Letter To The Shareholder

Dear Fellow Shareholder,

2020 was a year of great strife, challenges, and worries. The COVID-19 pandemic disrupted lives and businesses, shook up supply chains, and upended human society. As we continue to grapple with the crisis, our thoughts and prayers remain with those individuals, families and communities most affected by the Pandemic.

Our company was not immune to these challenges. Like thousands of firms worldwide, we also experienced the pandemic's health, economic and business repercussions.

Our leadership and management made sure that our customers' business continuity was never affected. To this end, they efficiently managed our transition to a work-from-home model, ensuring zero impact on deliverables or customer relationships. Our existing Business Continuity Plan (BCP) enabled us to meet these goals smoothly and painlessly. Following national lockdowns in early 2020, some of our manufacturing facilities had to be shut down partially or fully. This affected our production, but we successfully made up for most shortfalls in the subsequent months.

Adapting to the New Normal

Collectively, we adapted to the post-pandemic "new normal" with newer business models, a more pragmatic world view, and a keener appreciation for human grit and resilience. Every employee and partner is part of the ASM family, it's always been people first, profits later. Over the past year, the ties binding us have strengthened, and together, we have discovered ways to grow, progress, and prepare for future successes.

In the new, unprecedented environment of the post-pandemic world, we are focusing on opportunities, not challenges. We have also renewed our commitment to generate greater value for stakeholders. Our original mission to deliver engineering innovation is a big part of this pledge, and has enabled us to outperform our expectations with respect to achievements, accolades and goals.

We're especially proud of these recent accomplishments:

- **CII Award: RV Forms & Gears**, one of our group companies, won the prestigious Confederation of Indian Industry (CII) Industrial Innovation Award 2020 under the "Top 25 Most Innovative Companies" category for its **SmartFix 4.0 solution**
- **Acquisition:** We acquired the Semcon AB's India delivery centre. **ASM Digital Engineering Pvt Ltd (Formerly Known as Semcon India Pvt Ltd)** expand our delivery expertise in engineering services, with particular focus on automotive and Digital Engineering. This acquisition has given access to marquee customers in Northern and Central Europe.

Key highlights for the year 2020-21

■ **ASM Ventures:** We are making key strategic investments in several emerging technology companies, while co-creating innovative new products in future-focused areas like Cloud, forefront of cutting-edge technologies, and allow us to take advantage of the huge growth potential in these areas.

Some of our strategic investments are :

- **Lavelle Networks:** Leading provider of SD-WAN solutions
- **RV Forms and Gears:** Pioneer in Design Led manufacturing for working holding, IIoT, Industry 4.0, Special Purpose Machines, Manufacturing Engineering.
- **Polylogyx Inc:** Endpoint detection and response. Polylogyx was acquired by Eclectic IQ (<https://www.eclecticiq.com/>).
- **Semcon India Pvt Ltd** (now known as ASM Digital Engineering Pvt Ltd) specialising in Digital Engineering, Vehicle Engineering, Value Engineering with marquee customers in Europe.

• **BARO Vehicles Ltd:** Intelligent robots and autonomous vehicles.

• **Kogence Inc.:** Cloud-native workflow orchestration engine for engineering modelling and simulation workflows.

■ Our revenues have grown by 35.04% a high over 2019-20 to hit a high of 1132.17 Mn. and a digital revenue of Rs. 261.55 Mn (23.10%) for the year 2020-21.

Looking back on the year, I'm more proud of our performance and achievements than I can ever express. I'm also excited about what the future has in store for us. Our acquisition, expansion and patent applications are all geared towards the goal of bringing the most innovative offerings to our esteemed customers.

New Initiatives for 2021 and Beyond

We're particularly excited by these new initiatives in the pipeline:

Engineering Services

In the current era, digital transformation is a key business imperative across many industries. This has increased the demand for Semiconductors & Electronics. Semiconductor Engineering and Electronics Engineering continue to be focus areas for ASM.

ASM will continue to focus on customer acquisition in the Semiconductor Engineering, Vehicle Engineering, Automotive, Industrials, and Electronics sectors. This sector has seen sustained demand and will continue to scale in these sectors. We will continue to increase our presence in Product Development and Design led Manufacturing to these verticals.

In the area of automotive engineering, the increasing demand for new mobility solutions like autonomous vehicles have also opened up huge opportunities, which we plan to explore in the near future.

Digital Engineering and Product R&D

ASM expects to be at the forefront of these developments, helping companies to rapidly digitise and grow at scale. We're already using these technologies for our current Product R&D customers in the areas of wireless, networking, cybersecurity and expanding to IIoT, AI/ML, Edge Computing and Intelligent Automation,

In the near future, we will be offering "Compromise Assessment" as a Managed Service to further expand our service portfolio.

Increased Focus on Design-Led Manufacturing

ASM will continue to focus on highly-engineered, complex, medium-volume Design led manufacturing. We will continue to innovate in our design to create high-quality products serving a diverse customer base and use cases. Our goal is to combine the benefits of Software, systems engineering, advanced processes,

product development, testing and evaluation to meet previously-unmet needs with precision, highly-customised products.

ASM is also leading the way with digitisation in Manufacturing Engineering with our SmartFix 4.0 solution across various industry verticals including Automotive, Industrials, Electronics, and Semiconductors.

Future prospects

We plan to focus more of our energies and attention on increasing our revenues from digital initiatives. We will be developing our digital competencies to expand our offerings for both existing and new customers.

Our plans to expand into other geographies in Asia and Europe, particularly Japan and the UK, are also on track.

The COVID-19 pandemic has reinforced the importance of community and empathy— qualities that only human beings can bring to our beleaguered planet. As we shift our goalposts, and aim for newer, more ambitious goals in a post-COVID world, we trust that you, our shareholders, vendor partners and customers will continue to support and encourage us. As always, we're grateful for your faith in our capabilities, and your trust in our brand.

On behalf of the company management and leadership, I take this opportunity to thank:

- Our esteemed customers, stakeholders, vendors, business partners, advisors and consultants for their support,
- Employees for their valuable contributions, sustained efforts, and dedicated spirit,
- State Bank of India, Incube Branch, HSBC Bank Limited, ICICI Limited, Bangalore, Indian Bank, Singapore, HSBD Bank, New York, USA and First Federal Bank, Ohio, USA for support
- Central and State Government, Customs, Reserve Bank of India, Software Technology Parks (STPI) and NASSCOM for their guidance.

Letter from MD, Forms & Gears

Dear Fellow Shareholder,

Forms & Gears – An ASM Technologies Limited Company, is one of the country's oldest and best known fixture building companies and has been designing and manufacturing fixtures to the world's leading auto OEMs and machine makers for over 45 years.

The year 2020-21 was the year of the pandemic and we were under total lockdown in April and May, we worked with 30% workforce in June and July, and 50% in August.

Despite these setbacks we have doubled our turnover in 2020-21 as compared to the previous year. This increased performance in a pandemic year was due to the decision we took over a year and a half back to diversify into new markets where we could leverage our inherent strengths of engineering, design and high precision manufacture.

Exports: A significant part of our fixture related turnover was from exports as we executed a project in Thailand. We are hopeful of a repeat order for this particular project and we have also bid for two other projects in Thailand.

Italian Machine Maker: Towards the end of March 2021 we have also bagged an important order from an Italian machine maker for Engine block and Head fixtures. This is a prestigious project as this the first time this Italian company has ordered Engine Fixtures in India.

Electronics Sector: The last year saw a boom in the electronics sector after the Government issued the PLI scheme which received enormous traction, as global leaders in the mobile phone and electronic industry, shifted a part of their global production capacities to India.

Forms and Gears has made a major foray into this sector and we have bagged orders for special equipment / fixtures from a Finnish company, that is the world's leading charger manufacturer.

We also bagged an order from an Indian consumer electronics company that sells earpods, travel chargers, headphones etc, for design and manufacture of fixtures for their ear- dope cases.

Forms and Gears also bagged orders from a US based MNC that provides electronic manufacturing services and solutions throughout the world.

We expect the electronics sector to grow exponentially over the next five to ten years and we expect a major portion of our revenue to come from the electronics sector over the medium and long term.

We are investing in machinery and manpower to scale up to meet the demands of this industry.

Capital Goods Committee of

ICEA: Rabindra

Srikantan MD of ASM Technologies and

I were amongst a small group of people who were

chosen to sit on the Capital Goods Committee of the Indian Cellular and Electronics Association. The committee was formed to enhance the competitiveness of the Indian capital goods sector and to advise the government on capital goods policy.

Onsite Service Support: Machine and special equipment makers from Malaysia, China, USA, Switzerland, Germany and Japan approached us to provide onsite service support for their installations at electronics manufacturing facilities in India and Thailand.

These equipment range from very high precision laser equipment to PCB and component assembly and testing equipment, and require a very skilled and knowledgeable workforce, which Forms and Gears has inhouse. We are also hoping to expand these services to Vietnam shortly.

Smartfix - CII Innovation Award: Our Industry 4.0 product Smartfix 4.0 won the prestigious Confederation of Indian Industry (CII) Industrial Innovation Award 2020 under the 'Top 25 Most Innovative Companies' in December 2020.

The award is a validation of the ASM group's wide range of expertise in technologies such as cloud computing, artificial intelligence, data analytics and industrial iot, along with a deep knowledge of fixture building.

Despite the current Covid situation being very fluid and uncertain, the medium to long term outlook in the sectors we are in looks very promising.

- Reji Varghese

Multiple sets of high precision hydraulic fixtures supplied to a leading Tier - 1 automotive company in Thailand. The Company produces a broad range of products for passenger cars, pick-up trucks and agricultural machinery.

For over 45 years Forms & Gears has been supplying Precision Machining Centre Fixtures to the world's leading Auto OEMs and Machine Makers in Japan, Germany, UAE, Qatar, Thailand, Turkey, Indonesia and all over India.

5. Future Outlook

We're pleased to announce that we executed well on our predictions in last year's Future Outlook. Knowing that we managed to meet all the goals we set for ourselves validates our journey, and encourages us to make some predictions this year as well.

At this time last year, we were already exploring new opportunities in several key business areas. We will continue to do so in the coming year and at a much larger scale.

This edition of ASM's Future Outlook is a result of the confidence and sense of hope we carry with us into the future.

The World and ASM After COVID

The entire world is caught within the COVID-19 quagmire. This global pandemic has not only increased the healthcare burden on many countries, but also directly impacted multiple industries. This, in turn, has

affected the socio-economic fabric of human society. To put it mildly, COVID-19 is an unprecedented adversity for businesses, governments, and individuals alike.

At ASM, we have always believed that every adversity has opportunities hidden within it. We only need to look past the challenges, find the opportunities and then take the right actions to leverage them in meaningful and profitable ways. In the recent past, we have relied on these belief as guideposts to inform our strategic direction and business decision-making. Our consistent successes in a challenging business landscape are a testament to the rightness of our convictions and choices.

In the post-COVID “new normal”, ASM will continue to focus on opportunities, rather than challenges. We have identified many such growth areas, especially in *Digital Engineering* . In fact, we foresee an accelerated global push towards these developments, which will have a huge positive impact on both industry, and human society.

Scaling Up Digital Engineering Initiatives

In future, Digital Engineering will be a key business imperative across everything we do, whether it’s in Product R&D, Engineering Services, Design led manufacturing engineering or any of our other lines of business. We are increasing our focus on Internet of Things (IoT), Big Data, Artificial Intelligence (AI), Machine Learning (ML), Virtual Reality (VR), Augmented Reality (AR), Mixed Reality (MR), Mobile Applications, Cloud, Virtualization, Networking, Cybersecurity and Industry 4.0 (Smart Manufacturing . We believe that we’re in an excellent position to take advantage of these opportunities, not only to improve our own prospects, but to better serve the customers and stakeholders who rely on our capabilities.

In the coming years, ASM will also scale up its investments in many other cutting-edge technologies where we foresee strong demand including: Product R&D, Engineering Services, and Design-led Manufacturing.

We see continued demand from the massive Digital Transformation around the around, this has resulted in increased demand in our industry verticals – Semiconductor Engineering, Networking, Cybersecurity, Wireless and Automotive.

SmartFix 4.0 Wins CII Industrial Innovation Award 2020

ASM has launched its own patent-pending solution SmartFix 4.0 – a one-of-a-kind solution for the manufacturing industry.

SmartFix 4.0 is an industrial AI solution offering a potent combination of world-class hardware, software and data analytics to increase manufacturing yield and throughput. With a robust global client base and a host of strategic partnerships with multiple OEMs, SmartFix is set to deliver value over the next two years.

ASM Ventures

Through its investment arm ASM Ventures, ASM is increasing its strategic investments in several emerging technology companies. At the same time, we are co-creating several products and solutions in the fast-growing areas of Cloud, Network, Cybersecurity, Electric Vehicles, Autonomous Vehicles, and more.

We see enormous business potential in these areas, and are determined to stay at the forefront of these cutting edge technologies and innovations. To this end, we are continuously evaluating new opportunities in technology, manufacturing and boutique service/product companies, and looking to expand our investments in these and other areas.

The future looks bright in the Engineering Services Outsourcing (ESO) space. There are many driving forces at play here, particularly around customers’ needs to reduce the product development lifecycle, and get a first mover advantage by ring-fencing their intellectual property. These are two reasons why so many companies are excited to collaborate with the best Engineering Service providers like ASM. By partnering with us, they can effectively leverage our capabilities to grow in global, regional and adjacent markets, thereby optimizing R&D Operations for mutually-beneficial growth.

The education sector in India has evolved substantially over the years and providing universal and quality education has been some of the challenges. With the Companies Act 2013 providing for mandatory contributions towards CSR and education being specified as an eligible activity the company spearheaded its CSR activities with education as its main thrust. However in the past year with the outbreak of Covid -19 pandemic the education sector was severely affected, calling for schools to be shut down and shifting classrooms to digital platforms. This brought about uncertainty in two of our projects namely “Dr. R.P. Shenoy award for Excellence in Science”* and Dr S Srikantan Memorial Award** with uncertainty in the opening of schools and the students not being reachable and were forced to look out for newer projects which resulted in delay in identifying them.

*During the year 2013-14 the company instituted the “Dr. R.P. Shenoy award for Excellence in Science” in memory of its Director, Dr. R.P. Shenoy, a Distinguished Scientist of Defence Research & Development Organization (DRDO) of the Government of India. The award is given each year to students of Grade 8th & 9th, Kendriya Vidyalaya, DRDO complex, Bangalore, who have secured A1 Grade in Science. The award includes a cheque for Rs. 1000 a certificate and write up of Dr. Shenoy.

**Dr. S Srikantan Memorial Award : The Institution of Electronics & Telecommunication Engineers (IETE) Bangalore Centre has been organising Summer School in Electronics & Computers (SUSIEC) over the last three decades for 8th, 9th and 10th standard students during their summer vacations with a motto of “catch them young” and motivate them to choose the fascinating field of Electronics and Telecommunication as their chosen profession/ career. Starting from the year 2017-18, ASM ,as part of CSR has been sponsoring part of the course fee, tool kits, awards & prizes for SUSIEC as Dr. S Srikantan Memorial Award, instituted in memory of its former Chairman Late Dr. S. Srikantan. The schedule comprises of two hours of technical presentations followed by two hours of practical’s every day. At the end of the course, an exhibition is arranged to showcase the projects which are evaluated and rated by a panel of distinguished academicians and corporate leaders.

6. The CSR Committee, hereby confirms that the implementation and monitoring of CSR Policy is in compliance with CSR objectives and Policy of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Overview

ASM along with its subsidiaries has been providing world class consulting and product development services in the areas of Engineering Services and Product R&D with successful Offshore Development & Support Centers in India and Overseas for its global clientele. The company is a public limited company incorporated in India and having its registered office in Bengaluru, Karnataka, India. The company's shares are listed with BSE Limited.

The Ministry of Corporate Affairs (MCA) vide notification dt February 16,2015,notified the Ind AS applicability to certain classes of companies. Ind AS has replaced the existing Indian GAAP prescribed under Section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules 2014. For ASM group Ind AS is applicable from 1st April 2017.

1. Industry Structure and Development

India's IT industry is increasingly focusing on digital opportunities as digital is poised to be a major segment in the next few years. While overall IT spend is estimated to decline in FY2021, momentum in digital spend has only strengthened through the course of COVID-19, led by demand for remote working solutions and enterprise-scale transformations being pulled forward several years ahead. Indian Tech industry's performance is an indication of resilience and readiness to take on the new virtual world. At an estimated \$194 billion, the sector is set to add \$4 billion in revenues in FY2021. It is also expected to add 138,000 employees to reach a total direct employment of 4.47 million, and will contribute 52% to overall services exports. IT Services itself is nearing the \$100 billion mark backed by a strong deals pipeline and strong digital tailwind. Domestic spend has kept momentum, estimated to grow by 3.4% in FY2021 to clock \$45 billion, backed by sustained demand for robust, connected, and secure infrastructure. In fact, domestic demand is set to leapfrog exports growth in FY2021, by nearly 2X. At 28-30% of industry revenue, digital revenues are the true growth story, clocking 5X the rate of overall services growth.

2. Opportunities

Digitisation, disruptive technologies and innovation will fuel growth with new opportunities in the years ahead. Technologies such as artificial intelligence (AI), Internet of things (IoT), augmented reality, virtual reality, machine learning (ML), big data analytics, blockchain are providing numerous new opportunities for large enterprises as much as they are aiding the start-ups in developing new products and service lines, improving efficiency, productivity, and competence levels, giving thrust to the economic growth of the country. Indian IT companies have to adopt these new technologies in a big way by skilling their employees and by taking risks in building products around these technologies. The focus of the government to expand the domestic market through a focus on indigenisation and self-reliance has led to capability building among Indian organizations for future relevant domains such as Product Engineering, Data Analytics, Embedded software etc.

We believe in our competitive strengths and with our Global Delivery Model and core competencies consider to address the changing economic scenarios as an opportunity to provide greater value to existing clients and add new clients. Our specific industry, domain and technology expertise allows us to enable clients to transform their businesses through innovative strategies and solutions. Our process driven engineering and planning ensures in delivering quality products in the optimum time and cost. ASM is a pioneer in Mechanical, Electrical/Electronics System and Sub System design.

3. Outlook

This has been provided elsewhere in the Annual Report.

4. Risks and Concerns

- a. Competition Risk

In this highly competitive global business environment only firms that continually upgrade their capabilities and offerings in line with emerging technologies and market imperatives can hope to survive and even prosper in this environment. Capability building and continual upgrading are essential for organizational survival and growth.

Technologies are moving rapidly from traditional technologies to Analytics, Big data, Artificial Intelligence and Robotics. The Company stays invested in enhancing the value proposition for its customers by way of deepening its domain expertise, technological capabilities and customer engagement. We compete with other technology service providers in response to requests for proposals and in certain services there is increased competition resulting in pressures in pricing. The company's capability to offer innovative and value added solutions and services by integrating its diverse domain knowledge. The unrivaled blend of engineering culture and technology skills adopted by the company and its strategic acquisitions and management resources adds to its capability to offer innovative and value added solutions and services by integrating its diverse domain knowledge experience. .

b. Financial Risk.

The IT sector would have to re-adopt technology disruptions by reshaping enterprises and focus on technology-led platforms, as the currency volatility and innovative technologies such as artificial intelligence, automation, etc have disrupted the sector's traditional products and solutions.

With a significant portion of the company's revenues coming from exports, volatility in exchange rates may impact Company's business adversely. The company however mitigates the risks with robust accounts receivable management, centralised framework to control expenses and currency hedging strategies by the management. The company has a defined policy for managing its foreign exchange exposure. The company tracks the foreign exchange markets closely and takes appropriate hedging decisions from time to time if need be. The risk policy of the Board covers some of this large macro level risk and the remedial measures taken by the company to face and mitigate some of these risks.

c. New Technologies and Business Models

Engineering Research & Development continues to be the fastest growing segment, driven by global majors increasingly embedding Software & Engineering into their products. India continues to be the core for digital innovation with a rich ecosystem of start-ups, tech providers and services providers engaging in global delivery and investing in IP, solutions and Centers of Excellence (CoEs). Digital became mainstream during the year, with the industry increasingly investing in digitized solutions to drive future growth opportunities. The Indian ER&D companies need to speed up the process of adopting technology in order to stay future proof as today, the Industry is fraught with challenges and opportunities, with Artificial Intelligence (AI), automation and machine learning having permeated every facet of a business. As a System Design House, ASM is fully equipped to handle complex Software, Electronics, Mechanical and Embedded software design and development to complete the product under one roof. Further, working prototype and manufacturing results in the entire product realization for the client. In our effort to step up non-linear growth, some of the key designs by the Engineering Services group are being prototyped and will be manufactured in limited quantities through partner companies and delivered to strategic customers. The company also regularly audits and verifies its compliance with security and disaster recovery measures. The impact of investments in Innovation and R&D has accelerated growth of ASM and has set the company into the forefront of Product Development, whilst getting a global recognition. The initiative has therefore been on developing the products of the future, to align with the changing technologies, market and customer demands.

d. Geography Risk

Business environment in the past year has been volatile and uncertain given the current pandemic. The company has insulated its overall performance from the impact of market exigencies and vagaries

with a domestic international spread of business and combinations of its various solutions and services. The company's well honed skills enable it to spread efficiently its business across various geographies. The company moreover derives most of the revenues from off shoring business resulting in a healthier bottom line and protection from risks from any downward spiral in any economy. The company's growth is not dependent on any specific geographic area or specified industry segment.

5. Internal Control System and their adequacy

The Internal Control System has been designed to ensure that assets and interest of the company are protected and dependability of accounting data and its accuracy are ensured with proper checks and balances. The internal control systems adopted by the company are adequate and appropriate to its operations so as to ensure uninterrupted functioning of its business. The system has been designed to ensure that assets and interest of the company are protected and dependability of accounting data and its accuracy are ensured with proper checks and balances. The existing internal control systems and their adequacy are frequently reviewed and improved upon to meet the changing business environment.

The Company has internal audit to examine and evaluate the adequacy and effectiveness of Internal Control system. The internal audit ensures that the system designed and implemented to provide adequate internal control commensurate with the size and operations of the company. The Audit Committee of the company chaired by the independent director and consisting of other non-executive independent directors, periodically review and commend the quarterly, half yearly and annual financial statement of the company. A detailed note on the functioning of the audit committee forms part of the chapter on Corporate Governance in this Report.

The management duly considers and takes appropriate action on the recommendations made by the statutory auditors, internal auditors and independent Audit Committee of the Board of Directors.

REPORT ON CORPORATE GOVERNANCE

(Pursuant to Schedule V (C) of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015)

I COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE

Corporate Governance is an ethically driven business process that is committed to values aimed at enhancing an organization's brand and reputation. These values and principles set the context to manage our Company affairs in a fair and transparent manner. We at ASM believe, that sound corporate governance is critical to enhance and retain investor trust and consider it our inherent responsibility to disclose timely and accurate information regarding our financials and performance of the Company.

Effectual Corporate governance requires a clear understanding of the respective roles of the Board and the senior management and their relationships with others in the corporate structure. During the year under review, the Board continued its pursuit of achieving these objectives through the adoption and monitoring of corporate strategies, prudent business plans, monitoring of major risks of the company's business and ensuring that the company pursues policies and procedures to satisfy its legal and ethical responsibilities. At the core of its corporate governance practice is the board, which is responsible for safeguarding and advancing the interests of the shareholders, acting as their representative in establishing corporate policies and reviewing management's execution of those policies. The Board of Directors fully support and endorse Corporate Governance practices and attempt to go beyond the statutory requirements.

INDEPENDENT AUDITOR'S REPORT

To the Members of ASM Technologies Limited Report on Audit of the Standalone Financial Statements

Opinion:

We have audited the standalone Ind AS financial statements of ASM Technologies Limited (“the Company”) which comprise of balance sheet as at March 31, 2021, the statement of profit & loss, statement of changes in equity, the cashflow statement for the year then ended, and notes to Ind AS financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, profit, changes in equity and its cash flows for the year ended on that date.

Basis of Opinion:

We conducted our audit in accordance with the Standards on Auditing (“SAs”) specified under section 143(10) of the Companies Act, 2013 (“the Act”). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
Adoption of Ind AS 115 - Revenue from Contract with Customers as described in note 2 i. and note 17 of the financial statements:	
The Company has accounted revenue as per Ind AS 115 - Revenue from Contracts with Customers. Application of Ind AS 115, including selection of transition method involves significant judgment in determining when ‘control’ of the goods or services underlying the performance obligation is transferred to the customer and the transition method to be applied.	As part of our audit procedures, our procedures included the following: <ul style="list-style-type: none">- We have read the accounting policy for revenue recognition and assessed compliance of the policy in terms of principles enunciated under Ind AS 115.- We obtained and understood the revenue recognition process including determination of point of transfer of control and completion of performance obligation.

<p>As the revenue recognition, due to the significance of the balance to the financial statements as a whole, we regard this as a key audit matter.</p>	<ul style="list-style-type: none"> - We performed test of details, on a sample basis, and examined the underlying customer contracts. - We examined the disclosures made by management in compliance with the requirements of Ind AS 115. <p>Conclusion: Our procedures did not identify any material exceptions.</p>
---	--

Other Matters:

Attention of the members is drawn to note 37 of the financial statements regarding the impact of COVID-19 on Business, where the management has estimated the future cash flows for the Company with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on its ability to continue as going concern and in meeting its liabilities as and when they fall due. The actual impact of the Covid-19 Pandemic may be different from that estimated as at the date of the approval of these financial statements. Our report on the standalone financial statements have not modified in respect of this matter.

Other Information [“Information Other than the Financial Statements and Auditor’s Report Thereon”]

The Company’s Board of Directors are responsible for the other information. The other information comprises the information included in the board report but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Management’s Responsibility for Standalone Ind AS Financial Statements:

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the standalone Ind AS Financial Statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism through the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements:

As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure - A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books

- c) The Balance Sheet, the Statement of Profit and Loss, statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure - B”.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with requirement of Section 197 (16) of the Act, as amended:

In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Company is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director/ manager by the Company, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed its pending litigations which would impact its financial position in note 30 of the Standalone Ind AS financial statements.
 - ii) The Company did not have any long-term contracts as required under the applicable law or accounting standards, and also not entered into any derivative contracts, accordingly no provision is required to be made in respect of material foreseeable losses.
 - iii) Company has not transferred an amount of Rs.438,434/- which became due for transfer to the Investor Education and Protection Fund (IEPF) in the financial year 2020-21.

ANNEXURE-B

REFERRED TO IN PARAGRAPH 2 (f) UNDER THE HEADING “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT TO THE MEMBERS OF ASM TECHNOLOGIES LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”):

We have audited the internal financial controls over financial reporting of ASM Technologies Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”).

Auditors’ Responsibility:

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting:

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are

being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, the Company, in all material respects, has an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Notes to Standalone Financial Statements for the year ended March 31, 2021

1 CORPORATE INFORMATION:

ASM Technologies Limited (“the Company”) is a company incorporated under the Companies Act, 1956 and is a pioneer in providing world class consulting services in areas of Engineering services and Product Engineering services with successful offshore development & support centres in India and overseas for its global clientele. The shares of the Company is listed in Bombay Stock Exchange. The financial statements have been approved by the Board of Directors of the Company in their meeting held on May 26, 2021.

2 SIGNIFICANT ACCOUNTING POLICIES:

2.1 Basis of Preparation:

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (‘Ind AS’) notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 1, 2017. The financial statements of the Company are prepared and presented in accordance with Ind AS.

The financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

2.2 Summary of significant accounting policies:

a) *Use of Estimates:*

The preparation of financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management’s best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Any revision to accounting estimates is recognized prospectively.

b) *Current versus non-current classification:*

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is treated as current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets/ liabilities are classified as non-current assets/ liabilities.

c) *Property, Plant & Equipment:*

Property, plant and equipment (“PPE”) are stated at the cost of acquisition less accumulated depreciation and write down for, impairment if any. Direct costs are capitalised until the assets are ready to be put to use. Subsequent costs are included in the asset’s carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other expenses on existing assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, which do not meet the definition of PPE as per Ind AS 16 are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of PPE and are recognized in the statement of profit and loss when the PPE is derecognized.

d) *Depreciation:*

Depreciation is provided on straight-line method as per the rates specified in schedule II of the Companies Act, 2013 (“the Act”). Depreciation for the assets purchased/sold during the year is proportionately charged. The assets’ residual values and useful lives are reviewed at each financial year end or whenever there are indicators for revision, and adjusted prospectively.

e) *Investment Properties:*

Investment property represents properties held for rental yields and/or for capital appreciation or both rather than for:

- (a) use in the production or supply of services or for administrative purposes; or
- (b) sale in the ordinary course of business.

Investment property is stated at the cost of acquisition less accumulated depreciation.

Subsequent costs are included in the asset’s carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other expenses on existing assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, which do not meet the definition of Investment Property as per Ind AS 40 are charged to the statement of profit and loss for the period during which such expenses are incurred.

f) *Intangible Assets:*

Intangible assets acquired separately are measured on initial cost. Subsequently, carried at cost less accumulated amortization and accumulated impairment losses, if any.

Intangible assets comprising of computer software is amortised on a over a period of three years as estimated by the management.

Gains or losses arising from de-recognition of an intangible asset are measured as a difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when asset is derecognised.

g) Leases:

Where Company is a Lessee:

The Company's lease asset classes primarily consist of leases for buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The borrowing rate applied to lease liabilities for discounting is 10.2%

h) Employee Benefits:

(i) Short term employee benefits:

The employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, leave travel allowance, short term compensated absences etc. and the expected cost of bonus are recognised in the period in which the employee renders the related service.

(ii) Defined Benefit Plans:

Gratuity, which is a defined benefit plan, is accrued based on an independent actuarial valuation, which is done based on project unit credit method as at the balance sheet date. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/ (asset) are recognized in other comprehensive income. In accordance with Ind AS, re-measurement gains and losses on defined benefit plans recognized in OCI are not to be subsequently reclassified to statement of profit and loss. As required under Ind AS compliant Schedule III, the Company recognizes re-measurement gains and losses on defined benefit plans (net of tax) to retained earnings.

The Company doesn't have a policy for encashment of leave

i) Revenue Recognition:

The Company derives revenues primarily from IT related services. Effective April 01,2018, the Company has adopted Ind AS 115, “Revenue from Contracts with Customers”. Revenue is recognized upon transfer of control of promised services to customers in an amount that reflects the consideration we expect to receive in for those services.

Revenue on time-and-material contracts are recognized as the related services are performed and revenue from the end of the last invoicing to the reporting date is recognized as unbilled revenue. Revenue from fixed-price, fixed-timeframe contracts, where the performance obligations are satisfied over time and where there is no uncertainty as to measurement or collectability of consideration, is recognized as per the percentage-of-completion method. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity.

The Company recognised incentive from government in respect of Service Exports from India Scheme based on claim lodged by the Company.

j) Taxation:

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognized in statement of profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

Current income tax expense comprises taxes on income from operations in India and in foreign jurisdictions. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961. Tax expense relating to foreign operations is determined in accordance with tax laws applicable in countries where such operations are domiciled. Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax in future years. Accordingly, MAT is recognised as an asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the assets will fructify.

Deferred income tax is recognized on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

k) *Foreign Currency Transactions:*

Functional Currency:

The functional currency of the Company is the Indian rupee.

Transactions and translations:

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the balance sheet date. Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are included in the statement of profit and loss.

l) *Provisions, Contingent liabilities and Contingent assets:*

A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting obligations under a contract exceed the economic benefits expected to be received, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements. A contingent asset is never recognised but only disclosed in the financial statements.

m) *Segment reporting policies:*

Identification of segments:

Operating Segments are identified on the basis of internal reports about components of the group that are regularly reviewed by the chief operating decision maker (CODM) in order to allocate resources to the segments and to assess their performance in accordance with Ind AS 108, Operating Segments. Since CODM evaluates Company's performance at a geographic segment level, operating segment information is accordingly given at geographic level.

n) *Financial Instruments:*

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

i) *Cash & Cash equivalents:*

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

ii) *Financial assets at amortized cost:*

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii) *Financial assets at fair value through other comprehensive income:*

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iv) *Financial assets at fair value through profit or loss:*

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in statement of profit and loss.

v) *Financial liabilities:*

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit or loss. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

vi) *De-recognition of financial instruments:*

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized when the obligation specified in the contract is discharged or cancelled or expires.

vii) *Fair value of financial instruments:*

In determining the fair value of its financial instruments, the Company uses following hierarchy and assumptions that are based on market conditions and risks existing at each reporting date.

Fair value hierarchy:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

viii) *Investments in subsidiary:*

Investments in subsidiary is carried at cost.

o) *Impairment:*

i) *Financial assets:*

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

ii) *Non-financial assets:*

Tangible and Intangible assets: PPE, intangible assets and investment property with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

p) *Cashflow Statement:*

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

2.3 Significant accounting judgements, estimates and assumptions:

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) *Judgements:*

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements:

(b) *Estimates and assumptions:*

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Defined benefit plans - Gratuity

The cost of the defined benefit gratuity plan and other post-employment medical benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases are based on expected future inflation rates and expected salary increase thereon.

34. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial liabilities comprise of trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations to support its operations. The Company's principal financial assets include trade and other receivables, rental and bank deposits and cash and cash equivalents, that derive directly from its operations. The Company is exposed to credit and liquidity risk. The Company's senior management oversees the management of these risks and the Board of Director's reviews these activities.

i. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument would fluctuate due to changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include trade payables. The Company is not exposed to price risk on the financial date.

The sensitivity analysis in the following sections relate to the positions as at March 31, 2021 and March 31, 2020.

The analysis exclude the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations and provisions.

The following assumption has been made in calculating sensitivity analyses:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2021 and March 31, 2020.

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The operations of the Company are both in India and overseas. Company has been providing services to overseas customers. Hence, the Company is currently exposed to the currency risk arising from fluctuation of these foreign currencies and Indian rupee exchange rates.

The following table presents foreign currency risk for the below financial liabilities:

As at March 31, 2021	Transaction currency

March 31, 2020	1%	1.78	1.78
	-1%	(1.78)	(1.78)

ii. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables). At the end of every financial year, the Company makes an assessment whether any loss allowance has to be provided for using the lifetime Expected Credit Loss (ECL) method.

iii. Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

The Company's board of directors are responsible for liquidity, funding as well as settlement management.

INDEPENDENT AUDITOR'S REPORT

To the Members of ASM Technologies Limited

Report on Audit of the Consolidated Ind AS Financial Statements

Opinion:

We have audited the Consolidated Ind AS financial statements of ASM Technologies Limited (“the Company”) and its subsidiaries (collectively referred as “the Group”) which comprise of balance sheet as at March 31, 2021, the statement of profit & loss, statement of changes in equity, the cashflow statement for the year then ended, and notes to Consolidated Ind AS financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, loss, changes in equity and its cash flows for the year ended on that date.

Basis of Opinion:

We conducted our audit in accordance with the Standards on Auditing (“SAs”) specified under section 143(10) of the Companies Act, 2013 (“the Act”). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
Adoption of Ind AS 115 - Revenue from Contract with Customers as described in note 2 i. and note 17 of the Consolidated Ind AS financial statements:	
The Company has accounted revenue as per Ind AS 115 - Revenue from Contracts with Customers.	As part of our audit procedures, our procedures included the following: - We have read the accounting policy for revenue recognition and assessed compliance of the policy in terms of principles enunciated under Ind AS 115.

<p>Application of Ind AS 115, including selection of transition method involves significant judgment in determining when ‘control’ of the goods or services underlying the performance obligation is transferred to the customer and the transition method to be applied.</p>	<p>- We obtained and understood the revenue recognition process including determination of point of transfer of control and completion of performance obligation.</p>
<p>As the revenue recognition, due to the significance of the balance to the financial statements as a whole, we regard this as a key audit matter.</p>	<p>- We performed test of details, on a sample basis, and examined the underlying customer contracts.</p>
	<p>- We examined the disclosures made by management in compliance with the requirements of Ind AS 115.</p>
	<p>Conclusion:</p>
	<p>Our procedures did not identify any material exceptions.</p>

Other Matters:

- i) We did not audit Advanced Synergic Pte Limited, subsidiary included in this Ind AS consolidated financial statements, whose financial statements reflect total assets of Rs.1.93 million as at March 31, 2021, total revenues of Rs.9.24 million, total net loss after tax Rs. 4.40 million as considered in these consolidated financial statements. The standalone financial statements have been audited by the other auditor whose report has been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, is solely based on the report of the other auditor.
- ii) Consolidated financial statements include unaudited financial statements of ESR Associates Inc., USA, whose financial statements reflect total assets of Rs.3.18 million as at March 31, 2021, total revenues of Rs. Nil million, total net loss after tax Rs.11.40 million as considered in this consolidated financial statements. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of this subsidiary based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Company, these financial statements are not material to the Group.
- iii) Attention of the members is drawn to note 41 of the financial statements regarding the impact of COVID-19 on Business, where the management has estimated the future cash flows for the Company with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on its ability to continue as going concern and in meeting its liabilities as and when they fall due. The actual impact of the Covid-19 Pandemic may be different from that estimated as at the date of the approval of these financial statements. Our report on the standalone financial statements have not modified in respect of this matter.

Other Information [“Information Other than the Financial Statements and Auditor’s Report Thereon”]

The Company’s Board of Directors are responsible for the other information. The other information comprises the information included in the board report but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Management's Responsibility for Consolidated Ind AS Financial Statements:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism through the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements:

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- c) The Balance Sheet, the Statement of Profit and Loss, statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure - A”.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with requirement of Section 197 (16) of the Act, as amended:

In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Company is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director/ manager by the Company, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed its pending litigations which would impact its financial position in note 32 of the Consolidated Ind AS financial statements.
 - ii) The Company did not have any long-term contracts as required under the applicable law or accounting standards, and also not entered into any derivative contracts, accordingly no provision is required to be made in respect of material foreseeable losses.

ANNEXURE – A

REFERRED TO IN PARAGRAPH f UNDER THE HEADING “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT TO THE MEMBERS OF ASM TECHNOLOGIES LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”):

In conjunction with our audit of Ind AS consolidated financial statements of the Company as of and for the year ended March 31, 2021, we have audited the internal controls over financial reporting of ASM Technologies Limited (“the Holding Company”) and its subsidiary companies which are incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls:

The respective Board of Directors of the Holding Company and its subsidiaries, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”).

Auditors’ Responsibility:

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting:

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in

accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, the Holding Company and its subsidiary companies which are incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

c. Nature and purpose of reserves:

i) General Reserve:

The general reserve is a free reserve which is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income. An amount of Rs. 17 million has been utilised for issue of bonus shares during the year 2020-21.

ii) Security Premium:

Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of section 52 of the Companies Act, 2013. The balance has been fully utilised for issue of bonus shares during the year 2020-21

iii) Capital Reserve:

Capital Reserve is created on forfeiture of equity shares issued by the Company and government subsidy on depreciable asset.

iv) Retained Earnings:

It comprises of the accumulated profits/(loss) of the Company.

Notes to Consolidated Financial Statements for the period ended March 31, 2021

1 CORPORATE INFORMATION:

ASM Technologies Limited along with its wholly-owned and controlled subsidiaries Advanced Synergic Pte Ltd, Singapore and Pinacle Talent Inc, USA and ESR Association Inc, USA wholly-owned and controlled subsidiaries of Advanced Synergic Pte Ltd, Singapore (collectively referred to as “Group”) is a pioneer in providing world class consulting services in areas of Engineering services and Product Engineering services with successful offshore development & support centres in India and overseas for its global clientele. The consolidated financial statements have been approved by the board of directors of the holding company on May 26, 2021.

2 SIGNIFICANT ACCOUNTING POLICIES:

2.1 Basis of Preparation:

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (‘Ind AS’) notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 1, 2017. The financial statements of the Company are prepared and presented in accordance with Ind AS.

The financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

2.2 Summary of significant accounting policies:

a) *Use of Estimates:*

The preparation of financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management’s best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Any revision to accounting estimates is recognized prospectively.

b) *Current versus non-current classification:*

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets/ liabilities are classified as non-current assets/ liabilities.

c) *Property, Plant & Equipment:*

Property, plant and equipment (“PPE”) are stated at the cost of acquisition less accumulated depreciation and write down for, impairment if any. Direct costs are capitalised until the assets are ready to be put to use. Subsequent costs are included in the asset’s carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other expenses on existing assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, which do not meet the definition of PPE as per Ind AS 16 are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of PPE and are recognized in the statement of profit and loss when the PPE is derecognized.

d) *Depreciation:*

Depreciation is provided on straight-line method as per the rates specified in schedule II of the Companies Act, 2013 (“the Act”). Depreciation for the assets purchased/sold during the year is proportionately charged. The assets’ residual values and useful lives are reviewed at each financial year end or whenever there are indicators for revision, and adjusted prospectively.

e) *Investment Properties:*

Investment property represents properties held for rental yields and/or for capital appreciation or both rather than for:

- (a) use in the production or supply of services or for administrative purposes; or
- (b) sale in the ordinary course of business.

Investment property is stated at the cost of acquisition less accumulated depreciation.

Subsequent costs are included in the asset’s carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other expenses on existing assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, which do not meet the definition of Investment Property as per Ind AS 40 are charged to the statement of profit and loss for the period during which such expenses are incurred.

f) *Intangible Assets:*

Intangible assets acquired separately are measured on initial cost. Subsequently, carried at cost less accumulated amortization and accumulated impairment losses, if any.

Intangible assets comprising of computer software is amortised on a over a period of three years as estimated by the management.

Gains or losses arising from de-recognition of an intangible asset are measured as a difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when asset is derecognised.

g) *Leases:*

Where Company is a Lessee:

The Company’s lease asset classes primarily consist of leases for buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of

time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contact involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of lease
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset (“ROU”) and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The borrowing rate applied to lease liabilities for discounting is **10.2%**

(h) Employee benefits :

- (i) Short term employee benefits :

The employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, leave travel allowance, short term compensated absences etc. and the expected cost of bonus are recognised in the period in which the employee renders the related service.

- (ii) Defined Benefit Plans :

Gratuity, which is a defined benefit plan, is accrued based on an independent actuarial valuation, which is done based on project unit credit method as at the balance sheet date. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/ (asset) are recognized in other comprehensive income. In accordance with Ind AS, re-measurement gains and losses on defined benefit plans recognized in OCI are not to be subsequently reclassified to statement of profit and loss. As required under Ind AS compliant Schedule III, the Company recognizes re-measurement gains and losses on defined benefit plans (net of tax) to retained earnings.

Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method, made

at the end of each financial year. Actuarial gains/losses are immediately taken to the statement of profit and loss. The Company presents the accumulated leave liability as a current liability in the balance sheet, since it does not have an unconditional right to defer its settlement for twelve months after the reporting date.

i) Revenue Recognition:

The Company derives revenues primarily from IT related services. Effective April 01, 2018, the Company has adopted Ind AS 115, "Revenue from Contracts with Customers". Revenue is recognized upon transfer of control of promised services to customers in an amount that reflects the consideration we expect to receive in for those services.

Revenue on time-and-material contracts are recognized as the related services are performed and revenue from the end of the last invoicing to the reporting date is recognized as unbilled revenue. Revenue from fixed-price, fixed-timeframe contracts, where the performance obligations are satisfied over time and where there is no uncertainty as to measurement or collectability of consideration, is recognized as per the percentage-of-completion method. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity.

The Company recognised incentive from government in respect of Service Exports from India Scheme based on claim lodged by the Company.

j) Taxation:

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognized in statement of profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

Current income tax expense comprises taxes on income from operations in India and in foreign jurisdictions. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961. Tax expense relating to foreign operations is determined in accordance with tax laws applicable in countries where such operations are domiciled. Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax in future years. Accordingly, MAT is recognised as an asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the assets will fructify.

Deferred income tax is recognized on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

k) *Foreign Currency Transactions:*

Functional Currency:

The functional currency of the Company is the Indian rupee.

Transactions and translations:

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the balance sheet date. Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are included in the statement of profit and loss.

l) *Provisions, Contingent liabilities and Contingent assets:*

A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting obligations under a contract exceed the economic benefits expected to be received, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements. A contingent asset is never recognised but only disclosed in the financial statements.

m) *Segment reporting policies:*

Identification of segments:

Operating Segments are identified on the basis of internal reports about components of the group that are regularly reviewed by the chief operating decision maker (CODM) in order to allocate resources to the segments and to assess their performance in accordance with Ind AS 108, Operating Segments. Since CODM evaluates Company's performance at a geographic segment level, operating segment information is accordingly given at geographic level.

n) *Financial Instruments:*

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at

fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

i) Cash & Cash equivalents:

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

ii) Financial assets at amortized cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii) Financial assets at fair value through other comprehensive income:

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iv) Financial assets at fair value through profit or loss:

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in statement of profit and loss.

v) Financial liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit or loss. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

vi) De-recognition of financial instruments:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized when the obligation specified in the contract is discharged or cancelled or expires.

vii) Fair value of financial instruments:

In determining the fair value of its financial instruments, the Company uses following hierarchy and assumptions that are based on market conditions and risks existing at each reporting date.

Fair value hierarchy:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

viii) *Investments in subsidiary:*

Investments in subsidiary is carried at cost.

o) **Impairment:**

i) *Financial assets:*

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

ii) *Non-financial assets:*

Tangible and Intangible assets: PPE, intangible assets and investment property with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

p) **Cashflow Statement:**

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

2.3 Significant accounting judgements, estimates and assumptions:

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) *Judgements:*

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements:

(b) *Estimates and assumptions:*

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Defined benefit plans - Gratuity

The cost of the defined benefit gratuity plan and other post-employment medical benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases are based on expected future inflation rates and expected salary increase thereon.

36. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial liabilities comprise of trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations to support its operations. The Company's principal financial assets include trade and other receivables, rental and bank deposits and cash and cash equivalents, that derive directly from its operations.

The Company is exposed to credit and liquidity risk. The Company's senior management oversees the management of these risks and the Board of Director's reviews these activities.

i. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument would fluctuate due to changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include trade payables. The Company is not exposed to price risk on the financial date.

The sensitivity analysis in the following sections relate to the positions as at March 31, 2021 and March 31, 2020.

The analysis exclude the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations and provisions.

The following assumption has been made in calculating sensitivity analyses:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2021 and March 31, 2020.

a. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The operations of the Company are both in India and overseas. Company has been providing services to overseas customers. Hence, the Company is currently exposed to the currency risk arising from fluctuation of these foreign currencies and Indian rupee exchange rates.

Resolution No. 5

Pursuant to the provisions of Section 197 read with Schedule V of the Companies Act, 2013, a Company having inadequate / no profits, may subject to certain conditions and as may be decided by the Board of Directors on the recommendation of Nomination and Remuneration Committee, permits payment of remuneration to Directors who are neither Managing Director nor Whole-time Directors (Non-Executive Directors) of a Company by way of commission, in excess of 1% of the net profits of a company as computed in accordance with the provisions of Section 198 subject to the approval of the members by means of a Special Resolution.

During the financial year ended March 31, 2021, the profits of the Company are not adequate due to COVID impact and therefore the commission payable to the Non-Executive Directors would exceed the limits prescribed under the relevant provisions of the Companies Act, 2013.

In the event of inadequacy of profits calculated as per Section 198 of the Companies Act, 2013 in any financial year(s), the Non-Executive Directors of the Company shall be entitled to a minimum remuneration comprising of commission as detailed above subject to such revisions as may be approved by the Board from time to time during the period 1st April 2021 to 31st March 2024.

The members of the Company at an Annual General Meeting held on 20th June 2017 had approved the remuneration payable to Non-Executive Directors by way of commission not exceeding one percent of the net profits of the Company for each financial year.

The Company's Non-Executive and Independent Directors contribute significant professional skills and experience in a variety of functional areas, including marketing, technology, business strategy, finance, and corporate governance. It is vital to suitably compensate such directors in order to do justice to their work and to attract and retain such directors. The total commission awarded to such Directors may exceed one percent of the net-profits of the Company in a given financial year. This resolution authorises such payment of commission upto 2% of the net profits of the Company, or. The commission paid is in addition to the sitting fees for attending Board / Committee meetings.
