NOTICE

NOTICE is hereby given that the Thirty-Seventh Annual General Meeting of the members of **VALSON INDUSTRIES LIMITED** will be held on **11th day, September, 2021 at 11.30 a.m.** through Video Conferencing (VC) or Other Audio-Visual Means (OAVM) to transact the following business:

ORDINARY BUSINESS:

1. To consider and adopt an Audited Annual Financial Statements of the Company for the financial year ended March 31, 2021 and the Reports of the Board of Directors and the Auditors' thereon.
2. To appoint a Director in place of Mrs. Asha S. Mutreja (DIN: 07092404), who retires by rotation and being eligible, offers herself for re-appointment.

NOTES:

General Instructions for Accessing and participating in the 37th e-AGM through VC / OAVM Facility and Voting through Electronic means including Remote E- Voting.

1. The relative Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013, is not required to be annexed to the notice of AGM as there are no items of special business proposed before the Members in the notice of AGM.
2. In view of the prevailing lockdown situation across the country due to outbreak of the COVID-19 pandemic and restrictions on the movements apart from social distancing, MCA (Ministry of Corporate Affairs) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020, Circular No. 20/2020 dated May 5, 2020 read with Circular No. 02/2021 dated January 13, 2021, has permitted Companies to hold their Annual General Meeting (AGM) through Video Conferencing (VC) / Other Audio Visual Means (OAVM) for the calendar year 2020 and 2021. In compliance with the applicable provisions of the Companies Act, 2013 (Act) read with aforesaid MCA circulars and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI Listing Regulations) the AGM of the Company is being conducted through Video Conferencing (VC) hereinafter called as "e-AGM".
3. E-AGM shall be conducted through VC / OAVM without the physical presence of the members at a common venue. Members can attend and participate at the ensuing AGM through VC / OAVM only. The venue of the AGM shall be deemed to be the Registered Office of the Company at 28, Bldg. No. 6, Mittal Industrial Estate, Sir M. V. Road, Andheri (East), Mumbai – 400 059.
4. **ONLY A MEMBER IS ENTITLED TO ATTEND AND VOTE AT THE AGM THROUGH VC / OAVM.** In terms of provisions of Section 105 of the Companies Act, 2013, a Member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote instead of himself / herself and such proxy need not be a Member of the Company. Since, this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the e-AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
5. The Company has appointed M/s. National Securities Depository Limited (NSDL) to provide Video Conferencing facility for the Annual General Meeting and the attendant enablers for conducting of the e-AGM. The proceedings of the e-AGM will be web-casted live for all the shareholders who hold shares as on cut-off date i.e. Saturday, 4th September, 2021. The shareholders can visit <https://www.evoting.nsdl.com/> and login through user id and password to watch the live proceedings of the e-AGM on Saturday, 11th September, 2021 from 11.30 a.m. onwards. Further, the Company has also appointed NSDL as an authorized e-voting agency for facilitating members to vote on all the resolutions proposed in the Notice of AGM through electronic means. Members will have the option to cast their votes either 3 days prior to the date of AGM (Remote E-Voting) or during the AGM (E-Voting). The instructions to vote by remote e-voting and e-voting has been provided below.
6. The members can join the e-AGM 15 minutes before and after the scheduled time of the commencement of the e-AGM by following the procedure mentioned in this Notice. The facility to join the e-AGM will be made available for 1,000 members on first come first served basis. This will not include Large Shareholders (holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders' Relationship Committee, Auditors etc. who are allowed to attend the e-AGM without restriction on account of first come first served basis.
7. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote at the e-AGM.
8. Pursuant to the provisions of Section 91 of the Act, the Register of Members and Share Transfer Books of the Company shall remain closed on all days from Saturday, 4th September, 2021 to Saturday, 11th September, 2021 (both days inclusive).

9. The attendance of the Members attending the e-AGM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
10. The scanned copies of Register of Directors' and Key Managerial Personnel and their Shareholding maintained under Section 170 and Register of Contracts or Arrangements in which Directors are interested under Section 189 of the Companies Act, 2013 will be available electronically for inspection by the members during the e-AGM.
11. Relevant documents referred to in the accompanying Notice are open for inspection by the Members through electronic mode, basis on the request being sent at cs@valsonindia.com or pritesh@valsonindia.com.
12. Members desiring any relevant information about the financial statements and/or operations of the Company are requested to write to the Company at least seven days in advance, so as to enable the Company to keep the information ready. Members can also email their queries at the email address of the Company Secretary and Compliance Officer, Mrs. Neeti Alwani at cs@valsonindia.com or to Mr. Pritesh Shah, Vice President – Finance at pritesh@valsonindia.com.
13. In compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2020-2021 is being sent only through electronic mode to those Members whose email addresses are registered with the Company / Depositories. In line with the MCA Circular No. 17/2020 dated April 13, 2020, the Notice calling the e-AGM has been uploaded on the website of the Company at www.valsonindia.com. The Notice can also be accessed from the website of the Stock Exchanges i.e. BSE Limited at www.bseindia.com or will be made available if a request is sent to the Company at cs@valsonindia.com or pritesh@valsonindia.com. The Notice of AGM is also disseminated on the website of NSDL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evoting.nsdl.com .
14. Members holding shares in demat form can register their email address with their Depository Participants.
15. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to the Depository Participants with whom they maintain their demat accounts. Members holding shares in physical form should submit their PAN to the Registrar and Share Transfer Agent of the Company i.e. M/s. Link Intime India Private Limited. Members may please note that SEBI has also made it mandatory for submission of PAN in the following cases, viz. (i) Deletion of name of the deceased shareholder(s), (ii) Transmission of shares to the legal heir(s) and (iii) Transposition of shares.
16. As per Regulation 40 of the SEBI (LODR) Regulations, 2015, as amended, securities of listed companies can only be transferred in demat form with effect from 01st April, 2019, except in case of request for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to consider converting their holding to demat form. Members can contact the Company or its Registrar and Share Transfer Agent.
17. Members holding shares in electronic form are requested to intimate immediately, any change in their address or bank mandates to their Depository Participant(s) with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to advise any change in their address or bank mandates immediately to the Company or its Registrar and Share Transfer Agent.
18. Members holding shares in physical form and desirous of making a nomination in respect of their shareholding in the Company, as permitted under Section 72 of the Act, are requested to submit details to the Registrar and Transfer Agents of the Company, in the prescribed Form SH – 13 for this purpose.
19. Members who have not registered their e-mail addresses so far are requested to register their e-mail addresses with the Company's Registrar and Share Transfer Agents for receiving communication from the Company in electronic form. Members of the Company, who have registered their e-mail ID, are entitled to receive such communications in physical form upon request.
20. Under the Act, dividends that are unclaimed / unpaid for a period of seven (7) years from the date of their transfer are required to be transferred to the Investor Education and Protection Fund (IEPF) administered by the Central Government. 3. BUSINESS OPERATIONS & HIGHLIGHTS OF PERFORMANCE

Your Company is a leading manufacturer of polyester texturised dyed yarn and processor of cotton and other fancy yarns with customers having diverse uses. Quality Products and Services has been the top most priority and after continuous research and efforts, your Company has ventured into the dyeing of various qualities of yarns. Your Company today has wide range of polyester dyed yarn with a strong market acceptance and niche position for exclusive shades and grades.

The Covid-19 pandemic has adversely impacted exports as well as domestic sales and with second wave has been seen both the domestic markets and exports falling.

The operations of the Company were disrupted in last week of March, 2020 due to lockdown. Operations were restarted in a phased manner after necessary permissions from the Statutory Authorities in the last week of April, 2020.

Due to unpredictable and fast changing COVID-19 situation, it is very difficult to assess the future impact of COVID-19 on business operations and it is expected to recover over a period of time. However, we are confident about our ability to manage this crisis through our financial stability, our trusted brands, our consumers, our committed employees and with the joint efforts and quality of leadership we are glad to state that we have achieved revenue of Rs. 6352.91 Lakhs (i.e. 69.40%).

During the year 2020-2021 the company has procured the need base machinery and ancillaries of **Rs. 56.86 Lakhs**; the details of which are as under:

Assets	Cost (Rs in Lakhs)

Electrical Installation	1.84
Office	5.18
Computers	2.08
Capital WIP Furniture	8.42
Capital WIP Software	0.30
Total capital expenditure for the Vapi and Silli Unit	56.86

During the year the company has incurred the Capex of Rs. 24.60 Lakhs in Solar Panel (80 KVA) at our Silli unit to meet the compliance of the DNH Power Distribution Ltd. The company has completed the said installation and started generating power which is use for self-consumption resulting in reduction of purchase of power consumption. The company has generated 18359 units approx. saving of Rs. 0.81 Lakhs.

There was no change in nature of business of your Company, during the year under review.

This year was globally unexpected and adverse for everyone including the textile industry and our company has also got hit. The company was in lock down till 1st week of May 20 and was not fully operated due to Govt. Covid19 guidelines till September 2020 There was fluctuation in raw-material prices, increase in power cost at UT Dadra & Nagar Haveli, Diu and Daman and increase in staff (Labour) cost.

Please find below the highlights of the financial performances of your Company during the financial year 2020-2021:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Economy Overview:

The Textile industry is extremely varied, with hand-spun and hand-woven textiles sectors at one end of the spectrum, while the capital-intensive sophisticated mills sector on the other end. The decentralised power looms/ hosiery and knitting sector forms the largest component in the textiles sector. The close linkage of textiles industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles makes it unique in comparison to other industries in the country. India's textiles industry has a capacity to produce wide variety of products suitable for different market segments, both within India and across the world.

The Indian textiles sector has been one of the worst hit sectors due to the COVID-19 crisis. In the context of its socio-economic primacy for the Indian economy, which is second only to agriculture, the industry must be given sufficient attention in academic and policy circles. This perspective is an earnest attempt at filling the void in scholarship on the issue of linkages between the Indian textiles sector and the COVID-19 crisis. The unprecedented crisis in the form of COVID-19 flu pandemic has threatened to derail the socio-economic life of people globally.

The effect of COVID-19 on the Indian textiles industry is manifold. Be it demand or supply, inputs or output, the flu pandemic has impacted almost all facets of the Indian textiles industry. Needless to say, the issues and challenges presented by this pandemic need a proper discussion to mitigate and contain its impact not only on the industries but also on the entire economy, given the pre-eminence of this sector within India's economic landscape.

India's textiles sector is one of the oldest industries in the Indian economy, dating back to several centuries. Indian apparel market is expected to reach US\$ 85 billion by 2021. Rising Government focus and favourable policies is leading to growth in the textiles and clothing industry.

Government Initiatives

The Ministry of Textiles is encouraging investment through increasing focus on schemes such as Technology Up-gradation Fund Scheme (TUFS). In Union Budget 2020-21, the Government has allocated Rs. 761.90 crore (US\$ 109.01 million) for Amended Technology Upgradation Fund Scheme (A-TUFS). The Cabinet Committee on Economic Affairs (CCEA), Government of India has approved a new skill development scheme named 'Scheme for Capacity Building in Textile Sector (SCBTS)'. The Government announced a special package to boost export by US\$ 31 billion, create one crore job opportunities and attract investment worth Rs. 80,000 crores (US\$ 11.93 billion) during 2018-2020. Cumulative FDI (Foreign Direct Investment) inflow in the textiles sector stood at over US\$ 3.46 billion between April 2000 to September 2020.

Initiatives taken by Government of India are:

In Union Budget 2020-21, the Government of India has allocated around Rs. 3,515 crore (US\$ 502.93 million) to the Ministry of Textiles and Rs. 80 crore (US\$ 11.45 million) for the scheme on Integrated Textile Parks. The Ministry of Textiles has announced Rs. 690 crore (US\$ 106.58 million) for setting up 21 readymade garment manufacturing units in seven states for development and modernisation of Indian textile sector. National Technical Textiles Mission is proposed for a period from 2020-21 to 2023-24 at an estimated outlay of Rs. 1,480 crore (US\$ 211.76 million).

- Government launched production linked incentive scheme to provide incentives for manufacture and export of specific textile products made of man-made fibre.
- The Directorate General of Foreign Trade (DGFT) has revised rates for incentives under the Merchandise Exports from India Scheme (MEIS) for two subsectors of Textiles Industry - readymade garments and made-ups - from 2% to 4%.
- The Government of India has taken several measures including Amended Technology Up-gradation Fund Scheme (A-TUFS), estimated to create employment for 35 lakh people and enable investment worth Rs. 95,000 crore (US\$ 14.17 billion) by 2022.
- In March 2021, under the ongoing sub-mission on agroforestry (SMAF) scheme, the Ministry of Agriculture and Farmers Welfare signed a memorandum of understanding (MoU) with the Central Silk Board, under the Ministry of Textiles, on a convergence model to implement agroforestry in the silk sector.
- Effective 01 January 2021, to boost exports, government have extended the benefit of the Scheme for Remission of Duties and Taxes on Exported Products (RoDTEP) to all exported goods
- To support the handloom and handicrafts sector, the government has taken steps to onboard weavers/artisans on Government e-Marketplace (GeM), provide a wider market and enable them to sell their products directly to various government departments and organisation. As of December 31, 2020, 171,167 weavers/artisans/handloom entities have been registered on the GeM portal.

Valson Yarns - Creation Never Ends Here

- Defense Research and Development Organisation (DRDO) is helping the Indian textile industry to produce yarns and eliminate dependence on import of Chinese and other foreign clothing for military uniforms. Indian defense sector has expressed support towards the Indian technical textile sector.
- In March 2021, while addressing the 9th edition of TECHNOTEX 2021 organized by FICCI, General Bipin Rawat, Chief of Defence Staff appreciated the innovations in Indian technical textile and stated that the armed forces will rather reduce imports and instead procure technical textiles from Indian industries as a part of the Aatmanirbhar Bharat initiative.

Outlook:

The post-Covid era has provided a big opportunity for the **online** textile industry. The sales in the online textile industry witnessed a jump in various cities and states of India due to the lockdown that was imposed to curb the spread of coronavirus-caused Covid-19 pandemic.

Despite all these negative aspects, there is a silver lining as well - many people, sectors, and industries have turned the coronavirus crisis into an opportunity. One such sector is the **Textile Industry**. Indian textiles and apparel industry contributed 2.3 percent to the GDP of India, 13 percent to industrial production, and 12 percent to export earnings (as of March 22, 2021).

The Indian textiles industry has immense potential to register an indelible mark while contributing to the growth and success story of the nation but the sector needs more support from the government like policy initiatives, crackdown on red-tapism involved in availing schemes meant for the textile industry.

India is working on major initiatives, to boost its technical textile industry. Owing to the pandemic, the demand for technical textiles in the form of PPE suits and equipment is on rise. Government is supporting the sector through funding and machinery sponsoring.

The future for the Indian textiles industry looks promising, buoyed by strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players like Marks & Spencer, Guess and Next into the Indian market.

High economic growth has resulted in higher disposable income. This has led to rise in demand for products creating a huge domestic market.

Risks and concerns:

The COVID-19 pandemic has exposed decades-old risks, while creating new ones, in the global textile industry relating not only to the disastrous environmental impacts of garments but also geopolitical tensions impacting resource supply. However, the circular economy can potentially provide solutions to mitigate these risks but the transition will need to involve new governance mechanisms and incorporate just transition principles in order to be successful.

There are some areas of concerns, which need to be stated here. Along-with recovery, the textile industry is also facing increase in input prices in sync with the global trends and appreciating rupee. The major risk and concerns are as follows:

1. Shortage in supply of raw material
2. Increase in cost of raw material
3. Pressure to meet stringent social and environmental norms
4. Infrastructure bottlenecks
5. Lack of efficiency due to manual work
6. Unorganized weaving sector

Company's Business

The company has established its brand name "VALSON" in polyester texturised yarn since 1983. Today we are one of the leading manufacturers of Polyester Texturised & Twisted Yarn and Processors of Cotton, Polyester and other Fancy yarns in India with Customers having diverse uses its end-users comprise players from the shirting, suiting's, label, upholstery, hosiery, furnishings, automotive and ready-made garments industries etc. **Quality Products and Services** has been our top most priority and after continuous research, we have ventured into the dyeing of various qualities of yarns. We have more than 65000 shades in our data bank.

The Company is into manufacturing and exporter of Polyester Dyed Yarn and processors of **Cotton and other fancy yarn**. It has activities like Texturising, Twisting, Coning and Dyeing Plants to produce Quality Polyester Texturised Twisted Yarn and other fancy yarn. The Manufacturing process is as under:

The basic raw material used for texturising is Partially Oriented Yarn popularly known as POY. It is fragile, weak, delicate and easily breakable. POY does not have any purposeful use as it lacks the stability, strength, and therefore it cannot be directly used for weaving or knitting.

The term texturising means the production of a permanent crimp in the initially straight fiber or filament yarn. It increases the bulk and improves the elasticity of yarn. This activity fully draws POY yarn to comply with the market requirement and therefore it is different commercial commodity. The POY after the texturising process is known as “**Weft Yarn**”. The twisted crimp yarn is hard, strong and not easily breakable. It gives the yarn a feel of natural like cotton or wool.

The “**Weft Yarn**” is further twisted for the purpose of imparting the required strength, which is necessary to withstand the high-speed run-on looms for the purpose of weaving. The twisted yarn is known in commercial parlance as “**Warp Yarn**”.

The Texturised and twisted yarn is properly washed and thereafter is dyed under quality parameters to get Colour Strength, Tone, Dispersion and Sublimation fastness.

The Dyed Yarn is wound around standard size cones before they are packed for dispatch.

The Company has established its brand as reputed manufacturer of quality, polyester dyed yarn and processors of cotton and other fancy yarn. It has been supplying its products through the network of agents in market. There are about 10 to 15 major agents spread over in Maharashtra, Delhi, Punjab, Northern and Southern India.

There scope of activity of agents will also include the following: -

- 1) To book the orders and to render various incidental services including the monitoring of the follow up of the same.
- 2) To obtain the general market information and acquaint the Company from time to time.
- 3) To receive the payment and statutory forms for and on behalf of the Company in respect of direct invoice raised on the customers for supply of material delivered as per their instruction at anywhere in India.

The Company is exploring new avenues to increase the export base and has chalked out strategic growth plan for the potential market in Middle East, U K, Egypt, Russia and other European markets.

We are getting incentives like duty drawback for export of our goods and have covered our products under MEIS Scheme declared by Ministry of Commerce as an additional incentive to increase the export and capture global market.

Opportunities:

The post-Covid era has provided a big opportunity for the **online** textile industry. The sales in the online textile industry witnessed a jump in various cities and states of India due to the lockdown that was imposed to curb the spread of coronavirus-caused Covid-19 pandemic.

It goes without saying that cloth is one of the basic needs and requirements after food. It is nothing less than any essential commodity, and that's why even during lockdown online textile industry witnessed a boom in sales.

In the year 2021, e-retailers will prove to be a big game-changer by playing a pivotal role recovery of the Indian economy in the post-Covid era. Indian textiles and apparel industry have contributed 2.3 percent to the GDP of India, 13 percent to industrial production and 12 percent to export earnings. Post Covid-19 pandemic, when the Indian economy is showing green shoots of recovery, the future of the online textile industry looks promising in the wake of increased domestic consumption after a lockdown in addition to export demand playing an important role.

The Indian textiles industry has immense potential to register an indelible mark while contributing to the growth and success story of the nation but the sector needs more support from the government like policy initiatives, crackdown on red-tapism involved in availing schemes meant for the textile industry.

Moreover, the Centre also took the decision to rationalize the duties on raw material inputs. But, more export promotion policies are required for the textiles sector, like in the past, the Central government allowed 100 percent FDI in the sector under the automatic route.

Threats:

The Indian textiles sector has been one of the worst hit sectors due to the COVID-19 crisis. In the context of its socio-economic primacy for the Indian economy, which is second only to agriculture, the industry must be given sufficient attention in academic and policy circles. This perspective is an earnest attempt at filling the void in scholarship on the issue of linkages between the Indian textiles sector and the COVID-19 crisis. The unprecedented crisis in the form of COVID-19 flu pandemic has threatened to derail the socio-economic life of people globally.

The Indian textile sector is besotted with issues such as lack of technology upgradation, inefficient infrastructure, fragmented industry structure, sluggish demand in major export markets like the USA and the EU due to the vestigial impact of the Global Financial Crisis and rising competition from countries such as Vietnam, Bangladesh, China and Turkey in areas such as apparels, cotton fabric and carpets.

Valson Yarns - Creation Never Ends Here

Indian textile exporters are facing stiff competition and they lack policy and labour law reforms. But the Company through its quality production upgradation of technology (automation) work hard to competes and do well with other players in this sector.

Segment-wise performance:

The Company's business activity falls within a single business segment viz. 'Yarns' and the sales substantially being in the domestic market, the financial statements are reflective of the information required by Accounting Standard 108 "Segment Reporting", notified under the Companies (Indian Accounting Standards) Rules, 2015.

Human Resources:

Valson recognizes that nurturing and developing human resources by recruiting the best talent is vital to the long-term success of the company. Employees are provided with continues opportunities for active learning and development which are viewed as the key drivers of our growth and thereby contributing to the success of the Company. The remuneration structure is linked directly with performance and reward.

The Company acknowledges that human resources are its biggest asset and hence who have been nurtured and strengthened over the years.

Insurance:

Valson Industries Limited has insured its assets and operations against all insurable risks including fire, earthquake, flood, and etc. as part of its overall risk management strategies.

Safety, Health and Environment

At Valson, safety is considered a high priority and all efforts are made to ensure safe working environment for employees. All probable incidents are analyzed and corrective actions are taken. Employees are trained in safe practices to be followed at work places at all the times.

Environmental Preservation:

Quality of human life is the most important factor to sustain life and this could be achieved through preservation of natural environment. The Company's R & D Department continues to develop new shades in an environmentally sustainable manner. The Company always consumes eco-friendly dyes, colours and chemicals. The Company has also installed an Effluent Treatment plant for proper treatment of waste water. Your company's strength lies in consistent quality consciousness and eco-friendly awareness.

Material developments in Human Resources / Industrial Relations:

The company has always considered human resources as the driving force for progress and success and they are the main assets of the company. Management is of the firm belief that the growth of the company is due to the continuous contribution from its manpower. The company has the required number of skilled and semi-skilled persons and it constantly tries to improve their quality and productivity and provides a congenial working environment for them. The company is committed for continual improvement in all aspects of social standard, business and employee's welfare to grow as an ethical business. We believe that harmony amongst employees, employer and business leads to socio economic improvement. The industrial relations continued to be extremely cordial during the year.

Internal control systems and their adequacy:

The Company has adequate system of internal controls to ensure that all the assets are safeguarded and are productive, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information. Necessary checks and controls are in place to ensure that transactions are properly verified, adequately authorized, correctly recorded and properly reported. The scope and authority of the Internal Audit (IA) function is defined in the Internal Audit Charter.

The Internal Audit department carried out audits in different areas of your Company's operations. Post audit reviews were carried out to ensure that audit recommendations were implemented and they monitors and evaluates the efficacy and adequacy of internal control system in the Company, its compliance with operating systems, accounting procedures and policies at all locations of the Company. Based on the report of internal audit function, process owners undertake corrective action in their respective areas and thereby strengthen the controls. Significant audit observations and corrective actions thereon are presented quarterly and yearly reports to the chairman of Audit Committee of the Board to maintain its objectivity and independence.

The Audit Committee reviewed the audit program and findings of the Internal Audit department and the Company when needed takes corrective actions.

Discussion on financial performance with respect to operational performance:

The Covid-19 pandemic is primarily expected to adversely impact exports and with second order impact on the domestic markets with both exports as well as domestic sales falling.

The operations of the Company were disrupted in last week of March, 2020 due to lockdown. The Company restarted the operations in phased manner after necessary permissions from the Statutory Authorities in the last week of April, 2020.

Due to unpredictable and fast changing COVID-19 situation, it is very difficult to assess the future impact of COVID-19 on business operations and it is expected to evolve over a period of time. However, with the joint efforts our committed employees and quality of leadership we had achieved revenue of Rs. 6352.91 Lakhs (i.e. 69.40%).

Performance review of the company (Important ratio's):

Year Ended March	2021	2020
Operating Profit /(Loss)	(1.13)%	5.18%
Gross Profit / (Loss) Margin	(2.94)%	4.00%
Interest / Sales	1.81%	1.18%
Net Profit / (Loss) after Tax	(7.73)%	0.85%
Return of Net worth (RONW)	(18.29)%	2.45%
Debt / Equity Ratio	0.5	0.3
Current Ratio	1.2	1.5
Inventory Turnover Ratio	6.9	10.2
Interest Coverage	(0.6)	4.3
Debtors Period (in Days)	41.9	28.9

This year was globally extra-ordinary and unexpected for everyone including the textile industry and our company has also got hit. The company was in lock down till 1st week of May 20 and was not fully operated due to Govt. Covid19 guidelines till September 2020. There was fluctuation in raw-material prices, increase in power cost at UT Dadra & Nagar Haveli, Diu and Daman and increase in staff (Labour) cost.

Please find below the highlights of the financial performances of your Company during the financial year 2020-2021:

- 1) There is a decline of 19.48% in Texturising production (4113 MT) compared to last year (5108 MT).

ANNEXURE 'C' TO BOARD'S REPORT
SECRETARIAL AUDIT REPORT
FORM NO. MR-3

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2021

*[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]*

To,

The Members,

Valson Industries Limited

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Valson Industries Limited** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021 according to the provisions of:

1. The Companies Act, 2013 ('the Act') and the rules made thereunder;
2. The Securities Contracts ('Regulation') Act, 1956 ('SCRA') and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **(Not Applicable to the Company during audit period)**.
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **(Not Applicable to the Company during audit period)**.
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities), Regulations, 2008. **(Not Applicable to the Company during audit period)**.
 - f) The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agent), Regulations, 1993, regarding the Companies Act, 2013 and dealing with the clients.
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares), Regulations, 2009. **(Not Applicable to the Company during audit period)**.
 - h) The Securities and Exchange Board of India (Buyback of Securities), Regulations, 2018. **(Not Applicable to the Company during audit period)**.
6. There are no other laws specifically applicable to the industry to which the Company belongs as identified by the management.

I have also examined compliance with the applicable clauses of the following:

- 1) Secretarial Standards issued by the Institute of Company Secretaries of India i.e. Secretarial Standards – 1 for Board Meetings and Secretarial Standards – 2 for General Meetings.
- 2) The Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following qualification:

a) Appointment of Company Secretary:

As per Section 203(1)(ii), the Company is required to appoint Company Secretary. Further, as per Regulation 6 (1) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is required to appoint a Company Secretary as its Compliance Officer. *The Company has not appointed Company Secretary from 01st April, 2020 to 28th February, 2021; consequently the Audited Annual Financial Statements for the financial year ended 31st March, 2020 were not signed by Company Secretary.*

The Company had received notices from BSE Limited imposing fine in respect of non appointment of Company Secretary as Compliance Officer during the period beginning from 1st April, 2020 till 28th February, 2021 in terms of Regulation 6 (1) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In this regard the management of the Company has provided the following reply:

- i. The Company has appointed Mr. Pritesh Shah, Chartered Accountant as Compliance Officer of the Company, when the Company did not had any Company Secretary to ensure compliance of the Companies Act, 2013 and SEBI Act and rules made there under.
- ii. The Company has availed the services of Practicing Company Secretary to advice on the compliance of the Companies Act, 2013 and the SEBI Act and rules made there under.
- iii. The Company had appointed Mr. Anand Dubey as Company Secretary and Compliance Officer of the Company w.e.f. 11th June, 2019. He resigned w.e.f. 08th July, 2019.
- iv. Thereafter, the Company had appointed Ms. Khushboo Hanswal as Company Secretary and Compliance Officer w.e.f. 03rd September, 2019. She resigned w.e.f. 31st December, 2019.
- v. The Company has been complying with the provisions of Companies Act, 2013 and SEBI regulations and filing all its compliances. Accordingly, the Company is fulfilling its statutory responsibilities.
- vi. Since April, 2020 till September, 2020, the Company had very low operations on account of COVID 19 which resulted in financial strain.
- vii. The Company has regularized the compliance by appointing Ms. Neeti Alwani as Company Secretary and Compliance Officer w.e.f. 1st March, 2021. The Company has also represented to BSE Limited requesting to waive off the fine.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there were no instances of:

1. Public/Right/Preferential issue of shares / Debentures / Sweat Equity, etc.
2. Redemption / Buy-Back of Securities
3. Major decisions taken by the members in pursuance to Section 180 of the Companies Act, 2013
4. Merger / Amalgamation / Reconstruction, etc.
5. Foreign Technical Collaborations

CORPORATE GOVERNANCE REPORT

Pursuant to Part C of Schedule V to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

For The Financial Year 31st March, 2021

The Directors' Report on the compliance of the Corporate Governance Code is given below.

1. CORPORATE GOVERNANCE

1.1 Company's Philosophy on Corporate Governance

Corporate Governance is about commitment to values and ethical business conduct. We look upon good corporate governance practices as a key driver of sustainable corporate growth and long-term shareholders value creation. Good Corporate Governance is about enhancing value for all our stakeholders. The Company is committed to adopt best practices in corporate governance and disclosures. This includes its corporate and other structures, its culture, policies and the manner in which it deals with various stakeholders. Accordingly, a timely and accurate disclosure of information regarding the financial situation, performance, ownership and governance of the Company is an important part of corporate governance.

The Company places great emphasis on values such as empowerment and integrity of its employees, safety of the employees and communities surrounding our plants, place of work, transparency in decision making process, fair and ethical dealings with all, pollution free clean environment and last but not the least, accountability to all the stakeholders. These practices being followed since the inception have contributed to the Company's sustained growth. The Company also believes that its operations should ensure that the precious natural resources are utilized in a manner that contributes to the "Triple Bottom Line".

The Company believes that sound corporate governance is critical to enhance and retain investors' trust. The Company's corporate governance philosophy is based on the following principles:

1. Primary responsibility of a good corporate entity is maximizing shareholders value.
2. Be transparent and maintain a high degree of disclosures level.
3. Sound system of risk management and internal control.
4. Principles of integrity, transparency, disclosures, accountability and fairness.
5. Upholding the highest standards of professionalism.
6. Management is the trustee of the shareholders capital and not the owner.

A Report on compliance with the principles of Corporate Governance as prescribed by the Securities and Exchange Board of India (SEBI) in Chapter IV (Obligations of Listed Entity which has listed its Specified Securities) read with Schedule V (Annual Report) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "SEBI Regulations") is given below:

1.2 The Governance Structure

Valson's Governance structure broadly comprises the Board of Directors and the Committees of the Board at the apex level and the Management structure at the operational level. This layered structure brings about a harmonious blend in governance as the Board sets the overall corporate objectives and gives direction and freedom to the Management to achieve these corporate objectives within a given framework, thereby bringing about an enabling environment for value creation through sustainable profitable growth.

- a. Board of Directors** – The Valson Board plays a pivotal role in ensuring that the Company runs on sound and ethical business practices and that its resources are utilized for creating sustainable growth and societal wealth. The Board operates within the framework of a well defined responsibility matrix which enables it to discharge its fiduciary duties of safeguarding the interest of the Company; ensuring fairness in the decision making process, integrity and transparency in the Company's dealing with its Members and other stakeholders.
- b. Committee of Directors** - With a view to have a more focused attention on various facets of business and for better accountability, the Board has constituted the following committees viz. Audit Committee, Stakeholders' Relationship Committee and Nomination and Remuneration Committee. Each of these Committees has been mandated to operate within a given framework.
- c. Management Structure-** Management structure for running the business as a whole is in place with appropriate delegation of powers and responsibilities to the functional heads. The Chairman and Managing Director, CFO and CEO are in overall control and responsible for day-to-day working of the Company. They give strategic directions, lay down policy guidelines and ensures implementation of decisions of the Board of Directors and its various committees.

7.5 Transfer of the 'Shares' into Investor Education and Protection Fund (IEPF) (in cases where dividend has not been paid or claimed for seven consecutive years or more)

In terms of Section 124 (6) of the Act read with Investor Education & Protection Fund (IEPF) Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 as amended, and Notifications issued by the Ministry of Corporate Affairs from time to time, the Company is required to transfer the shares in respect of which dividends have remained unpaid / unclaimed for a period of seven consecutive years or more to the IEPF Account established by the Central Government. As required under the said Rules, the Company is in the process of transferring the required number of shares to the IEPF.

7.6 Guidelines for Investors to file claim in respect of the Unclaimed Dividend or Shares transferred to the IEPF

Investors/Depositors whose unpaid dividends, matured deposits or debentures etc. have been transferred to IEPF under the erstwhile Companies Act, 1956 and/or the Act, can claim the amounts. In addition, claims can also be made in respect of shares which have been transferred into the IEPF, as per the procedures / guidelines stated below:

- Download the Form IEPF-5 from the website of IEPF (www.iepf.gov.in) for filing the claim for the refund of dividend / shares. Read the instructions provided on the website / instruction kit, along with the e-form carefully, before filling the form.
- After filling the form, save it on your computer and submit the duly filled form by following the instructions given in the upload link on the website. On successful uploading, an acknowledgement will be generated indicating the SRN. Please note down the SRN details for future tracking of the form.
- Take a print out of the duly filled Form IEPF-5 and the acknowledgement issued after uploading the form.
- Submit an indemnity bond in original, copy of the acknowledgement and self attested copy of e-form along with other documents as mentioned in the Form IEPF-5 to the Nodal Officer (IEPF) of the Company at its Registered Office in an envelope marked "Claim for refund from IEPF Authority" / "Claim for shares from IEPF" as the case may be. Kindly note that submission of documents to the Company is necessary to initiate the refund process.

- (e) Claim forms completed in all respects will be verified by the concerned Company and on the basis of Company's Verification Report, refund will be released by the IEPF Authority in favour of claimants' Aadhar linked bank account through electronic transfer and / or the shares shall be credited to the demat account of the claimant, as the case may be.

The Nodal Officer of the Company for IEPF Refunds Process is Mr. Suresh Mutreja whose e-mail id is suresh@valsonindia.com.

7.7 Dealing with securities which have remained unclaimed

Regulation 39 (4) of SEBI Regulations read with Schedule VI "Manner of dealing with Unclaimed Shares", had directed Companies to dematerialize such shares which have been returned as "Undelivered" by the postal authorities and hold these shares in an "Unclaimed Suspense Account" to be opened with either one of the Depositories viz. NSDL or CDSL.

All corporate benefits on such shares viz. bonus, dividends etc. shall be credited to the unclaimed suspense account as applicable for a period of seven years and thereafter be transferred in accordance with the provisions of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer, and Refund) Rules, 2016 (IEPF Rules) read with Section 124(6) of the Act.

7.8 Pending Investors' Grievances

Any Member / Investor, whose grievance has not been resolved satisfactorily, may kindly write to the Compliance Officer at the Registered Office with a copy of the earlier correspondence.

7.9 Dematerialization of Shares and Liquidity

As per notification issued by SEBI, with effect from 26th June, 2000, it has become mandatory to trade in the Company's shares in the electronic form. The Company's shares are available for trading in the depository systems of both NSDL and CDSL.

As on 31st March, 2021, 98.39% of the Company's total paid up capital representing 75,37,690 equity shares were held in dematerialised form and the balance 1.61% representing 1,23,110 equity shares were held in physical form.

7.10 Disclosure with respect to demat suspense account/unclaimed suspense account

As on 31st March, 2021, there are no outstanding shares lying in the demat suspense account / unclaimed suspense account.

7.11 Reconciliation of Share Capital Audit

As required by SEBI, quarterly audit of the Company's share capital is being carried out by an independent external auditor with a view to reconcile the total share capital admitted with Central Depository Services (India) Limited (CDSL), National Securities Depository Limited (NSDL) and held in physical form, with the issued and listed capital. The Auditors' Certificate in regard to the same is submitted to BSE Limited and is also placed before Stakeholders' Relationship Committee and the Board of Directors.

**PRACTICING COMPANY SECRETARY'S CERTIFICATE
ON COMPLIANCE OF CORPORATE GOVERNANCE**

To

The Members of Valson Industries Limited

1. I, Mr. Punit Shah, Practicing Company Secretary, the Secretarial Auditors of Valson Industries Limited ("the Company"), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on 31st March, 2021, as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations).

Management's Responsibility

2. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in Listing Regulations.

Auditor's Responsibility

3. My responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. I have examined the secretarial and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

Opinion

5. Based on my examination of the relevant records and according to the information and explanations provided to me and the representations provided by the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C and D of Schedule V of the Listing Regulations during the financial year ended 31st March, 2021.
6. I state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of,

VALSON INDUSTRIES LIMITED

Report on the Audit of the Financial Statements

I. Opinion

We have audited the Financial Statements of **VALSON INDUSTRIES LIMITED** (hereinafter referred to as "the Company"), which comprise the balance sheet as at March 31, 2021, the statement of Profit and Loss, (including Other Comprehensive Income), Statement of Changes in Equity and statement of cash flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013, ("the Act"), in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its loss, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

II. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

III. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
<p>Inventory Existence:</p> <p>The inventory's carrying value in the Balance Sheet as at March 31, 2021 is Rs. 893.22 lakhs. The inventory of the Company is held across various locations including its Plants, Sales Depots, Warehouses and Contract Manufacturers' locations.</p> <p>We focussed on this matter because of the:</p> <ul style="list-style-type: none"> • significance of the inventory balance to the profit and statement of financial position • physical verification carried out by the management was not observed physically by us subsequent to the year end due to the restrictions imposed on account of COVID – 19. 	<p>We have performed the following procedures with respect to the inventory:</p> <ul style="list-style-type: none"> • Evaluated the design and implementation of the controls over physical verification of inventory and tested the operating effectiveness of these controls during the interim periods. <p>On account of COVID – 19 related nationwide lockdown, we were unable to carry out inventory verification at the year end. Consequently, we have performed the following alternate procedures to audit the existence of inventory:</p> <ul style="list-style-type: none"> • Obtained the physical verification records from the management and performed roll back procedures. • In case of the stock held at third party locations, obtained direct confirmation of the inventory held by third party locations subsequent to the year end and performed roll back procedures. <p>There were no significant exceptions noted from these procedures. We tested a sample of inventory items to assess whether they were recorded at a value higher than that for which they could be sold. We did not identify any exceptions.</p>

IV. Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

V. Management's Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

VI. Auditor's Responsibilities for the Audit of the Financial Statements.

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Financial Statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management's and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

VII. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure 'A'** statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

Annexure - A to the Independent Auditors' Report

[Referred to in paragraph VII (1) of our report of even date]

With reference to the Annexure A referred to in the Independent Auditors' Report to the members of **VALSON INDUSTRIES LIMITED** on the Financial Statements for the year ended March 31, 2021, we report the following:

- (i) (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) There is a regular programme of verification of fixed assets adopted by the Management whereby part of fixed assets was verified during the year. In our opinion the programme of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) The title deeds of immovable properties including leasehold land, as disclosed in **Note 3** on property, plant and equipment to the Financial Statements, are held in the name of the company.
- (ii) The inventory has been physically verified at reasonable intervals during the year by the Management. The discrepancies noticed on physical verification of inventory as compared to book records were not material and have been appropriately dealt with in the books of accounts.
- (iii) According to the information and explanation given to us, the company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act.

As the Company has not granted any loans secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act. Accordingly paragraph 3(iii), sub-clauses (a), (b) and (c) of the Order is not applicable.

- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made and security provided by it.
- (v) In our opinion and according to the information and explanations given to us, the Company has accepted deposits and the directives issued by Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under, where applicable, have been complied with.
- (vi) We have broadly reviewed the Cost records maintained by the company which have been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, in respect of the Company's products to which the said rules are made applicable, and are of the opinion that, prima-facie, the prescribed accounts and records, have been made and maintained. We have, however, not made a detailed examination of the records, with a view to determine whether they are accurate.
- (vii) (a) The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, goods and services tax, cess and any other statutory dues with the appropriate authorities

According to the information and explanations given to us, no undisputed amounts payable in respect of any of the above statutory dues were in arrears, as at March 31, 2021 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income tax, sales tax, service tax, customs duty, excise duty or value added tax, which have not been deposited on account of any dispute. The disputed statutory dues aggregating to Rs.2.39 lakhs of Textile Cess, that has not been deposited on account of matter pending before appropriate authority is as under:

S r . No.	Name of the Statute	Nature of the Dues	Forum where dispute is pending	Period to which amount relates	Amount (Rs. Lakhs)
1.	Textiles Committee Act	Textiles Cess	Textiles Committee	FY 2001 – 02 to 2005 – 06	2.39
2.	Gujarat VAT	VAT Dues	Dy. Commissioner (Appeal, Surat) VAT Dept.	FY 2017-2018	25.11

- (viii) According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to banks. The Company did not have any outstanding loans or borrowings from financial institutions or government and there are no dues to debenture holders during the year.

- (ix) In our opinion and according to the information and explanations given to us, the term loans have been applied for the purposes for which they were obtained.
- (x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, no fraud by the company or on the company by its officers or employees has been noticed or reported during the year.
- (xi) The company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act.
- (xii) As the company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Companies Act. The details of such related party transactions have been disclosed in the Financial Statements as required under Indian Accounting Standard (Ind. AS) 24, Related Party Disclosures.
- (xiv) According to the information and explanations given to us the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable.
- (xv) According to the information and explanations given to us the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) According to the information and explanations given to us the company is not required to get registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, paragraph 3(xvi) of the Order is not applicable.

Annexure - B to the Independent Auditors' Report on the Financial Statements of Valson Industries Limited for the year ended 31 March 2021

Report on the internal financial controls with reference to the aforesaid Financial Statements under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013.

(Referred to in paragraph VII(2)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to Financial Statements of **Valson Industries Limited (hereinafter referred to as "the Company")** as of March 31, 2021 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to Financial Statements and such internal financial controls were operating effectively as at March 31, 2021, based on the internal financial controls with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of

its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Financial Statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to Financial Statements for the Year ended 31st March, 2021

Note 1: Corporate information:

Valson Industries Limited was incorporated on 2nd June, 1983 with Registrar of Companies, Maharashtra State. Its processing manufacturing Units are located at Vapi in Gujarat and Silvassa in UT. Dadra Nagar & Haveli. Its shares are listed on Bombay Stock Exchange. The Company is engaged in Texturising, Twisting of Polyester yarns and Dyeing of Polyester, Cotton and other fancy Yarns. The company has its registered office and principal place of business at 28, Building no. 6, Mittal Industrial Estate, Sir M. V. Road, Andheri-(East), Mumbai 400 059.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency.

Note 2: Significant Accounting Policies Accounting Judgements, Estimates and Assumptions:

(A) Significant accounting policies:

2.1 STATEMENT OF COMPLIANCE

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 1, 2017.

These financials statements have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 read with the Companies (Indian Accounting Standards) Amendment Rules, 2017 and the Guidance Notes and other authoritative pronouncements issued by the Institute of Chartered Accountants of India (ICAI).

2.2 BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

2.3 CURRENT/ NON-CURRENT CLASSIFICATION OF ASSETS AND LIABILITIES:

An asset is considered as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
 - o All other assets are classified as non-current.
 - o A liability is considered as current when:
 - It is expected to be settled in normal operating cycle,
 - It is held primarily for the purpose of trading,
 - It is due to be settled within twelve months after the reporting period, or
 - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
 - o All other liabilities are classified as non-current.
 - o Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Notes to Financial Statements for the Year ended 31st March, 2021**2.4 USE OF ESTIMATES:**

The presentation of financial statements is in conformity with the recognition and measurement principles of IndAS which requires the management of the company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

2.5 REVENUE RECOGNITION:

The Company derives revenues primarily from sale of manufactured goods and related services.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expect to receive in exchange for those products or services.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

1. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs;
or
2. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced;
or
3. The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Interest Income:

- a) Interest on delayed payment received is accounted for when the collection of the same is reasonably certain.
- b) Interest on FDR is measured using the contracted rate.

2.6 PROPERTY, PLANT AND EQUIPMENT:

Property, Plant and Equipment are recorded at their cost of acquisition, net of indirect taxes, less accumulated depreciation and impairment losses, if any. The cost thereof comprises of its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost for bringing the asset to its working condition for its intended use.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit or Loss when the asset is derecognised.

For transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as on 1st April, 2016 measured as per previous GAAP as its deemed cost on the date of transition.

2.7 CAPITAL WORK IN PROGRESS AND CAPITAL ADVANCES:

Expenses incurred for acquisition of capital assets outstanding at each balance sheet date are disclosed under capital work-in-progress. Advances given towards the acquisition of fixed assets are shown separately as capital advances under the head Other Non-Current Assets.

2.8 DEPRECIATION:

Depreciation on Property, Plant and Equipment is provided on Straight Line Method basis in accordance with the provisions of Schedule II to the Companies Act, 2013. The Management believes that the estimated useful lives as per the provisions of Schedule II to the Companies Act, 2013, are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Notes to Financial Statements for the Year ended 31st March, 2021

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.9 Intangible Assets and amortisation thereof:

The cost relating to Intangible assets, with finite useful lives, which are capitalised and amortised on a straight line basis over a period of five years, are based on their estimated useful lives.

An item of Intangible Asset is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.

The residual values, useful lives and methods of amortisation of Intangible Assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

For transition to Ind AS, the Company has elected to continue with the carrying value of all its Intangible Assets recognised as on 1st April, 2016 (date of transition) measured as per previous GAAP as its deemed cost on the date of transition.

2.10 Impairment of Property Plant & Equipment and Intangible Assets:

The carrying amount of assets are reviewed at each balance sheet date to assess, whether there is any indication of impairment based on internal / external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater than the assets net selling price and value in use.

During the year there is no impairment of the assets.

2.11 INVENTORIES:

- i) Raw Materials are valued at cost determined on First in First out (FIFO) Method.
- ii) Finished Goods are valued at cost or net realisable value whichever is lower.
- iii) Stores and Spares, Fuel & Packing Materials are valued at cost.

Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

2.12 Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial Assets:

Initial Recognition and Measurement:

All financial assets are recognised initially at fair value. In the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are included therein.

Subsequent Measurement:

For purposes of subsequent measurement, financial assets are classified in three categories:

- Financial assets at amortised cost
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)
- Investments measured at fair value through Profit & Loss (FVTPL)

Financial Assets at Amortised Cost:

A financial asset is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and any fees or costs that are an integral part of the EIR.

Notes to Financial Statements for the Year ended 31st March, 2021**Equity Instruments at FVTOCI:**

For equity instruments not held for trading, an irrevocable choice is made on initial recognition to measure it at FVTOCI. All fair value changes on such investments, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to profit or loss, even on sale or disposal of the investment. However, on sale or disposal the company may transfer the cumulative gain or loss within equity.

Financial Assets at FVTPL

Even if an instrument meets the two requirements to be measured at amortised cost or fair value through other comprehensive income, a financial asset is measured at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as “accounting mismatch”) that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. All other financial assets are measured at fair value through profit or loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company’s statement of financial position) when:

- i) The rights to receive cash flows from the asset have expired, or
- ii) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a “pass-through” arrangement and either;
 - a. the Company has transferred substantially all the risks and rewards of the asset, or
 - b. the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk

ii) Financial Liabilities:**Initial Recognition and Measurement:**

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company’s financial liabilities include loans and borrowings.

Subsequent Measurement:

This is dependent upon the classification thereof as under:

Loans and Borrowings:

After initial recognition, interest - bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(iii) Equity Instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity in accordance with the substance of the contractual arrangements. These are recognised at the amount of the proceeds received, net of direct issue costs.

Notes to Financial Statements for the Year ended 31st March, 2021

2.13 BORROWING COST:

Borrowing costs comprising of interest and other costs that are incurred in connection with the borrowing of funds that are attributable to the acquisition or construction of qualifying assets are considered as a part of cost of such assets less interest earned on the temporary investment. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Statement of profit and loss in the year in which they are incurred.

2.14 EMPLOYEE BENEFITS:

Short term employee benefits:

All employee benefits falling due wholly within 12 months of rendering the services are classified as short term employee benefits and are recognised as an expense in the period in which the employee renders the related services.

Post - Employment benefits:

Defined Contribution Plan

The company's contribution towards the provident fund and the social securities for certain eligible employees are considered to be defined contribution plans as the company does not carry any further obligations apart from the contributions made on a monthly basis.

Defined Benefit Plan

Liabilities towards Defined Benefit Schemes viz. Gratuity benefits are determined using the Projected Unit Credit Method. Actuarial valuations under the Projected Unit Credit Method are carried out at the Balance Sheet date. Actuarial gains and losses are recognised immediately in the Balance Sheet with a corresponding effect in the Statement of Other Comprehensive Income. Past service cost is recognised immediately in the Statement of Profit and Loss.

2.15 LEASES:

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

As a Lessee:

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership is classified as a finance lease.

Finance lease is capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term, unless the payments are structured to increase in line with the expected general inflation to compensate the lessor.

2.16 TAXES ON INCOME:

Current Income Taxes:

Current income tax liabilities are measured at the amount expected to be paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised directly in equity is recognised in other comprehensive income / equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Taxes:

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Notes to Financial Statements for the Year ended 31st March, 2021

Deferred tax liabilities are recognised for all taxable temporary differences, when the deferred tax liability arises from an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except, when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

2.17 TRANSACTIONS IN FOREIGN CURRENCY:

Transactions in foreign currencies are initially recorded at their respective custom announced rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the custom announced rates of exchange at the reporting date.

Differences arising on settlement or translation of monetary items are recognised as income or expenses in the period in which they arise.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or statement of profit and loss are also recognised in OCI or statement of profit and loss, respectively).

2.18 PROVISIONS, CONTINGENT LIABILITY AND CONTINGENT ASSET:

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.

When the Company expects part or entire provision to be reimbursed, the same is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A Contingent Liability is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of enterprise or a present obligation that arises from past events that may, but probably will not, require an outflow of resources.

Both provisions and contingent liabilities are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent assets are neither recognised nor disclosed in the Financial Statements.

Notes to Financial Statements for the Year ended 31st March, 2021

2.19 GOVERNMENT GRANTS, SUBSIDIES:

Grant from Government under Technology Up-gradation Fund Scheme (TUFS) is recognised at fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached condition.

2.20 SEGMENT REPORTING:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Board of Director of the Company has been identified as being the Chief Operating Decision Maker (CODM) by the management of the Company.

As the Company's business activity falls within a single business segment viz. 'Yarns' and the sales substantially being in the domestic market, the financial statements are reflective of the information required by Accounting Standard 108 "Segment Reporting", notified under the Companies (Indian Accounting Standards) Rules, 2015.

2.21 EARNINGS PER SHARE:

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year are adjusted for events including a bonus issue, bonus element in right issue to existing shareholders, share split, and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

2.22 Cash and Cash Equivalent:

Cash and cash equivalent for the purpose of Cash Flow Statement comprise cash at bank and in hand and short term highly liquid investments which are subject to insignificant risk of changes in value.

2.23 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.24 Commitments

Commitments are future liabilities for contractual expenditure. The commitments are classified and disclosed as follows:

- (a) The estimated amount of contracts remaining to be executed on capital account and not provided for; and
- (b) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of the Management.

2.25 Significant Accounting Judgements, Estimates and Assumptions:

The preparation of Financial Statements is in conformity with the recognition and measurement principles of Ind AS which requires the management to make judgements for estimates and assumptions that affect the amounts of assets, liabilities and the disclosure of contingent liabilities on the reporting date and the amounts of revenues and expenses during the reporting period and the disclosure of contingent liabilities. Differences between actual results and estimates are recognized in the period in which the results are known/ materialize.

Estimates, Assumptions and Judgements:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

Notes to Financial Statements for the Year ended 31st March, 2021**a) Estimation of current tax expense and deferred tax:**

The calculation of the Company's tax charge necessarily involves a degree of estimation and judgement in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process. The final resolution of some of these items may give rise to material profits/losses and/or cash flows. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

b) Recognition of deferred tax assets/ liabilities:

The recognition of deferred tax assets/ liabilities is based upon whether it is more likely than not that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. To determine the future taxable profits, reference is made to the latest available profit forecasts.

c) Estimation of Provisions & Contingent Liabilities:

The Company exercises judgement in measuring and recognising provisions and the exposures to contingent liabilities which is related to pending litigation or other outstanding claims. Judgement is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual liability may be different from the originally estimated as provision

d) Estimated useful life of Property, Plant and Equipment:

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life, its expected usage pattern and the expected residual value at the end of its life. The useful lives, usage pattern and residual values of Company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology etc.

e) Estimation of Provision for Inventory:

The Company writes down inventories to net realisable value based on an estimate of the realisability of inventories. Write downs on inventories are recorded where events or changes in circumstances indicate that the carrying value may not be realised. The identification of write-downs requires the use of estimates of net selling prices of the down-graded inventories. Where the expectation is different from the original estimate, such difference will impact the carrying value of inventories and write-downs of inventories in the periods in which such estimate has been changed.

f) Estimation of Defined Benefit Obligation:

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) for post-employment plans include the discount rate. Any changes in these assumptions will impact the carrying amount of such obligations.

The Company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the defined benefit obligations. In determining the appropriate discount rate, the Company considers the interest rates of government bonds of maturity approximating the terms of the related plan liability.

g) Estimated fair value of Financial Instruments.

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Management uses its judgement to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.

A. Defined Contribution Plans:

"Contribution to Provident and other funds" is recognised as an expense in "Employee Benefit Expenses" of the Statement of Profit and Loss.

B. Defined Benefit Plan

The company provides gratuity benefits to its employees as per the statute. Present value of gratuity obligation (Non-Funded) based on actuarial valuation done by an independent valuer using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation for compensated absences (Non-funded) is recognized in the same manner as gratuity.

The following table sets out the status of the gratuity plan and the amounts recognised in the Company's financial statements as at 31st March, 2021:

xii. There is no contribution under defined contribution plans and defined benefit plans in respect of Key Management Personnel.

xiii. **Risks associated with defined benefit plan:**

Gratuity is a defined plan and company is exposed to the following Risks:

Interest rate risk: A fall in the discount rate which is linked to the Government Securities Rate will increase the present value of the liability requiring higher provision.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Company has to manage payout based on pay as you go basis from our own funds.

Mortality Risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

xiv. **Expected future benefit payments:**

The following is the maturity profile of the benefit expected to be paid for each of the next five years and the aggregate five years thereafter:

(₹ In Lakhs)

xv. Sensitivity Analysis:

The Sensitivity analysis has been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation.

As it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

(₹ In Lakhs)

Sensitivity Analysis						
Assumptions	Discount rate		Salary Escalation rate		Withdrawal rate	
Sensitivity Level	1% increase	1% decrease	1% increase	1% decrease	1% increase	1% decrease
Impact on defined benefit obligation						
Current Year	(9.14)	11.21	10.57	(8.82)	3.29	(4.01)
Previous Year	(9.66)	11.87	12.04	(9.94)	2.84	(3.25)

The sensitivity analysis presented above may not be representative of the actual change in the defined obligations as it is unlikely that the change in assumptions would occur in isolation of one another as some assumption may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the project unit credit method at the end of the reporting period, which is same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

VII. Financial Risk Management

Financial risk management objectives and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Board of Directors. Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

Notes to Financial Statements for the Year ended 31st March, 2021

A. Interest rate risk:

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, management performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio. The Company's interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year.

A 50-basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

Fair Value Hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consist of the following three levels:

Level 1:	Inputs are quoted prices (unadjusted) in active markets for identical assets and liabilities.
Level 2:	Inputs are other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. prices) or indirectly (i.e. derived from prices).
Level 3:	Inputs are not based on observable market data unobservable inputs. Fair value are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The following table summarizes financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured on fair value on recurring basis (but fair value disclosures are required).
