Dear Sir,

We would like to inform you that Banks have taken over the possession of the assets of the Company under Securitization and Reconstruction of Financial asset and Enforcement of Security Interest Act, 2002 (SARFESI).

The auditors are of the view that the assets need to be valued on impairment basis taking into consideration the current scenario. Therefore the audit of the accounts is getting delayed. The completion of audit may take another 90 days.

This is for your information & records please.

Thanking you,
