for approvals, reducing fees and premiums, and fiscal support in the in the form of providing additional funding, loosening lending norms, extending repayment schedules, reduction in GST rates, etc. is also required.

BUSINESS OUTLOOK

Passing of RERA had ensured accountability, and transparency in real estate activities and uniformity in real estate practices. With the adoption of innovative technologies

such as artificial intelligence, big data, data science, business process are increasingly

automated and this would in turn help to improve business operations.

Affordable and mid-income housing took centre stage in 2018 will continue to

drive residential housing both in metro and Tier 2 cities. There has been an uptick

of almost 15-20 percent with preference for ready to move in units owing to

RERA and GST benefits. The massive push for improvement in infrastructure by

the Government of India (GOI), including significant capital expenditure for roads,

railways, development of smaller airports and expansion of schools and hospitals

at the outskirts will benefit this segment further. This will provide better

connectivity and have a multiplier effect thereby allowing developers to explore

new projects in the peripheral areas of the cities.

The Logistics & Warehousing sector have gained significant traction this year

after the centre granted infrastructure status to logistics. It is showing a massive

growth owing to large infusion of foreign capital.

Our Company is looking for suitable avenues to identify new projects and

business opportunities. It is waiting for the opportune time as the market is not very clear in respect of the growth. As the political scene getting stabilized, the

market will open for better business opportunities.

AUDITOR'S CERTIFICATE REGARDING COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

To the Members of S V Global Mill Limited

I have examined the compliance of conditions of Corporate Governance by **S V Global Mill Limited** for the year ended 31st March 2020 as stipulated in Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the Management. My examination was limited to a review of the procedures and implementation thereof, adopted by the Company by ensuring the compliance with the conditions of the Corporate Governance as stipulated in the said Regulations. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to us, and based on the representations made by the Directors and the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

I also state that none of the Directors on the Board of the Company have been debarred or disqualified from being appointed or continuing as Director of the Companies by the Board / Ministry of Corporate Affairs or such statutory authority.

I state that such compliance is neither an assurance as to future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Independent Auditor's Report

To the members of S V Global Mill Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of M/s S V Global Mill Limited ("the Company"), which comprise the balance sheet as at 31st March 2020, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to the following matter in the Notes to the statement:

(i). Note No. 31 regarding the non-recognition of additional compensation in the books of accounts due to the pendency of the Special Leave Petition pending before the Hon'ble Supreme Court of India filed against the dismissal of the appeal by the Hon'ble High Court of Karnataka against the order of the II Additional City Civil and

Session Judge in the matter of granting additional compensation in respect of the 3 acres and 16 guntas of land compulsory acquired during the financial year 2013-14 by the Special Land Acquisition Officer, Government of Karnataka

(ii). Note No. 34 regarding, whether the requirement of registration of the Company with Reserve Bank of India u/s 45-I of the RBI Act, 1934 is not ascertainable at this moment.

Our opinion is not modified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The following have been considered as Key Audit Matters:

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the matters included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and in case the material misstatement remains uncorrected suitable action would be resorted to including bring to the attention of the users the matters of such material misstatement.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs

will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in Annexure I a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143 (3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of written representations received from the directors as on March 31, 2020, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of internal financial control systems and the operating effectiveness of such controls, we give our Report in Annexure II
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 31 & 32 to the standalone financial statements;
- ii. The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure – II to Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of S V Global Mill Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

B. Risk Management

(i). Credit Risk

Credit risk primarily arises from cash and cash equivalents, trade receivables and investments carried at amortised cost. The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information.

a) Cash and Cash Equivalents

Credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks with high credit ratings assigned by domestic credit rating agencies.

b) Trade Receivables

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Trade receivables are typically unsecured and are derived from revenue earned from customers primarily located in India. The Company does monitor the economic environment in which it operates. The Company manages its credit risk through credit approvals, establishing credit limits and continuously monitoring credit worthiness of customers to which the Company grants credit terms in the normal course of business.

The Company establishes an allowance for impairment that represents its expected credit losses in respect of trade receivable and other financial assets. The management uses a simplified approach (i.e. based on lifetime ECL) for the purpose of impairment loss allowance, the company estimates amounts based on the business environment in which the Company operates, and management considers that the trade receivables are in default (credit impaired) when counterparty fails to make payments for receivable more than 2 years past due. However the Company

based upon historical experience determine an impairment allowance for loss on receivables.

(ii). Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company believes that its liquidity position, including total cash and cash equivalent and bank balances other than cash and cash equivalent of Rs 27.13 lakh as at 31.03.2020 (Rs. 149.67 lakh as on 31.03.2019), anticipated future internally generated funds from operations, enable it to meet its future known obligations in the ordinary course of business. However, if a liquidity needs were to arise, the Company believes it has access to financing arrangements, value of unencumbered assets, which should enable it to meet its ongoing capital, operating, and other liquidity requirements. The Company will continue to consider various borrowing or leasing options to maximize liquidity and supplement cash requirements as necessary.

The Company's liquidity management process as monitored by management includes the following:

- Day to day funding, managed by monitoring future cash flows to ensure that requirements can be met.
- Maintaining rolling forecasts of the Company's liquidity position on the basis of expected cash flows.

(iii). Market Risk

Market risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: Currency risk and Interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

a) Currency Risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is not exposed to the effects of fluctuation in the prevailing foreign currency exchange

rates on its financial position and cash flows as there is no foreign currency exposure.

b) Interest Rate Risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company has not borrowed any funds from banks/financial institutions/other and thereby there is no foreseeable risk due to change in interest rates

24. Capital Management

For the purpose of the Company's capital management, capital includes issued equity share capital and all other equity reserves attributable to the equity holders of the Company.

The company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Company monitors capital on the basis of the debt to capital ratio, which is calculated as interest-bearing debts divided (total borrowings net of cash and cash equivalents) by Total Equity (equity attributable to owners of the parent plus interest-bearing debts).

Particulars	As on 31.03.2020	As on 31.03.2019
Borrowings	-	-
Less: Cash and Cash Equivalent	-	-
Total Equity	5,892.25	5,938.63
Net Debt Equity Ratio	-	-

Based on the current scenario considering the capital requirement for operation of the company as decided by the management the company has not borrowed any amounts from Banks/Financial Institutions/Others.

27. Capital Advance

Pursuant to the scheme of demerger of erstwhile Binny Limited as approved by the Hon'ble High Court of Madras, the amounts payable by M/s Padmaadevi Sugars Ltd to erstwhile Binny Limited amounting to Rs. 21.34 crore was allocated to S V Global Mill Limited as treated as recoverable from M/s Padmadevi Sugars Ltd.

M/s Padmadevi Sugars Ltd has been referred to the National Company Law Tribunal by its creditors. Considering the proceedings before the NCLT, the management by way of abundant caution during the financial year 2018-19 provided for the entire amount recoverable from M/s Padamadevi Sugars Ltd.

Pending further developments in the matter, the provision is retained at the same level and capital advance is presented net off provision.

28. Exceptional Item

The erstwhile Binny Limited could not operate the Bangalore Wollen, Cotton and Silk Mills, Bangalore and the factory declared a lock out during the period 26.12.1988 to 05.08.1989. Consequently, the dispute regarding wages during lock out period arose and Industrial Tribunal vide I.D. 9/1990 dated 03.11.1990 passed an award against Binny Ltd for payment of wages and other benefits for the lock out period.

Against the order of the Industrial Tribunal, a Writ Appeal was filed before the Hon'ble High Court of Karnataka, by erstwhile M/s Binny Ltd which was dismissed. Against the order of the Hon'ble High Court of Karnataka a Special Leave Petition was filed by erstwhile M/s Binny Ltd before the Hon'ble Supreme Court of India which was also dismissed. Thereafter, the matter was referred back to the Deputy Labour Commissioner (DLC), Division – I, Bangalore for determination settlement payable to the labourers. In the meanwhile, as per the Scheme of demerger approved by the Hon'ble High Court of Madras, M/s. SV Global Mill Ltd has taken over this dispute.

During the financial year 2017-18, the Deputy Labour Commissioner ordered to settle the amounts to the respective labourers covered by the order and accordingly the company has paid an amount of Rs. 15,792 (previous year Rs. 44,19,810) and the same has been treated as Exceptional Item in the Statement of Profit and Loss for the year ended 31st March 2020.

30. Claims not acknowledged as debt

During the financial year 2016-17, the company has received legal notices from various statutory authorities pertaining to the affairs of Binny Limited. As the company is not involved in the allegations/disputes, the company has challenged the issue of notices on M/s. SV Global Mill Limited.

31. Appeal for enhanced compensation on compulsory acquisition

Lands to the extent of 3 acres and 16 guntas was compulsorily acquired during the year 2013-14, by the Special Land Acquisition Officer (SLOA), Government of Karnataka for public purpose. In respect of the compulsory acquisition, the Company during the financial year 2014-15 received compensation under the Right to Fair Compensation & Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (LARR 2013) .

The award was accepted under protest with regard to the determination of market value, the manner and the method of computation of compensation and an application requesting enhancement of compensation was filed.

Upon hearing the protest application, the II-Additional City Civil and Session Judge vide his order dated 29.10.2018 enhanced the compensation from Rs. 4,620 per Sqft to Rs. 8,624 per Sqft along with relevant additional compensation estimated at Rs. 207.76 crore plus interest as applicable. The company approached the Government of Karnataka for the implementation of the Hon'ble Court Order.

In the meanwhile, against order enhancing the compensation for compulsory acquisition, the Government of Karnataka filed an appeal before the Hon'ble High Court of Karnataka. An appeal of the Government of Karnataka against the order of the Civil Court was dismissed by the Hon'ble High Court of Karnataka against which a SLP was

filed before the Hon'ble Supreme Court of India. Pending finality of the matter, the enhanced compensation is not recorded in the books of accounts.

32. Adjudication Proceedings by the Securities Exchange Board of India u/s 23-I of the Securities Contracts (Regulation) Act:

SEBI, based on the complaint filed by certain shareholders initiated adjudication proceedings u/s 23-I of the Securities Contracts (Regulations) Act read with related rules and concluded that the Board during the financial year 2012-13 did not comply with clause 49(1)(D)(i) of the Listing Agreement and levied a penalty of Rs. 5.00 lakh on the Company, Rs. 3.00 lakh on the Chairman of the Company and Rs. 7.00 on the Managing Director of the Company for such non-compliance vide its order 02.03.2020. The company (in order to bring finality to the matter) provided for the penalty of Rs. 5.00 lakh in the books of accounts as at 31st March 2020 and the same was remitted on 08.06.2020.

33. Orders in respect of Compounding of Offence under the Companies Act, 2013

The company filed an application for compounding of offence committed in respect of section 185 of the Companies Act, 2013 relating to certain loans given during the financial year 2014-15.

The Regional Director, (Southern Region), Ministry of Corporate Affairs, Chennai compounded the offence vide its order dated 13.09.2019 by levying a compounding fee of Rs. 5.09 lakh which was duly remitted by the Company.

34. Registration of the Company with Reserve Bank of India u/s 45-IA of the RBI Act, 1934

The financial assets and the financial income of the Company as at 31st March 2020 exceeded 50% of total assets and 50% of the total income respectively thereby resulting in company being required to register itself as an NBFC with RBI u/s 45-IA of the RBI Act, 1934.

Though, a portion of the financial assets was expected to be realised before 31st March 2020, due to the nationwide lockdown announced by the Government of India, the same could not be realised.

Post relaxations and unlocking, the company has realised a portion of the financial assets resulting in the ratio of financial assets to total assets coming down to less than 50% and hence, the company is of the view that the requirement of registration u/s 45-IA of the RBI Act is not required.

35. COVID-19 Impact on the Company

Due to the nationwide lockdown, the offices of the company remained closed during the stipulated period. Post relaxations and unlocking, the operations resumed on a phased manner commencing from 18th May 2020 following all necessary precautions. The major source of revenue being rental and real estate, there was no major impact on the revenue and profitability of the company for the year ended 31.03.2020. The company is a debt free company and relied on its internal accruals for meeting out the day to day obligations for the financial year 2019-20

36. Disclosure as required by Micro, Small and Medium Enterprises Development Act, 2006

The company has not received any information from suppliers regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006 and hence disclosures if any relating to amounts unpaid as at the yearend together with interest paid / payable as required under the said Act have not been made.

1. REPORTING ENTITY

S V Global Mill Ltd (S V Global or the Company) is company registered under the erstwhile Companies Act, 1956 with its registered office at New No. 5/1, Old No. 3/1, 6th Cross Street, CIT Colony, Mylapore, Chennai – 600004 and is also listed with the Bombay Stock Exchange Limited. S V Global is engaged in the business of real estate.

2. BASIS OF PREPARATION

a) Statement of Compliance

The Company adopted the Ind AS in preparation of the financial statements notified by the Ministry of Corporate Affairs vide Notification No. G.S.R. 111(E) dated 16th February 2015 as amended from time to time. Accordingly, the financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as prescribed under section 133 of the Companies Act, 2013 (the "Act"), read together with the Companies (Indian Accounting Standards) Rules, 2015, relevant provisions of the Act and other accounting principles generally accepted in India.

b) Functional Currency

The management has determined the currency of the primary economic environment in which the Company operates i.e., functional currency, to be Indian Rupees (INR). The financial statements are presented in Indian Rupees ('INR') which is the Company's functional currency and presentational currency.

c) Basis of Measurement

The financial statements have been prepared on a historical cost basis, except otherwise stated.

d) Significant Estimates and Judgements

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes, requiring a material adjustment in the carrying amounts of assets or liabilities in the future periods. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

- Estimation of useful life of Property, Plant and Equipment and residual values
- Estimation and evaluation of provisions and contingencies

3. SIGNIFICANT ACCOUTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

3.1. Current and non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- It is held primarily for the purpose of being traded;
- It is expected to be realised within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- It is expected to be settled in the Company's normal operating cycle;
- It is held primarily for the purpose of being traded;
- It is due to be settled within 12 months after the reporting date; or
- There is no an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include the current portion of financial liabilities some part of which may be non-current. All other liabilities are classified as non-current.

Deferred tax assets are classified as non-current assets.

Operating cycle

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of operations and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle being a period of 12 months for the purpose of classification of assets and liabilities as current and non-current.

3.2. Property, Plant and Equipment

Recognition and Measurement

Items of property, plant and equipment are measured at cost, less accumulated depreciation and accumulated impairment losses, if any. Cost of acquisition is inclusive of taxes, duties, freight, installation allocated incidental expenditure during construction / acquisition, borrowing cost and necessary adjustments in the year of final settlement. The cost of Property, Plant and Equipment also includes the present value of obligations arising, if any, from decommissioning, restoration and similar liabilities related to the same. The present value of those costs (decommission and/or restoration costs) is capitalised as an asset and depreciated over the useful life of the asset.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Administration and general overhead expenses attributable to construction of property, plant and equipment incurred till they are ready for their intended use are identified and allocated on a systematic basis to the cost of related assets.

Capital Work-in-Progress

Capital work-in-progress includes assets under construction and cost attributable to construction of assets not ready for use before the year end.

Subsequent Expenditure

Subsequent expenditure are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.

Depreciation

- I. Depreciation is provided on the cost of the property, plant and equipment less their estimated residual values over their estimated useful lives, and is recognized in the Statement of Profit and Loss. The company depreciates property, plant and equipment as per guidance set out in Schedule II of the Companies Act, 2013 on written down value (WDV) method except in respect of the assets mentioned (ii) below
- II. Assets costing up to INR 5,000 are depreciated fully in the year of purchase.
- III. In the year of commissioning/retirement of assets, depreciation is calculated on pro-rata basis, for the period the asset is available for use.

Derecognition

The gain or loss arising from the derecognition of an item of property, plant and equipment is included in the Statement of Profit and Loss.

3.3. Inventories

Land held as Stock-in-Trade for Property Development is stated at lower of cost and net realizable value.

3.4. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Asset

Initial Recognition and Measurement

All financial assets are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial assets are initially measured at fair value plus or minus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset.

Classification

The company classifies its financial assets in the following categories

- Financial Assets at amortized cost
- Financial Assets measured subsequently at fair value (either through other comprehensive income, or through profit or loss)

The classification depends upon the company's business model for managing the financial assets and the contractual cash flows of the financial asset.

Debt Instruments

A financial asset being 'debt instrument' is measured at the amortised cost if both of the following conditions are met:

- The financial asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Assets that do not meet the criteria for amortised cost or Fair Value through Other Comprehensive Income (FVOCI) are measured at Fair Value through Profit or Loss (FVTPL).

Equity Instruments

The Company subsequently measures all investments in equity (except of the subsidiaries/associate) at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss.

Subsequent Measurement

Financial assets at amortised cost: These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses, if any. Interest income and impairment are recognised in the statement of profit and loss.

Financial assets at FVOCI or FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest income, are recognised in OCI or the statement of profit and loss respectively. Dividends/Interest Income from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

Impairment

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL.

For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition, in which case those financial assets are measured at lifetime ECL. The changes (incremental or reversal) in loss allowance computed using ECL model, is recognised as an impairment gain or loss in the statement of profit and loss.

Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately. Where the Company elects to measure FVTPL, changes in the fair value of such financial assets are recognised in the statement of profit and loss.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset. Any gain or loss on derecognition is recognised in the statement of profit and loss.

Financial Liability

Recognition and initial measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are initially measured at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss, transaction costs that are attributable to the liability.

Classification and subsequent measurement

Financial liabilities are classified as measured at amortised cost. Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expenses are recognised in the statement of profit and loss.

Derecognition

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in the statement of profit and loss.

Any gain or loss on derecognition is also recognised in the statement of profit and loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

3.5. Investment in subsidiaries / associates:

Investment in subsidiaries / associates is measured at cost less provision for impairment.

3.6. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

3.7. Impairment of non-financial assets:

The carrying amounts of the Company's non-financial assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the Company estimates the asset's recoverable amount.

Impairment losses are provided for Cash Generating Units (CGU) and also for individual assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount and is recognised in the Statement of Profit & Loss

On review of impairment loss at the end of each reporting period any decrease in or non-existence of impairment loss are recognised

3.8. Prior period items, Accounting estimates and effect of change in Accounting Policy

Prior period errors of material nature, are corrected retrospectively by restating the comparative amounts for the prior period(s) presented in which the error occurred or if the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and equity for the earliest prior period presented.

The effect of change in accounting estimate is recognised prospectively in the Statement of Profit and Loss except where they relate to assets and liabilities, the same is recognised by adjusting the carrying amount of related assets/liability/equity in the period of change.

Changes in accounting policy due to initial application of Ind AS are dealt with in accordance with specific transitional provisions, if any in the Ind AS. In other cases, the changes in accounting policy are recognised retrospectively, the application of such change is limited to the earliest period practicable.

3.9. Events occurring after the balance sheet date

Events occurring after the balance sheet date are those events that occur between the end of the reporting period and the date when the financial statements are approved by the Board of Directors. Such events are disclosed or given effect to in the financial statements as provided for in Ind AS 10.

3.10. Revenue

Revenue is recognized to the extent that it is probable that economic benefits will flow to the company and the revenue can be reliably measured. Revenue from sale is recognized when significant risks and rewards of ownership are transferred to the customers. Revenue is measured at the fair value of the consideration received/receivable net of discounts

Revenue from cancellation of contracts

Revenue from cancellation of contracts in the usual course of real estate business is recognised when the compensation/interest/fee payable to the company is determined and agreed between the parties.

Revenue from Rentals

Revenue includes revenue earned through rental of company's properties invoiced for fixed monthly charges or on time proportionate basis.

Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

Dividend

Dividend income is recognized in the Profit and Loss account when the right to receive the same is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of dividend can be reliably measured.

Others

Sale proceeds of scrap are taken to other non-operating income in the year of disposal.

3.11. Borrowing Costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences in respect of long term foreign currency liabilities of the respective asset to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs (net of interest earned on temporary investments) directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. Interest is computed on weighted average cost of funds deployed.

All other borrowing costs are expensed in the year in which they occur

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

3.12. Income Taxes

Income tax expense comprises current and deferred tax. It is recognized in profit and loss except to the extent that it relates to a business combination, or items recognized directly in equity or in OCI.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax is the best estimate of the tax amount expected to be paid or received that reflects uncertainty related to income taxes, if any. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognized for:

- temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit and loss;
- temporary differences related to investments in subsidiaries to the extent that
 the Company is able to control the timing of the reversal of the temporary
 differences and it is probable that they will not reverse in the foreseeable
 future; and

Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Unrecognized deferred tax assets are reassessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Minimum Alternate Tax

Minimum Alternative Tax ('MAT') expense under the provisions of the Income-tax Act, 1961 is recognised as an asset when it is probable that future economic benefit associated with it in the form of adjustment of future income tax liability, will flow to the Company and the asset can be measured reliably. MAT credit entitlement is set off to the extent allowed in the year in which the Company becomes liable to pay income taxes at the enacted tax rates. MAT credit entitlement is reviewed at each

reporting date and is written down to reflect the amount that is reasonably certain to be set off in future years against the future income tax liability.

3.13. Earnings per Share

The Company presents basic and diluted earnings/ (loss) per share (EPS) data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

3.14. Provisions and Contingencies

Provisions

A provision is recorded when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated. The estimated liability for product warranties is recorded when products are sold based on technical evaluation.

Contingent liabilities

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

Contingent Assets

Contingent assets are neither recognized nor disclosed in the financial statements.

3.15. Segment Reporting

Information reported to the Board of Directors who is chief operating decision maker (CODM) for the purposes of resources allocation and assessment of segment performance focuses on the types of services provided.

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Group's Board of Directors is responsible for the other information. The other information comprises the matters included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated

financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and in case the material misstatement remains uncorrected suitable action would be resorted to including bring to the attention of the users the matters of such material misstatement.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, the consolidated financial performance, the consolidated changes in equity and the consolidated cash flows of the Group including its associates and jointly controlled entities in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible formaintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so

The respective Board of Directors of the companies included in the Group and ofits associates and jointly controlled entities are responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions

may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.

 Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Annexure – I to Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of S V Global Mill Limited (hereinafter referred to as "the Holding Company") and its subsidiary company (the Holding Company and its subsidiary company together referred to as "the Group")as of March 31, 2020 in conjunction with our audit of the consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companyare responsible for establishing and maintaining internal financialcontrols based on the internal control over financial reporting criteriaestablished by the Company considering the essential components of internal control stated inthe Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds anderrors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls overfinancial reporting based on our audit. We conducted our audit in accordance withthe Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribedunder section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, bothissued by the Institute of Chartered Accountants of India. Those Standards and the GuidanceNote require that we comply with ethical requirements and plan and perform the audit toobtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining anunderstanding of internal financial controls over financial reporting, assessing

the risk that amaterial weakness exists, and testing and evaluating the design and operating effectiveness ofinternal control based on the assessed risk. The procedures selected depend on the auditor'sjudgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide basis for our audit opinion on the Company's internal financial controls system overfinancial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to providereasonable assurance regarding the reliability of financial reporting and the preparation offinancial statements for external purposes in accordance with generally accepted accountingprinciples. A company's internal financial control over financial reporting includes those policiesand procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2)provide reasonable assurance that transactions are recorded as necessary to permit preparationof financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance withauthorisations of management and directors of the company; and (3) provide reasonableassurance regarding prevention or timely detection of unauthorised acquisition, use, ordisposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes inconditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary company, have in all material respects, an adequate internal financialcontrols system over financial reporting and such internal financial controls over financialreporting were operating effectively as at March 31, 2020, based on theinternal control over financial reporting criteria established by the Company considering theessential components of internal control stated in the Guidance Note on Audit

of InternalFinancial Controls Over Financial Reporting issued by the Institute of Chartered Accountants ofIndia.

D. Risk Management

(iv). Credit Risk

Credit risk primarily arises from cash and cash equivalents, trade receivables and investments carried atamortised cost. The Group considers the probability of default upon initial recognition of asset andwhether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Group compares the risk of default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information.

c) Cash and Cash Equivalents

Credit risk on cash and cash equivalents is limited as the Group generally invests in deposits with banks with high credit ratings assigned by domestic credit rating agencies.

d) Trade Receivables

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Trade receivables are generally unsecured and secured in respect of receivables under financing activity and are derived from revenue earned from customersprimarily located in India. The Group does monitor the economic environment in whichit operates. The Group manages its credit risk through credit approvals, establishing creditlimits and continuously monitoring credit worthiness of customers to which the Group grants credit terms in the normal course of business. The Group establishes an allowance for impairment that represents its expected creditlosses in respect of trade receivable and other financial assets. The management uses asimplified approach (i.e. based on lifetime ECL) for the purpose of impairment loss allowance,the Group estimates amounts based on the business environment in which the Group operates, and management considers that the trade receivables are in default (credit impaired)when counterparty fails to make payments for receivable more than 2 years past due. Howeverthe Group based upon historical experience determine an impairment allowance for losson receivables.

(v). Liquidity Risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

The Group believes that its liquidity position, including total cash and cash equivalent andbank balances other than cash and cash equivalent of Rs.30.60 lakh as at 31.03.2020 (Rs. 151.25 lakh as on 31.03.2019), anticipated future internallygenerated funds from operations, enable it to meet its future known obligations in the ordinary course of business. However, ifa liquidity needs were to arise, the Group believes it has access to financing arrangements, value of unencumbered assets, which should enable it to meet its ongoing capital, operating, and other liquidity requirements. The Group will continue to consider various borrowing orleasing options to maximize liquidity and supplement cash requirements as necessary.

The Group's liquidity management process as monitored by management includes thefollowing:

- Day to day funding, managed by monitoring future cash flows to ensure that requirementscan be met.
- Maintaining rolling forecasts of the Group's liquidity position on the basis of expected cash flows.

(vi). Market Risk

Market risk is the risk that the future cash flows of a financial instrument will fluctuate becauseof changes in market prices. Market risk comprises two types of risk: Currency risk and Interestrate risk. The objective of market risk management is to manage and control market riskexposures within acceptable parameters, while optimising the return.

c) Currency Risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Group is not exposed to the effects of fluctuation in the prevailing foreign currency exchange rates on its financial position and cash flows as there is no foreign currency exposure.

d) Interest Rate Risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate becauseof changes in market interest rates. The Group has not borrowed any funds from banks/financial institutions/other and thereby there is no foreseeable risk due to change in interest rates

40. Capital Management

For the purpose of the Group's capital management, capital includes issued equity sharecapital and all other equity reserves attributable to the equity holders of the Group.

The Group's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits forother stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, return capitalto shareholders, issue new shares or sell assets to reduce debt.

The Group monitors capital on the basis of the debt to capital ratio, which is calculated asinterest-bearing debts divided (total borrowings net of cash and cash equivalents) by Total Equity (equity attributable to owners of the parent plusinterest-bearing debts).

Particulars	As on 31.03.2020	As on 31.03.2019
Borrowings	-	-
Less: Cash and Cash Equivalent		
Total Equity	6,254.28	6,269.33
Net Debt Equity Ratio	-	-

Based on the current scenario considering the capital requirement for operation of the Group as decided by the management the Group has not borrowed any amounts from Banks/Financial Institutions/Others.

43. Capital Advance

Pursuant to the scheme of demerger of erstwhile Binny Limited as approved by the Hon'ble High Court of Madras, the amounts payable by M/s Padmaadevi Sugars Ltd to erstwhile Binny Limited amounting to Rs. 21.34 crore was allocated to S V Global Mill Limited as treated as recoverable from M/s Padmadevi Sugars Ltd.

M/s Padmadevi Sugars Ltd has been referred to the National Company Law Tribunal by its creditors. Considering the proceedings before the NCLT, the management by way of abundant caution during the financial year 2018-19 provided for the entire amount recoverable from M/s Padamadevi Sugars Ltd.

Pending further developments in the matter, the provision is retained at the same level and capital advance is presented net off provision

44. Exceptional Item

The erstwhile Binny Limited could not operate the Bangalore Wollen, Cotton and Silk Mills, Bangalore and the factory declared a lock out during the period 26.12.1988 to 05.08.1989. Consequently, the dispute regarding wages during lock out period arose and Industrial Tribunal vide I.D. 9/1990 dated 03.11.1990 passed an award against Binny Ltd for payment of wages and other benefits for the lock out period.

Against the order of the Industrial Tribunal, a Writ Appeal was filed before the Hon'ble High Court of Karnataka, by erstwhile M/s Binny Ltd which was dismissed. Against the order of the Hon'ble High Court of Karnataka a Special Leave Petition was filed by erstwhile M/s Binny Ltd before the Hon'ble Supreme Court of India which was also dismissed. Thereafter, the matter was referred back to the Deputy Labour Commissioner (DLC), Division – I, Bangalore for determination settlement payable to the labourers. In the meanwhile, as per the Scheme of demerger approved by the Hon'ble High Court of Madras, M/s. SV Global Mill Ltd has taken over this dispute.

During the financial year 2017-18, the Deputy Labour Commissioner ordered to settle the amounts to the respective labourers covered by the order and accordingly the Group has paid an amount of Rs. 15,792 (previous year Rs.44,19,810) and the same has been treated as Exceptional Item in the Statement of Profit and Loss for the year ended 31st March 2020.

Out of the total payable of Rs. 5,68,42,280 as result of the order, the company has settled an amount of Rs. 2,72,29,436 till 31st March 2020. The balance amount of Rs. 2,96,12,844 is expected to be settled as and when the claim is lodged by those entitled to it.

45. Claims not acknowledged as debt

During the financial year 2016-17, the Group has received legal notices from various statutory authorities pertaining to the affairs of Binny Limited. As the Group is not involved in the allegations/disputes, the Grouphas challenged the issue of notices on M/s. SV Global Mill Limited.

47. Appeal for enhanced compensation on compulsory acquisition

Lands to the extent of 3 acres and 16 guntas was acquired during the year 2013-14, by Government of Karnataka for public purpose for which the Group received compensation under the Right to Fair Compensation & Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (LARR 2013).

The award was accepted under protest with regard to the determination of market value, the manner and the method of computation of compensation and an application requesting enhancement of compensation was filed.

Upon hearing the protest application, the II-Additional City Civil and Session Judge vide his order dated 29.10.2018 enhanced the compensation from Rs. 4,620 per Sqft to Rs. 8,624 per Sqft along with relevant additional compensation estimated at Rs. 207.76

crore plus interest as applicable. The company approached the Government of Karnataka for the implementation of the Hon'ble Court Order.

In the meanwhile, against order enhancing the compensation for compulsory acquisition, the Government of Karnataka filed an appeal before the Hon'ble High Court of Karnataka. An appeal of the Government of Karnataka against the order of the Civil Court was dismissed by the Hon'ble High Court of Karnataka against which a SLP was filed before the Hon'ble Supreme Court of India. Pending finality of the matter, the enhanced compensation is not recorded in the books of accounts.

48. Adjudication Proceedings by the Securities Exchange Board of India u/s 23-I of the Securities Contracts (Regulation) Act:

SEBI, based on the complaint filed by certain shareholders initiated adjudication proceedings u/s 23-I of the Securities Contracts (Regulations) Act read with related rules and concluded that the Board during the financial year 2012-13 did not comply with clause 49(1)(D)(i) of the Listing Agreement and levied a penalty of Rs. 5.00 lakh on the Company, Rs. 3.00 lakh on the Chairman of the Company and Rs. 7.00 on the Managing Director of the Company for such non-compliance vide its order 02.03.2020. The company (in order to bring finality to the matter) provided for the penalty of Rs. 5.00 lakh in the books of accounts as at 31st March 2020 and the same was remitted on 08.06.2020.

49. Orders in respect of Compounding of Offence under the Companies Act, 2013

The company filed an application for compounding of offence committed in respect of section 185 of the Companies Act, 2013 relating to certain loans given during the financial year 2014-15.

The Regional Director, (Southern Region), Ministry of Corporate Affairs, Chennai compounded the offence vide its order dated 13.09.2019 by levying a compounding fee of Rs. 5.09 lakh which was duly remitted by the Company.

50. Registration of the Company with Reserve Bank of India u/s 45-IA of the RBI Act, 1934

The financial assets and the financial income of the Company as at 31stMarch 2020 exceeded 50% of total assets and 50% of the total income respectively thereby resulting in company being required to register itself as an NBFC with RBI u/s 45-IA of the RBI Act, 1934.

Though, a portion of the financial assets was expected to be realised before 31st March 2020, due to the nationwide lockdown announced by the Government of India, the same could not be realised.

Post relaxations and unlocking, the company has realised a portion of the financial assets resulting in the ratio of financial assets to total assets coming down to less than 50% and hence, the company is of the view that the requirement of registration u/s 45-IA of the RBI Act is not required.

51. Disclosure as required by Micro, Small and Medium Enterprises Development Act, 2006

The Group has not received any information from suppliers regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006 and hence disclosures if any relating to amounts unpaid as at the yearend together with interest paid / payable as required under the said Act have not been made.

52. COVID – 19 Impact on the Company

Due to the nationwide lockdown, the offices of the company remained closed during the stipulated period. Post relaxations and unlocking, the operations resumed on a phased manner commencing from 18th May 2020 following all necessary precautions. The major source of revenue being rental and real estate, there was no major impact on the revenue and profitability of the company for the year ended 31.03.2020. The company is a debt free company and relied on its internal accruals for meeting out the day to day obligations for the financial year 2019-20

1. Principles of Consolidation

The Consolidated Financial Statements of the Group are prepared in accordance with Indian Accounting Standard ('Ind AS') 110 "Consolidated Financial Statements"

The Financial statements of the Company (SV Global) and its subsidiaries have been combined on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra group balances and intra group transactions and adopting uniform accounting policies. The Financial Statements of the jointly controlled entity are proportionately consolidated. The share of interest in each item of Balance Sheet and Statement of Profit and Loss is separately shown.

2. REPORTING ENTITY

S V Global Mill Limited (S V Global or the holding Company) is company registered under the erstwhile Companies Act, 1956 with its registered office at New No. 5/1, Old No. 3/1, 6th Cross Street, CIT Colony, Mylapore, Chennai – 600004 and is also listed with the Bombay Stock Exchange Limited. S V Global is engaged in the business of real estate.

S V Global Finance Private Limited (SVGFPL or the subsidiary Company) is company registered under the erstwhile Companies Act, 1956 with its registered office at New No. 5/1, Old No. 3/1, 6th Cross Street, CIT Colony, Mylapore, Chennai — 600004. The Company is registered with Reserve Bank of India as a 'Non-Banking Finance Company under the category Non Deposit Taking NBFC — Loan Company' and the Company follows the directions prescribed by the Reserve Bank of India for Non-Banking Financial Companies with respect to Income Recognition, Asset Classification, Provisioning norms.

The above entities are jointly referred as the Group for the purpose of reporting.

3. Basis of Consolidation

The Consolidated Financial Statement comprises the financial statements of the Company and its subsidiaries as at 31st March, 2020. Subsidiaries are entities controlled by the Company. The Company controls an entity when it is exposed to, or has right to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the Consolidated Financial Statement from the date on which control commences until the date on which control ceases.

Non-controlling interest (NCI) are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition.

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions, are eliminated. Unrealised gains arising from transactions with equity accounted investees are eliminated against the investment to the extent of the Company's interest in the investee, Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment

4. BASIS OF PREPARATION

a) Statement of Compliance

The Group adopted the Ind AS in preparation of the financial statements notified by the Ministry of Corporate Affairs vide Notification No. G.S.R. 111(E) dated 16thFebruary 2015 as amended from time to time. Accordingly, the financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as prescribed under section 133 of theCompanies Act, 2013 (the "Act"), read together with the Companies (Indian Accounting Standards) Rules, 2015, relevant provisions of the Act andother accounting principles generally accepted in India.

b) Functional Currency

The management has determined the currency of the primary economicenvironment in which the Group operates i.e., functional currency, to be Indian Rupees (INR). The financial statements are presented in Indian Rupees ('INR') which is the Group's functional currency and presentational currency.

c) Basis of Measurement

The financial statements have been prepared on a historical cost basis, except otherwise stated.

d) Significant Estimates and Judgements

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes, requiring a material adjustment in the carrying amounts of assets or liabilities in the future periods. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

- Estimation of useful life of Property, Plant and Equipment and residual values
- Estimation and evaluation of provisions and contingencies

5. SIGNIFICANT ACCOUTING POLICIES

The accounting policies set out below have been applied consistently to all periodspresented in these financial statements.

5.1. Current and non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realised in, or is intended for sale or consumption in, the Group's normal operating cycle;
- It is held primarily for the purpose of being traded;
- It is expected to be realised within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assetsare classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- It is expected to be settled in the Group's normal operating cycle;
- It is held primarily for the purpose of being traded;
- It is due to be settled within 12 months after the reporting date; or
- There is no an unconditional right to defer settlement of theliability for at least 12 months after the reporting period. Terms of a liability thatcould, at the option of the counterparty, result in its settlement by the issue of equityinstruments do not affect its classification.

Current liabilities include the current portion of financial liabilities some part of whichmay be non-current. All other liabilities are classified as non-current.

Deferred tax assets are classified as non-current assets.

Operating cycle

The operating cycle is the time between the acquisition of assets for processing and theirrealisation in cash or cash equivalents. Based on the nature of operations and the timebetween the acquisition of assets for processing and their realization in cash and cashequivalents, the Group has ascertained its operating cycle being a period of 12 monthsfor the purpose of classification of assets and liabilities as current and non-current.

5.2. Property, Plant and Equipment

Recognition and Measurement

Items of property, plant and equipment are measured at cost, less accumulated depreciation and accumulated impairment losses, if any. Cost of acquisition is inclusive of taxes, duties, freight, installation allocated incidental expenditure during construction / acquisition, borrowing cost and necessary adjustments in the year of final settlement. The cost of Property, Plant and Equipment also includes the present value of obligations arising, if any, from decommissioning, restoration and similar liabilities related to the same. The present value of those costs (decommission and/or restoration costs) is capitalised as an asset and depreciated over the useful life of the asset.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable tobringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which itis located.

If significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Administration and general overhead expenses attributable to construction of property, plant and equipment incurred till they are ready for their intended use are identified and allocated on a systematic basis to the cost of related assets.

Capital Work-in-Progress

Capital work-in-progress includes assets under construction and costattributable to construction of assets not ready for use before the year end.

Subsequent Expenditure

Subsequent expenditure are included in the asset's carrying amount orrecognised as a separate asset, as appropriate, only when it is probable thatfuture economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of anycomponent accounted for as a separate asset is derecognised when replaced.

Depreciation

- IV. Depreciation is provided on the cost of the property, plant and equipment less their estimated residual values over their estimated useful lives, and is recognized in the Statement of Profit and Loss. The Group depreciates property, plant and equipment as perguidance set out in Schedule II of the Companies Act, 2013 on writtendown value (WDV) method except in respect of the assets mentioned (ii) below
- V. Assets costing up to INR 5,000 are depreciated fully in the year ofpurchase.
- VI. In the year of commissioning/retirement of assets, depreciation is calculated on pro-rata basis, for the period the asset is available for use.

Derecognition

The gain or loss arising from the derecognition of an item of property, plant and equipment is included in the Statement of Profit and Loss.

5.3. Inventories

Land held as Stock-in-Trade for Property Development is stated at lower of cost and net realizable value.

5.4. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entityand a financial liability or equity instrument of another entity.

Financial Asset

Initial Recognition and Measurement

All financial assets are initially recognized when the Group becomes a partyto the contractual provisions of the instrument. All financial assets are initially measured at

fair value plus or minus, in the case of financial assets not recorded at fair valuethrough profit or loss, transaction costs that are directly attributable to the acquisition of thefinancial asset.

Classification

The Group classifies its financial assets in the following categories

- Financial Assets at amortised cost
- Financial Assets measured subsequently at fair value (either through other comprehensive income, or throughprofit or loss)

The classification depends upon the Group's business model for managing the financial assetsand the contractual cash flows of the financial asset.

Debt Instruments

A financial asset being 'debt instrument' is measured at the amortised cost if both ofthe following conditions are met:

- The financial asset is held within a business model whose objective is to holdassets for collecting contractual cash flows, and
- The contractual terms of the financial asset give rise on specified dates to cashflows that are solely payments of principal and interest on the principalamount outstanding.

Assets that do not meet the criteria for amortised cost or Fair Valuethrough Other Comprehensive Income(FVOCI) are measured at Fair Value through Profit or Loss (FVTPL).

Equity Instruments

The Group subsequently measures all investments in equity (except of the subsidiaries/associate) at fairvalue. Where the Group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss.

Subsequent Measurement

Financial assets at amortised cost: These assets are subsequently measured atamortised cost using the effective interest method. The amortised cost is

reducedby impairment losses, if any. Interest income and impairment are recognised in the statement of profit and loss.

Financial assets at FVOCI or FVTPL: These assets are subsequently measured at fair value. Netgains and losses, including any interest income, are recognised in OCI or the statement ofprofit and loss respectively. Dividends/Interest Income from such investments are recognised in profit or loss as other income when the Group's rightto receive payments is established.

Impairment

The Group recognizes loss allowances using the Expected Credit Loss (ECL)model for the financial assets which are not fair valued through profit or loss.

Lossallowance for trade receivables with no significant financing component is measuredat an amount equal to lifetime ECL.

For all other financial assets, expected creditlosses are measured at an amount equal to the 12-month ECL, unless there has been significant increase in credit risk from initial recognition, in which case thosefinancial assets are measured at lifetime ECL. The changes (incremental or reversal)in loss allowance computed using ECL model, is recognised as an impairment gainor loss in the statement of profit and loss.

Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reportedseparately. Where the Group elects to measure FVTPL, changes in the fair value of such financial assets are recognised in the statement of profit and loss.

Derecognition

The Groupderecognises a financial asset when the contractual rights to thecash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownershipand it does not retain control of the financial asset. Any gain or loss on derecognitionis recognised in the statement of profit and loss.

Financial Liability

Recognition and initial measurement

All financial liabilities are initially recognised when the Group becomes a partyto the contractual provisions of the instrument. All financial liabilities are initially measured at fair value minus, in the case of financial liabilities not recorded at fairvalue through profit or loss, transaction costs that are attributable to the liability.

Classification and subsequent measurement

Financial liabilities are classified as measured at amortised cost. Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expenses are recognised in the statement of profit and loss.

Derecognition

The Groupderecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in the statement of profit and loss.

Any gain or loss on derecognition is also recognised in the statement of profit andloss.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a netbasis or to realise the assets and settle the liabilities simultaneously.

5.5. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

5.6. Impairment of non-financial assets:

The carrying amounts of the Group's non-financial assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the Group estimates the asset's recoverable amount.

Impairment losses are provided for Cash Generating Units (CGU) and also for individual assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and iswritten down to its recoverable amount and is recognised in the Statement of Profit & Loss

On review of impairment loss at the end of each reporting period any decrease in or non-existence of impairment loss are recognised

5.7. Prior period items, Accounting estimates and effect of change in Accounting Policy

Prior period errors of material nature, are corrected retrospectively by restating the comparative amounts for the prior period(s) presented in which the error occurred or if the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and equity for the earliest prior period presented.

The effect of change in accounting estimate is recognised prospectively in the Statement of Profit and Loss except where they relate to assets and liabilities, the same is recognised by adjusting the carrying amount of related assets/liability/equity in the period of change.

Changes in accounting policy due to initial application of Ind AS are dealt with in accordance with specific transitional provisions, if any in the Ind AS. In other cases, the changes in accounting policy are recognised retrospectively, the application of such change is limited to the earliest period practicable.

5.8. Events occurring after the balance sheet date

Events occurring after the balance sheet date are those events that occur between the end of the reporting period and the date when the financial statements are approved by the Board of Directors. Such events are disclosed or given effect to in the financial statements as provided for in Ind AS 10.

5.9. Revenue

Revenue is recognized to the extent that it is probable that economic benefits will flow to the Group and the revenue can be reliably measured. Revenue from sale is recognized when significant risks and rewards of ownership are transferred to the customers. Revenue ismeasured at the fair value of the consideration received/receivable net of discounts

Revenue from cancellation of contracts

Revenue from cancellation of contracts in the usual course of real estate business is recognised when the compensation/interest/fee payable to the Group is determined and agreed between the parties.

Revenue from Rentals

Revenue includes revenue earned through rental of Group's properties invoiced for fixed monthly charges or time proportionate basis.

Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interestrate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial assetto the gross carrying value of a financial asset. While calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

Dividend

Dividend income is recognized in the Profit and Loss account when the right to receive the same is established, it is probable thatthe economic benefits associated with the dividend will flow to the Group, and the amount of dividend can be reliably measured.

Others

Sale proceeds of scrap are taken intoother non-operating income in the year of disposal.

5.10. Borrowing Costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences in respect of long term foreign currency liabilities of the respective asset to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs (net of interest earned on temporary investments) directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. Interest is computed on weighted average cost of funds deployed.

All other borrowing costs are expensed in the year in which they occur

Investment income earned on the temporary investment of specific borrowingspending their expenditure on qualifying assets is deducted from the borrowing costseligible for capitalisation.

5.11. Income Taxes

Income tax expense comprises current and deferred tax. It is recognized in profit and loss except to the extent that it relates to a business combination, or items recognized directly in equity or in OCI.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax is the best estimate of the tax amount expected to be paid or received that reflects uncertainty related to income taxes, if any. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legallyenforceable right to set off the recognised amounts, and it is intended to realise theasset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognized for:

- temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit and loss;
- temporary differences related to investments in subsidiaries to the extent that the Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and

Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longerprobable that the related tax benefit will be realised; such reductions are reversedwhen the probability of future taxable profits improves.

Unrecognized deferred tax assets are reassessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

Deferred tax assets and liabilities are offset if there is a legally enforceable right tooffset current tax liabilities and assets, and they relate to income taxes levied by thesame tax authority, but they intend to settle current tax liabilities and assets on a netbasis or their tax assets and liabilities will be realised simultaneously.

Minimum Alternate Tax

Minimum Alternative Tax ('MAT') expense under the provisions of the Income-taxAct, 1961 is recognised as an asset when it is probable that future economic benefitassociated with it in the form of adjustment of future income tax liability, will flowto the Group and the asset can be measured reliably. MAT credit entitlement set off to the extent allowed in the year in which the Group becomes liableto pay income taxes at the enacted tax rates. MAT credit entitlement is reviewedat each reporting date and is written down to reflect the amount that is reasonablycertain to be set off in future years against the future income tax liability.

5.12. Earnings per Share

The Group presents basic and diluted earnings/ (loss) per share (EPS) data forits equity shares. Basic EPS is calculated by dividing the profit or loss attributableto

equity shareholders of the Group by the weighted average number of equityshares outstanding during the year.

5.13. Provisions and Contingencies

Provisions

A provision is recorded when the Group has a present legal or constructive obligation as a result of pastevents, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated. The estimated liability for product warranties is recorded when products are sold based ontechnical evaluation.

Contingent liabilities

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed onlyby the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of theentity or a present obligation that arises from past events but is not recognised because (a) it is not probable thatan outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability. Show cause notices are not considered as ContingentLiabilities unless converted into demand.

Contingent Assets

Contingent assets are neither recognized nor disclosed in the financial statements.

5.14. Segment Reporting

Information reported to the Board of Directors who is chief operating decisionmaker (CODM) for the purposes of resources allocation and assessment of segmentperformance focuses on the types of services provided.

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief OperatingDecision Maker.

5.15. Leases

Determination whether an arrangement contains a lease

The determination of whether an arrangement is, or contains, a lease is based on the substance of an arrangement at inception date: whether fulfillment of

thearrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset, even if that right is not explicitly specified in anarrangement.

At inception or on reassessment of the arrangement that contains a lease, thepayments and other consideration required by such an arrangement are separatedinto those for the lease and those for other elements on the basis of their relative fairvalues.

Where the Group is the lessee

Leases in which a significant portion of the risks and rewards of ownership are nottransferred to the Group as lessee are classified as operating leases. Paymentsmade under operating leases (net of any incentives received from the lessor) are charged to the statement of profit and loss on a straight-line basis over the periodof the lease unless the payments are structured to increase in line with expectedgeneral inflation to compensate for the lessor's expected inflationary cost increases.

Lease of property, plant and equipment where the Group, as lessee, hassubstantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leasedproperty or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowingsor other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the statement of profitand loss over the lease period so as to produce a constant periodic rate of intereston the remaining balance of the liability for each period. Property, Plantand Equipment acquired under finance leases is depreciated over the asset's useful life or over the shorter of theasset's useful life and the lease term, if there is no reasonable certainty that the Group will obtain ownership at theend of the lease term.

Where the Group is the lessor

Leases in which the Group does not transfer substantially all the risks and rewardsincidental to ownership of the asset are classified as operating leases. Lease income from operating leases where the Group is a lessor is recognised in income on astraight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationarycost increases. The respective leased assets are included in the Balance Sheet basedon their nature.
