Encl: as above

## **3B BlackBioBiotech (I) Ltd. is awarded with the ‘Outstanding Achievement Award in recognition of excellence in R&D through technology by FMPCCI, Bhopal.**

**14<sup>th</sup> August 2017, Bhopal:** 3B BLACKBIO BIOTECH (I) LTD. Bhopal is awarded with the ‘Outstanding Achievement Award in recognition of excellence in R&D through technology in MSME enterprise category’, during the 4<sup>th</sup> Outstanding Achievement Award 2016, held on 12th Aug. 2017 (Saturday), organized by Federation of Madhya Pradesh Chambers of Commerce and Industry (FMPCCI), Bhopal.

3B BLACKBIO Bhopal was conferred the recognition by the panel of eminent jurists, for outstanding achievements for indigenously developing Molecular Diagnostic (MDx) kits, after long focused R&D. The product offers complete import substitution. The award was received by Mr. Dharendra Dubey (Managing Director), Mr. Nikhil Dubey (Director) & Dr. Akhilesh Rawat (Head R&D), from Hon’ble Chief Minister of M.P. Shri. Shivraj Singh Chouhan at Hotel Courtyard Marriot. Mr. Girish Agrawal, Patron FMPCCI and Director Dainik Bhaskar Group, Dr. R.S. Goswami Jt. President FMPCCI were also present during the award ceremony.

Shivraj Singh Chouhan, Mr. Dharendra Dubey (Managing Director- 3B BlackBio), Mr. Nikhil Dubey (Director- 3B BlackBio)

“Winning the R&D Innovation award is a significant milestone for 3BBlackBio. This year brings further advancements by launch of our other Molecular Diagnostic kits which will provide additional capabilities and competitiveness in the market. We look forward to continuing to support our customers and the medical device industry with innovative products which are highly sensitive, specific and in-line with global standards. Our R&D team works every day with individual customers, creating new solutions to help them succeed, we are always looking for new products to meet changing or expanding demand. This shows that innovation is a collaborative effort, and that it can come in many forms,” Dharendra Dubey said. Mr. Prateek Goel, Proprietor- Vivid Global Technologies (Channel Partner-India) added “The creation of a new product in the lab represents one kind of innovation. And the process of taking that product to economical, commercial-scale production is another. I am proud and thankful to be a part of such a team where such creativity is encouraged and supported every day.”

**About 3B BlackBio Biotech (I) Ltd.:**

An Innovative biotechnology Company, delivering reliable affordable healthcare diagnostic solutions which are complete import substitution. 3BBlackBio portfolio has over 25 key parameters with brand name “TRUPCR”, needed by the Molecular Diagnostics labs. The flagship unique products are- 1) Only Indian kit to monitor BCR-ABL1 gene translocation to MR 5 (MR- Molecular Response), the TRUPCR® BCR-ABL Kit simultaneously detects all three transcripts (Major, minor & micro). 2) Another novel kit developed is to identify the MDR-TB (WHO has identified Rifampicin (important 1<sup>st</sup> line drug to treat TB) as a surrogate marker to decide MDR-TB status). TRUPCR® Rifampicin Resistant Detection Kit is able to detect mutation occurring anywhere in the 81bp hot spot region. Tuberculosis is one of the top 10 killers globally; as reported by WHO, March 2017.

3B BlackBio is a fast growing company with sales growing at 100% YoY for last 2 years & also in Q1 FY18. It has a portfolio of over 25 products and a team of 30 people, out of which 10 are dedicated to R&D purely.
