#### **Disclaimer**

This report contains forward-looking statements, which may be identified by their use of words like 'plans', 'expects', 'will', 'anticipates', 'believes', 'intends', 'projects', 'estimates', or other words of similar meaning. All statements that address expectations or projections about the future, including but not limited to statements about the Company's strategy for growth, product development, market position, expenditures, and financial results are forward-looking statements. Forward-looking statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company's actual results, performance or achievements could thus differ materially from those projected in any such forward looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events.

The Company may alter, modify or otherwise change in any manner the content of this report, without obligation to notify any person of such revision or changes. This report cannot be copied and/or disseminated in any manner.

The Company has assessed the impact of the countrywide lockdown imposed to curtail spread of COVID-19 pandemic, on its business operations and financial status and has considered all relevant information available up to the date of approval of financial results, in determination of the recoverability and carrying value of its financial assets and non-financial assets. The impact of COVID-19 pandemic and consequent global slowdown of business and uncertain overall economic environment may affect the underlying assumptions and estimates used to prepare the Company's financial results, whereby actual outcome may differ from those assumptions and estimates considered as at the date of approval of these financial results.
