The distribution of these materials in certain jurisdictions may be restricted by law and persons into whose possession these materials comes should inform themselves about and observe any such restrictions. Certain statements contained in this presentation that are not statements of historical fact constitute “forward-looking statements.” You can generally identify forward-looking statements by terminology such as “aim”, “anticipate”, “believe”, “continue”, “could”, “estimate”, “expect”, “intend”, “may”, “objective”, “goal”, “plan”, “potential”, “project”, “pursue”, “shall”, “should”, “will”, “would”, or other words or phrases of similar import. These forward-looking statements involve known and unknown risks, uncertainties, assumptions and other factors that may cause the **Company’s** actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements or other projections. Important factors that could cause actual results, performance or achievements to differ materially include, among others: (a) material changes in the regulations governing the **Company’s** businesses; (b) the Company's ability to comply with the capital adequacy norms prescribed by the RBI; (c) decreases in the value of the Company's collateral or delays in enforcing the Company's collateral upon default by borrowers on their obligations to the Company; (d) the Company's ability to control the level of NPAs in the Company's portfolio effectively; (e) internal or external fraud, operational errors, systems malfunctions, or cyber security incidents; (f) volatility in interest rates and other market conditions; and (g) any adverse changes to the Indian economy.

This presentation is for general information purposes only, without regard to any specific objectives, financial situations or informational needs of any particular person. The information contained in this presentation is only current as of its date and the Company does not undertake any obligation to update the information as a result of new information, future events or otherwise.
