**Public statement issued by Max Healthcare Institute Limited

We have received notice of cancellation of the license of Max Hospital Shalimar Bagh.

We strongly believe that this ruling is harsh and that we have not been given an adequate opportunity to be heard.

We believe that even if there is an individual error of judgement, holding the hospital responsible is unfair and will severely limit the ability for patients to access treatment. This will compound the shortage of hospital facilities in the National Capital.

We will explore all options available to us.

We stand firmly behind our commitment to patient care, clinical and service excellence to the best of our capabilities.
