NOTES:

- The Ministry of Corporate Affairs (“MCA”) has, vide its Circular no. 2/2022, dated May 05, 2022 and Circular no.21/2021, dated December 14, 2021 read together with circular dated December 8, 2021, January 13, 2021, April 8, 2020, April 13, 2020 and May 5, 2020 (collectively referred to as “MCA Circulars”), permitted convening the Annual General Meeting (“AGM”) through Video Conferencing (“VC”) / Other Audio-Visual Means (“OAVM”), without the physical presence of the Members at a common venue. In accordance with the MCA circulars, provisions of the Companies Act, 2013 (“the Act”) and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), the AGM of the Company is being held through VC/ OAVM. The deemed venue for the AGM shall be the Registered Office of the Company.
- The deemed venue for 29th AGM shall be the Registered Office of the Company situated at **H No. 1/61-B, Vishwas Nagar, Shahdara, East Delhi- 110032.**

3. The Company has appointed **Skyline Financial Services Private Limited** as “**Facilitator of VC/OAVM**” to facilitate the conduct of AGM through VC/OAVM.
4. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
5. The facility of joining the AGM through VC/OAVM will be opened 15 minutes before and will be open upto 15 minutes after the scheduled start time of the e-AGM, i.e., from 02:45 P.M. to 03:15 P.M and will be available for 1,000 members on a first come first-served basis. This rule would however not apply to participation of shareholders holding 2% or more shareholding, promoters, institutional investors, directors, key and senior managerial personnel, auditors, etc.
6. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM facility, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the e-AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, in pursuance of Section 112 and Section 113 of the Act, representatives of the members may be appointed for the purpose of voting through remote e-voting or for participation and voting in the meeting held through VC or OAVM.
7. Institutional/Corporate shareholders (i.e. other than individuals/HUF, NRI, etc.) are required to send a scanned copy (pdf/jpg format) of its board or governing body’s resolution/authorization, etc., authorizing their representative to attend the AGM on its behalf and to vote through remote e-voting. The said resolution/authorization shall be sent to the scrutinizer by email through its registered email address to preeticsjain@gmail.com with a copy marked to Company rahulmerchandising@gmail.com & helpdesk.evoting@nsdlindia.com
8. Statement pursuant to Section 102 of the Companies Act, 2013 shall form a part of this Notice since special business shall be transacted at the 29th e-AGM.
9. Brief details of the director, who are eligible to be appointed, re-appointed, regularize in 29th AGM, are annexed hereto as per requirements of Regulation 36(3) of the “SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015” and as per provisions of the Act.
10. Institutional investors, who are members of the Company are encouraged to attend and vote at the 29th e-AGM of the Company.
11. SEBI has mandated the submission of Permanent Account Number (PAN) by every person dealing in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company or its RTA.
12. In terms of Sections 101 and 136 of the Companies Act, 2013 read with the rules made thereunder, the listed companies may send the notice of AGM and the annual report, including financial statements, boards’ report, etc. by electronic mode. Pursuant to the said provisions of the Act read with MCA Circulars, SEBI Circular dated 15 January 2021. Notice of 29th e-AGM along with the Annual Report for FY 2022 is being sent only through electronic mode to those members whose email addresses are registered with the Company/depositories. Members may note that the Notice and Annual Report for FY 2022 will also be available on the Company’s website at www.rahulmerchandising.in; website of the stock exchanges i.e., BSE Limited at www.bseindia.com and on the website of Facilitators of VC/OAVM at <http://www.skylinerta.com/>.
13. To receive communications through electronic means, including Annual Reports and Notices, members are requested to kindly register/update their email address with their respective depository participant, where shares are held in electronic form. In case of shares held in physical form, members are advised to register their E-mail address & Mobile No. by writing to our RTA Skyline Financial Services Pvt. Ltd., Address: D-153A, 1st Floor, Okhla Industrial Area, Phase-I, New Delhi -110020. Ph: 011-41044923 Email Id: info@skylinerta.com

14. Further, those members who have not registered their email addresses and in consequence could not be served the Annual Report for FY 2022 and Notice of AGM, may temporarily get themselves registered with the company by sending email at Company's email Id: rahulmerchandising@gmail.com for receiving the same. Members are requested to support our commitment to environment protection by choosing to receive the Company's communication through email going forward.
15. With a view to enable the Company to serve the members better, members who hold shares in identical names and in the same order of names in more than one folio are requested to write to the Company to consolidate their holdings in one folio.
16. SEBI vide its notification (SEBI/LADNRO/GN/2018/24) dated 8 June 2018 as amended on 30 November 2018 and circulars & Notifications issued thereafter, has stipulated that w.e.f. 1 April 2019, the transfer of securities (except transmission or transposition of shares) shall not be processed, unless the securities are held in the dematerialized form. The Company has complied with the necessary requirements as applicable, including sending of letters to shareholders holding shares in physical form and requesting them to dematerialize their physical holdings.
17. Members who still hold share certificates in physical form are advised to dematerialize their shareholding to also avail of numerous benefits of dematerialization, which include easy liquidity, ease of trading and transfer, savings in stamp duty and elimination of any possibility of loss of documents and bad deliveries.
18. In case of joint holders, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
19. The Company has been maintaining, inter alia, the following statutory registers at its registered office at **H No. 1/61-B, Vishwas Nagar, Shahdara, East Delhi- 110032.**

Register of contracts or arrangements in which directors are interested under section 189 of the Act.

 - a) Register of directors and key managerial personnel and their shareholding under section 170 of the Act.

In accordance with the MCA Circulars, the said registers will be made accessible for inspection through electronic/Physical mode and shall remain open and be accessible to any member during the continuance of the meeting.
20. The Register of Members and Share Transfer Books will remain closed from **(Saturday, September 24, 2022) to (Friday, September 30, 2022) (both days inclusive).**
21. Pursuant to Section 72 of the Companies Act, 2013 members holding shares in physical form are advised to file nomination in the prescribed Form SH-13 (a copy of which is available on the Company's website at <https://www.rahulmerchandising.in/investor-desk/sh-13-and-sh-14-nomination>). In respect of shares held in electronic/demat form, the members may please contact their respective depository participant.
22. Since the meeting will be conducted through VC facility, the route map is not annexed to this Notice.
23. For more details on shareholders' matters, please refer to the section on 'General Shareholder Information', included in the Annual Report.
24. In case a person becomes a member of the Company after dispatch of AGM Notice, and is a member as on the cut-off date for e-voting, i.e., **Friday, 23rd September, 2022**, such person may obtain the user id and password from by email request on evoting@nsdl.co.in .

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

We submit herewith the “Management Discussion and Analysis Report” on the business of the Company as applicable to the extent relevant.

GLOBAL ECONOMY OVERVIEW

India, too, has initiated relief measures. The baseline forecast is for growth to slow from 6.1 percent last year to 3.2 percent in 2022, 0.4 percentage point lower than in the April 2022 World Economic Outlook. Global inflation has been revised up due to food and energy prices as well as lingering supply-demand imbalances, and is anticipated to reach 6.6 percent in advanced economies and 9.5 percent in emerging market and developing economies this year—upward revisions of 0.9 and 0.8 percentage point, respectively. In 2023, disinflationary monetary policy is expected to bite, with global output growing by just 2.9 percent. Global growth is projected to slow from an estimated 6.1 percent in 2021 to 3.6 percent in 2022 and 2023. This is 0.8 and 0.2 percentage points lower for 2022 and 2023 than projected in January.

TEXTILE INDUSTRY IN INDIA- STRUCTURE AND DEVELOPMENT

India is working on major initiatives to boost its technical textile industry. Owing to the pandemic, the demand for technical textiles in the form of PPE suits and equipment is on the rise. The government is supporting the sector through funding and machinery sponsoring.

Top players in the sector are attaining sustainability in their products by manufacturing textiles that use natural recyclable materials.

The future of the Indian textiles industry looks promising, buoyed by strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players like Marks & Spencer, Guess and Next into the Indian market.

The textile industry has two broad segments. First, the unorganized sector consists of handloom, handicrafts and sericulture, which are operated on a small scale and through traditional tools and methods. The second is the organized sector consisting of spinning, apparel and garments segment which apply modern machinery and techniques such as economies of scale.

In April 2022, Minister of Commerce and Industry, Consumer Affairs, Food and Public Distribution and Textiles, Mr. Piyush Goyal, said that new Economic Cooperation and Trade Agreements with Australia and the UAE would open infinite opportunities for textiles and handloom. Indian textile exports to Australia and the UAE would now face zero duties, and he expressed confidence that soon Europe, Canada, the UK and GCC countries would also welcome Indian textile exports at zero duty. The Khadi and Village Industries Commission (KVIC) achieved turnover of Rs. 1.15 lakh crore (US\$ 14.68 billion) in FY22, a growth of 20.54% YoY, and more than any Indian FMCG company managed in FY22.

Under the Union Budget 2022-23, the total allocation for the textile sector was Rs. 12,382 crore (US\$ 1.62 billion). Out of this, Rs.133.83 crore (US\$ 17.5 million) is for the Textile Cluster Development Scheme, Rs. 100 crore (US\$ 13.07 million) for the National Technical Textiles Mission, and Rs. 15 crore (US\$ 1.96 million) each for PM Mega Integrated Textile Region and Apparel parks scheme and the PLI Scheme. The Indian government has notified uniform goods and services tax rate at 12% on man-made fabrics (MMF), MMF yarns, MMF fabrics and apparel, which came into effect from January 1, 2022

ROLE OF INDIAN TEXTILE INDUSTRY IN THE ECONOMY

Textile industry plays a significant role in the economy. The Indian textile industry is one of the largest and most important sectors in the economy in terms of output, foreign exchange earnings and employment in India. India's textiles sector is one of the oldest industries in the Indian economy, dating back to several centuries.

The industry is extremely varied, with hand-spun and hand-woven textiles sectors at one end of the spectrum, with the capital-intensive sophisticated mills sector at the other end. The decentralized power looms/ hosiery and knitting sector form the largest component of the textiles sector. The close linkage of textiles industry to agriculture (for raw

materials such as cotton) and the ancient culture and traditions of the country in terms of textiles makes it unique in comparison to other industries in the country. India's textiles industry has a capacity to produce a wide variety of products suitable for different market segments, both within India and across the world.

India's textiles industry has around 4.5 crore employed workers including 35.22 lakh handloom workers across the country. The Indian textile and apparel industry is expected to grow at 10% CAGR from 2019-20 to reach US\$ 190 billion by 2025-26.

India is the world's largest producer of cotton. Estimated production stood at 362.18 lakh bales during cotton season 2021-22. Domestic consumption for the 2021-22 cotton season is estimated to be at 338 lakh bales. India's textile and apparel exports (including handicrafts) stood at US\$ 44.4 billion in FY22, a 41% increase YoY. Exports of readymade garments including cotton accessories stood at US\$ 6.19 billion in FY22.

OPPORTUNITIES, CHALLENGES AND OUTLOOK

Opportunities

Opportunities available to the Company in the present scenario, which can be seized for the benefit of the Company and ultimately to the stakeholders, can be summarized as under:

- The government had extended the duty drawback facility on all textile products & increased the rates in some cases to boost exports in the sector.
- The Government's Rs. 10,683 crore (US\$ 1.44 billion) PLI scheme is expected to be a major booster for the textile manufacturers. The scheme proposes to incentivize MMF (man-made fibre) apparel, MMF fabrics and 10 segments of technical textiles products.
- Under Union Budget 2020-21, a National Technical Textiles Mission is proposed for a period from 2020-21 to 2023-24 at an estimated outlay of Rs 1,480 crore (US\$ 211.76 million).
- Allocation for the textile sector will see an 8.1% increase in FY23 compared with the revised budget allocation for FY22.
- The Directorate General of Foreign Trade (DGFT) has revised rates for incentives under the Merchandise Exports from India Scheme (MEIS) for two sub-sectors of Textiles Industry, Readymade garments and made-ups, from two per cent to four per cent.
- The Indian textile industry is set for strong growth, buoyed by both strong domestic consumption as well as export demand
- Urbanization is expected to support higher growth due to change in fashion & trends.
- The Government of India has taken several measures including Amended Technology Up-gradation Fund Scheme (A-TUFS), estimated to create employment for 35 lakh people and enable investment worth Rs 95,000 crore (US\$ 14.17 billion) by 2022.

Challenges

In the last financial year, the pandemic was still at a great height that eventually led to the closure of several manufacturing units in the textile industry. These factory owners were forced to close due to the shortage of manpower. The lack of funds to buy raw materials for production was another drawback in this industry. The major challenges faced by the industries are as under:

- According to the government rules, all textile factories had to work with only 50% manpower. Thus, these companies could not meet the deadlines of bulk orders, though such orders were rare to receive at that time.
- The sector suffered a significant downturn due to the pandemic. Still, as the outbreak fades, the Indian textile market is expected to rebound and develop at a 10% CAGR from 2019 to 2026, reaching US\$ 190 billion.
- The inflation in the Indian economy results in frequent demands among laborers for salary hikes. Thus, industry owners do not find the means to expand their business and compete with global textile leaders from other countries.

- The employment and salary circumstances of Indian textile sector employees are deteriorating due to decreased output and global sales. Factory closures and wage arrears are likely the greatest danger to textile workers' socioeconomic well-being.
- The high cost of power in India is another hindrance to textile production. Most modern machines are power-driven, which raises the overall production costs for business owners.

Outlook

The government of India has initiated various policies to support textile and apparel sector's growth for the long-term horizon. With the allowance of 100% FDI in the sector under the automatic route it is expected to attract USD 140 billion (INR 10,485 billion) foreign investments in the coming years and also carried out high investments under various scheme's like Integrated Textile Parks (SITP) and Technology Upgradation Fund Scheme (TUFS) to encourage the flow of more private equity and to train workforce. For further accelerating the growth in the textile industry, the Textile Ministry assigned INR 6,900 Million (USD 106.58 million) for the set-up of 21 readymade garment manufacturing units in seven states for the development and modernization of Indian Textile Sector. India has also become the second largest manufacturer of PPE in the world with more than 600 companies in India certified to produce PPE's today whose global market worth is predicted to be over USD 92.5 billion (INR 6,927 billion) by the end of 2025, as compared to USD 52.7 billion (INR 3,971 billion) in 2019 which would further enhance the textile products demand in coming years. Being largely a consumer driven industry, textile and apparel sector's growth and performance is majorly dependent on India's growing economy. The growth in the textile and apparel sector is sustained by the strong domestic consumption as well as export demand over the medium term. India has high abundance of raw material, particularly with respect to cotton where it is quite cost competitive, together with healthy infrastructure and skilled labor force as compared to neighbouring countries like Bangladesh and Sri Lanka, which is expected to provide support in expanding the country's share in the global textile and apparel market. It is estimated that India has the potential to reach USD 70 billion (INR 5,242 billion) in exports and achieve much higher share of the global market by 2024.

The government has launched an Emergency Credit Line Guarantee Scheme. The aim of this scheme is to provide funds to micro and small textile business owners. This will help them to invest in increasing their production and minimize the effect of the pandemic. This scheme will be available till March 2023, with a huge guarantee cover. The Indian government has allowed 100% Foreign Direct Investment (FDI) in the textile industry. Thus, it will be easier for small companies to grow and export their products to other countries.

The National Technical Textiles Mission was proposed in the Union Budget for 2020-21. It will be active till 2023-24 with an estimated expense of Rs 1480 crore for the betterment of the textile industry.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial statements have been prepared in accordance with the requirements of the Companies Act, 2013 and applicable accounting standards issued by the Institute of Chartered Accountants of India. The details of the financial performance of the Company are appearing in the Balance Sheet, Profit & Loss Accounts and other financial statements forming part of this annual report.

Independent Auditor's Certificate Regarding compliance of conditions of Corporate Governance

To the Members of
RAHUL MERCHANDISING LIMITED,

We have examined the compliance of conditions of Corporate Governance by **RAHUL MERCHANDISING LIMITED** for the year ended on 31st March, 2022 as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C and D of Schedule V to the Securities and Exchange Board of India (SEBI) (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations").

Management's Responsibility

The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.

Auditor's Responsibility

Our responsibility is limited to examining the procedures and implementation thereof adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the Financial Statements of the Company.

We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143 (10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

Independent Auditor's Report

To the Members of
RAHUL MERCHANDISING LIMITED
Report on the audit of the Ind AS Financial Statements

Opinion

We have audited the Ind AS Financial Statements of **RAHUL MERCHANDISING LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022 and its loss, changes in Equity and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Ind AS Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by The Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules there-under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, changes in Equity and Cash Flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outway the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure-A", a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors, as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2022.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- g) In our opinion and according to the information and explanations given to us, as no remuneration has been paid by the company to its directors during the year, the provisions of Section 197 of the Companies Act, 2013 are not applicable. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations having impact on its financial position in its Ind AS Financial Statements .
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (iv) (i) The management has represented that to the best of its knowledge and belief, other than as disclosed in the Notes to the Accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies) including foreign entities (“intermediaries”) with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (ii) The management has represented that to the best of its knowledge and belief, other than as disclosed in the Notes to the Accounts, no funds have been received by the Company from any person(s) or entity(ies) including foreign entities (“funding parties”) with the understanding whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (“Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries and
 - (iii) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances. Nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
 - v) No dividend has been declared or paid during the year by the Company.

Annexure B to the Independent Auditor's Report of even date on the Financial Statements of RAHUL MERCHANDISING LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **RAHUL MERCHANDISING LIMITED** ("the Company") as of 31st March, 2022 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022**1. (A). CORPORATE INFORMATION**

RAHUL MERCHANDISING LIMITED (the Company) is a public limited company incorporated in India with its Registered Office at Delhi and is listed on the Bombay Stock Exchange. At present the Company is engaged in the business of providing consultancy services.

(B). STATEMENT OF ACCOUNTING POLICIES

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements.

(a) Statement of compliance

The Financial Statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") including the rules notified under the relevant provisions of the Companies Act, 2013.

(b) Basis for preparation

The Financial Statements have been prepared under the historical cost convention. The Assets and Liabilities have been classified as Current/Non Current as per the Companies normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of Current/Non Current classification of assets and liabilities.

(c) Impairment

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. Non financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(d) Leases

In accordance with Ind AS 116, as lessee for lease with a term of more than 12 months, the Company recognises a 'right-of-use' asset at cost for the lease term at the commencement date and a lease liability representing its obligation to make future lease payments. The 'Right-of-use' asset is depreciated using the straight line method from the commencement date over the shorter of lease term or useful life of 'right-of-use' asset. The lease payment is discounted using the lessee's incremental borrowing rate as there is no interest rate implicit in the lease. Short term lease and lease of low value is treated as expense on straight line basis or other systematic basis over the lease term.

(e) Financial Instruments

Financial Assets and Financial Liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument. Since the transaction price does not differ significantly from the fair value of the financial asset or financial liability, the transaction price is assumed to be the fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase and sale of financial assets are recognized using trade date accounting.

i. Financial Assets

Financial assets include Trade Receivables, Advances, Cash and Cash Equivalents etc. which are classified for measurement at amortised cost.

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Impairment:

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) are tested for impairment based on available evidence or information. Expected credit losses are assessed and loss allowances recognized if the credit quality of the financial asset has deteriorated significantly since initial recognition.

De-recognition:

Financial assets are derecognized when the right to receive cash flow from the assets has expired, or has been transferred and the company has transferred substantially all of the risks and rewards of ownership.

Income recognition:

Interest income is recognized in the Statement of profit and loss using the effective interest method. Dividend income is recognized in the Statement of Profit and Loss when the right to receive the same is established.

ii. Financial Liabilities:

Borrowings, trade payables and other Financial Liabilities are initially recognized at the value of the respective contractual obligations. They are subsequently measured at amortised cost using the effective interest method, wherever applicable.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to short maturity of these instruments.

De-recognition:

Financial liabilities are derecognized when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

(f) Inventories

Inventories are valued at lower of cost and net realizable value.

(g) Revenue

Revenue is recognized when the performance obligation is satisfied by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes and duties collected on behalf of the Government. Interest income is accrued on time proportion basis, by reference to the principal outstanding and the effective interest rate applicable. Rental income from investment properties is recognized on a straight line basis over the term of the relevant leases. Income from services is accounted over the period of rendering of services.

(h) Foreign Currency Transactions

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates (the functional currency). Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in statement of profit and loss.

(i) Cash and cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, demand deposits with banks, short term balances (with an original maturity of three months or less from date of acquisition).

(j) Taxes on income

Income tax expense represents the sum of the current tax and deferred tax.

Current tax charge is based on taxable profit for the year. Taxable profit differs from profit as reported in the Statement of profit and loss because Some items of income or expense are taxable or deductible in different years or may never be taxable or deductible. The company's liability for current tax is calculated using Indian tax rates and laws that have been enacted by the reporting date.

Current tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority.

The company periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is the tax expected to be payable or recoverable in the future arising from temporary differences between the carrying amounts of assets and liabilities in the balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilized. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realized, based on tax rates that have been enacted or substantively enacted by the reporting date.

Deferred income tax assets and liabilities are off set against each other and the resultant net amount is presented in the balance sheet if and only when the company currently has a legally enforceable right to set off the current income tax assets and liabilities.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case the tax is also recognized in other comprehensive income or directly in equity respectively.

(k) Earnings Per Share

Basic earnings per share is calculated by dividing the profit for the period attributable to the owners of company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding without a corresponding change in resources. For the purposes of calculating diluted earnings per share the profit for the period attributable to the owners of the company and the weighted average

number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

(l) Exceptional items

When items of income or expense are of such nature, size and incidence that their disclosure is necessary to explain the performance of the company for the year, the company makes a disclosure of the nature and amount of such items separately under the head “exceptional items.”

(m) Provisions and contingent liabilities

A provision is recognized if as a result of a past event, the company has a present obligation (legal or constructive) that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. If the effect of time value of money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate the risks specific to the liability.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of outflow of resources is remote.

(n) Dividends

Dividend proposed (including income tax thereon) is recognized in the period in which interim dividends are approved by the Board of Directors or in respect of final dividend when approved by shareholders.

(o) Use of Estimates and Critical accounting Judgements

The preparation of Financial Statements is in conformity with generally accepted accounting principles which requires management to make estimates and assumptions.

The estimates and the associated assumptions are based on historical experience, opinions of experts and other factors that are considered to be relevant. Actual results may differ from these estimates.

Significant judgements and estimates are made relating to impairment of Property, Plant and Equipments, Actuarial assumptions relating to recognition and measurement of employee defined benefit obligations, recognition of provisions and exposure of contingent liabilities relating to pending litigations or other outstanding claims etc.

(p) Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs notifies new Standards or amendments to the existing Standards. On March 23,2022,MCA issued the Companies(Indian Accounting Standards)Rules,2022, applicable from April 1,2022 and has made amendments to Ind AS 16, Ind AS 37,Ind AS 103,Ind AS 106 and Ind AS 109..The Company does not expect the amendments to have any significant impact in its financial statements.

b) Fair Value Hierarchy

The Company determines the fair value of its financial instruments on the basis of the following hierarchy:

Level 1: The fair value of financial instruments that are quoted in active markets are determined on the basis of quoted price for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques based on observable market data.

Level 3: The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs). Fair value of investment in unquoted equity shares is determined using discounted cash flow technique.

The carrying amounts of all financial instruments are considered to be the same as their fair values.

c) Financial Risk Management

In the course of its business, the Company is exposed to a number of financial risks: credit risk, liquidity risk, market risk. This note presents the Company's objectives, policies and processes for managing its financial risk and capital.

i) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

Trade and other receivables

The Company's Trade Receivables are largely from sales made to wholesale customers. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer.

The Company manages credit risk through credit approvals and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Exposures to customers outstanding at the end of each reporting period are reviewed to determine incurred and expected credit losses and the Company establishes an allowance for doubtful debts and impairment that represents its estimate of expected losses in respect of trade receivables. Historical trends of impairment of Trade Receivables do not reflect any significant losses.

Summary of the Company's ageing of outstanding from various customers and impairment for expected credit loss is as follows:

As at March 31, 2022	gross carrying amount	expected credit losses	carrying amount of trade receivables (net of expected credit losses)
Past due 0-180 days	-	-	-
Past due 180 and more days	-	-	-
Total	-	-	-
As at March 31, 2021	gross carrying amount	expected credit losses	carrying amount of trade receivables (net of expected credit losses)
Past due 0-180 days	-	-	-
Past due 180 and more days	-	-	-
Total	-	-	-

ii) Liquidity Risk

Liquidity risk refers to risk that the Company may encounter difficulties in meeting its obligations associated with financial liabilities that are settled in cash or other financial assets. The Company regularly monitors the rolling forecasts to ensure that sufficient liquidity is maintained on an ongoing basis to meet operational needs. The Company manages the liquidity risk by planning the investments in a manner such that the desired quantum of funds could be made available to meet any of the business requirements within a reasonable period of time. In addition, the Company also maintains flexibility in arranging the funds by maintaining committed credit lines with various banks to meet the obligations.

Exposure to Liquidity Risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted and include estimated interest payments and exclude the impact of netting agreements.

iii) **Market risk**

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates and foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables. The Company is exposed to market risk primarily relates to foreign exchange rate risk.

Currency risk

The fluctuation in foreign currency exchange rates may have potential impact on the profit and loss account, where any transaction references more than one currency or where assets/liabilities are denominated in a currency other than the functional currency of the entity. The Company is exposed to currency risk on account of its payables in foreign currency. The functional currency of the Company is Indian Rupee. The Company has exposure to GBP, USD, EURO and other currencies. The Company has not hedged this foreign currency exposure.

Exposure to currency risk

The Company do not have foreign currency risk at the end of the reporting period. (Refer Note15).
