### 11. MANAGEMENT DISCUSSION AND ANALYSIS:

#### a. Industry Structure and Developments:

The Non Banking Financial Companies (NBFC) industry in the private sector in India is represented by a mix of few large and national level Companies and a large number of small and medium sized, regional and local Companies. These NBFCs provide a variety of services including fund based and free based activities as well as cater to retail and non-retail markets and niche segments.

As a part of the economic reform, the Government is reducing the interest rate to lower the overall finance cost. In spite of this and other banking reforms, no major momentum is witnessed in credit obtained by the industrial sector including core industry.

The imposition of stricter registration and other regulatory compliance requirements over the years have led to better investor protection and improved overall industry environment.

#### b. Opportunities and Threats:

The Company faces normal market competition in its business. The working of the NBFCs continued to be adversely affected by defaults due to recession and absence of proper and speedier recovery loss and procedure, paucity of funds, over regulations, lace of level playing field, additive tax treatments and disallowance and encroachment by unprofessional and inexperienced fly-by-night operators in the industry.

The continuance of slowdown in economy coupled with the reduction in the interest rate would continue to affect the income level of your Company in the current year. However, with the effective control over the expenses and prudent development of available resources, the Management is hopeful of maintaining satisfactory results.

#### c. Segment wise Performance:

The Company is operating in single segment. Hence, there is no need of reporting segment wise performance.

#### d. Recent Trend and Future Outlook:

The Company is likely to continue to maintain its focus on capital market activities including trading in securities and emerging products in derivatives. The Company will also look for any attractive opportunities in other growth areas in the financial services sector.

#### e. Risks and Concerns:

The Company is exposed to the normal industry risk factors of interest rate volatility, credit risk, market risk and operational risk. It manages these risks by maintaining a conservative financial profile and by following prudent business and risk management practices.

With lower and lower interest regime, the Company's gross income may suffer a set back as being a finance Company its main income is return/yield on its deployable funds.

#### f. Internal Control Systems and their Adequacy:

The Company has adequate systems of Internal Controls commensurate with its size and operations to ensure orderly and efficient conduct of business. **INDEPENDENT AUDITORS' REPORT**

To,  
The Members of  
**PRISM FINANCE LIMITED**

**Report on the Audit of the Standalone Financial Statements**

**Opinion :**

We have audited the accompanying standalone IND AS financial statements of **PRISM FINANCE LIMITED** ("the Company"), which comprise the balance sheet as at March 31, 2020, statement of profit and loss (Including other comprehensive Income) and statement of cash flows for the year then ended, Statement of changes in Equity, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standard (IND AS) specified under section 133 of the Companies Act, 2013 of the state of affairs (financial Position) of the Company as at March 31, 2020, and its loss (financial performance), and Cash flows and changes in Equity for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

**Information other than the Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act; 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), Profit or loss (financial performance), Statement of changes in Equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

## **PRISM FINANCE LIMITED**

---

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matter**

The company had prepared financial results for the year ended March 31, 2019 based on the financial statements for the year ended March 31, 2019 prepared in accordance with Accounting Standards AS') prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) rules, 2014 (as amended) which were audited by us vide our report dated 30th May, 2019 expressed an unmodified opinion. These financial results for the year ended March 31, 2019 have been' adjusted for the difference in the accounting principles adopted by the Company on transition to Ind AS

**Annexure B to the Independent Auditor's Report of Even Date to the Members of PRISM FINANCE LIMITED  
on the Standalone Financial Statements of the year ended on 31<sup>st</sup> March 2020**

**Independent Auditor's Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the standalone financial statements of **M/s PRISM FINANCE LIMITED** ("the Company") as at and for the year ended 31<sup>st</sup> March 2020, We have audited the internal financial controls over financial reporting of the company as of that date.

**Management's Responsibility for Internal Financial Controls**

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls over financial reporting and the Guidance Note issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## **PRISM FINANCE LIMITED**

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

**1. Company Information:**

Prism Finance Limited ('the Company')(CIN: L63910GJ1994PLC021915) , incorporated in India is public limited company, headquartered in Ahmedabad. The company is Non-Banking Financial Company ('NBFC')as defined in Section 45IAof the Reserve Bank of India ('RBI') Act,1934 engaged in the business of Finance and Investments. The Equity shares of the company are listed on Bombay Stock Exchange (BSE) (Code: 531735).

**2. Summary of Significant Accounting Policies:-**

**2.1 Statement of Compliance and Basis of Preparation of Financial Statements: -**

These Standalone financial statements are prepared in accordance with Indian Accounting Standards (IND AS)as per the Companies(Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the CompaniesAct, 2013 (the Act) read with Rule 7 in conformity with the accounting principles generally accepted in india,and other relevant provisions of the act.

The Company's financial statements upto and for the year ended 31 March 2019 were prepared in accordance with the Generally Accepted Accounting Principles in India (IGAAP) under the historical cost convention as a going concern and on accrual basis, unless otherwise stated, and in accordance with the provisions of the Companies

Act, 2013, the Accounting Standards specified under section 133 of the Companies Act, 2013 ("the Act") read with rule 7 of the Companies (Accounts) Rules 2014 (as amended), prudential norms for income recognition, assets classification

and provisioning for non-performing assets as well as contingency provision for standard assets as prescribed by The Reserve Bank of India (RBI) for NBFCs and the guidelines issued by Securities and Exchange Board of India (SEBI) to the extent

applicable, collectively referred as "Previous GAAP".

These Financial Statements are the first financial statements of the company under Ind AS - the transition date being1stApril 2018. The information as to how the company has adopted Ind AS and the impact thereof on Company's financial position, financial performance and cash flows is presented in notes to financial statements.

The accounting policies have been consistently applied and financial statements are prepared on going concern basis. The company uses accrual basis except for significant uncertainties.The financial statements have been prepared on the historical cost basis except for certain financial instruments which are measured at fair values at the end of each reporting period.

The financial statements are presented in Indian Rupees ('INR'). Where changes are made in presentation, the comparative figures of the previous year are regrouped and re-arranged accordingly.

These are the Company's first standalone or separate financial statements prepared in accordance with Indian Accounting Standards (Ind AS). The Company has applied Ind AS 101, First-time Adoption of Indian Accounting Standards for transition from Previous GAAP to Ind AS. An explanation of how transition to Ind AS has affected the previously reported financial position, financial performance and cash flow of

the Company is provided in Note 13.

These standalone or separate financial statements were approved by the Company's

Board of Directors and authorised for issue on 20th July 2020.

**2.2 First-time adoption of Ind AS – mandatory exceptions and optional exemptions**

**Overall principle:**

The Company has prepared the opening balance sheet as per Ind AS as of 1st April 2018 ("the transition date") by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from Previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to certain exceptions and certain exemptions availed by the Company as mentioned below:

**i) Deemed cost for property, plant and equipment and intangible assets -**

The Company has elected to measure property, plant and equipment, and intangible assets at its Previous GAAP carrying amount and use that Previous GAAP carrying amount as its deemed cost at the date of transition to Ind AS

**ii) Leases -**

The Company has availed the exemption to assess whether an arrangement contains a lease based on facts and circumstances existing on date of transition to Ind AS.

### iii) Impairment on Financial Assets-

The Company has applied the impairment requirements of Ind AS 109. As permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort, in order to determine the impairment loss allowance as at transition date.

### 2.3 Measurement of Fair Values:

A number of Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

### 2.4 CRITICAL ACCOUNTING JUDGMENTS, ASSUMPTIONS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Standalone Financial Statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities at the date of the financial statements. Estimates and assumptions are continuously evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

#### Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the standalone financial statements:

#### (i) Determination of Functional Currency

Currency of the primary economic environment in which the Company operates ("the functional currency") is Indian Rupee (₹) in which the company primarily generates and expends cash. Accordingly, the Management has assessed its functional currency to be Indian Rupee (₹).

#### (ii) Provisions and other contingent liabilities

The reliable measure of the estimates and judgements pertaining to litigations and the regulatory proceedings in the ordinary course of the Company's business are disclosed as contingent liabilities.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

#### (iii) Impairment of Financial Instrument

The measurement of impairment losses on loan assets and commitments, requires judgement, in estimating the amount and timing of future cash flows and recoverability of collateral values while determining the impairment losses and assessing a significant increase in credit risk.

The Company's Expected Credit Loss (ECL) calculation is the output of a complex model with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL model that are considered accounting judgements and estimates include:

- The Company's criteria for assessing if there has been a significant increase in credit risk
- The segmentation of financial assets when their ECL is assessed on a collective basis
- Development of ECL model, including the various formulae and the choice of inputs
- Selection of forward-looking macroeconomic scenarios and their probability weightings, to derive the economic inputs into the ECL model

It has been the Company's policy to regularly review its model in the context of actual loss experience and adjust when necessary.

**2.5 Revenue Recognition:**

**a) Recognition of interest income on loans**

Interest income is recognised in Statement of profit and loss using the effective interest method for all financial instruments measured at amortised cost. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract. Transaction costs include incremental costs that are directly attributable to the acquisition of financial asset.

If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk, the adjustment is recorded as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The adjustment is subsequently amortised through Interest income in the Statement of profit and loss.

**b) Rental Income:**

In respect of lease rentals arising out of lease agreements and hire purchase charges arising out of hire purchase agreements. It is the company's general policy to accrued income/ expenses as per the terms of the agreement entered into with the lessee. lessors and hirers from time to time.

**c) Dividend and Interest Income on Investment:**

- Dividends are recognised in Statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.

- Interest income from investments is recognised when it is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

**d) Net Gain/(Loss) on Fair Value Changes:**

Any differences between the fair values of the financial assets classified as fair value through the profit or loss, held by the Company on the balance sheet date is recognised as an unrealised gain/loss in the statement of profit and loss. In cases there is a net gain in aggregate, the same is recognised in "Netgains or fair value changes" under revenue from operations and if there is a net loss the same is disclosed "Expenses", in the statement of profit and loss.

**2.6 Property, Plant & Equipment & Depreciation :-**

All Property, Plant & Equipments are capitalized at cost inclusive of legal and/ or installation and incidental expenses, less accumulated depreciation.

The Company provides depreciation on straight line basis on the basis of useful lives of assets as specified in Schedule II to the Companies Act, 2013.

Depreciation on assets sold / purchased during the year is proportionately charged.

No depreciation has been provided on assets where WDV exceeds 95% of cost.

**2.7 Financial instruments:**

The Company has adopted Ind AS 109 Financial Instruments with the date of initial application as 1<sup>st</sup> April, 2018. As permitted by the transitional provisions of Ind AS 109, the company elected not to restate the comparative figures.

**a) Financial Assets**

**i) Debt Instruments at Amortised Cost**

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios being the level at which they are managed. The financial asset is held with the objective to hold financial asset in order to collect contractual cash flows as per the contractual terms that give rise on specified dates to cash flows that are solely payment of principal and interest (SPPI) on the principal amount outstanding. Accordingly, the Company Measures Bank balances, Tradereceivables and other financial instruments at amortised cost.

**ii) Debt Instruments at FVTPL**

The Company classifies financial assets which are held for trading under FVTPL category. Held for trading assets are recorded and measured in the Balance Sheet at fair value. Interest and dividend incomes are recorded in interest income and dividend income, respectively according to the terms of the contract, or when the right to receive the same has been established. Gain and losses on changes in fair value of debt instruments are recognised on net basis through profit or loss.

## PRISM FINANCE LIMITED

---

### iii) Equity Instruments at FVTPL

All equity investments other than in subsidiaries, joint ventures, associates and Unlisted entities are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL.

### iv) De-Recognition

The Company de-recognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On de-recognition of a financial asset in its entirety, the difference between the carrying amount (measured at the date of de-recognition) and the consideration received (including any new asset obtained less any new liability assumed) is recognised in profit or loss.

## b) Financial Liabilities

### i) Recognition

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for trading or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of profit and loss. Any gain or loss on de-recognition is also recognised in Statement of profit and loss.

### ii) De-Recognition

A financial liability is de-recognised when the obligation in respect of the liability is discharged, cancelled or expires. The difference between the carrying value of the financial liability and the consideration paid is recognised in statement of profit and loss.

### iii) Off-setting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

## 2.8 Finance Cost:

Finance costs include interest expense computed by applying the effective interest rate on respective financial instruments measured at Fair Value. Financial instruments include Inter-Corporate Loans from related parties measured at Fair Value through Profit and Loss Account (FVTPL). Finance costs are charged to the Statement of profit and loss. It also includes Interest charged by government authorities on late payment of Tax.

## 2.9 Taxation - Current and deferred tax

### a) Current tax:

Current tax comprises amount of tax payable in respect of the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to the tax payable or receivable in respect of previous years. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

### b) Deferred tax:

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequence that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary difference could be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. However, in absence of certainty of future Taxable Profits no Provision for deferred Tax has been created.

**2.10 Provisions:**

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

**2.11 Earnings Per Share:**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus for the year ended 31<sup>st</sup> March, 2020

**2.12 Cash and cash equivalents:**

Cash and cash equivalents in the balance sheet comprise cash on hand, cheques and drafts on hand, balance with banks in current accounts and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

**3. NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS**

**1) Contingent Liability : NIL (PY – NIL)**

There are no contingent liabilities as identified by management.

**2) Balances under the head of Financial & non-financial liabilities, loans & advances and financial assets including few bank balances and certain investments are subject to confirmation and reconciliation.**

**3) In the opinion of the management of the company, the financial & non-financial assets are approximately of the same value stated if realized in the ordinary course of business. The provision for the depreciation and for all known liabilities are adequate and not in excess of amount reasonably necessary.**

**4) All the investments are held by the company in its own name in demat/physical form. Regarding certain investments held in the physical form, the company is in the process to dematerialize the same.**

**5) Deferred Tax:**

The Company has adopted Indian Accounting Standard (IND AS- 12) "Income Taxes", issued by The Institute of Chartered Accountants of India. In absence of any virtual certainty of future taxable profit, no deferred tax asset has been recognized in the books as at 31<sup>st</sup> March, 2020

**6) As there is a business loss as per the provisions of the Income Tax Act, 1961, no provision has been made for current tax.**

**7) Previous years figures have been regrouped and rearranged where ever necessary to make them comparable with current year figures.**

**8) Segment Reporting:**

The company operates in single business segment of Finance and investment. As such, there are no separate reportable segments as per the Indian Accounting Standard on "Operating segments" (IND AS-108) issued by the Institute of Chartered Accountants of India. Accordingly, the figures appearing in this financials statement relates mainly to the Finance and investment segment only.

**9) Financial Risk Management:**

In the course of its business, the Company is exposed to certain financial risks namely Market Risk, credit risk, interest risk & liquidity risk. The Company's primary focus is to achieve better predictability of financial markets and seek to minimize potential adverse effects on its financial performance.

**Market Risk:**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. In the case of the Company, market risk primarily impacts financial instruments measured at fair value through profit or loss.

## PRISM FINANCE LIMITED

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have exposure to the risk of changes in market interest rate as it has debt obligations with fixed interest rates which are measured at FVTPL.

### Credit Risk:

Credit risk is the risk that the counterparty will not meet its obligations under a financial instrument or a customer contract, leading to a financial loss. The Company is exposed to credit risk from its financing activities towards inter corporate deposits to related parties, where no significant impact on credit risk has been identified.

### Liquidity Risk:

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. processes and policies related to such risks are overseen by senior management. The Company manages its liquidity requirement by analyzing the maturity pattern of the Company's cash flow of financial assets and financial liabilities. The Company's objective is to maintain a balance between continuity of funding and flexibility.

### Notes to first time adoption of IND AS

#### **a Property Plant and Equipment**

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment as at 1st April 2018 measured at Closing Rate as per Ind AS concept and use that value as the deemed cost of the property, plant and equipment.

#### **b Re-Classification & Prior Period Errors**

Assets / liabilities which do not meet the definition of financial asset / financial liability have been reclassified to other asset / liability. Prior Period errors are adjusted in the statement of profit and Loss of that period.

#### **C Investments**

All Investments except unquoted Investments have been recorded at fair value through Profit and Loss account. Difference arising on IND AS Transition date (i.e. 31st March, 2018) is Transferred to Other Equity

#### **D Loans & Borrowings**

All Financial Instruments including all Loans are recorded as per "Split Accounting Method" as given in IND AS 109 Financial Instruments on Transition Date (i.e. 31st March, 2018).

(Refer Note "Financial Instruments" of Notes Forming Part of Standalone Financial Statements)

#### **E Impairment of Financial Instruments**

Under previous GAAP, loan losses and provisions were computed basis RBI guidelines and Management estimations. Under Ind AS, the same is required to be computed as per the impairment principles laid out in Ind AS 109 – 'Financial Instruments' which prescribes the expected credit loss model for the same. The difference arising due to this are adjusted in Retained Earnings on the date of Transition and subsequently in statement of profit and Loss.

#### **F Other Equity**

Adjustment to retained earnings have been made in accordance with INDAS for the above mentioned line items
