4. Members will be eligible to participate on first come first serve basis, as participation through VC is limited and will be closed on expiry of 15 minutes from the scheduled time of the AGM. Members can login and join 15 (fifteen) minutes prior to the scheduled time of the meeting and window for joining shall be kept open till the expiry of 15 (fifteen) minutes after the scheduled time.
5. Members who wish to raise queries/ questions shall send an email with the query/ questions at cs@fazethree.com along-with their name, demat account number/folio number, at least 48 hours before the AGM scheduled time. The same will be addressed to and answered by the Company representative at the AGM.
6. Corporate members are requested to send at rnt.helpdesk@linkintime.co.in or sanjayrd65@gmail.com before e-voting/ attending Annual General Meeting, a duly certified copy of the Board Resolution authorizing their representative to attend and vote at the Annual General Meeting, pursuant to Section 113 of the Companies Act, 2013.
7. The Register of Members and Share transfer books of the Company will remain closed from Tuesday, August 03, 2021 to Monday, August 09, 2021, both days inclusive.

8. Shareholders holding shares in identical order of names in more than one folio, are requested to write to the Company or to the office of the Registrar & Share Transfer Agent, M/s. Link Intime India Private Limited, C 101, 247 Park, LBS Marg, Vikhroli West, 400 083 (RTA) enclosing their share certificate(s) to enable the Company to consolidate their holdings in one single folio.
9. Members holding shares in physical form are requested to notify immediately any change in their address/ mandate/ bank details to the Company or to the office of the RTA, quoting the folio number. The Members updation form is available on the website of the Company.
10. Pursuant to the provisions of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('The Rules') notified by the Ministry of Corporate Affairs effective September 7, 2016, all shares in respect of which dividend has not been paid or claimed by the shareholders for seven consecutive years or more are to be transferred to the Investor Education and Protection Fund (IEPF) Suspense Account. As on the date of this notice, the Company has no such shares on which dividend has not been claimed or paid for a consecutive period of seven years.
11. In accordance with, the General Circular No. 20/2020 dated 5th May, 2020 issued by MCA and Circular No. SEBI/HO/CFD/ CMD2/CIR/P/2021/11 dated 15th January, 2021 issued by SEBI, the Notice of AGM and Annual Report are being sent in electronic mode to Members whose e-mail address is registered with the Company or the Depository Participant(s). Members (Physical / Demat) who have not registered their email addresses with the company can get the same registered with the company by requesting in member updation form by sending an email to rnt.helpdesk@linkintime.co.in or cs@fazethree.com. Upon receipt of the member updation form, please submit the duly filled and signed member updation form to the abovementioned email ids. Post verification of the Form the email id will be registered with the Company.
12. The Register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013 and all other documents referred to in the Notice will be available for inspection in electronic mode. Members can inspect the same by sending an email to cs@fazethree.com.
13. Pursuant to Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended and Regulation 44 of Listing Regulations, the Company is pleased to provide the facility to the Members to exercise their right to vote on the resolutions proposed to be passed at the AGM by electronic means. The Members, whose names appear in the Register of Members / list of Beneficial Owners as on August 02, 2021, i.e. the date prior to the commencement of book closure, being the cut-off date, are entitled to vote on the Resolutions set forth in this Notice. Members may cast their votes on electronic voting system from any place other than the venue of the meeting (remote e-voting). The remote e-voting period will commence at 9.00 Hours (IST) on Friday, August 06, 2021 and will end at 17.00 Hours (IST) on Sunday, August 08, 2021.
14. Members who are present in meeting through video conferencing facility and have not casted their vote on resolutions through remote e-voting, shall be allowed to vote through e-voting system during the meeting.

Management Discussion and Analysis Report

Management Discussion and Analysis Report for the financial year under review as stipulated in Regulation 34 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

ECONOMY AND OUTLOOK

India's GDP is rebounding in FY 22 from contraction in FY 21 due to COVID crises. The sectoral recovery story is not uniform, overall, FY 22 is expected to be much better than FY 21 for all sectors. Exports sector catering to USA, UK & Europe did very well in H2 of FY 21 owing to pent up demand and supply chain disruption from China. Western Governments and Central banks have coordinated fiscal and monetary measures of unprecedented magnitude to ensure that demand is not destroyed and businesses are not shut down. Also unemployment benefits have been generous. The aforesaid has contributed to robust exports demand and the trend is accelerating in FY 22.

Domestically agriculture, infrastructure and essential good have grown with support from government. Commodity prices viz Steel, Crude, Cement, Cotton, etc. are at multi-year highs posing risk to pace of recovery. However jury is still out on whether this is temporary supply chain disruption and will stabilize over medium term or otherwise. Indian economy by and large has been robust except travel, tourism, hospitality, etc. sector which has acute stress and needs urgent attention. Availability of labor / talent is back to normal as vaccination rate improves. Last 12-15 months have seen huge foreign inflows in new generation technology businesses and manufacturing set ups. China plus One initiative has accelerated a tangible move across sectors into India. Global companies have preferred India over other South Asian peers owing to stable government, size of economy, availability of talent, incentives / policies, lower income tax rates, etc.

India is seeing a paradigm shift in business moving from informal sector to formal sector on the supply side. This shift comes with its share of stress in the informal sector as India has for long relied on its informal economy however one can expect this shift to be long term structurally positive for the economy.

The equity markets have been buoyant tracking its global peers. The increase in retail participation across the globe has grown ~2-3x of pre-covid times. Banking credit have been adequate and timely with support from governments is aiding businesses. However, going forward Businesses should budget a higher rate and tighter credit given the inflation risk on the horizon.

Overall India is in a bright spot to benefit from global recovery and enjoys patronage from global investors and companies as a preferred partner. Locally demand is picking up and stable government in its second term is expected to accelerate growth engine while keeping worries on fiscal and inflation as second priorities. The Reserve bank under the current governor has done a phenomenal navigation under this crises on Financial Stability, Interest Rates, Policies and exchange. India's exchange reserves are over \$ 600 Bn and provide confidence to Western governments / investors on India's stability.

TEXTILE INDUSTRY

India is leading exporter of textiles and clothing after China. Increased penetration of organized retail, favorable demographics, and rising income level are likely to drive demand for textiles. Superior quality and ample availability of Cotton and Polyester makes companies in India a leader in exports – almost two-third of India's export of textiles is to US and UK. Indian products have gained a significant market share in global home textiles in the past few years.

India is the second largest exporter of Textile and Apparel Exporters ("T&A") after China. Vietnam, Bangladesh, Germany & Italy are in close proximity around ~40 Bln per annum each with India versus ~\$135 Bln from China. However China is no longer the competitive manufacturing destination as it was in previous decade. Furthermore, Ongoing Trade issues between US-China from 2018 leading to higher tariffs and China Plus One initiative have accelerated the movement of business out of China into India, Vietnam, Bangladesh, etc. It is expected that India will be main beneficiary for the Textile sector given the availability of factors of production and right government policies on Textiles.

On the organized retail front under Home Textiles category, India is already a leading exporter of sheets and towels to USA, UK & Europe region. Whereas in other products like Technical textiles, floor coverings, etc., China is estimated to be at least 10x of India's share until recently. There is a tangible shift in demand in this sector similar to sheets and towels in the previous decade. Existing manufacturing set-ups in India with ongoing business with organized retail will greatly benefit from this movement.

FAZE THREE LIMITED – COMPANY OVERVIEW

Faze Three Limited (hereinafter referred to as FTL) is engaged in manufacturing and export of superior quality high-end Home Textile products supplying to top retailers across the globe. Awards and Ratings

- The company was recognized as one of the leading Mid-Corporates in India - 2020 by Dun and Bradstreet's premier publication released on 25th November 2020.
- The Company was awarded the Dun & Bradstreet - RBL Bank SME Business Excellence Awards 2019 in the Mid-Corporate Segment for excellence in the Textile Sector.
- The Credit Rating of the Company was re-affirmed to CARE BBB+; Stable/CARE A3+ (in July 2020).

Products

The Company has a diversified product basket which includes cotton and rubber backed bathmats, blankets, durries, throws, hand tufted carpets and rugs made of cotton and wool, cushion covers, curtains as well as poly cotton and cotton mask, table covers, amongst many others under the technical textiles ambit.

Geographic distribution

Majority (~90%) of Revenue is derived from direct exports to organized retail in USA, UK and Europe region, of which USA ranges from 55-65%.

SWOT ANALYSIS

The core strengths of the Company are its long track record of business with existing customers, in-house design and development pedigree, extensive experience of the management team, global benchmarked Manufacturing facilities / Infrastructure, etc. Diversified product portfolio coupled with established relationships with reputed clients ensuring stable revenue visibility and growth opportunities. Further the Company is long term debt free and has strong capital structure.

The long-standing presence of the Company of over three decades in the textile industry has helped FTL to establish strong relationship with its customers. An increase in disposable income and improvements in living standards in emerging countries along with a rise in affinity of consumers toward home decor products are growing the home furnishing market.

Tangible shift of demand to India from China as elaborated above and transforming consumer spending trends have resulted into higher demand of home textile products.

The second wave of the pandemic unfolded with predictions of a third wave in the offing poses major threat due to lockdown like restrictions & supply chain disruptions. FTL is predominantly an export player sourcing majority of its revenue from overseas market of USA and Europe thus making its operations vulnerable to geographic concentration risks. Government restrictions on account of the COVID-19 pandemic could affect smooth operation of business activities.

The Company has made investment in fixed assets during last few years from internal accruals, Limited profitability on high capital investments may result in lesser return on investments as well as restricting the Company from realizing the benefits of economies of scale. Thus, the ability of the Company to increase its scale of operations remains crucial. The management believes that its established relation with reputed clients is not likely to adversely impact demand from its customers in these geographies.

The Company has a strong position in Indian textile industry buoyed by strong export demand and favorable government initiatives conducive for industry growth however; the Company faces geographic concentration risk along with moderate and fluctuating profitability margins. The threat faced by the Company would be operating in a highly competitive and fragmented industry coupled with susceptibility to volatility in raw material prices, fluctuation in foreign exchange, obsolescence due to change in trends and lastly macroeconomic downtrend caused by COVID -19 pandemic.

INTERNAL CONTROL SYSTEMS AND ITS ADEQUACY

FTL's internal controls are commensurate with its size and the nature of Company's operations and are working effectively. The affairs of the Company are managed in such a way that there is free flow of information between the management and the same is only communicated on a need to know basis. The Internal controls of the Company are designed in such a way that reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use, executing transactions with proper authorization and ensuring compliance of corporate policies is possible.

The Internal Control systems are quarterly assessed by the Audit Committee and the report of the same is submitted to the Board for its review. Our audit committee has concluded that, as of March 31, 2021, our internal financial controls were adequate and operating effectively.

HUMAN RESOURCES/ INDUSTRIAL RELATIONS

The Company has 6 state-of-the-art manufacturing facilities situated at Dadra and Nagar Haveli, Vapi and Panipat in India and employs over 3000 workers directly and indirectly.

The coronavirus outbreak is first and foremost a humanitarian crisis. The number-one priority for Company was health and safety of employees and customers.

We have built a sustainable and profitable business based on a high-performance culture where employees are empowered and encouraged to bring their best selves to work. We at FTL, our utmost priority have been health, safety and well-being of the people. We have been proactive and swift in ensuring safe working conditions, strict standards of personal hygiene, necessary infrastructure and equipment across all our operations. We are equally focused on protecting the lives and livelihoods of all our employees.

The operations of the Company are conducted in such a manner that it ensures safety and a pleasant working environment to all concerned.

POLLUTION AND ENVIRONMENTAL CONTROLS

The Company endeavors to have minimum impact to the environment with sustainable production methods, use of energy efficient and environment friendly technology, use of recycled and eco-friendly raw materials, etc., Sustainability has always been a culture in the Company which believes in giving back to the environment and the society.

The Company is moving towards processes and machines which are more sustainable and reduce energy use. We have installed Rain Water harvesting system at our processing unit which reduces dependency on external sources during summer as well as saving the water. The Company has also invested a water treatment and purification plant at its Vapi unit in recent years. The Company has also taken various steps to conserve energy such as Installation of Low Kwh LED lights across the units, installation of transparent sheets in warehouses to receive natural daylight minimizing use of power lights, Electric scooters to transport goods within unit, installation of Turbo ventilators in the roofs of the units.

The Company is continuously looking for ways to replace fossil fuel energy with renewable energy. The Company has recently invested and installed a 110 kWh solar power plant at one of its Dadra unit further contributing towards growth of clean energy. Along with collection and processing, your Company is also progressing towards making plastics packaging circular by eliminating unwanted plastics by moving from Conventional polybag to Recycled polybags as well as ensuring there is 0% plastic wastage at all the units.

All the manufacturing facilities of the Company have requisite permissions and certificates under the pollution and environmental laws of the state. The Company actively participates in the sustainability programs with international standards by adopting strict measures and alternatives to control the negative impact on the environment which includes optimum production methods, use of renewable energy, responsible sourcing, use of recycled materials, zero waste, high health and safety standards, etc., Such efforts by the company are regularly applauded by the customers which help them tick their responsible sourcing commitments.

OUTLOOK

Overall outlook for Home textiles from India is very positive. It is up to the incumbent manufacturers to be able to benefit this given their own SWOTs.

On the business front, your company weathered the pandemic very well thanks to the support from all stakeholders especially employees and vendors.

Further, in order to take full advantage of visible inflow of business, the company is under process of expansion at two of its manufacturing locations (West and North) and double capacity at both locations. The additional capacity at west would be fully available by March 22 and North in later half of CY 22. The said expansion and capex shall enable the company to be fully prepared to meet the projected demand & achieve its goal to double its Total Income of FY 21 within 3 year period. The company as per its policy funds entire capex and expansion through internal accruals.

Based on confirmed orders on hand, management estimates & projections:

- a) Total Income (TI) for FY 2022 is estimated / projected to grow to at least ~18% over FY 2021.
- b) Net Profit after Tax (NPAT) for FY 2022 is estimated / projected to exceed FY 2021 by around 20% at approx. 8% - 9% of Total Income versus 7.66% in FY 2021 subject to clarity on export incentives expected soon from the government.

CAUTIONARY STATEMENT

Statements used in the Management Discussion and Analysis should be read in conjunction with the Company's Audited Standalone and Consolidated financials along with the auditor's report as on March 31, 2021 which forms an integral part of the annual report, describing the Company's objectives, projections, estimates and expectations, may constitute 'forward-looking statements' within the meaning of applicable laws and regulations. Although the expectations are based on reasonable assumptions, the actual results might differ.

INDEPENDENT AUDITOR'S REPORT

To the Members of Faze Three Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the Standalone Financial Statements of Faze Three Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021 and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021 and profit (including Other Comprehensive Income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 42 to the Standalone Financial Statements which states that the management has made an assessment of the impact of COVID-19 on the Company's operations, financial performance and position as at and for the year ended March 31, 2021 and has concluded that there is no impact which is required to be recognised in the Standalone Financial Statements. Accordingly, no adjustments have been made to the Standalone Financial Statements.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current year. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Utilisation of MAT Credit

Refer note 31 to the Standalone Financial Statements.

The Company has unutilised MAT Credit of Rs. 5.36 crores as on March 31, 2021. Minimum Alternate Tax (MAT) credit is recognised only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

There is inherent uncertainty and management estimation involved in forecasting future taxable profits, which determines the extent to which MAT credit asset is recognised and carried forward.

We have considered this as Key Audit Matter due to the uncertainty and management estimation involved in assessing the future taxable profits.

Our Audit Procedures in respect of this area included:

- a. Evaluated whether controls over management assumptions and key estimates for utilisation of MAT Credit in the future years are appropriately designed, implemented and operating effectively by performing combination of procedures involving enquiry, reperformance and verification of evidence.
- b. Evaluated management's assumptions and key estimates with respect to the projections supporting sufficient future taxable profit in order to support the carry forward of MAT credit asset.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, Management Discussion and Analysis Report and Corporate Governance Report but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the

preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Standalone Financial Statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
3. As required by The Companies (Amendment) Act, 2017, in our opinion, according to information, explanations given to us, the remuneration paid by the Company to its directors is within the limits laid prescribed under Section 197 of the Act and the rules thereunder.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF FAZE THREE LIMITED

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has internal financial controls with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore, the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF FAZE THREE LIMITED

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Standalone Financial Statements of Faze Three Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the “Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

A Company's internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, internal financial controls with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2021, based on the internal control with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

Notes forming part of the Standalone Financial Statements for the year ended 31 March 2021

1. General Information

Faze Three Limited, established in 1985, is engaged in manufacturing and exports of home textiles products items viz. bathmats, rugs, blankets, throws, cushions, etc. It has six manufacturing locations across Gujarat, Union territories (UT) of (Dadra and Nagar Haveli and Daman and Diu) DNHDD and Haryana in India. The Company is a direct exporter to top retail store chains in USA, UK and Europe. The Company is a public listed company incorporated and domiciled in India and has its registered office in Dapada, Silvassa, UT of DNHDD. The Company's equity shares are listed on the Bombay Stock Exchange.

2. Significant accounting policies

(A) Statement of Compliance and basis of preparation and presentation

These standalone or separate financial statements of Faze Three Limited ("the Company") have been prepared in accordance with the Indian Accounting Standard as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

These standalone or separate financial statements are approved by the Company's Board of Directors and authorised for issue on 30 June, 2021.

These standalone financial statements are presented in Indian National Rupees ('INR') and all values rounded to the nearest crores, except otherwise indicated.

Accounting policies have been consistently applied to all the years presented except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(B) Basis of measurement

The standalone financial statements have been prepared on a historical cost convention on accrual basis, except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is calculated as per Ind AS 113 being the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether the price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company considers the characteristics of an asset or liability is market participants would take those characteristics into account for pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Notes forming part of the Standalone Financial Statements for the year ended 31 March 2021

(C) Use of estimates

The preparation of standalone financial statements in conformity with Ind AS requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying standalone financial statements are based upon the Management's evaluation of the relevant facts and circumstances as at the date of these financial statements. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates, if any, are recognized in the year in which the estimates are revised and future years affected.

Useful life of property, plant and equipment:

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This re-assessment may result in change in depreciation and amortisation expense in future periods.

Fair value of financial assets and liabilities and investments

The Company measures certain financial assets and liabilities on fair value basis at each balance sheet date or at the time they are assessed for impairment. Fair value measurement that are based on significant unobservable inputs (Level 3) requires estimates of operating margin, discount rate, future growth rate, terminal values, etc. based on management's best estimate about future developments.

Contingent liabilities

From time to time, the Company is subject to legal proceedings, the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgement is made when evaluating, among other factors, the probability of unfavourable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the change in facts and circumstances.

2.2 Property, plant and equipment

Property, plant and equipment are stated at original cost inclusive of incidental expenses related to acquisition net of tax / duty credit availed, net of accumulated depreciation and accumulated impairment losses, if any. Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying tangible assets upto the date the assets are ready for use.

Freehold Land and Leasehold land are carried at fair value based on periodic valuation by the external independent valuers. Increase in the carrying amounts arising on revaluation of freehold and leasehold land are recognised, net of tax, in other comprehensive income and accumulated in reserves in shareholders equity. To the extent that the reserves show a decrease previously recognised in profit or loss, the increase is first recognised in profit or loss. Decreases that reverse previous increase of the same asset are first recognised in other comprehensive income to the extent of the remaining surplus attributable to the asset, all other decreases are charged to profit or loss.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'. Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at balance sheet date.

Depreciation methods, estimated useful lives

The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method.

Notes forming part of the Standalone Financial Statements for the year ended 31 March 2021

Useful life of property, plant and equipment:

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This re-assessment may result in change in depreciation and amortisation expense in future periods. The estimated useful lives of assets are as follows:

| <u>Property, plant and equipment</u> | <u>Useful Lives</u> |
|---------------------------------------------------|----------------------------|
| Leasehold land | Lease period |
| Factory Building | 30 years |
| Plant & Machinery (Powerloom) | 20 years |
| Plant & Machinery (Handloom) | 15 years |
| Furniture and Fixtures | 10 years |
| Office Equipment | 5 years |
| Electrical Installations | 10 years |
| Fire Hydrant Systems | 15 years |
| Vehicles | 8 years |
| Computers: | |
| -Servers | 6 years |
| -End user devices such as, desktops, laptops etc. | 3 years |

Individual assets costing up to ` Five thousand are depreciated in full in the year of purchase.

The Company has adopted a policy to transfer from revaluation reserve to profit or loss, an amount equivalent to depreciation on account of gain in revaluation reserve recognised earlier, at every period end.

Based on technical evaluation, management believes that the useful life of some machines should be 20 years as that best represents the period over which the management expects to use the assets. Hence, the useful life for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013.

Depreciation on addition to property plant and equipment is provided on pro-rata basis from the date of acquisition. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit and loss.

The residual value of Property, plant and Equipment are within the limit specified in Schedule II (Part C) of Companies act 2013. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.3 Investment in subsidiary

The Company accounts for its investment in subsidiaries at cost less accumulated impairment, if any.

2.4 Impairment of assets

At the end of each reporting period, the Company reviews the carrying amount of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Notes forming part of the Standalone Financial Statements for the year ended 31 March 2021

Recoverable amount is higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

2.5 Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

2.6 Foreign currency transactions

Functional and presentation currency

Items included in the standalone financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The standalone financial statements are presented in Indian National Rupee (INR), which is the Company's functional and presentation currency.

Transactions and balances

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction. Gains/Losses arising out of fluctuation in foreign exchange rate between the transaction date and settlement date are recognised as income or expense in the period in which they arise in the Statement of Profit and Loss.

All monetary assets and liabilities in foreign currencies are restated at the year end at the exchange rate prevailing at the year end and the exchange differences are recognised in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

2.7 Revenue recognition

Sale of goods

With effect from 1st April 2018 on adoption of Ind-AS 115:

Revenue from sales of goods is measured based on the consideration received or receivable from the customer. The Company recognizes revenue when it transfers control of goods to the customer. Control is passed on to the customer when goods are dispatched from Company's premises. Revenue is reported net of taxes and duties as applicable.

Notes forming part of the Standalone Financial Statements for the year ended 31 March 2021

Receivable is recognized when the goods are dispatched from Company's premises as this is the point in time that the consideration is unconditional because only passage of time is required before the payment is due.

Royalty arrangements that are based on production, sales and other measures are recognised by reference to the underlying arrangement.

Revenue in respect of interest income is recognised on a basis of effective interest method as set out in Ind AS 109, Financial Instruments, and where no significant uncertainty as to measurability or collectability exists.

Rendering of services:

Revenue from sale of services is recognised as per terms of the contract with customers when the outcome of the transactions involving rendering of services can be estimated reliably.

Export incentives

Export incentives from the government is recognised when there is a reasonable assurance that

- (i) the Company will comply with the conditions attached to them and
- (ii) the incentive will be received.

When the incentive relates to revenue, it is recognised as income on a systematic basis in the statement of profit or loss over the periods necessary to match them with the related income, which they relate to.

Other Income

Interest income:

For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in the other income in the statement of profit and loss.

Rental income

Lease agreements where the risks and rewards incident to the ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals are recognised on straight line basis as per the terms of the agreements in the statement of profit and loss.

2.8 Taxes

Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

(A) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

(B) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary difference can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and

Notes forming part of the Standalone Financial Statements for the year ended 31 March 2021

liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income, in which case, the current and deferred tax are also recognised in other comprehensive income.

(C) Minimum Alternate Tax (MAT)

Minimum Alternate Tax ('MAT') credit entitlement is recognized as a deferred tax asset if it is probable that MAT credit will reverse in the foreseeable future and taxable profit will be available against which the deferred tax asset can be utilised.

2.9 Leases

The Company has adopted Indian Accounting Standard (Ind AS) 116 – 'Leases' ('the 'Standard)'), with effective from 1st April 2019 using the modified retrospective method under the transitional provisions of Ind AS 116, which is the date of the first application of the standard.

As a Lessee

The Company recognizes a right-of-use asset ("ROU") and a lease liability at the lease commencement date. The ROU is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset, less any lease incentives received.

The ROU Asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, and company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

The lease liability is measured at amortised cost using the effective interest method, except those which is payable other than functional currency which is measured at fair value through P&L. It is re measured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is re measured in this way, a corresponding adjustment is made to the carrying amount of the ROU Asset, or is recorded in Statement of Profit or Loss if the carrying amount of the ROU Asset has been reduced to zero.

The Company presents ROU Asset separately and lease liabilities in 'Financial Liabilities' in the Balance Sheet.

Notes forming part of the Standalone Financial Statements for the year ended 31 March 2021**Short-term leases and leases of low-value assets**

The Company has elected not to recognise ROU Assets and lease liabilities for

- short term leases that have a lease term of 12 months or lower and
- Leases of low value assets with annual lease rental lesser than or equal to Rs.10 lakhs.

The Company recognises the lease payments associated with these leases as an expense over the lease term.

2.10 Inventories

Raw materials, packaging materials, stores and spare parts, work in progress and finished goods are stated at the lower of cost and net realisable value.

Cost of raw materials, packaging materials and stores and spare parts comprises cost of purchases on weighted average basis.

Cost of work-in progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity.

Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition.

Costs are assigned to individual items of inventory moving weighted average basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Slow and non-moving material, obsolesce, defective inventories are duly provided for and valued at actual cost or estimated net realisable value whichever is lower. Materials and supplies held for use in production of inventories are not written down if the finished products in which they will be used are expected to be sold at or above cost.

2.11 Provisions, contingent liabilities and contingent assets

Provisions are recognized when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date.

When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liabilities are not recognised but disclosed in the financial statements, when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognised nor disclosed in the financial statements.

2.12 Cash, cash equivalents and cash flow statements

Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and fixed deposits with an original maturity of more than three months but less than twelve months, which are subject to an insignificant risk of changes in value.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, cash in banks and demand deposits.

Notes forming part of the Standalone Financial Statements for the year ended 31 March 2021

2.13 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(A) Financial assets

(i) Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

(ii) Classification and subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- a) at amortized cost; or
- b) at fair value through other comprehensive income; or
- c) at fair value through profit or loss.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Debt Instruments: Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments.

Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method (EIR).

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss: Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

Equity instruments: All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Notes forming part of the Standalone Financial Statements for the year ended 31 March 2021

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

(iii) Impairment of financial assets

In accordance with Ind AS 109, Financial Instruments, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets that are measured at amortized cost and FVOCI.

For recognition of impairment loss on financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent years, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12 month ECL.

Life time ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the year end.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

In general, it is presumed that credit risk has significantly increased since initial recognition if the payment is more than 30 days past due.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/expense in the statement of profit and loss. In balance sheet ECL for financial assets measured at amortized cost is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

(iv) Derecognition of financial assets

A financial asset is derecognized only when

- a) the rights to receive cash flows from the financial asset is transferred or
- b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the financial asset is transferred then in that case financial asset is derecognized only if substantially all risks and rewards of ownership of the financial asset is transferred. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Notes forming part of the Standalone Financial Statements for the year ended 31 March 2021

(B) Financial liabilities

(i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss and at amortized cost, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs.

(ii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Loans and borrowings at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

(iii) Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss as finance costs.

(C) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

2.14 Employee benefits

Provident fund, ESIC and Labour welfare fund

The Company's contribution paid/payable during the year to Provident fund, ESIC and Labour welfare fund are recognised in profit or loss.

Provident fund

Contributions to Provident fund are made and charged to profit or loss as incurred.

Notes forming part of the Standalone Financial Statements for the year ended 31 March 2021**Gratuity**

The Company participates in a group gratuity cum life insurance scheme administered by a Life Insurance Corporation of India. Being a defined benefit plan, annual contributions made to the scheme are as per the intimations received from the life insurance company. The Company accounts for liability for future gratuity benefits based on an actuarial valuation by an independent actuary. The net present value of the Company's obligation is determined based on the projected unit credit method as at the Balance Sheet date. Shortfall if any, between the balance in the fund with Life Insurance Company and the actuarial valuation is expensed to the statement of profit and loss. The actuarial gains and losses are recognised in Other Comprehensive Income which gets reflected immediately in retained earnings and is not reclassified to the statement of profit or loss.

Short term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by an employee is recognised during the period when the employee renders the service.

2.15 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share is the net profit or loss for the year after deducting preference dividends and any attributable tax thereto for the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

2.16 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company.

2.17 Rounding off amounts

All amounts disclosed in standalone financial statements and notes have been rounded off to the nearest crores as per requirement of Schedule III of the Act, unless otherwise stated.

36 Fair value measurement

The fair value of other current financial assets, cash and cash equivalents, trade receivables, investments, trade payables, short-term borrowings and other financial liabilities approximate the carrying amounts because of the short term nature of these financial instruments.

The amortized cost using effective interest rate (EIR) of non-current financial assets consisting of security and term deposits are not significantly different from the carrying amount.

Financial assets that are neither past due nor impaired include cash and cash equivalents, security deposits, term deposits, and other financial assets.

The impact of fair value on non-current borrowing, non-current security deposits and non-current term deposits is not material and therefore not considered for above disclosure.

Fair value hierarchy

The following is the hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis:

| | 31 March 2021 | 31 March 2020 |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|----------------------|
| Level 2 | | |
| <u>Financial assets measured at fair value through profit or loss</u> | | |
| Investments in unquoted instruments | 2.44 | 2.44 |
| Investments in quoted instruments but not in active markets | 0.21 | 0.21 |
| Level 3 | 31 March 2021 | 31 March 2020 |
| <u>Financial assets measured at amortized cost</u> | | |
| Trade receivables | 72.38 | 45.55 |
| Security deposits | 0.76 | 0.77 |
| Other receivable | 1.56 | 1.42 |
| Interest accrued on fixed deposits | 1.15 | 0.07 |
| Deposit account with banks (remaining maturity of more than 12 months) | 0.10 | 0.13 |
| The carrying amounts of trade receivables, loans and advances, interest on fixed deposits and security deposits are considered to approximate their fair values due to their short term nature. The carrying amounts of long term security deposits given are considered to approximate their fair value. | | |
| <u>Financial liability measured at amortized cost</u> | | |
| Borrowings | 92.54 | 54.73 |
| Trade payables | 12.86 | 6.69 |
| Salary & reimbursement payable | 4.47 | 2.54 |
| Expenses payable | 4.38 | 3.33 |
| Interest accrued but not due | 0.16 | 0.34 |
| Dividend payable | 0.02 | 0.02 |
| The carrying amounts of trade payables, borrowings, salary and expense payable are considered to approximate their fair values due to their short term nature. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including own and counter party credit risk. | | |

37 Financial risk management objectives and policies

The Company is exposed to various financial risks. These risks are categorized into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Company does not engage in trading of financial assets for speculative purposes.

(A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings and derivative financial instruments.

(I) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

| | 31 March 2021 | 31 March 2020 |
|--------------------------|---------------|---------------|
| Variable rate borrowings | 91.35 | 53.40 |

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

| | Increase/ decrease in basis points | Effect on profit before tax (₹ in Crs) |
|-----------|------------------------------------------|----------------------------------------------|
| F.Y. 2021 | 100 bps | 0.91 |
| F.Y. 2020 | 100 bps | 0.53 |

(ii) Foreign currency risk

The Company is exposed to foreign currency risk arising mainly on export of finished goods and import of raw material. Foreign currency exposures are managed within approved policy parameters utilising forward contracts.

The carrying amounts of Company's foreign currency denominated financial assets and financial liabilities at the end of the reporting period are as follows:

| Exposure to currency risk | 31 March 2021 | | 31 March 2020 | |
|------------------------------|---------------|------|---------------|------|
| | INR | USD | INR | USD |
| Trade receivables (hedged) | 11.13 | 0.15 | 0.01 | 0.00 |
| Trade receivables (unhedged) | 56.94 | 0.81 | 29.52 | 0.38 |
| Capital Creditors (hedged) | 0.32 | 0.00 | - | - |
| Trade Payables (unhedged) | - | - | 0.00 | 0.00 |

| The following significant rate have been applied during the year | Year End Spot Rate | |
|------------------------------------------------------------------|--------------------|---------------|
| | 31 March 2021 | 31 March 2020 |
| INR | | |
| USD 1 | 73.50 | 75.39 |
| EURO 1 | 86.10 | 83.05 |

Notes forming part of the Standalone Financial Statements for the year ended 31 March 2021

(Amount in crores, unless otherwise stated)

Foreign currency sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in the US dollar exchange rate (or any other material currency), with all other variables held constant, of the Company's profit before tax (due to changes in the fair value of monetary assets and liabilities).

The company realises 90% of its sales in USD, based on the hedging policy followed by the company in case of normal volatility in USD / INR, the following effect is estimated.

| | Change in USD rate | Effect on profit before tax |
|-------------------|--------------------|-----------------------------|
| 2021 USD / INR | 0.50% | 0.28 |
| 2020 USD / INR | 0.50% | 0.15 |

(B) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

INDEPENDENT AUDITOR'S REPORT

To the Members of Faze Three Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated financial statements of Faze Three Limited (hereinafter referred to as the "Holding Company") and a subsidiary (Holding Company and a subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2021, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of unaudited financial information of a subsidiary, mentioned in the other matter paragraph of this report, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 as amended / Companies (Accounts) Rules, 2014 as amended and other accounting principles generally accepted in India, of their consolidated state of affairs of the Group as at March 31, 2021, of consolidated profit (including Other Comprehensive Income), consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated financial statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the Consolidated financial statements in India in terms of the Code of Ethics issued by Institute of Chartered Accountant of India ("ICAI"), and the relevant provisions of the Act and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 42 to the Consolidated financial statements which states that the management has made an assessment of the impact of COVID-19 on the Group's operations, financial performance and position as at and for the year ended March 31, 2021 and has concluded that there is no impact which is required to be recognized in the Statement. Accordingly, no adjustments have been made to the Statement.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Utilisation of MAT Credit

Refer note 31 to the Consolidated financial statements.

The Holding Company has unutilised MAT Credit of Rs. 5.36 crores as on March 31, 2021. Minimum Alternate Tax (MAT) credit is recognised only when and to the extent there is convincing evidence that the Holding Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

There is inherent uncertainty and management estimation involved in forecasting future taxable profits, which determines the extent to which MAT credit asset is recognised and carried forward.

We have considered this as Key Audit Matter due to the uncertainty and management estimation involved in assessing the future taxable profits.

Our Audit Procedures in respect of this area included:

- a. Evaluated whether controls over management assumptions and key estimates for utilisation of MAT Credit in the future years are appropriately designed, implemented and operating effectively by performing combination of procedures involving enquiry, reperformance and verification of evidence.
- b. Evaluated management's assumptions and key estimates with respect to the projections supporting sufficient future taxable profit in order to support the carry forward of MAT credit asset.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report and Annexures thereof, Management Discussion and Analysis Report and Corporate Governance Report but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Consolidated financial statements.

Other Matters

We did not audit the financial information of a wholly owned foreign subsidiary whose financial information reflect total assets of Rs. 5.85 crores as at March 31, 2021, total revenues of Rs. 7.65 crores and net cash inflows amounting to Rs. 0.01 crores for the year ended on that date, as considered in the consolidated financial statements. These financial information are unaudited and have been furnished to us by the Management and our opinion on the Consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid subsidiary, is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, financial information are not material to the Group.

Our opinion on the Consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on financial information certified by the Board of Directors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF FAZE THREE LIMITED

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF FAZE THREE LIMITED

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of Faze Three Limited on the Consolidated Financial Statements for the year ended March 31, 2021]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the Consolidated financial statements of the Company as of and for the year ended March 31, 2021, we have audited the internal financial controls with reference to Consolidated financial statements of Faze Three Limited (hereinafter referred to as “the Holding Company”).

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to Consolidated financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated financial statements of the Holding Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to Consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to Consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated financial statements included obtaining an understanding of internal financial controls with reference to Consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated financial statements of the Holding Company.

Meaning of Internal Financial Controls with Reference to Consolidated Financial Statements

A Company's internal financial control with reference to Consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and

directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Consolidated financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to Consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the Holding Company, have, in all material respects, internal financial controls with reference to Consolidated financial statements and such internal financial controls with reference to Consolidated financial statements were operating effectively as at March 31, 2021, based on the internal control with reference to Consolidated financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated financial statements insofar as it relates to only in respect of the Holding Company, as subsidiary Company is incorporated out of India.

Notes forming part of the Consolidated Financial Statements for the year ended 31 March 2021

1. General Information

Faze Three Limited, established in 1985, is engaged in manufacturing and exports of home textiles products items viz. bathmats, rugs, blankets, throws, cushions, etc. It has six manufacturing locations across Gujarat, Union territories (UT) of (Dadra and Nagar Haveli and Daman and Diu) DNHDD and Haryana in India. The Company is a direct exporter to top retail store chains in USA, UK and Europe. The Company is a public listed company incorporated and domiciled in India and has its registered office in Dapada, Silvassa, UT of DNHDD. The Company's equity shares are listed on the Bombay Stock Exchange.

2. Significant accounting policies

(A) Statement of Compliance and basis of preparation and presentation

These consolidated or separate financial statements of Faze Three Limited ("the Company") have been prepared in accordance with the Indian Accounting Standard as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

These consolidated or separate financial statements are approved by the Company's Board of Directors and authorised for issue on June 30, 2021.

These consolidated financial statements are presented in Indian National Rupees ('INR') and all values rounded to the nearest crores, except otherwise indicated.

Accounting policies have been consistently applied to all the years presented except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(B) Basis of measurement

The consolidated financial statements have been prepared on a historical cost convention on accrual basis, except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is calculated as per Ind AS 113 being the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether the price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company considers the characteristics of an asset or liability is market participants would take those characteristics into account for pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Notes forming part of the Consolidated Financial Statements for the year ended 31 March 2021

(C) Use of estimates

The preparation of consolidated financial statements in conformity with Ind AS requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying consolidated financial statements are based upon the Management's evaluation of the relevant facts and circumstances as at the date of these financial statements. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates, if any, are recognized in the year in which the estimates are revised and future years affected.

Useful life of property, plant and equipment:

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This re-assessment may result in change in depreciation and amortisation expense in future periods.

Fair value of financial assets and liabilities and investments

The Company measures certain financial assets and liabilities on fair value basis at each balance sheet date or at the time they are assessed for impairment. Fair value measurement that are based on significant unobservable inputs (Level 3) requires estimates of operating margin, discount rate, future growth rate, terminal values, etc. based on management's best estimate about future developments.

Contingent liabilities

From time to time, the Company is subject to legal proceedings, the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgement is made when evaluating, among other factors, the probability of unfavourable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the change in facts and circumstances.

2.2 Property, plant and equipment

Property, plant and equipment are stated at original cost inclusive of incidental expenses related to acquisition net of tax / duty credit availed, net of accumulated depreciation and accumulated impairment losses, if any. Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying tangible assets upto the date the assets are ready for use.

Freehold Land and Leasehold land are carried at fair value based on periodic valuation by the external independent valuers. Increase in the carrying amounts arising on revaluation of freehold and leasehold land are recognised, net of tax, in other comprehensive income and accumulated in reserves in shareholders equity. To the extent that the reserves show a decrease previously recognised in profit or loss, the increase is first recognised in profit or loss. Decreases that reverse previous increase of the same asset are first recognised in other comprehensive income to the extent of the remaining surplus attributable to the asset, all other decreases are charged to profit or loss.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'. Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at balance sheet date.

Depreciation methods, estimated useful lives

The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method.

Notes forming part of the Consolidated Financial Statements for the year ended 31 March 2021

Useful life of property, plant and equipment:

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This re-assessment may result in change in depreciation and amortisation expense in future periods. The estimated useful lives of assets are as follows:

| <u>Property, plant and equipment</u> | <u>Useful Lives</u> |
|---------------------------------------------------|----------------------------|
| Leasehold land | Lease period |
| Factory Building | 30 years |
| Plant & Machinery (Powerloom) | 20 years |
| Plant & Machinery (Handloom) | 15 years |
| Furniture and Fixtures | 10 years |
| Office Equipment | 5 years |
| Electrical Installations | 10 years |
| Fire Hydrant Systems | 15 years |
| Vehicles | 8 years |
| Computers: | |
| -Servers | 6 years |
| -End user devices such as, desktops, laptops etc. | 3 years |

Individual assets costing up to ` Five thousand are depreciated in full in the year of purchase.

The Company has adopted a policy to transfer from revaluation reserve to profit or loss, an amount equivalent to depreciation on account of gain in revaluation reserve recognised earlier, at every period end.

Based on technical evaluation, management believes that the useful life of some machines should be 20 years as that best represents the period over which the management expects to use the assets. Hence, the useful life for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013.

Depreciation on addition to property plant and equipment is provided on pro-rata basis from the date of acquisition. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit and loss.

The residual value of Property, plant and Equipment are within the limit specified in Schedule II (Part C) of Companies act 2013. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.3 Investment in subsidiary

The Company accounts for its investment in subsidiaries at cost less accumulated impairment, if any.

2.4 Impairment of assets

At the end of each reporting period, the Company reviews the carrying amount of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects

Notes forming part of the Consolidated Financial Statements for the year ended 31 March 2021

current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

2.5 Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

2.6 Foreign currency transactions

Functional and presentation currency

Items included in the consolidated financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The consolidated financial statements are presented in Indian National Rupee (INR), which is the Company's functional and presentation currency.

Transactions and balances

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction. Gains/Losses arising out of fluctuation in foreign exchange rate between the transaction date and settlement date are recognised as income or expense in the period in which they arise in the Statement of Profit and Loss.

All monetary assets and liabilities in foreign currencies are restated at the year end at the exchange rate prevailing at the year end and the exchange differences are recognised in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

2.7 Revenue recognition

Sale of goods

With effect from April 01,2018 on adoption of Ind-AS 115:

Revenue from sales of goods is measured based on the consideration received or receivable from the customer. The Company recognizes revenue when it transfers control of goods to the customer. Control is passed on to the customer when goods are dispatched from Company's premises. Revenue is reported net of taxes and duties as applicable.

Notes forming part of the Consolidated Financial Statements for the year ended 31 March 2021

Receivable is recognized when the goods are dispatched from Company's premises as this is the point in time that the consideration is unconditional because only passage of time is required before the payment is due.

Royalty arrangements that are based on production, sales and other measures are recognised by reference to the underlying arrangement.

Revenue in respect of interest income is recognised on a basis of effective interest method as set out in Ind AS 109, Financial Instruments, and where no significant uncertainty as to measurability or collectability exists.

Rendering of services:

Revenue from sale of services is recognised as per terms of the contract with customers when the outcome of the transactions involving rendering of services can be estimated reliably.

Export incentives

Export incentives from the government is recognised when there is a reasonable assurance that

- (i) the Company will comply with the conditions attached to them and
- (ii) the incentive will be received.

When the incentive relates to revenue, it is recognised as income on a systematic basis in the statement of profit or loss over the periods necessary to match them with the related income, which they relate to.

Other Income

Interest income:

For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in the other income in the statement of profit and loss.

Rental income

Lease agreements where the risks and rewards incident to the ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals are recognised on straight line basis as per the terms of the agreements in the statement of profit and loss.

2.8 Taxes

Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

(A) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

(B) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary difference can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and

Notes forming part of the Consolidated Financial Statements for the year ended 31 March 2021

liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income, in which case, the current and deferred tax are also recognised in other comprehensive income.

(C) Minimum Alternate Tax (MAT)

Minimum Alternate Tax ('MAT') credit entitlement is recognized as a deferred tax asset if it is probable that MAT credit will reverse in the foreseeable future and taxable profit will be available against which the deferred tax asset can be utilised.

2.9 Leases

The Company has adopted Indian Accounting Standard (Ind AS) 116 – 'Leases' ('the 'Standard)'), with effective from April 01, 2019 using the modified retrospective method under the transitional provisions of Ind AS 116, which is the date of the first application of the standard.

As a Lessee

The Company recognizes a right-of-use asset ("ROU") and a lease liability at the lease commencement date. The ROU is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset, less any lease incentives received.

The ROU Asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, and company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

The lease liability is measured at amortised cost using the effective interest method, except those which is payable other than functional currency which is measured at fair value through P&L. It is re measured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is re measured in this way, a corresponding adjustment is made to the carrying amount of the ROU Asset, or is recorded in Statement of Profit or Loss if the carrying amount of the ROU Asset has been reduced to zero.

The Company presents ROU Asset separately and lease liabilities in 'Financial Liabilities' in the Balance Sheet.

Notes forming part of the Consolidated Financial Statements for the year ended 31 March 2021

Short-term leases and leases of low-value assets

The Company has elected not to recognise ROU Assets and lease liabilities for

- short term leases that have a lease term of 12 months or lower and
- Leases of low value assets with annual lease rental lesser than or equal to Rs.10 lakhs.

The Company recognises the lease payments associated with these leases as an expense over the lease term.

2.10 Inventories

Raw materials, packaging materials, stores and spare parts, work in progress and finished goods are stated at the lower of cost and net realisable value.

Cost of raw materials, packaging materials and stores and spare parts comprises cost of purchases on weighted average basis.

Cost of work-in progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity.

Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition.

Costs are assigned to individual items of inventory moving weighted average basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Slow and non-moving material, obsolesce, defective inventories are duly provided for and valued at actual cost or estimated net realisable value whichever is lower. Materials and supplies held for use in production of inventories are not written down if the finished products in which they will be used are expected to be sold at or above cost.

2.11 Provisions, contingent liabilities and contingent assets

Provisions are recognized when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date.

When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liabilities are not recognised but disclosed in the financial statements, when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognised nor disclosed in the financial statements.

2.12 Cash, cash equivalents and cash flow statements

Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and fixed deposits with an original maturity of more than three months but less than twelve months, which are subject to an insignificant risk of changes in value.

Notes forming part of the Consolidated Financial Statements for the year ended 31 March 2021

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, cash in banks and demand deposits.

2.13 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(A) Financial assets

(i) Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

(ii) Classification and subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- a) at amortized cost; or
- b) at fair value through other comprehensive income; or
- c) at fair value through profit or loss.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Debt Instruments: Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments.

Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method (EIR).

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss: Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

Equity instruments: All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive

Notes forming part of the Consolidated Financial Statements for the year ended 31 March 2021

income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

(iii) Impairment of financial assets

In accordance with Ind AS 109, Financial Instruments, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets that are measured at amortized cost and FVOCI.

For recognition of impairment loss on financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent years, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12 month ECL.

Life time ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the year end.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

In general, it is presumed that credit risk has significantly increased since initial recognition if the payment is more than 30 days past due.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/expense in the statement of profit and loss. In balance sheet ECL for financial assets measured at amortized cost is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

(iv) Derecognition of financial assets

A financial asset is derecognized only when

- a) the rights to receive cash flows from the financial asset is transferred or
- b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the financial asset is transferred then in that case financial asset is derecognized only if substantially all risks and rewards of ownership of the financial asset is transferred. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Notes forming part of the Consolidated Financial Statements for the year ended 31 March 2021

(B) Financial liabilities

(i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss and at amortized cost, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs.

(ii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Loans and borrowings at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

(iii) Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss as finance costs.

(C) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

2.14 Employee benefits

Provident fund, ESIC and Labour welfare fund

The Company's contribution paid/payable during the year to Provident fund, ESIC and Labour welfare fund are recognised in profit or loss.

Provident fund

Contributions to Provident fund are made and charged to profit or loss as incurred.

Notes forming part of the Consolidated Financial Statements for the year ended 31 March 2021

Gratuity

The Company participates in a group gratuity cum life insurance scheme administered by a Life Insurance Corporation of India. Being a defined benefit plan, annual contributions made to the scheme are as per the intimations received from the life insurance company. The Company accounts for liability for future gratuity benefits based on an actuarial valuation by an independent actuary. The net present value of the Company's obligation is determined based on the projected unit credit method as at the Balance Sheet date. Shortfall if any, between the balance in the fund with Life Insurance Company and the actuarial valuation is expensed to the statement of profit and loss. The actuarial gains and losses are recognised in Other Comprehensive Income which gets reflected immediately in retained earnings and is not reclassified to the statement of profit or loss.

Short term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by an employee is recognised during the period when the employee renders the service.

2.15 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share is the net profit or loss for the year after deducting preference dividends and any attributable tax thereto for the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

2.16 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company.

2.17 Rounding off amounts

All amounts disclosed in consolidated financial statements and notes have been rounded off to the nearest crores as per requirement of Schedule III of the Act, unless otherwise stated.

32 Earnings per share

Basic earnings per share amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share amounts are calculated by dividing the profit attributable to equity holders by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

36 Fair value measurement

The fair value of other current financial assets, cash and cash equivalents, trade receivables, investments, trade payables, short-term borrowings and other financial liabilities approximate the carrying amounts because of the short term nature of these financial instruments.

The amortized cost using effective interest rate (EIR) of non-current financial assets consisting of security and term deposits are not significantly different from the carrying amount.

Financial assets that are neither past due nor impaired include cash and cash equivalents, security deposits, term deposits, and other financial assets.

The impact of fair value on non-current borrowing, non-current security deposits and non-current term deposits is not material and therefore not considered for above disclosure.

Fair value hierarchy

The following is the hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis:

| | 31 March 2021 | 31 March 2020 |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|----------------------|
| Level 2 | | |
| <u>Financial assets measured at fair value through profit or loss</u> | | |
| Investments in unquoted instruments | 0.01 | 0.00 |
| Investments in quoted instruments but not in active markets | 0.21 | 0.21 |
| Level 3 | 31 March 2021 | 31 March 2020 |
| <u>Financial assets measured at amortized cost</u> | | |
| Trade receivables | 69.66 | 44.00 |
| Security deposits | 0.76 | 0.77 |
| Other receivable | 1.56 | 1.42 |
| Interest accrued on fixed deposits | 1.15 | 0.07 |
| Deposit account with banks (remaining maturity of more than 12 months) | 0.10 | 0.13 |
| The carrying amounts of trade receivables, loans and advances, interest on fixed deposits and security deposits are considered to approximate their fair values due to their short term nature. The carrying amounts of long term security deposits given are considered to approximate their fair value. | | |
| <u>Financial liability measured at amortized cost</u> | | |
| Borrowings | 92.54 | 54.73 |
| Trade payables | 13.33 | 6.69 |
| Salary & reimbursement payable | 4.47 | 2.54 |
| Expenses payable | 4.38 | 3.33 |
| Interest accrued but not due | 0.16 | 0.34 |
| Dividend payable | 0.02 | 0.02 |
| The carrying amounts of trade payables, borrowings, salary and expense payable are considered to approximate their fair values due to their short term nature. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including own and counter party credit risk. | | |

37 Financial risk management objectives and policies

The Company is exposed to various financial risks. These risks are categorized into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Company does not engage in trading of financial assets for speculative purposes.

(A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings and derivative financial instruments.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

| | 31 March 2021 | 31 March 2020 |
|--------------------------|---------------|---------------|
| Variable rate borrowings | 91.35 | 53.39 |

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

| | Increase/ decrease in basis points | Effect on profit before tax (₹ in Crs) |
|-----------|------------------------------------------|----------------------------------------------|
| F.Y. 2021 | 100 bps | 0.91 |
| F.Y. 2020 | 100 bps | 0.53 |

(ii) Foreign currency risk

The Company is exposed to foreign currency risk arising mainly on export of finished goods and import of raw material. Foreign currency exposures are managed within approved policy parameters utilising forward contracts.

The carrying amounts of Company's foreign currency denominated financial assets and financial liabilities at the end of the reporting period are as follows:

| Exposure to currency risk | 31 March 2021 | | 31 March 2020 | |
|------------------------------|---------------|------|---------------|------|
| | INR | USD | INR | USD |
| Trade receivables (hedged) | 11.13 | 0.15 | 0.01 | 0.00 |
| Trade receivables (unhedged) | 54.25 | 0.81 | 29.52 | 0.38 |
| Capital Creditors (hedged) | 0.32 | 0.00 | - | - |
| Trade Payables (unhedged) | - | - | 0.00 | 0.00 |

| The following significant rate have been applied during the year | Year End Spot Rate | |
|------------------------------------------------------------------|--------------------|---------------|
| | 31 March 2021 | 31 March 2020 |
| INR | | |
| USD 1 | 73.50 | 75.39 |
| EURO 1 | 86.10 | 83.05 |

Notes forming part of the Consolidated Financial Statements for the year ended 31 March 2021

(Amount in crores, unless otherwise stated)

Foreign currency sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in the US dollar exchange rate (or any other material currency), with all other variables held constant, of the Company's profit before tax (due to changes in the fair value of monetary assets and liabilities).

The company realises 90% of its sales in USD, based on the hedging policy followed by the company in case of normal volatility in USD / INR, the following effect is estimated.

| | Change in USD rate | Effect on profit before tax |
|-----------|--------------------|-----------------------------|
| 2021 | | |
| USD / INR | 0.50% | 0.27 |
| 2020 | | |
| USD / INR | 0.50% | 0.15 |

(B) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

| Interest accrued on fixed deposits | 0.07 | - | 0.07 |
| Deposit account with banks (remaining maturity of more than 12 months) | - | 0.13 | 0.13 |

(C) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.
