MANAGEMENT DISCUSSION & ANALYSIS REPORT

REAL ESTATE SECTOR

Real Estate Industry The Indian real estate sector has been trying to get back on its feet and come to terms with multiple reforms and changes brought in by demonitization, RERA, GST, IBC, NBFC crisis and subvention scheme ban. While it was tough task for sector to align itself with these new regulations, the measures have been instrumental to bring transparency, accountability and fiscal discipline over last few years. Over reliance on NBFC funding led to severe funding issues after the IL&FS default, wherein RBI had asked NBFC's to bring down their exposure to real estate sector. According to industry estimates, 90% of workforce employed in real estate and construction sector is engaged in the core construction activities, while the rest 10% is involved in other ancillary activities. The recent liquidity crisis has worsened the situation for smaller players which were anyway finding it difficult to adhere to new norms laid by RERA leading to new wave of consolidation. Larger established players with strong access to funding are expected to gain market share. Also, the current situation is expected to open up a lot of business development opportunities for well capitalized developers. The consolidation phase is likely to get accelerated further with the COVID19 outbreak and many weak players may cease to exist

RESIDENTIAL REAL ESTATE MARKET

The Indian residential sector has been grappling with subdued demand for the past few years and the recent developments (ongoing impact of COVID19) have made things even more difficult for the sector. While certain measures such as the consecutive rate cuts by the RBI, the reduction of GST rates to 1% for affordable housing and 5% for others and the setting up of an Alternative Investment Fund (AIF) have helped home-buyer sentiments, they've had little impact on the sales for the sector.

BANGALORE

In 2022, while the sales momentum was slow for under-construction projects, the sales recovered in the 2022 period. Bangalore has managed to record robust sales which were up 10% in CY2022-23. In terms of sales volumes growth, Bangalore has been the top performer amongst the cities under consideration. The improved buyer sentiment along with steady demand has resulted in higher launches in CY2022-23.

COVID19 Impact on Residential Real Estate COVID-19 has severely hit residential real estate business and the sector has come to a standstill in the short term. While the sector was coming out of the woods after the liquidity crisis and subsequent fallouts of sales, the pandemic outbreak could further impact residential sector.

Drop in new launches and slump in sales volumes amidst the current COVID-19 outbreak, the sector is likely to witness major disruptions due to construction delays and financing issues. Also, many prospective customers could consider postponing their decisions either to stay away from the project sites or in the expectations of a price correction

OPPORTUNITIES CONSOLIDATION

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a country like India should remain strong in the medium to long term. Your Company's well accepted brand, contemporary architecture, well designed projects in strategic locations, strong balance sheet and stable financial performance even in testing times make it a preferred choice for customers and shareholders. Your Company is ideally placed to further strengthen its development potential by acquiring new land parcels.

DIGITAL REAL ESTATE SALES

With the rapidly evolving marketing landscape, digital marketing tools have emerged as important tools for real estate companies to amplify their sales and reach out to customers globally. With a sharp focus on building consumer experience and connection through digital means, established brands will be ahead of the curve, giving a competitive edge to their business. Social media platforms can be extensively used to promote listings, maintain relationships with existing customers and find new prospects. The recent lockdown due to COVID19 has forced real estate companies to focus much more on digital marketing and online platforms.

THREATS & CHALLENGES

Regulatory Hurdles Unfavorable changes in government policies and the regulatory environment can adversely impact the performance of the sector. There are substantial procedural delays with regards to land acquisition, land use, and construction approvals. Retrospective policy changes and regulatory bottlenecks may impact profitability and affect the attractiveness of the sector and companies operating within the sector. This NBFC crisis has further deteriorated the liquidity situation for smaller developers like us, who had to resort to alternative funding in absence of long term loans

KMF BUILDERS & DEVELOPERS LIMITED

from banks. While established developers with lean balance sheets continue to have funding access, many developers are facing significant liquidity pressure.

OUTLOOK

As the real estate sector continues to tackle the existing issues created by the aftershocks of liquidity crisis and resulting disruption of COVID 19, we see an opportunity for well established players in the industry. The start of FY 2023 may be muted due to the lockdown and subsequent impact on economy, but we believe our strong project pipeline and healthy balance sheet will help maintain operational performance going ahead. The pace of consolidation in sector is also expected to accelerate further we expect to gain market share. Also, amidst COVID 19, and prevailing liquidity crunch, the visibility on business development is getting stronger. Our focus on our core markets, strong brand and existing portfolio leaves us on strong foot to take advantage of this opportunity.

INDEPENDENT AUDITORS' REPORT

To the Members of KMF BUILDERS AND DEVELOPERS LIMITED
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of KMF Builders and Developers Limited ("the Company"), which comprise the standalone balance sheet as at 31 March 2023, the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the Aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting Principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and Profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

B. Revenue recognition - refer note 2.2(a)(i) to the standalone financial statements

Key Audit Matter	How the Matter was addressed in Our Audit
<p>Measurement of revenue on contractual construction projects recorded over time which is dependent on the estimates of the costs to complete</p> <p>Revenue recognition from contractual projects represents a significant portion of the total revenues of the Company.</p> <p>Revenue recognition from contractual projects involves significant estimates primarily pertaining to measurement of costs to complete the projects.</p> <p>Revenue from projects is recorded based on Company's assessment of the work completed, costs</p>	<p>Our audit procedures on revenue recognition on contractual construction projects included the following:</p> <ul style="list-style-type: none"> • Evaluation of Company's accounting policies for revenue recognition on contractual projects are in line with the applicable accounting standards and their application to customer contracts, including consistent application; • Identifying and testing operating effectiveness of key controls around budgeting of project cost, approval of purchase orders, recording of actual cost, raising of invoices and estimating the cost to complete the project;

KMF BUILDERS & DEVELOPERS LIMITED

incurred and accrued and the estimate of the balance costs to complete.

Due to inherent nature of the projects and significant judgment involved in the estimate of costs to complete, there is risk of overstatement or understatement of revenue, hence this is considered as a key audit matter.

- For samples selected during the year, verifying the underlying documents – contracts with customers, invoices raised and collections from the customers;
- Comparing the estimated costs to complete with the budgeted costs and analysis of the variances, if any;
- Sighting approvals for budgeted costs with the rationale for the changes;
- Assessment of costs incurred on projects, which is used by the Company to determine the percentage of completion;
- Considering the adequacy of the disclosures in note 2.2(a)(i) to the standalone financial statements in respect of judgements taken to recognise revenue for contractual projects; and
- Considering the adequacy of the disclosures in notes to the standalone financial statements in respect of revenue recognised, cost incurred, amount received/ retentions due from customers; work in progress, value of inventories and profit recognised till date.

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Managements and Board of Directors' Responsibility for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as Applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of

KMF BUILDERS & DEVELOPERS LIMITED

users taken on the basis of these standalone financial statements.

STANDALONE FINANCIAL STATEMENTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the Management and Board of Directors.

Conclude on the appropriateness of the Management and Board of Directors Use of the going concern basis of accounting and, based on the audit evidence Obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to Draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report, unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

KMF BUILDERS & DEVELOPERS LIMITED

Annexure B to the Independent Auditors' report on the standalone financial statements of KMF Builders and Developers Limited for the period ended 31 March 2023.

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (f) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph (A) (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of KMF Builders and Developers Limited ("the Company") as of 31 March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely

Preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

KMF BUILDERS & DEVELOPERS LIMITED

Meaning of Internal Financial controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone financial statements.

Inherent Limitations of Internal Financial controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**37 Segment information****Basis of segmentation**

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company's Chief Executive Officer (CEO) to make decisions about resources to be allocated to the segments and assess their performance. The Company has two reportable segments, as described below, which are the Company's strategic business units. These business units offer different products and services, and are managed separately because they require different marketing strategies. For each of the business units, the Company's CEO reviews internal management reports on at least a quarterly basis.

The CEO monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Accordingly, the Group has identified following as its reportable segment for the purpose of Ind AS 108:

- a) Real estate segment;
- b) Contractual and manufacturing segment.

Real Estate segment (RE) comprises development, sale, management and operation of all or any part of townships, housing projects, also includes leasing of self owned commercial premises.

The operation of the Contractual and Manufacturing segment (CM) comprises development of commercial premises and other related activities, also includes manufacturing activities related to interiors, glazing and metal works and concrete products. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Also, the Company's financing (including finance costs and finance income) and income taxes are managed on an overall basis and are not allocated to operating segments.

Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties.

The following tables present revenue and profit information for the Company's operating segments for the year ended 31 March 2023 and 31 March 2022 respectively:

Particulars	For the year ended 31 March 2023	For the year ended 31 March 2022

38. Earning Per Share

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

In Thousands

The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liabilities where applicable, in its financial statements. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial position. The Company does not expect any reimbursements in respect of the above contingent liabilities.

a. Regulatory Matters

In respect of matters relating to certain transactions entered into by the Company in earlier years, the Company was asked to provide contracts, documents, correspondences, business rationale and justification for these transactions by regulatory authorities, the Company has been responding to the same from time to time. Securities and Exchange Board of India (SEBI) had further summoned the Company under section 11(2), and 11C(2), 11C(3) of the SEBI Act, 1992 for production of documents and responses in respect of the aforesaid transactions. The Company has duly responded to the e-mail queries and the Summons within the time allotted.

During the current year, the Company has not in default, with the other parties, for a manner of settlement of the dues amounting to ₹0. Based on this, ₹0 has been settled by transfer of other parties' units of an ongoing launched project (Project 1). The Company has sold these units in its normal course of business during the current year

b. Other litigations

(a) Claims have been levied on the Company by Bruhat Bengaluru Mahanagara Palike ('BBMP') towards certain statutory charges which includes betterment charges, ground rent charges, etc. on certain real estate projects undertaken by the Company, the impact of which is not quantifiable. These claims are pending with various courts and are scheduled for hearings. Based on internal assessment, the management is confident that the matter would be decided in its favour, accordingly no provisions has made in this regard.

40 Details of dues to Micro and Small Enterprises as per Micro, Small and Medium Enterprises Development Act, 2006

Under the Micro, Small and Medium Enterprises Development Act, 2006 ('MSMED') which came into force from 2 October 2006, certain disclosures are required to be made relating to Micro, Small and Medium enterprises. On the basis of the information and records available with the management, there are no outstanding dues to the Micro and Small enterprises as defined in the Micro, Small and Medium Enterprises Development Act, 2006 except as set out in the following disclosures.

The disclosure in respect of the amount payable to enterprises which have provided goods and services to the Company and which qualify under the definition of micro and small enterprises, as defined under Micro, Small and Medium Enterprises Development Act, 2006 has been made in the standalone financial statement as at 31 March 2023 and 31 March 2022 based on the information received and available with the Company.

42 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing borrowings, trade payables and other financial liabilities (excluding liability under IDA), less cash and bank balances.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings.

There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2023 and 31 March 2022.

KMF BUILDERS & DEVELOPERS LIMITED

KMF BUILDERS AND DEVELOPERS LIMITED

Notes Annexed To And Forming Part Of The Accounts For The Year Ended 31st March, 2023

Description

1. Significant accounting policies:

a) Basis of Preparation and Presentation of Financial Statements

The financial statements of the company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as notified by the Ministry of corporate Affairs pursuant to section 133 of the companies Act, 2013 ("Act"), the companies (Indian Accounting Standards) Rules, 2015, as amended, and other applicable provisions of the Act.

The Balance Sheet, Statement of Profit and Loss and Statement of Changes in Equity have been prepared and presented in the format prescribed in the Division II of the Schedule III to the Companies Act, 2013. Statement of cash flows has been prepared and presented as per the requirements of Ind AS 7 Statement of Cash Flows. The disclosure requirements with respect to the items in the Balance Sheet and Statement of Profit and Loss Account are presented by way of notes forming part of financial statements.

The Company has considered a period of twelve months as the operating cycle for classification of assets and liabilities as current and non-current.

Basis of Measurement

These financial statements have been prepared based on accrual and going concern principles following the historical cost conventions except for those financial assets and liabilities that are measured at fair value.

b) Key Estimates & Assumptions

In preparing these Ind AS compliant financial statements, the Management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities (including contingent liabilities), income and expenses. The Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable and a continuous evaluation is done on the estimation and judgements based on historical experience and other factors.

c) Inventories

Value of inventories are measured at Cost.

Cost Comprises of Land, Development Rights, Materials, Services, and other expenses attributable to the Project.

Cost of Construction / development (including cost of land) incurred is charged to the standalone statement of profit & loss Proportionate to area sold and the balance cost is carried over under inventories as WIP.

d) Revenue recognition

Revenue from Construction activity is recognized to the extent that it is probable that the economic benefits will flow from the customer, all significant risks and rewards of ownership are transferred to the customers and it is not unreasonable to expect ultimate collection and no significant uncertainty exists regarding the amount of Consideration.

Revenue from Construction Activity is recognised at a point in time when significant risks & rewards are transferred to the customer i.e. When the control of residential flats is transferred to the Customers.

Cost of Construction/Development includes all cost directly related to the project and other expenditure as identified by the management which are reasonably allocable to the project.

e) Property, Plant and Equipment(PPE)

Recognition and Measurement

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE other than freehold land is stated at original cost including import duties, non-refundable purchase taxes and any directly attributable costs of bringing the asset to its working condition for its intended use, net of tax/duty credits availed, if any, after deducting rebates and trade discounts, less accumulated depreciation and accumulated impairment losses, if any. If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items(major components) of PPE.

Depreciation & Amortisation

Depreciation is provided using the Straight Line Method (SLM) as per the useful life of the assets estimated by the management. Depreciation on Addition/Deletion of PPE made during the year is provided on Prorata basis from/up to date of addition/deletion. The useful life of assets estimated by the management is same as prescribed in scheduled II of

KMF BUILDERS & DEVELOPERS LIMITED

the Act, except in respect of the following category of asset given below-
Where the life is different than that of schedule II to the Act.

f) Share Capital

Ordinary shares are classified as equity. Costs directly attributable to issuance of new ordinary shares are charged to profit and loss account on the basis of predetermined period in equal proportions.

g) Taxes on Income

Current tax is the expected income tax payable/recoverable in respect of the taxable profit/(tax loss) for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred tax is recognised in respect of temporary differences between the carrying values of assets and liabilities for financial reporting purposes and the amount used for tax purposes.

h) Employee benefits

Short term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Long term obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are accounted on accrual basis.

Post employment benefits:

The entity operates the Gratuity scheme as defined benefit plan and the obligations for these benefits are recognised as per the Actuarial Valuation.

KMF BUILDERS & DEVELOPERS LIMITED

Actuarial Measurement of Gratuity

Interest Cost	-	-
Acturial (Gains) / Loss	-128	36
Benefits Paid	-	-
Present value of Defined Benefits Obligation at the end (Closing)	811	940

i) Provisions and Contingent Liabilities

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows specific to the liability, using a current pre-tax rate that reflects the current market assessment of the time value of money and risks specific to the obligation. The unwinding of the discount is recognised as finance cost.

Contingent liabilities are disclosed in the notes to the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Provisions and Contingent Liabilities are reviewed at each Balance Sheet date and adjusted to reflect the best estimates.
